Anti-Israel Axis: Jordan Recalls Ambassador & Expels Israeli Ambassador – Turkey & Iran Threaten “Severe Consequences” & Generalization of War

Domino developments in the Middle East

A domino of developments is coming in the Middle East as Jordan recalled its ambassador from Israel and advised the Israeli ambassador to leave while other states in the region are expected to do the same.

At the same time, Iranian Foreign Minister Hossein Amir Abdullahian went to Ankara and met with Turkish Foreign Minister Hakan Fidan and RT Erdogan.

Iran-Turkey Coalition Against Israel-USA – Statements...

The head of Turkish and Iranian diplomacy Hakan Fidan and Hossein Amir Abdullahian today asked Ankara to convene an international conference to avoid regional conflict in the Middle East as soon as possible.

"The Iranian president proposed a conference with local leaders, Muslim and Arab countries as soon as possible to end the war" in Gaza, the Iranian foreign minister said during a joint press conference with his Turkish ministerial counterpart in Ankara.

"The countries of the region must assume their responsibilities. Otherwise, this cycle of violence will continue in the region," said Hakan Fidan for his part.

"We do not want the human tragedy of Gaza to turn into a conflict that will affect the countries of the region," he continued, expressing his "concern".

"We are concerned about the geographical spread of the conflict. We have discussed this with our Iranian brother, (according to whom) there are strong indications that other armed elements in the region could also intervene in the conflict if the conditions do not change," Hakan Fidan insisted.

"A ceasefire and peace are more important than ever," added the Turkish foreign minister.

For his part, the Iranian foreign minister warned that if the attacks on the Gaza Strip continue, the consequences will be severe.

"If there is no immediate ceasefire in the Gaza Strip and if the attacks by the US and the Zionist regime continue, then the consequences will be severe," he said, without giving details of Tehran's plans.

Amir Abdollahian said that a visit by Iranian President Ibrahim Raishi to Turkey very soon is on the agenda.

Turkey's proposal for a new security mechanism in the Middle East – Except the USA

"We see that it is necessary to create a new security mechanism in cooperation with the actors in the region," Erdogan said on Tuesday.

"We are ready to take responsibility if this step is taken."

Turkish officials worry that a wider, regional conflict could involve Lebanon, notably Hezbollah, Iran, and its proxies in Syria and Iraq, as well as Yemen's Houthis.

Turkish efforts have focused on trying to reach a ceasefire agreement to prevent such an escalation, but some in Ankara believe that Israel and the U.S. do not fully understand what is at stake.

A regional escalation would not fall under the purview of NATO or the United Nations, so Ankara believes there is a great need to create a mechanism to regulate tensions in the Middle East.

Nuh Yilmaz, chief adviser to Turkish Foreign Minister Hakan Fidan, said during an event last Friday that Ankara's years-long efforts to revive relations with Israel were undone when the latest round of hostilities began.

Yilmaz added that the conflict disrupts solutions to international energy needs as well as trade corridor projects.

"We decided it would be better to approach this problem from a more structural perspective, as any solution to any problem in the region could be overturned by a conflict," he said.

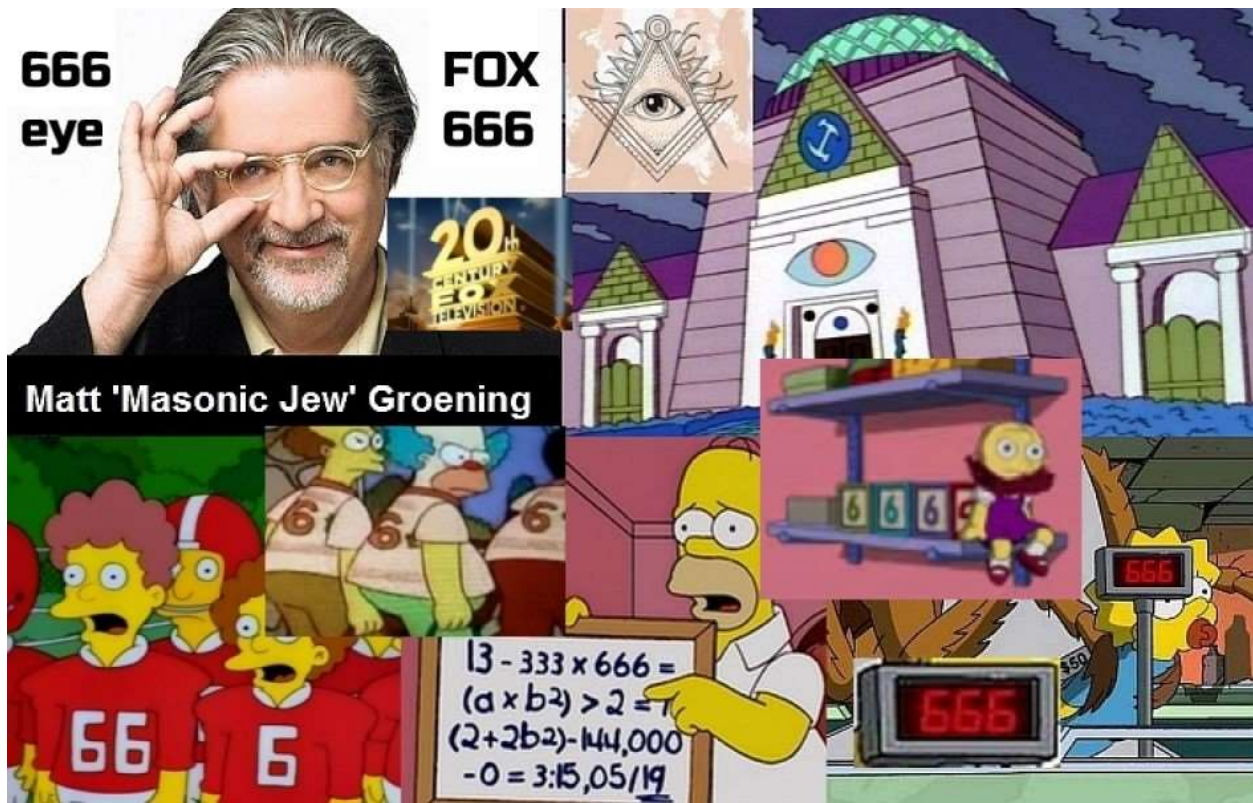

"We need a permanent solution in the region. We are looking at what kind of mechanism can work for this permanent solution."

Jordan decided today to recall its ambassador to Israel "immediately" in protest of the Israeli military attack on the Gaza Strip, which was decided after the bloody attack carried out in Israel by the Palestinian Hamas on October 7.

"Today (Wednesday), Foreign Minister Ayman Al-Safadi decided to immediately recall the Jordanian ambassador to Israel," the foreign ministry in Amman announced, saying it "condemns the Israeli war that is killing innocents in Gaza." At the same time, Jordan asked the Israeli ambassador to leave the country and return only if Israel stops the war in Gaza.

Predictive Programming Through the Simpsons This Will Explain A Lot People Are Not Seeing!

Many of us conspiracy watchers over the years have been stunned with the accuracy of the popular TV cartoon the "Simpsons". The list of predictions is simply uncanny going back to the X-Files, 9/11, Trump descending the escalator with Homer Simpson, etc., etc. I have written a number of articles on how Predictive Programming is the sic way that the Freemasons tell you in advance what they plan to do to us.

The creator of the show Matt Groening worships Lucifer and is a 33rd degree Freemason. That's how they have been so accurate on so many subjects foretelling the future. The Simpsons should be a warning to you about what is afoot on the global scene. The Freemasons leader is none other than HRM Prince Charles of Wales, aka the Antichrist. This confirmation of Matt Groening being a Freemason is our link to why the Simpsons have been so accurate. As I hope to illustrate more that you can comprehend.

The incredible success of "Life in Hell" captured the attention of Hollywood producer James L. Brooks. The collaboration between Groening and Brooks culminated in the creation of "The Simpsons," a satirical portrayal of the Simpson family. Groening named the characters after his own family members. This innovative concept led to a series of "Simpsons" shorts on "The Tracey Ullman Show" and eventually, in 1989, the launch of the half-hour series.

"The Simpsons" is an unparalleled success story, still running to this day. Groening's involvement in the show has continued as an executive producer and creative consultant. His influence extends to writing and co-writing several episodes and the 2007 feature film, "The Simpsons Movie." Groening net worth is estimated at \$600-million dollars. In the link below Homer wakes up yelling it is the Rapture! This tells you that Masons know about the Biblical Rapture!

https://youtu.be/H_N20yWQXuA

Matt Groening became a Freemason in 1993 when he released The Simpsons 'Stonecutter' episode. Ever since that episode was released, The Simpsons made numerous predictions that came true in real life. Here below are just some of those predictions....

Time magazine said, *“With 31 seasons and counting on the air, The Simpsons is undeniably a television phenomenon. Both the longest-running American sitcom and animated program, the critically acclaimed cartoon is widely recognized as one of, if not the, best shows of all time for its humorous satire of everything from politics and pop culture to everyday family life.”*

In fact, throughout its nearly 700 episodes, creator Matt Groening and his team have been so on top of the country's cultural pulse, they've even managed to predict several major historical events — along with a few less momentous happenings.

Here is but a sampling of 17 times when *The Simpsons* made eerily accurate predictions about the future. This is but a small sampling of Groening's satire.

Siegfried and Roy's Tiger Attack

Season 5, Episode 10: Springfield (Or, How I Learned to Stop Worrying and Love Legalized Gambling)

Predicted: 1993

Came true: 2003

After Springfield decides to legalize gambling, Mr. Burns opens a casino where German magicians Gunter and Ernst perform a routine, seeming to spoof the long-running Las Vegas Siegfried and Roy show. Tragically, a bit in which the animated duo is attacked by their tiger came to fruition 10 years later when Roy Horn was mauled on stage by a white Bengal tiger, leaving him partially paralyzed and ending the long-running production.

Autocorrect Fails

Season 6, Episode 8: Lisa on Ice

Predicted: 1994

Came true: 2007

During a Springfield Elementary School assembly, Kearney asks fellow bully Dolph to take a memo to “Beat up Martin” on his “Newton” — Apple's early attempt at a personal digital assistant. However, the machine translates the message into “Eat up Martha” instead, foreshadowing the common messaging errors people blame on iPhone's autocorrect technology.

In fact, Nitin Ganatra, Apple's former director of engineering for iOS applications, revealed in 2013 that the *Simpsons'* gag served as a rallying cry while developing the software for the iPhone's keyboard. “If you heard people talking and they used the words ‘Eat up Martha,’ it was basically a reference to the fact that we

needed to nail the keyboard. We needed to make sure the text input works on this thing, otherwise, ‘Here comes the Eat up Marthas,’” he told [Fast Company](#).

FaceTime

Season 6, Episode 19: Lisa’s Wedding

Predicted: 1995

Came true: 2010

In this futuristic installment, Lisa talks with Marge using her phone’s video chat capabilities, predating the popular FaceTime feature of today’s iPhones by 15 years.

Faulty Voter Machines

Season 20, Episode 4: Treehouse of Horror XIX

Predicted: 2008

Came true: 2012

In a bit inspired by the 2008 presidential election, Homer tries to vote for Barack Obama only to have a voting machine record his selection as John McCain several times. Coincidentally, when it came time for Obama to run for a second term in 2012, video footage emerged of a Pennsylvania machine switching a vote from Obama to one for his Republican opponent, Mitt Romney. The machine was reportedly taken out of commission.

The God Particle

Season 10, Episode 2: The Wizard of Evergreen Terrace

Predicted: 1998

Came true: 2012

The existence of the [Higgs boson](#) or “God particle” — a breakthrough that helps explain how everything in the universe has mass — wasn’t confirmed by physicists until 2012. But according to Dr. Simon Singh, the author of *The Simpsons and their Mathematical Secrets*, after Homer decided to become an inventor in “The Wizard of Evergreen Terrace,” he was pictured standing in front of a blackboard with an equation that predicted the mass of the yet-to-be-discovered particle.

“If you work it out, you get the mass of a Higgs boson that’s only a bit larger than the nano-mass of a Higgs boson actually is,” he told the *Independent*. “It’s kind of amazing as Homer makes this prediction 14 years before it was discovered.”

NSA Spying Scandal

The Simpsons Movie

Predicted: 2007

Came true: 2013

When the Simpson family is forced to go into hiding following their escape from the EPA biodome enclosing Springfield, the NSA locates Marge and the kids by listening in on one of their conversations. However, it wasn’t until six years

after *The Simpsons Movie* hit theaters that [Edward Snowden](#) first blew the whistle on the government mass surveillance of Americans' phone and Internet records.

Smartwatches

Season 6, Episode 19: Lisa's Wedding

Predicted: 1995

Came true: 2014

When Lisa visits a fortune-teller at a renaissance fair, viewers are transported 15 years into the future to 2010 — a time when wristwatch communication technology exists. However, even the Simpsons' future society was a little ahead of its time, as modern voice recognition-enabled smartwatches weren't rolled out until 2014.

America's Ebola Outbreak

Season 9, Episode 3: Lisa's Sax

Predicted: 1997

Came true: 2014

This installment saw Marge offer to read a depressed Bart a book titled *Curious George and the Ebola Virus*. This moment was widely circulated during the 2014 American Ebola outbreak when YouTube user Thecontroversy7 created a video laying out a theory revolving around *The Simpsons'* predictive tendencies.

FIFA's Corruption Scandal

Season 25, Episode 16: You Don't Have to Live Like a Referee

Predicted: 2014

Came true: 2015

Although the world football federation representative who asks Homer for help repairing the organization's image isn't explicitly named as a member of FIFA, his arrest turned out to be uncannily similar to those of the real-life FIFA officials who were arrested on corruption charges about a year later. Not to mention that the episode also correctly predicted Germany's defeat of Brazil in the 2014 World Cup.

Greece's Debt Default

Season 23, Episode 10: Politically Inept, with Homer Simpson

Predicted: 2012

Came true: 2015

When Homer appears as a guest commentator on cable news show *Head Butt*, a ticker runs across the bottom of the screen that reads, "Europe puts Greece on eBay."

Of course, this was three years before Greece became the first developed country to default to the International Monetary Fund, plunging the country deeper into economic crisis.

The Nobel Prize

Season 22, Episode 1: Elementary School Musical

Predicted: 2010

Came true: 2016

Bengt Holmström may not have won the Nobel Prize in Economics until 2016, but one *Simpsons* character was betting on him six years prior. In a scene from the season 22 premiere in which Martin holds up a scorecard depicting his Nobel Prize betting pool with Lisa, Milhouse and Database, the MIT professor is clearly marked in one of Milhouse's squares.

President Donald Trump

Season 11, Episode 17: Bart to the Future

Predicted: 2000

Came true: 2016

When Bart flashes forward into adulthood, viewers learn that Lisa not only becomes president, but inherits "quite a budget crunch" from her predecessor, Donald Trump. "The country is broke?" she asks her aides in one scene. "How can that be?"

At the time, the real Trump presidency was still 16 years away. However, in a 2016 interview with [The Hollywood Reporter](#), writer Dan Greaney explained the joke was meant as a warning to the country. *"That just seemed like the logical last stop before hitting bottom,"* he said. *"It was pitched because it was consistent with the vision of America going insane."*

Lady Gaga's Halftime Show

Season 23, Episode 22: Lisa Goes Gaga

Predicted: 2012

Came true: 2017

Nearly five years before Lady Gaga descended from the roof of Houston's NRG Stadium for the halftime show of Super Bowl LI, her *Simpsons* doppelgänger performed a song for the residents of Springfield while suspended in the air. The two Mother Monsters even wore similar silver ensembles for their shows.

Disney's Fox Takeover

Season 10, Episode 5: When You Dish Upon A Star

Predicted: 1998

Came true: 2017

After a trip to Springfield, director Ron Howard pitches a screenplay that Homer wrote to producer Brian Glazer of 20th Century Fox. At the beginning of the scene, a sign can be seen at the Fox studio lot that reveals the company is now "A Division of Walt [Disney](#) Co."

Cut to nearly 20 years later and this sale is officially underway, with the news breaking that Disney has reached a deal to acquire [\\$66.1 billion-worth of Fox](#) on Dec. 14, 2017.

Team USA's Olympic Curling Win

Season 21, Episode 12: Boy Meets Curl

Predicted: 2010

Came true: 2018

Team USA's men's curling team defeated Sweden in a shocking upset at the 2018 Olympics that brought yet another *Simpsons* storyline to real-life fruition. Mirroring events from a 2010 episode in which Marge and Homer made it onto the U.S. mixed doubles curling team, the Americans came from behind in their Feb. 25 matchup with Sweden to capture gold at the Winter Games in PyeongChang.

Drogon's Fiery Rampage on Game of Thrones

Season 29, Episode 1: The Serfsons

Predicted: 2017

Came true: 2019

A 2017 episode called "The Serfsons" saw Homer, Marge and the rest of the Simpsons gang find themselves in the kingdom of Springfieldia, an alternate fantasy universe that parodied many aspects of life in Westeros on *Game of Thrones*. There was even a fire-breathing dragon that burnt down the Serfsons' village, much like Drogon (acting at Daenerys' behest) ended up doing to King's Landing in *Game of Thrones'* penultimate episode, "The Bells."

The 2020 Experience

Season 4, Episode 21: Marge in Chains

Predicted: 1993

Came true: 2020

If 2020 was a bingo card, *The Simpsons* could already have at least two squares ticked off. In the nearly 30-year-old episode "Marge in Chains," not only does an unprecedented flu sweep through Springfield, but when the townspeople begin rioting to demand a cure for the virus, a swarm of killer bees that could be likened to the "[murder hornets](#)" that recently hit the U.S. unexpectedly come into the picture.

On the other hand, episode co-writer Bill Oakley told [The Hollywood Reporter](#) in March that any comparisons the storyline seems to invite to coronavirus are purely coincidental. "There are very few cases where *The Simpsons* predicted something," he said. "It's mainly just coincidence because the episodes are so old that history repeats itself. Most of these episodes are based on things that happened in the '60s, '70s or '80s that we knew about."

Sunday's new episode of *The Simpsons* may have dropped another bold prediction about the future involving Elon Musk, his space rockets and his ownership of X (formerly Twitter), and viewers took notice.

The long-running animated show on Fox has been making predictions that have ended up coming true since the early 1990s, from the Ebola virus to major network monopolies to *Game of Thrones* plot points and so much more in between.

Here's the latest prognostication and what people have to say about it.

Making the prediction:

Sunday marked the fourth episode of Season 35 for *The Simpsons* called "[Thirst Trap: A Corporate Love Story](#)," which was all one big parody documentary about a young college dropout CEO named Persephone — voiced by Elizabeth Banks — who personifies the "fake it until you make it" philosophy in Silicon Valley. She ends up charming Mr. Burns into funding her dream project and the pair get married.

At one point in the episode, he gives her "a little something special for her birthday" in the form of a card.

"A Twitter gift card?" she asks.

"No, I bought you Twitter, the whole company!" Burns says. "It was a bargain, the previous owner had to sell it after his self-driving Mars rocket crashed into the international space station."

For good measure, that scene was immediately followed by one with Mr. Burns and Persephone being [interviewed by media personality and *Billions* co-creator Andrew Ross Sorkin](#), who implied that under the new ownership, Mr. Burns had every negative Tweet about Persephone removed from the platform.

Banking the prediction!

Viewers took notice of the so-called prediction and reacted on social media — Musk's X to be more specific — putting up posts to mark the occasion in case it does indeed happen.

Musk on *The Simpsons*

It's not the first time that Musk has been referenced on the long-running hit show. He provided his voice for a 2015 episode for Season 26 called "[The Musk Who Fell to Earth](#)." He's also lent his voice to other hit animated series like *South Park* and *Rick and Morty*.

It's too early to tell if this latest *Simpsons* prediction will join the ever-growing list of things that have indeed come to fruition or if it will fall in with the handful of [notable predictions that haven't come true](#). But one prediction that *is* a pretty safe bet: *The Simpsons* isn't done making them.

CONSPIRACY THEORY SAYS THE SIMPSONS KEEPS PREDICTING STUFF BECAUSE MATT GROENING IS A FREEMASON

The Simpsons, when it's good, is a keen reflection of American pop culture. At its best, however, it also has the eerie ability to portray real-world events years before they come to pass. This last part, as we all know, is due entirely to the fact that series creator Matt Groening is a Freemason who is subtly playing with viewers by leaving small hints as to his true nature throughout the show in every episode.

People have noticed Nostra-groening's predictions before, whether in the form of the show's depiction of Disney's acquisition of Fox or Trump becoming president, but a video from YouTube's Channel Frederator goes deeper into the temporal wormhole.

Mentioned briefly in the video is the extremely well-founded theory that Groening's actually some sort of high-level Freemason and so has been detailing the world's real truth through symbolism.

There's no shortage of much grounded, wholly rational videos that expose Groening as the occult visionary that he is. Look at how the show includes hidden symbols (that one video calls the communication system of the Masons) inserted by the shadowy figures, like Groening, who control all mass media. Is there any other explanation for The Simpsons' predictions than a weirdly complex form of global programming? It is sic Masonic flaunting its ability to cause chaos, pain and suffering to the world through the TV media.

Channel Frederator's more pedestrian explanations, no matter how logical they may be, are only a distraction of the simple, much more reasonable truth: Matt Groening is part of a secret society with intimate knowledge of all human experience, past, present, and future. After all, the power that comes from belonging to a group capable of making Steve Guttenberg a star cannot be underestimated. I don't believe you are familiar with Channel Frederator: [The Channel Frederator Network is an American animation, video game and pop culture Multi-Channel Network (MCN) founded by cartoon producer and serial media entrepreneur Fred Seibert and managed by Frederator Networks.]

The long-running series has famously built a reputation for forecasting our future. For over three decades, the series has thrived with a dedicated audience invested in Homer, Marge, Bart, Lisa and Maggie.

A recent TikTok video titled 'Simpsons predictions for 2023' that will give you chills' has recently gone viral.

[Inflation and Economic crisis](#)

We are all aware of gas prices, and the ongoing cost of living crisis, but this prediction, apparently for the year 2023, may shock you.

A man tells Homer: *"Anarchy, the end of civilization coming soon to an America near you."*

Homer responds: *"America can't collapse, we're as powerful as Ancient Rome."*

The man plays him a video that says: *"The modern world an inexorable march of progress."*

Homer says "sweet", and the video continues: *"Or, is it, we're slaves to the system, close the supermarket, and we starve."*

Then cards appear saying, no local farming, peak oil, Ben Bernanke, solar flares, 17 year cicadas, deadly troll.

Homer adds: *"Oh my god, this unsourced, undated video has convinced me beyond any reasonable doubt."*

The man reassures Homer and says: *"I'm the guy you want to know when the stuff hits the fan."*

A Nuclear War between the US and China

The Simpsons apparently predicted for 2023 that there could be a nuclear war between the U.S. and China.

In one of their episodes, the news anchor can be heard saying, *"it is with great sadness that I inform you that America and China have declared war. A massive nuclear attack is expected to reach our shores within the hour!"*

It comes after a number of previous predictions came true.

The Matt Groening secret society ties cannot be dismissed when you read the next segment [which really happened] of this Blessed Hope following next.

DJT Threw His Chance to Overturn the 2020 Election Patrick Byrne

Donald Trump Is an Actor in a Political Reality Show!

He had a clear path to overturn the rigged election, and he didn't take it. Zionism and Communists are the right and left wings of Jewish Freemasonry. The role of Zionists like Trump and Bolsonaro is to throw the elections to Communists.

On the evening of Friday Dec 18, Sydney Powell, Michael Flynn and Patrick Byrne held an informal meeting with Donald Trump.

During this meeting, Powell and Flynn told Trump that he could successfully challenge the result on the grounds of two Executive Orders triggered by evidence of foreign intervention in an American election. One had been issued by Obama, and one by Trump.

All it would take to prove chicanery was to audit six key counties. They outlined the process in detail. Trump was sufficiently impressed to appoint Sydney Powell his Special Counsel on the spot.

The dramatic account is given by Byrne, who narrates the 30-minute video embedded above.

Trump pretended to be surprised by this information. *"Why didn't you tell me about this?"* he berated his lawyer Pat Cippollone. *"All you do is tell me what I can't do."*

***"Can you see what I could have accomplished had I been surrounded by other people?"* he appealed to his three guests.**

But then he softened, *"But Pat's friend. He's OK."*

"RUDY, IT'S GOTTA BE RUDY"

Rudy Giuliani was also "a friend." Trump insisted Powell share responsibility with Giuliani who immediately picked a fight with Powell and disagreed on strategy.

Trump comes across as a Mafia Don. Loyalty to "friends" takes precedence over defending democracy. Don't expect a gangster to have a historical sense or principles. He got those from his speechwriter, Stephen Miller. He pardoned Israeli spies and criminals but not Julian Assange or Edward Snowden.

PLAUSIBLE DENIABILITY

So *"loyal"* himself, why did he surround himself with *"friends"* like these? His Chief of Staff Mark Meadows was also a traitor. Even Mike Pence threw him under the bus. They are his Illuminati (Freemason) buddies/handlers.

MAGA was a charade. Trump served a purpose, dividing the nation. Now he's playing the victim, pretending he wasn't responsible for the people he chose. Even his three Supreme Court appointees proved to be traitors.

Sure enough Sydney Powell was dumped the following week.

Clearly, Trump lacked the character to fulfill his responsibility to his fellow Americans.

He had a clear path to victory, and he didn't take it. For someone who prided himself on winning, he definitely took a fall.

Why did anyone expect a Cabalist (Masonic) Jew to deliver on his promises? Goyim, you've been had yet again.

The meme below says that Trump was threatened with assassination if he didn't concede.

Do you believe this was necessary?

I don't. Trump is a player, not a martyr.

Do Americans deserve martyrs?

When individuals are not prepared to sacrifice for the good of the whole, a society is finished. A society is finished when it fails to honor its champions.

The American people patriots appear unorganized and leaderless. We must rally behind Patrick Byrne, Sydney Powell and Michael Flynn. They aren't traitors like Donald Trump.

After listening to this recording, you will not want Donald Trump to provide leadership. You will not want to be deceived twice.

"What I was told was this: Melania had been warned by a government official that if Trump served another term he would be JFK'ed. It may even have been someone in the Secret Service itself, in a "We will not be able to protect him" sense. The threat included another family member as well, per the telling. I find it hard to believe that anyone in the Secret Service itself would ever say that, but the source of the information to me had otherwise been blemishless, and the claim was that whoever (perhaps Secret Service, perhaps someone else) had said this to Melania, it was someone from whom such a claim would be taken seriously. Melania was begging Donald not to fight, and simply to concede and get out of Washington with his family."

- Patrick Byrne, Overstock.com founder, Trump ally, and key witness & participant in fighting USA 2020 vote fraud

My [Patrick Byrne] reading remains slightly different - **For me, the account points to Trump being blackmailed from the very beginning.** One item [Byrne recounts in part 3 of his series](#) is how, after General Flynn and Byrne have successfully exposed that White House Counsel Pat Cipollone is working against Trump (and obviously should be immediately fired), Cipollone is yet arrogant enough to begin shouting at President Trump himself, as if Trump is on a lower level in terms of the Deep State cabal.

Patrick Byrne's 3-part series is an important part of how the American people have been played by the Masonic controlled opposition of Donald J. Trump. Patrick details his role in the DJT story in the site:

<https://yournews.com/2023/09/08/2641425/patrick...>
[Patrick Byrne Reveals The Shocking Backstory - \[your\]NEWS](#)

Since before 2016, Donald was notorious for flashing the various hand signs that he gave to identify himself as an "insider" of the Masonic controlled opposition.

Patrick Byrne's story is absolutely incredible and has been largely ignored by the mainstream media since it turns out to be an amazing exposure of the Deep State shadow government, consisting of DemoRats and RINO's or Republican in Name Only. The halls of Congress and the Senate are filled with Masonic politicians, lawyers, judges, and law enforcement types.

(Blackmailed, or following Masonic diktat?)

This is consistent with Trump being a blackmailed victim, too afraid as President to say his famous catchphrase 'You're fired!', rather than him being a 'made man' con artist insider.

Trump's current lawyers for that bizarre 'second impeachment' farce currently underway in the USA Congress, are David I. Schoen of Montgomery, Alabama, and Bruce L. Castor Jr of Philadelphia, whose law firm profile states:

"Bruce is a Master Mason, a 33rd Degree Scottish Rite Mason, a Knight Templar, and a Shriner"

Why a Masonic Ring on the Donald Trump Statue?

Posted on [August 27, 2016](#) by [Greg Stewart](#)

By now you've heard the sensational news of five Donald Trump statues, *The Emperor Has No Balls* that were placed around the country. If you haven't heard about it, you can read about it in [Slate](#), the [Daily Beast](#) and in the [Washington Post](#) – just to name a few. Even Chris Hodapp, over at [Freemasons for Dummies](#), made a mention of it (taking no public sides in the political debate) on the day the statues appeared.

As strange as the appearance of this statue was, even stranger was the inclusion of a [Masonic Ring](#) on the nude presidential contender, rendering a strange message on an even stranger figure upon which to associate it.

And yet, here we have another example of the iconic square and compass stealthily sneaking its way back into the material culture, now poised eloquently on one of the most in-eloquent of presidential candidates in an unflattering of pose. Alas, the Hans Christian Andersen appellation of the 'Emperor Has No Clothes' is perhaps one allegorical tale to be told about the presidential contender. But, an emperor without balls, wearing a Masonic Ring? The only question I can imagine on the minds of most Freemasons (after the obvious statement of how ludicrous it is) is ...why? Why a Masonic ring on a naked Donald Trump?

Over time there has been much debate as to who the true god of Freemasonry really is. In this article I will be quoting Masonic authorities to come to a conclusion that it is Lucifer/Satan who is the god of the Lodge. If you are a Mason I would plead with you to examine the truth which is found only in the Holy Bible. If you are a 'Christian' Mason I ask you why you belong to a Lucifer adoring cult which promotes the 'Mystery Religions' that teach reincarnation and revere pagan deities. The Lodge permits members from the three major faith groups.

Who Is Lucifer?

Lucifer's fall from heaven is recorded in the Bible (King James Bible only) when he wanted to take God's place as Lord over all:

"How art thou fallen from heaven, O Lucifer, son of the morning! How art thou cut down to the ground, which didst weaken the nations! For thou hast said in thine heart, I will ascend into heaven, I will exalt my throne above the stars of God: I will sit also upon the mount of the congregation, in the sides of the north: I will ascend above the heights of the clouds; I will be like the most High. Yet thou shalt be brought down to hell, to the sides of the pit." — Isaiah 14:12-15

In the New Testament of the Holy Bible, Jesus further exposed Lucifer when he stated:

"I beheld Satan as lightning fall from heaven." -(Luke 10:18)

The Fall of Lucifer/Satan is also recorded in Revelation Chapter 12. The Word of God clearly indicates that Lucifer and Satan are the same person.

Masonic Deception

The Holy Bible describes Lucifer as ***"that old serpent, called the Devil, and Satan, which deceiveth the whole world"*** -(Revelation 12:9)

Deception is a strong element in Freemasonry. The Masonic Hierarchy intentionally misleads lower degree Masons. 33rd Degree Freemason Albert Pike stated this fact well in his well-known book *'Morals And Dogma'*, ***"Masonry, like all the Religions, all the Mysteries conceals its secrets from all except the Adepts and Sages, or the Elect, and uses false explanations and misinterpretations of its symbols to mislead those who deserve only to be misled...page 104-105 The Blue Degrees are but the outer court or portico of the Temple. Part of the symbols are displayed there to Initiate, but he is intentionally misled by false interpretations. It is not intended that he shall understand them, but it is intended he shall imagine he understands them."*** — page 819

Albert Pike was a Luciferian (Follower of Lucifer) who confessed Lucifer as his own god. (see his quote below) He was the former Sovereign Grand Commander of the Supreme Council of Grand Sovereign Inspectors General of the 33rd Degree. There is also very strong evidence to prove that Pike founded the Klu Klux Klan.

Below are quotes written by high level Masons praising Lucifer

'The Mysteries Of Magic' by Eliphas Levi

“What is more absurd and more impious than to attribute the name of Lucifer to the devil, that is, to personified evil. The intellectual Lucifer is the spirit of intelligence and love; it is the paraclete, it is the Holy Spirit, while the physical Lucifer is the great agent of universal magnetism.” — page 428

*“That which we must say to a crowd is – We worship a God, but it is the God that one adores without superstition. To you, Sovereign Grand Inspectors General, we say this, that you may repeat it to the Brethren of the 32nd, 31st, and 30th degrees – The Masonic Religion should be, by all of us imitators of the high degrees, maintained in the purity of the Luciferian Doctrine. If Lucifer were not God, would Adonay whose deeds prove his cruelty, perfidy and hatred of man, barbarism and repulsion for science, would Adonay and his priests, calumniate him? **Yes, Lucifer is God, and unfortunately Adonay is also god.** For the eternal law is that there is no light without shade, no beauty without ugliness, no white without black, for the absolute can only exist as two gods: darkness being necessary to the statue, and the brake to the locomotive. Thus, the doctrine of Satanism is a heresy; and the true and pure philosophical religion is the belief in Lucifer, the equal of Adonay; but Lucifer, God of Light and God of Good, is struggling for humanity against Adonay, the God of Darkness and Evil.”* — Instructions to the 23 Supreme Councils of the World, July 14, 1889. [The bottom line of this report is that the war in the Gaza Strip is that it is being micro-managed by the Freemasons, of which it just so happens is the head Freemason, HRM Prince Charles of Wales, who will sign a treaty or confirm the Covenant of Daniel 9:27 in a matter of five weeks. The “Predictive Planning” aspect of all this came right out of Albert Pike’s (vision) plan for three world wars to take control of the world. I am not sure whether you can grasp what I am revealing in this Blessed Hope. I opened this can of worms with the most familiar of all Predictive Planning sources, that being the Simpsons, a creation of Freemason Matt Groening since it was he that produced an episode of the Trump image descending the escalator beginning his presidency campaign].

For the past four weeks, every day I was asking my wife, *“What is the price of gas today?”* When the Hamas invasion began, I called on Monday October 9th and ordered an oil top off of my heating oil tank. The price of oil and gas remained unchanged at least through November 2nd, 2023. That kind of news always result in the spike of oil. The fact that the oil markets were largely flat for so long is an indicator that forces unknown were keeping things stable for reasons also unknown; the price of oil was not following the normal market’s trends, my suspicions are the oil producing nations were being intentionally restrained from spiking the price of oil as the “Craft” were planning their next move in this their final “third world war” agenda. **They were waiting to see if the Biden administration would secure billions more for aid to Israel and Ukraine. They will begin a third world war to destroy the state of Israel. If you understand the message of Ezekiel 38/39 you know and understand that God will deliver Israel for future judgment.**

I woke up at 4am November 3rd with the answers to nagging questions for years. This has to be divine inspiration with what followed. As I tried to go back to sleep I sensed the Lord’s leading in answers to a number of questions haunting me for months if not years. **The big question I was seeking an answer to, why does not the rest of the Christian prophecy ministries acknowledge the evidence that HRM Prince Charles is the Antichrist. The answer came in a series of lightning bolt like intuitive messages; they are themselves Masons or blinded to the Christian Zionist cause driven by Masonic globalists.** John MacArthur and David Jeremiah

are themselves Masons. I know of so many Bible prophecy teachers are sold-out to the Zionist Christian agenda. There is John Hagee and his well-known (CUFI) Christians United For Israel. Perry Stone, Jentezen Franklin, and others within the Pentecostal community are also Christian Zionists.

My point: If you are a Freemason, you certainly do not want to expose your boss by bringing the light of Truth to the head of the Garter [highest Masonic order in the world]. The head of the Order of the Garter is HRM Prince Charles of Wales, and has made a number of declarations that he is King of the World! If you are a Christian leader in the Christian Zionist movement and also a Freemason member of the Lodge, you have a big huge problem with your followers! Below is Pope Francis sending the message of the “Hidden Hand” of Freemasonry. The photo of Francis was taken on public transit when he was archbishop of Buenos Aires, Argentina.

Just today, Saturday November 4th, I watched a ‘Prophecy Watcher’ program talking about the False Prophet. Mondo Gonzales guest was J.B. Hixson. In the entire program, there was no mention of a name of the False Prophet, not a hint, yet Pope Francis will be with HRM Charles at the COP28 meetings next month. He said he planned to attend the first three or four days of December. Christian Zionists always avoid being specific by dancing around by skirting the topic but remain silent of a specific name. In our world of prophecy information, it’s hard not to see Pope Francis and HRM Prince Charles, a fellow Mason being the men of Revelation 13. The evidence is so strong that HRM Prince Charles and Pope Francis are Satan’s dynamic duo! In previous segments I have listed the many points of association for HRM Prince Charles as the Antichrist. Pope Francis lacks a great deal of identity points, however, there are more than enough points to offer circumstantial evidence to his demonic demeanor at this point in time.

The modern political ideology of Christian Zionism is, in most cases, premised on the prophecy that the migration of Jews to Israel was a necessary prerequisite for the second coming of Jesus Christ. Upon the rapture, Jews will either convert to Christianity or go to Hell, according to this belief system, which is most closely associated with Evangelical, Charismatic or Pentecostal strains of Christianity.

In a February 2018 sermon, Hagee put it this way: *“God has a set time to do everything, and Israel is God’s prophetic clock for doing it. Recognize this fact: that God’s clock only moves when the Jewish people are in the land of Israel, and when they are in the land, the clock starts ticking.”*

In practice, this political ideology as exercised through CUFI has meant unbridled support for Israel *“as a Jewish state,”* alignment with the most far-right political forces in Israeli society, and backing of the ethnic cleansing and killing of Palestinians. While strains of Christian Zionism vary, Hagee holds that the rapture will be preceded by a cataclysmic war, a belief that makes him enthusiastic about conflict and confrontation with Palestinians, as well as with Iran and its allies. In 2005, Hagee declared that: *“it is time for America to embrace the words of Senator Joseph Lieberman and consider a military preemptive strike against Iran to prevent a nuclear holocaust in Israel and a nuclear attack in America.”*

It is my view that this interpretive view of the Bible is an invitation to the globalist movement do exactly what Pastor Hagee declares, and his fellow Freemasons are about to bring that to fulfillment. Let me reiterate, I do believe these events will take place in the order Pre-Trib, Pre-Millennial Rapture but not because of Christian Zionism, but rather because the Scriptures teach it. Christian Zionists essentially give Israel a free pass, they can do no wrong. Christian Zionists turn a blind eye to Israel’s crimes against their neighbors. When the USS Liberty, a former cargo ship converted to an intelligence gathering communications ship was attacked during the Six-day War, on June 8, 1967, 34 American sailors were killed and 171 injured, the U.S. government invoked a gag on the officers and crew of the USS Liberty. The NSA classified the documents to the present time. Since when does an ally nation get the right to attack and kill an unarmed ship with an oversized American flag flown from the mast identifying its identity as a U.S. Navy ship.

The USS Liberty is not the only incident; there is the American-Israeli spy Jonathan Pollard who as a U.S. Navy intelligence analyst stole enough U.S. Navy documents to fill a room 10’x10’x10’. As a dual-passport citizen, upon his release deal, he now lives in Israel.

The anti-Palestinian, anti-Semitic and anti-Muslim ethos embedded in the Christian Zionism of groups like CUFI is well documented. It applies biblical prophecy to a modern nation state and transforms a 70-year struggle for political and human rights into a mythic, ahistorical, world-ending religious conflict, and

That's super dehumanizing to Palestinians, Muslims and Jews, but also is extremely dangerous when you are using the tools of statecraft to basically pursue the end of the world. There are many other examples beside these two which Casper Wineberger, Secretary of the Army under Ronald Reagan had much to say.

I am a Christian Born-Again Bible believer, but I am convinced that much of the Evangelical community have totally confused what the Bible is saying and telling us. The Bible has been telling us what will happen in advance.

That said, what Christian Zionism takes as a mandate to support Israel at all costs and its wars is going against the will of God; and in the Lord's dealing with a secular state of Zionists hiding behind the Bible and the Biblical descendants of Abraham, Isaac, and Jacob. During the past few days Benjamin Netanyahu has been claiming Old Testament passages as a rallying cry in the Israeli genocide to destroy Hamas and the Palestinians. It is not likely that respected well-known TV preachers John MacArthur and David Jeremiah or Perry Stone are not about to call out their "boss" as the Antichrist. No need to expose the dirty laundry!

I know the Bible well enough to know what is coming, and this is the culmination of [His]tory as we know it. With 8,362 predictive passages in the Bible; all have been fulfilled or awaiting soon fulfillment. As such, the Jewish nation is God's time piece, and Christians should not be trying to speed up the clock on God's plan. God has no need of our assistance. The Lord is omnipotent. We are to be praying for the peace of Jerusalem. This could not be more important than it is today. **Prophecy is there so that we can know God has it all under control and that we choose Jesus against his coming nemesis, the pseudo false messiah masquerading as the descendant of King David. I have explained all that in previous articles.**

The ignoring of HRM Prince Charles as the Antichrist by the Christian Zionist and prophecy teachers suggests of a Freemasonic requirement of their Lodge members, and that is always to protect a fellow-Mason, even if it involves felony murder. That being the case, I am not all that surprised that Christian Zionist pastors and prophecy teachers are protecting the identity exposure of the Antichrist since he is their 'boss'. Even the wording of 2nd Thessalonians 2:1-12 infers this secret omission might be intentional withholding the identity.

Making and emphasizing my point that Christian Zionists are committing heresy; 70 million Christian evangelicals in the U.S. (a large proportion subscribing to Christian Zionist beliefs), give unconditional support of Israel on religious grounds that translates into massive lobbying power in a country where the "religious right" has seen itself as the leaders in a fight against the infidels of secularism, Islam, socialism and anyone else in their way.

The 70 million Christian Zionists are supporting a nation which is secular and atheistic of which 90% follow the teachings of the Talmud, and herein lies the bigger issue of why Christian Zionists are deceived. The Talmud is not the Torah and most Christian Zionists are either ignorant of the difference or giving Israel blanket support to what they see as an Israeli and can do no wrong.

The Jewish Talmud says many unsavory things about our Lord Jesus Christ. Some of them are in plain sight, and some of them are concealed. I'm going to share those details with you.

Now, before we begin, you need to understand a little about the Talmud.

The Jewish faith of Judaism is not solely based on the Old Testament. Instead, Judaism is a religion derived from the Torah, and rabbinical commentary which make up the Babylonian Talmud, (also: Jerusalem Talmud).

Judaism's Talmud is not claimed to be a Divinely inspired book. It's simply commentary, and the *"traditions of men"* as Jesus said, -(Mark 7:8). In fact, the Talmud serves as the instruction manual for Orthodox and Hasidic Jews around the world. Remember when God took the Jews into captivity to Babylon, they lost the three things revered as being sacrosanct: the land, the temple, and the Torah!

Now that we have some basic knowledge about Judaism, let's discover what the so-called holy book of the Jews says about our Lord Jesus Christ.

Partial quotes are cited for brevity, full quotes are linked to the Talmud.

The Talmud Says Jesus Is Boiling In Excrement.

[Gittin 57a:3-4](#)

"Onkelos then went and raised Jesus the Nazarene from the grave through necromancy... What is the punishment of that man, a euphemism for Jesus himself, in the next world? Jesus said to him: He is punished with boiling excrement."

Judaism's Talmud teaches that a sorcerer, through necromancy, raised Jesus Christ from hell where He was boiling in hot feces.

- What kind of perversion is this?
- Why are Jews dealing with sorcerers and necromancy which God is against?
- Is this what you envision when you think about *"Judeo-Christian values?"*

If this were not bad enough, the Jewish Talmud also teaches that Jesus performed sorcery and magic, worshiped idols, led people to sin, and that Mary (*Miriam*) cheated on Joseph.

The Talmud Says Jesus Worshipped Idols.

[Sotah 47a:14](#)

“Jesus ... went and stood up a brick and worshipped it as an idol ... he caused the masses to sin ... Jesus the Nazarene performed sorcery, and he incited the masses, and subverted the masses, and caused the Jewish people to sin.”

Also: [Sanhedrin 107b:14](#)

Plainly stated, the Talmud teaches that Jesus worshipped idols and even performed sorcery. This should not come as a surprise to us. The Jews, being the Pharisees, Sadducees, and scribes constantly contended with Jesus, sought to kill Him, and succeeded, along with the rest of the Israelites, ([Acts 2:14, 22-23, 36](#), [1st Thessalonians 2:14-25](#), [Mark 15:15](#)). They could not accept Him as the Messiah, though they witnessed His many miracles.

These Jews and their Talmud beliefs are so foul, Jesus said of them;

- They are a “child of hell,” – [Matthew 23:15](#)
- “Ye are of your father the devil,” – [John 8:44](#)
- Their faith is the “synagogue of Satan,” – [Revelation 2:9, 3:9](#)

The Talmud Says Jesus Practiced Sorcery.

[Sanhedrin 43a:20](#)

“On Passover Eve they hung the corpse of Jesus the Nazarene after they killed him by way of stoning ... because he practiced sorcery, incited people to idol worship, and led the Jewish people astray.”

“Jesus the Nazarene.”

That is our Lord and Savior who was crucified on Passover, though He was not stoned. However, if you spend any amount of time reading the Talmud, you’ll find it’s full of contradictions and inconsistencies, so this should not be a surprise, but the general narrative always fits.

Nevertheless, the ancient sages taught that Jesus was a sorcerer and led people to worship false gods, which led the “Jews” astray. Interestingly enough, the accusations of the Jews as recorded in the Talmud, are what we find in the New Testament.

[Matthew 9:34](#)

“But the Pharisees said, He casteth out devils through the prince of the devils.”

Also: [Matthew 12:24](#), [Mark 3:22](#), [Luke 11:15](#)

The Jews were referring to Beelzebub, accusing our Lord of sorcery and magic with the prince of evil, just as they proclaimed in the Talmud.

Talmud Says Jesus’ Mother Was Unfaithful.

Shabbat 104b:5

“Didn’t the infamous ben Stada take magic spells out of Egypt ... His mother’s husband, who acted as his father, was named Stada, but the one who had relations with his mother and fathered him was named Pandeira ... his mother Miriam ... This one strayed from her husband.”

This is in fact a reference to Jesus Christ, whom the Jews say was born from an adulterous affair. However, in this Talmudic verse, the accusation is veiled, but I’ll remove the veil so you can understand.

Now, who is **“ben Stada?”**

The Jewish Library tells us, Ben Stada is,
“...identified in later tradition with Ben Pandira (Jesus)”

They further explain,

“The name “Ben Pandira” was understood in the Babylonian Talmud as a euphemism for Jesus. It is fairly clear, therefore, that this entire talmudic passage is an anti-Christian polemic, ridiculing the doctrine of the virgin birth of Jesus.”

In fact, the story from Shabbat 104b:5 and Sanhedrin 43a:20, are combined together in **Sanhedrin 67a:14-15**, using the name “ben Stada,” to which the Jewish Library says, these accounts are ***“...a reference to the crucifixion.”***

So the Talmud boldly and subtly teaches lies about Jesus Christ. All in an attempt to slander His name and discredit our faith.

Other Talmud Slanders Of Jesus exist.

Unfortunately, the Talmud teaches many other perverse things about Jesus.

However, they don’t always use the name, “Jesus” as we just learned. Instead, the Talmud uses various names to conceal the fact that they are referring to our Lord.

Let me provide some more examples.

That Man Is Jesus

As you learned in Gittin 57a:3-4, “that man” is a euphemism commonly used in the Talmud to refer to Jesus Christ. As the Jewish Library just pointed out, “Ben Stada” and “Ben Pandira” are also euphemisms for Jesus Christ. However, there are even more euphemisms for Jesus in the Talmud...

Yeshu Is Jesus. The name of Jesus in Hebrew is “Yeshua,” but the Talmud commonly refers to Him as **“Yeshu.”**

Why?

Jesus "...was called by the name Yeshu, a "play" on His correct name that is actually an acronym standing for Yimmach Shemo Ve-zikro - May his name and memory be blotted out."

Jews for Jesus

So when "Yeshu" is cited in the Talmud, it's a reference to Jesus, and "May his name and memory be blotted out" say the Jews.

We have one more to cover...

Balaam Is Jesus

The Talmud also commonly uses the name "Balaam" to refer to Jesus Christ.

Don't take my word for it.

[Sanhedrin 106a:42](#) has a footnote that says,

"... Balaam is frequently used in the Talmud as a type for Jesus."

In that verse, the Talmud explains, Mary *"played the harlot with carpenters,"* and it further states, Jesus was *"thirty-three"* when He was killed, ([Sanhedrin 106b:2](#)). The Talmud even tells us, *"the court gave him every opportunity to clear himself"* before His sentence, ([Sanhedrin 43a:21](#)).

Just as Scripture declares,

"Jesus yet answered nothing; so that Pilate marveled."

[Mark 15:5](#)

My friends, can there be any doubt about who the Talmud is referring to?

This...

- "Jesus the Nazarene"
- "that man"
- "Yeshu"
- "Ben Stada"
- "Ben Pandira"
- and "Balaam..."

Refer to our Lord Jesus Christ.

Summary

The fact of the matter is, the [Talmud](#) is a vile book that slanders Jesus Christ. It's a book filled with perversion and filth, a book that declares Jews can lie, cheat, steal, and murder Gentiles. There is no other vile book like this in the entire world. It further permits rabbis to have sex with a girl of 3 years of age!

Yet,

- Christians are led to believe, the Jews are God's chosen people.
- Christians are led to believe, "Judeo-Christian values" bind Christians and Jews together.

My Christian brothers and sisters, it is high time we come out of confusion, open our eyes, and learn the truth that has been hidden for so long. The Christian Zionist movement were so excited and willing to endorse the Satanic taking over of Judaism and the new state of Israel that was orchestrated by the Satan worshippers of the House of Rothschild because they saw the reestablishment of the Israeli State in 1948 as a prophecy of Isaiah 66:8 as a sign of the end, which it is; but without ever looking into the background as to how this all came about.

They never thought about whether this prophecy was of God's doing or of Lucifer's doing! Christian Zionists in their excitement that this was a sign of the Lord Jesus Christ's return were likewise co-opted by the Rothschild's. I find it hard to believe that leaders in the Christian Zionist community are still unaware of their inerrant reading of the Bible as well as history; rather it is more of a case of not acknowledging the truth and hoping their audience/supporters will not notice the errors of their leader's ineptness.

The fact that the Lord Jesus Christ has called to our attention in Revelation 2:9 and 3:9 that these folks call themselves Jews and they are liars raises the specter of Bible ignorance by so many who have made a nice living for themselves at the expense of the laity. A week does not pass before I receive another solicitation for financial support. They all do it and once you are on their mailing list you will receive their promotional need requests regularly and frequently.

Prosperity teachers like Kenneth Copeland can ask his followers for \$65-million to buy him another jet plane, when he already has two jets. The top 10 televangelists all had their own private jet aircraft:

- 1. Kenneth Copeland: Gulfstream V**
- 2. Jesse Duplantis: Dassault Falcon 7X**
- 3. Jerry Savelle: Cessna 500**
- 4. Joyce Meyer: Gulfstream IV**
- 5. Creflo A. Dollar: Gulfstream III**
- 6. Joel Osteen: Airbus A319**
- 7. Paul and Jan Crouch: Bombardier BD-700-1A10**
- 8. Paul and Jan Crouch: Hawker 800XP**
- 9. Pat Robertson: Learjet 35**
- 10. Mark Barclay: Cessna Citation III**

Copeland frames his purchase of a private jet as a "team" effort, announcing to his followers in a post to Copeland's ministry's website on January 12, 2018 that "WE HAVE SOWN A GV as a team and God wants that kind of prosperity" for his team of "Partners."

At least God has good taste in private jets. The Gulfstream V's capable of Mach 0.885 and can comfortably carry more than a dozen passengers. And that's not all – he also owns a Citation 550 and Citation X.

The latter caused a moment of awkwardness for Copeland when, in a sermon in 2016 in which he invited members to “claim” things in the name of God, an audience member shouted, *“I claim your \$25 million Citation X in the name of Jesus!”*

Back when Jim Bakker’s infidelity led to the collapse of Heritage Village, Jerry Falwell offered to manage Jim Bakker’s million’s mailing list, only later to be accused by Tammy Faye Bakker of stealing it.

Another examples of the coveting ministry mailing lists was exposed came about when the late J.R. Church passed away. His wife Linda picked up J.R. Church’s ministry *‘Prophecy in the News’* and it was followed up almost immediately with resignation of several key employees. Linda Church believed that one of the staff at *‘Prophecy in the News’* stole their mailing list and went to work with J.R. Church’s co-host to begin a competing magazine. Not all of us have forgotten the details of how J.R. Church’s widow was taken advantage of.

My fear is that Freemasonry has stoked the fires blinding Christians of their senses, reason and logic as well as following a heretical interpretive view of the Bible. Depopulation has driven the world since 1967 and thus millions if not billions will be taken out by their own emotions to do God’s work for Him! A few nuclear-tipped missiles from Gog and Magog can destroy one or both of the U.S. Carrier Strike Groups in the region. The loss of life will begin to take a toll that will require the Lord Jesus Christ to intervene lest humanity destroys itself completely. -(See Matthew 24:22; Mark 13:20)

Enough people are questioning whether U.S. interference in the affairs of other countries will lead to the democracy, freedom, and human rights protection it promises. This is further exemplified by the counterproductive violence of war involving the U.S., from hundreds of thousands of innocent people killed by the tragic use of Signature-Strikes authorized by the Freemason Barack Hussein Obama administration to the CIA-backed Zero Units in Afghanistan, in which the U.S. made virtually no effort to distinguish noncombatants. Instead of diplomatic solutions to global conflict, U.S. arm sales and national security strategies have only fueled the carnage and suffering from violence and war.

When John F. Kennedy was president, he took **many actions** which upset his war-hungry generals and other top business and mafia leaders. One of the least-known of these was his putting a stop to plans of the Pentagon's top generals to provoke war with Cuba. The plans were detailed in documents under the title of Operation Northwood's.

Approved by the top Pentagon chiefs, Operation Northwood's proposed fabricating terrorism in U.S. cities and killing innocent citizens to trick the public into supporting a war against Cuba in the early 1960s. The operation even proposed blowing up a U.S. ship and hijacking planes as a false pretext for war.

Having read the Operation Northwood's document back in the early 2000s, it would not surprise me that the Satanic corrupt government would execute a false flag attack by letting a U.S. aircraft carrier be sacrificed in the Mediterranean Sea close to area of missiles being fired against Israel. Why so, well the false flag events have been successful in galvanizing public support to go to war many times before. Have we forgotten the Gulf of Tonkin, or the World Trade Center attacks; or Pearl Harbor? They are all proven to have been "False Flag" events.

If you find all that reprehensible, then you need to understand that it was 33rd Degree Freemason Albert Pike who said a third world war would so demoralize the world that it would accept their planned takeover, he stated this fact well in his communications, he was known for his Luciferian doctrine through his book *'Morals And Dogma'*, the Mason's Bible.

About the Sustainable Markets Initiative

Founded by "His Majesty" King Charles III in 2020, as Prince of Wales, the Sustainable Markets Initiative has become the world's 'go-to' private sector organization on transition. Launched in 2021, the Terra Carta serves as the Sustainable Markets Initiative's mandate with a focus on accelerating positive results for Nature, People and Planet through real economy action.

King Charles' speech at COP28 is expected to give strength to the parties and build momentum towards a successful COP28.

In addition to the opening address, HRM Charles III will also launch the inaugural COP28 Business and Philanthropy Climate Forum during the U.N. event.

The forum is meant to bring world business and philanthropic leaders together to *"accelerate climate and nature solutions and drive delivery and results,"* Buckingham Palace said in the statement.

Charles III has given opening addresses at even before, at COP26 in Glasgow in 2021 and COP21 in Paris in 2015.

The conference runs from Nov. 30 to Dec. 12 in Dubai.

Among the key issues discussed is expected to be a progress update on the 2015 Paris Climate Agreement.

"For over 50 years, the king has championed action for a sustainable future. He believes that everyone has a role to play in tackling even the most complex environmental challenges facing our world," Buckingham Palace said in its statement.

He will subsequently add ten principles to his Terra Carta Mandate each year for the next 7 years for the world to follow. From what old "sausage fingers" has already mandated you can bet the bank the ones to come will be even more demanding. I'm not planning to wait around to hear his demonic plans!

"For the grace of God that brings salvation has appeared to all men, teaching us that, denying ungodliness and worldly lusts, we should live soberly, righteously, and godly in the present age, looking for the blessed hope and glorious appearing of our great God and Savior Jesus Christ, who gave Himself for us,

that He might redeem us from every lawless deed and purify for Himself His own special people, zealous for good works.”-(Titus 2:11-14)

Todd Callender - Proof That Fake Governments Are Hacking Humans

This is a blockbuster interview of Todd Callender by Maria Zeee, presenting evidence of how fake governments (with fake oaths of offices) are hacking humans, causing sicknesses, and plan to transition humans into "borgs".

A year ago, the [first time](#) attorney, Todd Callender was on Maria Zeee's podcast, he brought up the concept of [Homo borgiensis](#) (which he pronounces "Homo Borg Genesis") and it triggered lots of "fact-checking", notably, from [Forbes.com](#).

Now, he's back with all of the legal evidence to back his claims.

Todd says:

"We filed a case against the Department of Defense to stop the shots, because they were use-of-force-authorized and that led us on the journey to discover that these shots were gene modification shots designed to turn people into, effectively, chattel property slaves – and yes, Homo Borg Genesis..."

"I was arguing this case, it's [Robert v Austin](#) in the 10th Circuit Court of Appeals in Colorado. It was on the 18th of November and I argued the case to a 3-judge panel, where I said...the reason why our soldiers didn't want to take the shots is because they didn't want to become somebody else's chattel property."

"I briefly explained to them – it was in the brief, obviously – that, according to existing U.S. Case Law, people who got genetically-modified by the shots are now somebody else's chattel property."

"So Forbes, who was in the courtroom – it was a packed court room – immediately did their hit piece; their "fact-checking"; that it was impossible, that these shots couldn't genetically modify anybody – and of course, that's been proven false. These were DESIGNED for genetic modification and they were, in fact designed as part of the [DoD's Super Soldier program](#) – and yes, of course we have the evidence – it's their own documents, not ours."

The two then turn their attention to the scientific paper published on March 3, 2021 by Scientific & Academic Publishing, ["Effect of Coronavirus Worldwide through Misusing of Wireless Sensor Networks"](#), whose Abstract states:

Corona is a non-communicable sensor disease spreading worldwide through misusing of processed radio frequency. So far higher authorities of health

services are facing the undesirable escalating causes of coronavirus towards human beings as a very scientific puzzle comprehensive issue. The study aims to evaluate the maltreating of wireless sensor networks that affect individuals within the body boundary area. Wireless sensor data were collected from individual's profile, diagnosis and sensor node records at laboratory experiments. The study shows the effect of processed sensor nodes among individual's body organs to compare with the existing environments. The study illustrates all individuals suffer from sensor disease due to reflecting of wavered sensors at open eyes sights with high speed electromagnetic-radio tracking systems. The overweight and obesity patients are sick from corona disease at less sensor time in a dark environment than that of light conditions. These findings replicate the severe global one health security that the expert provides in active eyes within geographic locations. Systematic healthcare awareness is essential for treatment with medical technological devices but such consciousness is poorly recognized and medication supports are still below par. The study suggests upcoming healthcare paths of a new dynamic alternative approach to promote global public health security concerning Sensor Health Policy and Sustainable Development Goals 2030.

Todd talks us through the document.

"Coronavirus was designed to be the backbone, the infrastructure of the [Wireless Body Area Network \[WBAN\]](#) and I have the patent, I think I've sent it to you, it was issued in 2007. The funny thing is, the people who wrote this peer-reviewed paper seem angry that, not only was it disclosed that coronavirus was made to be this transmission device, this carrier of frequencies, the installation of frequencies, but they're angry that somebody hijacked it during the course of the Plandemic and that it was used to track people and that caused injury and I think they didn't expect for people to come to understand that that EMF radiation could cause, effectively, every malady known to humanity and they actually list them out."

"So yes, in the [patent that you just showed, issued in May 2007](#), it shows that the coronavirus was actually a patented device. It's an agent under the law, as they call it and this is exactly how and why it was designed for the purpose that they disclosed in that other peer-reviewed paper, where they are angry people figured out that this was used to track people!"

"So, the funny part in all of this is that the Forbes people, among others, who said you couldn't be genetically modified, it's crazy [to say] that our government would inject people with something...for nefarious purposes – and yet, here we are! They laid it all out in front of us and a peer-reviewed paper that spells it all out!"

"So, this explains why, for example, people were showing up with 16-digit [MAC addresses](#). You got the shots included, there's your hardware installation, right there – and it turns out the virus, itself has these abilities to create a tracking,

track-and-trace mechanism and of course, we saw the patent on that."

"The most important part of all this is for people to understand you can't patent something that God created, so if coronavirus was natural, it couldn't be patented. That means that it was manmade. It means that this was a plan. This is something our governments did with malintent in mind..."

"Right now, there is a push inside the United States and other countries to adopt something called the [One Health System](#) and what it relates to is the combination of veterinarian science with public health for humans insomuch as these same perpetrators of this genocide – or democide as this case may be – made these diseases zoonotic, meaning they could skip between animals and humans and now, what they're saying is that the One Health, the public health must incorporate the analysis of animals that may have tuberculosis or coronavirus or whatever – Lo! And behold! – cows are showing up with tuberculosis and coronavirus and I guess that means we better kill them."

"And that's exactly what happened some months ago, Maria. There were more than a billion chickens that were killed. Why? Because of this one health initiative that said, 'Boy, that chicken virus could spread to humans. We better kill the chickens!'"

"Well, isn't that convenient, if you're trying to starve people to death? It's a great excuse that zoonotic disease might be something that they have to attack globally and that's why it's a global One Health security and I will have you understand that the war on terror is over. We couldn't identify what a terrorist looked like or acted like or anything else but we sure went to war for 'em. 20 years and God knows how many people died in that. Now, it's a war on viruses. Nobody knows what a virus looks like or even if they do exist – and yet, we're in the middle of a war on viruses through the global One Health security, which is referenced in this document. It is the predicate, it is the basis, the excuse they will use to kill us all."

Looking at the last sentence of the abstract, above, it refers to "Sensor Health Policy and Sustainable Development Goals 2030." Maria asks Todd, "When it's saying 'Sensor Health Policy', is that talking about the human being the sensor?"

Todd replies, "Yes, precisely. It's talking about tracking and tracing humans through the coronavirus. That's exactly what this paper's about and in so doing, apparently, if people are tracked and traced too much, it causes a myriad of health problems, maladies in people – and they list them out later in this document; things that can happen to people. And as they list those out, sure enough, all of the same symptomology of not just COVID but any variety of diseases, including cancers and things of that nature."

"Why? Because this is all based on EMF radiation. Ionizing and non-ionizing

radiation but that's why we have this 5G network. It ties in with everything, Maria."

"Here, we have the coronavirus as, effectively as a hardware installation and then we have the injections coming as a software installation, after but neither was mutually exclusive and people who didn't get the shots still got sick, seemingly, EMF radiation. So, this is the testimony of Dr. Lee Vliet and Dr. Peter Chambers, who actually state that it's a possibility that EMF radiation, alone would have caused these same diseases but you can't tell what the causation is."

"However, we look at the Pfizer [6-month post-marketing study](#), that published as a result of the order of a court under a Freedom of Information Act request and therein, in Appendix 1, you can find 1,291 serious adverse events of special interest. Why are they special interest? Because nobody had ever heard of these things before. When our expert witnesses, military doctors, trained at Fort Detrick – this is the home of chemical, biological, nuclear warfare is, they study this – the testimony is that it would take years to prepare all of the tests in advance for these crazy diseases that nobody ever heard of for 1,291 of them to show up."

"That means that this was the testing of a weapons platform. The injection were a weapon, a biological weapon and the military was testing for them so, I don't think we have to actually wonder whether or not that happened. People did get the shots, people got sick from the shots. What we do know, however is that the EMF radiation is related to that and we also know that it, by itself could cause the same or similar maladies."

Maria agrees and reads from the peer-reviewed paper:

Medical sensor technology is essential in every step of healthcare. Wireless Sensor Network is an integrated infrastructure comprising sensing, computing, detecting, tracking, observing and reacting the individuals within geographic positioning systems (GPS) locations.

Maria says this reminds her of when Karen Kingston told her that all of the COVID injection patents approved by the WHO involve track and trace capability and people were able to be assigned a social credit score based on their activities from the injections.

Todd concurs and says that one of the things his team found that goes with that was the involvement of IBM and Cisco and how the pathogens in the shots were also identified individually, saying,

"You might remember when the whole thing rolled out in Operation Warp Speed and they said, 'This is the best way. We're going to track each and every shot with technology never seen before. Well, that's it. You're looking at the technology never seen before."

"It's down to the size of pathogen's size, now, they're able to track with IBM and Cisco Systems and that's who should be held responsible."

Todd Callender - Proof That Fake Governments Are Hacking Humans

Running Time: 70 min

President Vladimir Putin on Thursday signed into effect a law which paves the way for potential Russian nuclear testing, which would mark a huge escalation given the context of the Ukraine war and the broader context of a 'new Cold War' standoff between Washington and Moscow.

The new law confirms Russia's de-ratification of the Comprehensive Nuclear Test Ban Treaty (CTBT), which is the 1996 landmark agreement which sought to ban all nuclear testing and explosions, in order to bring Russia and the United States in line on the issue.

But the two sides were never really in line on the question of the treaty itself, even if nuclear tests weren't happening. Some countries which were integral to the treaty never fully ratified it.

The Kremlin earlier last month said it would take steps to "mirror" the U.S. position, explained as follows:

The law's text on Russia's legal portal states that Moscow will no longer be bound by the UN-backed nuclear test ban starting Nov. 2. Both Russia and the United States signed the treaty in 1996, but while Moscow ratified it in 2000, Washington never took the final step of codifying it into law.

Other holdouts to the treaty include China, India, Pakistan, North Korea and Israel, as well as Egypt and Iran...

"The president was primarily referring to the need to bring the de facto situation to a common denominator [with the U.S.]," Kremlin spokesman Dmitry Peskov

said in October, and has denied that this means Russia intends to pursue nuclear tests.

However, both Russia and the U.S. have recently conducted "drills" of their nuclear armed strategic forces, but without actually conducting nuclear testing. Such a move would be hugely controversial also domestically, particularly in the U.S., given environmental and fallout concerns.

With only five weeks to the COP28 meetings, we are on the threshold of Biblical history and prophecy converging, culminating in a way that most of the world will not be able to come to grips with when millions are removed from the physical realm we know as home. Those left behind will be told that we were taken by ET's for re-education in order to calm folks of what happened at the Rapture. The Antichrist will sell them on the idea they can have immortality by following him, worshipping him, and taking his Mark.

The prophecy of the Tower of Syene is likely to take place before the Ezekiel 38/39 War. The reason for this is that Egypt is not in the list of nations or coalition found in Ezekiel 38/39. Five weeks may seem like a short time to some folks but in war decisions and actions often occur in split second timing!

When you read and hear that **Damascus** has been "**Nuked**" you will know that we only have days before the End! When Isaiah 17:1 is fulfilled, Russia will enter the picture that leads to World War III. We were told in advance it would happen! The Bible however does not name a nation or state responsible or behind it; it even could be the U.S. as much as Israel, or precipitated by an unknown client "*third party*". Russia has multiple business and defense treaty agreements with Syria that will bring in Russia very quickly. The COP28 meetings are still on schedule and the calendar dates below are baked into the cake.

The fact the COP28 meetings are going ahead unhindered is sort of a surprise after 30 days of war in the Gaza strip. I view this as sign of a Masonic plan to "sign the covenant of death for Israel" by the Antichrist. This has a clear track for the Tribulation.

Perhaps you've wondered what circumstances would cause Israel to trust Antichrist to broker a deal that is eventually broken. First is the fact that Antichrist has somehow brought the Jews to a position of faith in his goodwill toward them. Perhaps they see him as their Messiah for some reason. If that's the case, that would certainly convince them that he had Israel's best interests at heart. All we can do is speculate about this, as Scripture is silent how this actually comes about.

Secondly, circumstances in the world must bring about the need for Israel to even consider such a covenant in the first place. Again, speculation is all we have, with some thinking Islamic pressure necessitates the deal. Regardless of

the precipitating cause, God declares that this covenant is not of Him; in fact, it is destined to bring Israel to its knees because it is based on lies. Consider what Isaiah 28:14-15 says about it:

“Therefore hear the word of the Lord, you scoffers, who rule this people in Jerusalem! Because you have said, “We have made a covenant with death, and with Sheol we have an agreement, when the overwhelming whip passes through it will not come to us, for we have made lies our refuge, and in falsehood we have taken shelter;”

One very prominent mention of these two partners in crime is in the opening of the 4th Seal in Revelation 6:7-8:

“When he [Jesus] opened the fourth seal, I heard the voice of the fourth living creature say, “Come!” And I looked, and behold, a pale horse! And its rider’s name was Death, and Hades followed him. And they were given authority over a fourth of the earth, to kill with sword and with famine and with pestilence and by wild beasts of the earth.”

If Isaiah is referring to these verses in Revelation – which I believe he is – then the partners to Daniel’s covenant are Death and Hades, who come riding forth at the opening of this final Seal. They are bringing an overwhelming scourge that Israel greatly fears; punishment which brings affliction and suffering. Israel wants to avoid this.

The problem is that the agreement made is based on falsehoods. These untruths may come from all parties to the covenant. Antichrist knows he’ll break it. The many, represented by Death and Hades (Sheol) may be plotting to cheat on it. The leaders of Israel may be trying to retain their positions of power and will do whatever is necessary in selling out their people so as to retain governmental control. In other words, just as Isaiah says, this is a false refuge against whatever is threatening Israel.

It only gets worse, Isaiah 28:18 tells us the fate of this agreement and of Israel who enters into it:

“Then your covenant with death will be annulled, and your agreement with Sheol will not stand; when the overwhelming scourge passes through, you will be beaten down by it.”

That should tell you that no one will be able to protect Israel. God declares that He will cancel this agreement. It will fall like broken pottery shards to the earth and be ground into dust. The trouble that Israel hoped to avoid will come upon her anyway. Likely the misfortune and torment that subsequently engulfs Israel will be worse than the people ever imagined. Consider what Isaiah 28:19 says about it:

“As often as it passes through it will take you; for morning by morning it will pass through, by day and by night; and it will be sheer terror to understand the message.”

God’s plan for Israel requires her to be broken. Indeed she will be as Isaiah 28:22 tells us:

“... for I have heard a decree of destruction from the Lord God of hosts against the whole land.”

Only through this devastation upon all of Israel and her people during the Tribulation can God get her attention. Through the witness of the 144,000 Jewish evangelists, the preaching of the two witnesses in Jerusalem, and finally by the Gospel proclaimed throughout the world by the angel is host – Israel will finally acknowledge Jesus Christ as her long-awaited Messiah. She will see the truth of Jesus just as Isaiah 28:16 says she will:

“... therefore thus says the Lord God, “Behold, I am the one who has laid as a foundation in Zion, a stone, a tested stone, a precious cornerstone, of a sure foundation: ‘Whoever believes will not be in haste.’”

God’s hopes and plans for His Chosen People will come to pass. It will be a hard-won victory for Him and a painful reality for the Jewish nation as Zechariah 13:8-9 recounts:

“In the whole land, declares the Lord, two thirds shall be cut off and perish, and one third shall be left alive. And I will put this third into the fire, and refine them as one refines silver, and test them as gold is tested. They will call upon my name, and I will answer them. I will say, ‘They are my people’; and they will say, ‘The Lord is my God.’”

Indeed, this time Israel will repeat the words they proclaimed as Jesus first entered Jerusalem to their fickle acclaim, but this time they will mean them:

“Blessed is he who comes in the name of the LORD! We bless you from the house of the LORD.” -(Psalm 118:26)

This is main purpose for the Great Tribulation; it is the overarching message of the Bible, from Genesis to Revelation, it is about a people of God’s creation and that their sins led to a broken relationship, and discipline necessitating a Saviour to pay the price of that sin. Furthermore that price was paid for by with the Messiah enduring the cost on the Cross of death by crucifixion.

The summation point is that this *“Covenant with death”* is ‘baked into the cake’ and there is nothing anyone can do to change this picture unfolding before the

eyes of the world! All of the prophecies of the Bible are revealed to us as the “grafted in” people to this Heritage. -(Ref. Romans 11:17, 19, and 23) That said, it affirms the importance of as well as the firm dates established for the COP28 dates below. In the clearest words I can state, Born-again believers are going home anytime now!!!! As Scripture states, the nations of the world will turn against Israel. God sees to that being the case for Israel.

World War III (Ezekiel 38/39 included) will break out once the Antichrist, aka Prince Charles signs/confirms the ‘Covenant with the Many’ of Daniel 9:27. Even Prince Charles’ chief lieutenants like Klaus Schwab have stated that Tribulation would occur. In fact they are pushing this war to occur! The more they can kill, the easier their job is during the Tribulation Very few people understand the larger plan is to ‘divide and conquer’. Satan’s demonic plans are to steal, kill, and destroy. -(John 10:10)

If you have not learned anything in reading this Blessed Hope segment, know this, we have little time on the calendar. The world as we know it is being distracted by the holidays ahead, Thanksgiving and Christmas, both of which might not happen. Few Christians want to hear anything about the Rapture, the Tribulation, the Second Coming, or Armageddon. I’m very intuitive and touching on these topics with family members is immediately tuned out! You might be in the same group of people who bury their head in the sand. It is to your peril!

Believers worldwide will be Raptured out of here just before or at least prior to when Prince Charles makes his rare appearance at the COP28 being held in Dubai that will usher in the Great Tribulation of Daniel 9:27. Hanukkah, 2023 offers still another possible Rapture date within this time frame! Both HRM Prince Charles and Pope Francis will appear together at COP28, on the same days! More for later!

Count down to ‘Confirming the Covenant with the Many’
