Pope and King Charles III to attend Cop28

The UK's King Charles III will give an opening address at COP28 later this month:

- First Cop visit by Roman Catholic leader
- King to open World Climate Action summit
- He delivered addresses at COPs 21 and 26

The Pope and the UK monarch are due to attend the COP28 climate change summit in Dubai next month, according to statements.

King Charles III will attend the opening ceremony of the World Climate Action Summit at COP28 on December 1 at the invitation of UAE President Sheikh Mohamed bin Zayed Al Nahyan and at the request of the UK government, his office announced.

Pope Francis told Italian television in an interview that he expected to be in Dubai from 1 to 3 December, the first time that a head of the Roman Catholic church has attended a climate summit.

Last month the pope issued an official document expressing concern over what he said was the slow pace of the transition to sustainable energy.

King Charles is to deliver an opening address at the summit and meet regional leaders ahead of COP28, the UK statement said.

The United Nations COP28 climate change conference, hosted by the UAE this year, begins on November 30 and continues for two weeks until December 12.

King Charles is also due to attend a reception on November 30 to launch the inaugural COP28 Business and Philanthropy Climate Forum.

The two-day forum, which will run in parallel with the World Climate Action Summit, is being hosted by the COP28 presidency in partnership with the global Sustainable Markets Initiative (SMI), which was set up by the king when he was Prince Charles, during the 2020 World Economic Forum in Davos.

King Charles III is well known for his commitment over the past 50 years in championing sustainability and environmental protection.

As the Prince of Wales, he previously delivered the opening addresses at COP26 in Glasgow in 2021 and COP21 in Paris in 2015.

The Mask Has Fallen: Charles Fully Supports Zionist War Crimes in Gaza

One of the most extraordinary – yet unremarked upon – developments since Israel’s genocidal assault on Gaza began has been the British monarchy’s brazen jettisoning of any pretense of “political neutrality.” Queen Elizabeth II, publicly at least, rigidly refrained from commenting on current affairs or giving the vaguest appearance of taking a particular “side” on any issue throughout her 70-year reign. However, her recently coronated heir has comprehensively consigned that convention to ashes.

Within hours of Operation Al-Aqsa Flood commencing, King Charles viciously condemned Hamas, saying that he was “profoundly distressed” and “appalled”

by the *“horrors inflicted”* by the group and its *“barbaric acts of terrorism.”* Hamas is not recognized as a terrorist entity by the majority of countries, and even the BBC – which has relentlessly manufactured consent for genocide in Gaza since the violence erupted – rejects the use of that loaded, politicized designation.

During his lengthy spell as Prince of Wales, Charles was an inveterate meddler in the British government’s domestic and foreign policy in ways that were often far from discrete. Yet, he has remained largely silent since quietly becoming King in September 2022, then being formally crowned in May this year. His public statements are, therefore, highly significant and, what’s more, seemingly represent just the tip of a much larger intervention.

The Daily Telegraph has reported that behind the scenes, King Charles is *“pushing for peace in the Middle East”* using *“soft power.”* If so, these efforts have so far failed miserably. Israel’s murderous rampage in Gaza has only ratcheted in brutality since it commenced, the death toll rising by hundreds daily as civilian infrastructure is flattened by an inexorable aerial onslaught. Meanwhile, the threat of a full-blown ground invasion ever looms.

As such, it is only reasonable to ask whether Charles’ vision of “peace” in Gaza is, in fact, Palestine completely purged of Palestinians and if he has in any way encouraged the occupation government of Benjamin Netanyahu in its new attempt to recreate the Nakba. **As we shall see, the King fully supports Zionism and the ideology’s genocidal objectives, and Britain’s military, intelligence agencies, and government dependably act upon his orders and according to his wishes.**

‘A PROBLEM FOR PALESTINIANS’

Queen Elizabeth II never visited Israel. It was widely speculated that she was advised against doing so by the Foreign Office for fear of Arab boycotts of British goods and oil embargoes, which had crippled the country’s economy in late 1973. Yet, it has been suggested in some quarters that she privately harbored sympathy for the Palestinians and abhorred Zionist violence toward Arabs.

Come January 2020, with her health rapidly declining, Charles took on her official foreign visit responsibilities as de facto British head of state, and among his first ports of call was Israel. It wasn’t the first time he’d traveled to the country. Previously, he privately attended the funerals of former Israeli leaders Yitzhak Rabin and Shimon Peres. His presence on both occasions was a closely guarded secret.

While on the trip, Charles declared it was his *“dearest wish that the future will bring freedom, justice and equality to all Palestinians.”* Yet, the details of his prior visits suggest this statement was not sincere. In 2016, while attending the funeral of Peres, he also visited the graves of his grandmother, Princess Alice, and her

aunt, Grand Duchess Elisabeth, in a small Christian cemetery on Jerusalem's Mount of Olives, near the world's largest Jewish cemetery.

Both were Christian Zionists, and their desire to be buried on the Mount reflects its significance to the movement. Despite lying in a part of the city claimed by Arabs as East Jerusalem, which is recognized by several countries as Palestine's capital, it is considered to be among the holiest Jewish sites in the world and cited by Zionists as key proof that the territory comprising Israel as described in the Bible is the exclusive homeland of Jews.

The Jerusalem Post approvingly dubbed Charles' Christian Zionist sympathies and familial connection to the Mount "a problem for Palestinians," arguing the King has a clear conception of "*who the city and the country belong to*" as a result. Meanwhile, the Times of Israel has hailed him as "a friend" to Jewry "*with special and historic ties to Israel.*"

One such tie was a long-running and extremely close friendship with Britain's former chief Rabbi and President of United Jewish Israel Appeal (UJIA), Jonathan Sacks. Upon his death in November 2020, Charles praised him as "*a leader whose wisdom, scholarship and humanity were without equal*":

It was with the most profound personal sorrow that I heard of the death of Rabbi Lord Sacks. With his passing, the Jewish community, our nation, and the entire world have lost a leader whose wisdom, scholarship and humanity were without equal."

In January, King Charles visited GCHQ's secret Manchester headquarters. There, he "*met with teams from across the organization,*" including its director and young graduates of the agency's apprenticeship scheme. In addition to receiving "several" in-person briefings from high-ranking spies, he intruded upon a local primary school class present at the site that day, taking part in a "special lesson." Unsettling publicity photos depict him beaming broadly while hovering closely over the shoulders of very young children.

For years, GCHQ – Britain's largest and best-funded spying agency – has run dedicated programs to infiltrate schools, propagandize and groom British youth to become future patriotic cyber warriors, and identify and monitor potential troublemakers in classrooms. The January visit was not the first time King Charles featured centrally in these activities. He was guest of honor at GCHQ's 100th birthday in 2019, along with many primary school children. A contemporary agency newsletter boastfully reported:

The Prince showed great interest in the project's goals and spent time chatting with the students that the schools had selected to represent them, in addition to the teachers. After meeting the teachers and students, the Prince went on a tour

of some of the more secretive work of NCSC [National Cyber Security Centre] and GCHQ.

Charles' very public association with GCHQ's child grooming efforts tends to suggest this sinister work is conducted at His Majesty's request, or at least with the King's explicit blessing. To effectively guide and influence British government policy and action, by definition, requires a perpetual unblinking eye trained on both public and behind-closed-doors developments the world over. The monarch, by definition, has every interest in ensuring future generations of spies are up to the task.

A palpable example of the amazing foresight of British spooks was provided on October 8, 2023, when veteran reporter Robert Peston published a [remarkable post](#) on X (formerly Twitter). He had been told by "*government and intelligence sources*" that Hamas' strike on Israel would likely evolve into full-blown war in West Asia, "*as destabilizing to global security as Putin's attack on Ukraine.*"

Peston's shadowy sources further warned U.S. President Joe Biden "*would neither want [nor] be able to veto*" a major retaliation from Netanyahu not merely against Palestinians but also Iran, which they accused of sponsoring Operation Al-Aqsa Flood. The journalist duly prophesized:

There is a risk of this crisis spreading well beyond the Middle East because of Putin's links with Iran, the West's deep concerns about Iran's nuclear ambitions and China's power struggle with America. We are in the early stages of a conflict with ramifications for much of the world."

For Peston, a thoroughly well-connected establishment hack of some standing to relay these words was highly significant. The timing of this intervention, just one day after Hamas spectacularly swooped upon Israel's Occupation Forces, likewise. British spies were from the word go somehow certain Operation Al-Aqsa Flood would inevitably lead to something much grander and graver, and felt it incumbent to begin immediately laying public foundations for that imminently impending eventuality.

Five days later, the Royal Navy and British elite special forces units were dispatched to the Mediterranean to "support" Tel Aviv and closely surveil local developments.

While Israel's long-threatened Gaza ground offensive remains abortive as of October 29, the devastatingly lethal air assault on Palestinians waged ever since, along with multiple airstrikes on Lebanon and Syria, mean that the stage is decisively set for a "*conflict with ramifications for much of the world.*" Just as Peston's sources cautioned.

At many of the countless demonstrations the world over in support of the Palestinians, demonstrators have brandished aloft signs imploring the U.S. President to impose a ceasefire in Gaza, if not order Netanyahu to seek enduring peace. Such requests may be misdirected. **The true power to halt Israel's latest push to fulfill Zionism's genocidal founding mission may not lie in Washington, DC but in London. Specifically, Buckingham Palace.**

Then-Prince Charles speaks to guests during a tribute dinner to Lord Sacks, June 24, 2013. Lewis Whyld

UJIA is one of Israel's three national institutions and operates a number of programs to train Jews the world over to advance Zionist interests, starting in

primary schools. Sacks was a fervent advocate of a similar Israeli government effort, known as Birthright, under which anyone anywhere in the world aged 18-26 who can prove Jewish heritage is given an all-expenses paid trip to Israel to rub shoulders with Occupation Forces be deluged with Zionist propoganda, and foster a personal connection with the country.

While highly controversial, Sacks considered Birthright “*perhaps, the greatest single innovation in Jewish life in the past quarter century*” for “*strengthening [attendees’] links to the land, the State and the people of Israel.*” His attempts to indoctrinate children in Zionism extended to serving on the board of One Voice, an astroturf anti-BDS lobbying group targeting schools. [BDS means Boycott, Divest, and Sanction against Israel]

With friends like Sacks, King Charles undoubtedly feels very strongly about who Jerusalem belongs to.

‘OBEDIENT SERVANT’

It is an open question whether the monarch’s affinity for Israel in any way accounts for the British government’s abandonment of its historical sympathy for the Arab world and modern-day accommodation with Zionism. A lie universally maintained by the mainstream media is the British monarchy’s powers in the 21st century are purely ceremonial. While the obsequious terminology “His/Her Majesty’s government” may be liberally used still, long gone are the days, it is alleged, when a King or Queen could overrule parliament’s will.

In reality, a little-known procedure known as “Queen’s Consent” means a King or Queen’s acquiescence to prospective laws must be sought by the British government before they can even be put to parliamentary vote. Moreover, under this convention, monarchs are alerted whenever legislation that could affect the royal prerogative or the British Crown’s private interests is in the offing. This stipulation not only produces a pronounced chilling effect on all laws and regulations elected governments draw up but frequently alters their composition in ways large and small.

For example, in February 2021, it was revealed that in the 1970s, Queen Elizabeth II pressured government ministers to amend transparency legislation to conceal her “*embarrassing*” wealth from the public. As a result, a clause was inserted granting companies used by “*heads of state*” exemptions from financial disclosures. The true scale of her riches remains unknown, although it has been estimated to run into hundreds of millions of pounds.

“Queen’s Consent” is not the only mechanism of political control in a British royal’s arsenal. In May 2015, over two dozen private communications between then-Prince Charles and British ministers were published after a decade-long legal struggle. Successive governments squandered hundreds of thousands of pounds to keep these letters private. The contents showed that Charles, in

flagrant breach of “*political neutrality*,” had routinely petitioned elected representatives on subjects ranging from the Iraq War to alternative medicines over many years.

In one message, the then-heir to the British throne openly warned a health minister that “*chickens will come home to roost*” in their department if redevelopment of a hospital – in which the Prince’s architecture charity had an interest – was not accelerated. **However, Charles didn’t typically rely on threats. Government officials were usually willing to obsequiously roll over whenever – and however – he ordered them to.**

Then-Prince Charles visits the Metropolitan Police Central Communications Command during the 2011 London riots | Express Newspapers Via AP

In response to one covert royal intervention, Prime Minister Tony Blair unctuously stated to Charles, “*I always value and look forward to your views.*” In another, an education secretary sycophantically signed off: “*I have the honor to be Your Royal Highness’ most humble and obedient servant.*”

The release of these letters prompted speculation Charles would be far more outspoken and overtly meddlesome than his ostensibly taciturn mother upon taking the throne. Until Hamas struck Israel, these tendencies had not hitherto publicly emerged. However, it is somewhat inconceivable that since his coronation, he has not interfered in British politics in some way or other. We have no way of knowing, though, as in 2010, Britain's Freedom of Information Act was amended to provide an "absolute exemption" on all requests related to the royal family.

The connivances of British royalty are also protected by law throughout the Commonwealth. In 2020, after a four-year-long legal battle, the Australian government released correspondence exposing how Queen Elizabeth II was instrumental in the ouster of Canberra's radical left-wing premier, Gough Whitlam, in November 1975. The papers showed that then-Prince Charles was a core conspirator in the coup, coordinating directly with Britain's governor John Kerr – who dismissed the Prime Minister – before, during and after. Six months later, the King-in-waiting wrote to Kerr:

"I wanted you to know that I appreciate what you do and admire enormously the way you have performed in your many and varied duties. Please don't lose heart. What you did last year was right and the courageous thing to do."

ALL THE KING'S GROOMERS

In October 2021, historians Richard Aldrich and Rory Cormac published [The Secret Royals](#), a landmark text tracking the House of Windsor's relationship with British intelligence over centuries. Completing the work was no easy feat. In its preface, the author's remark, *"Writing about spies is challenging; writing about royals is more difficult; and writing about spies and royals has sometimes seemed impossible."*

Nonetheless, the pair pieced together a tantalizing history of the British monarchy's enduring, intimate adjacency to intelligence. They recorded how Queen Elizabeth I's reign inaugurated a golden age of spying in Europe as the British Empire came into being while tracing the birth of London's modern-day espionage agencies to efforts to prevent Queen Victoria's assassination. Much of the book's content was hitherto secret.

One can only speculate what future scholars might unearth on King Charles' bond with MI5, MI6, et al. Nonetheless, what is in the public domain is highly disquieting. **As Prince of Wales, the monarch was a formal patron to British intelligence, his personal Charitable Fund routinely funneling vast sums to notorious signals spying agency GCHQ.**

A LOOK AT BIBLICAL PROPHECY AND ITS FULFILLMENT IN THE RISE OF KING CHARLES

By Craig Bong

THE CORONATION OF THE KING

The king arrived at his coronation in the gold state coach being driven with white horses. On May 6, 2023, King Charles publicly made an oath before God to uphold the law and faith. This is what Defender of the Faith means, but he doesn't intend to keep his oath in the singular, but rather plural, to be a defender of all faiths. This Coronation of his was done at England's most famous church, Westminster Abbey, witnessed by 100's of millions of others around the world. In other words, the world went to church on May 6, 2023, where they joined in a service broadcasted throughout the world, on live television about the Law, Jesus, God and the Bible.

King Charles sat upon the Stone of Scone, believed to be the crowning seat of King Solomon and the stone of Jacob. King Charles III put his right hand on the Bible and swore to God to uphold the law and the scriptures. He then held the royal scepter as King Solomon once held the royal scepter but with this king it is to take on the role of the Holy Spirit and when he was crowned moments later, as was with King Solomon, and then all the people cried "*God save the king!*"

Then he was anointed with holy oil from the Mount of Olives, from a grove owned by his grandmother, symbolic of the Holy Spirit coming down upon them and invested with regalia. All this was done in the name of Jesus and the secular media forced to explain the religious symbolism. The media did not ignore this service because they know this world's insatiable appetite for anything royal and this coronation is the crowning glory of them all.

Once this coronation took place, King Charles was given the right to go forth conquering and to conquer (Revelation 6:2 "*And I looked, and behold, a white horse. He who sat on it had a bow; and a crown was given to him, and he went out conquering and to conquer.*") and will have absolute authority of the Commonwealth, over 1/4 of the earth (Revelation 6:8 "*So I looked, and behold, a pale horse. And the name of him who sat on it was Death, and Hades followed with him. And power was given to them over a fourth of the earth, to kill with sword, with hunger, with death, and by the beasts of the earth.*"). His first speech concerning the climate as king, scheduled to occur at COP28 UAE on December 1st.

Why would this be important? COP28 states that this event, the 28th session of the conference of the parties, is the beginning of seven-sprint. For each year King Charles will release 10 principles of his Terra Carta Mandate on Water and Land to save the earth from climate disaster. His statement via his Sustainable Markets Initiative indicates that he will strengthen the covenant. In his SMI website via LinkedIn, it states that his SMI will work with the UAE to demonstrate that the

THE KING WHO DOES HIS BIDDING
FOR THE BIBLICAL ANTICHRIST

road is paved with action, and that his SMI is leading the charge to COP28, delivering on his mandate, the Terra Carta.

What are his connections to Israel? Israel and Britain signed an agreement aimed at deepening technology, trade, and security ties over the next seven years, back in March of 2023. The guarantee of security is clear evidence where this going for the next several years but in the middle of the week, the deal is broken.

SO, WHO IS THIS KING AND WHAT SPECIFIC PROPHECIES CONCERN HIM?

PROPHECY FULFILLMENT #1

Prophecy: The Antichrist arises during that generation that sees Israel reborn in a day (Ezekiel 36:24, Matthew 24:32-34, II Thessalonians 2:4).

Fulfillment: King Charles was born the same year, 6 months to the day, November 14, 1948, as Israel became an independent nation reborn May 14, 1948. His revealing comes at the same time as the great apostasy (falling away from the faith) within the latter day church--the Laodicean age. Prince Charles made mention to being a part of the generation born at the same year as Israel in his speech in Jerusalem in 2020.

PROPHECY FULFILLMENT #2

Prophecy: The Antichrist is a former royal prince within the boundaries of the ancient Roman Empire maps (Daniel 9: 26-27).

Fulfillment: Charles remains to hold the emblem of the Prince of Wales (England and Wales belonged to the north-western provinces of the ancient Roman Empire) over which Titus and his father both served under Rome. The emblem is displayed on his website Sustainable Markets Initiative and contains the sum of 6 in each of the three feathers displayed for a sum of 666.

PROPHECY FULFILLMENT #3

Prophecy: Antichrist is associated with “the people of the prince that shall come and shall destroy the city and the sanctuary”, (Daniel 9:27, Luke 21:20).

Fulfillment: British, specifically pertaining to that of Wales and Germanic generals led by Titus, following the flag of the red dragon, destroyed Jerusalem in 70 AD. Daniel 9:26-27 and its parallel passage, Luke 21:20, both connect the Antichrist to Titus and thus to the Roman Empire. The Antichrist is not only a former prince who will rise within the boundaries of ancient Roman Empire (Daniel 7:24 insists upon it); but that he must also be specifically a prince of the same region that Titus served under Rome. Charles' ancestry is both traced to that of Great Britain and Germany. He is direct descendant of the Charles V, a German emperor of the Holy Roman Empire.

PROPHECY FULFILLMENT #4

Prophecy: Many Bible verses calls the Antichrist as a "man" (Daniel 7:8, II Thessalonians 2:3, Revelation 13:18).

Fulfillment: Name "Charles" Freeman is derived from an ancient Germanic word meaning man or manly.

PROPHECY FULFILLMENT #5

Prophecy: The name of the Antichrist should count up 666 by using Greek-Hebrew gematria (Revelation 13:18).

Fulfillment: Prince Charles' official title Charles, Prince of Wales, sums up 666 both in English and Hebrew by using the Hebrew-Greek gematria, the system early Church fathers also used. The first 9 letters have the value of 1-9; the second 9 letters have the value of 10-90 and the following 4 letters have the value of 100-400. His image of peace, an image of 3 ostrich feathers also contains of the sum of 666 as revealed within the World Economic Forum and his image on his Sustainable Markets Initiative.

PROPHECY FULFILLMENT #6

Prophecy: Daniel 9:27, Daniel 7:8 and Revelation 17:9-13 associates the Antichrist with specific Roman Emperors.

Fulfillment: King Charles is a descendant in order of the seven kings by the name of Charles and is the 8th in succession. Charles the Great (Charlemagne) was the first, crowned on Christmas Day. King Charles III has the legal right to the crown of the Holy Roman Emperors and is one of seven, having the same name as 7 emperors named Charles that ruled before him. He is descendent of Charles V, Holy Roman Emperor (Germanic) and is next in line to be the final 8th Charles of the revived Holy Roman Empire which (was wounded) ceased in 1806.

PROPHECY FULFILLMENT #7

Prophecy: Daniel 7:8 – The Little Horn of Daniel 7 is the final Antichrist-who sets himself up behind the scenes to be great, or one having a prestige among others. The reference to that of a little horn in ancient time is always connected to that of a royal prince.

Fulfillment: The film: Prince Phillip--The Plot for a King reveals how important it was for the Royals to produce a man-child to regain the throne of Queen Elizabeth. King Charles is given the emblem of a "little horn" that rides upon a white horse on his coat of arms. The little horn 'thinks to change times and laws' (Daniel 7:25) Thus, we were given the decade plan of action: The Great Reset.

PROPHECY FULFILLMENT #8

Prophecy: The Antichrist must "fulfill" the expectations of Jews for their long-awaited Messiah (John 5:43, Luke 21: 8, I John 2:18).

Fulfillment: Just like Jesus, Charles, the firstborn, who as a child was circumcised by a Jewish rabbi, can trace or attempts to trace his lineage back to King David of Israel as one who "fulfills the role as a messiah". By way of his ancestry he mimics Micah 5:2. His coat of arms bears the emblem of a harp.

[This attempt to link Charles with King David is a focus of Laurence Gardner's 1996 book, *'Bloodline of the Holy Grail: The Hidden Lineage of Jesus Revealed'*. Strangely, this 1966 book is overshadowed by Tim Cohen's 1998 *'The Antichrist and A Cup of Tea'*, and yet it fabricates genealogical and Biblical points of association.]

PROPHECY FULFILLMENT #9

Prophecy: Working alongside the Jews, the Antichrist must fulfill the Messianic expectations of many false religions (Revelation 13:8).

Fulfillment: King Charles descends from Muhammad's lineage as prerequisite for the Islamic Mahdi and is a prominent Western leader who defends all world religions. A prominent Imam today teaches that the Biblical Antichrist will come from Great Britain, the land out of the Sea.

PROPHECY FULFILLMENT #10

Prophecy: The Antichrist deceives the Jews, who are returned to their land and established the state of Israel, into a deceitful "a covenant" with their neighbors who seek their destruction (Dan. 9:27).

Fulfillment: King Charles had a significant role in the implementation of the Oslo "Peace" Accord in 1993 and 1995. Charles appears to work in favor of the Jews by way of the World Holocaust Forum and is considered that he will be a good king for the Jews. Charles is author of Agenda 21 and the UN Sustainable Development Goals for Peace and Security which Israel has agreed to follow by

way of a 429 page UN document written and delivered to the UN in 2019. Once implemented, a world-wide 7 year covenant is planned to be completed no later than the year 2030. It is important to be aware that a 7 year covenant came as a precursor, termed *Laudato Si* was already delivered to COP26 by Pietro Parolin of the Holy See. In just the past several months, Watergen, an Israeli company, has joined with Prince Charles' SMI for a more sustainable future. In the past few days, King Charles men, by way of the Sustainable Markets Initiative were of great importance in achieving the goals and outcomes of COP27 and COP15.

PROPHECY FULFILLMENT #11

Prophecy: The deceptive nature of Antichrist is revealed to the Jews in the middle of the Tribulation when he will arrive in Jerusalem to abolish sacrifice and the oblation around the time of Passover on the third temple and instigate the satanic inspired persecution of the Jews for the following 3 1/2 years (Daniel 8:11, 9:27, 11:31, Matthew 24:15, Luke 21:20, 2 Thessalonians 2:4, Revelation 11:2, 12:14).

Fulfillment: King Charles descends from a family with strong ties to Germany's Third Reich. In his private letters, he has shown disdain for the Jewish state of Israel and secretly supported the openly anti-Semitic Hamas and wishes to bring peace between Israel and Iran as he stated in January of 2020 while in Jerusalem.

PROPHECY FULFILLMENT #12

Prophecy: The Antichrist receives global authority from all nations, peoples and tribes of the world (Revelation 13:7).

Fulfillment: King Charles comes from a family that has been at the top of freemasonry for centuries and has led a plan to build a one world government, a one world economy and one world religion based in Jerusalem, with a rebuilt temple under the authority of the British Crown. The former Prince Charles has been personally at the forefront of such an effort and has campaigned for a one world government since 1992 and urged that all nations, peoples and tribes to join the global revolution to create a new global order under what is now referred to as Agenda 2030. His book "*Harmony*" reveals his plan for mankind. Prince Charles played a lead role in the World Economic Forum and is author of the Sustainable Markets Initiative, the Green New Deal, the Build Back Better plan, the Great Reset, the UN Sustainable Development Goals, the pope's *Laudato Si* movement and the Terra Carta mandate.

PROPHECY FULFILLMENT #13

Prophecy: The most significant change in the new world order of the Beast will be the creation of a global economic system in which no one can buy or sell without the mark of the beast in/on the right hand or the forehead (Revelation 13:16–18).

Fulfillment: King Charles has called for a reform of the global capitalist economic system. He was also the first person to show public support for the human RFID (Radio-frequency identification) technology by microchipping his sons William

and Harry in 1995, and has collaborated with companies worldwide to extend RFID technology to all areas of global trading. Bank of America and BP are backing Prince Charles in a new "climate effort". The movement towards a global digital change is likely to occur quickly under the plan "Operation London Bridge", since Queen Elizabeth passed away.

PROPHECY FULFILLMENT #14

Prophecy: The Antichrist speaks to the whole world via a living and speaking image through which all peoples on the earth can worship him simultaneously (Revelation 13:14–15).

Fulfillment: Charles' appearance at the 2008 Abu Dhabi energy conference in the form of a hologram was the first event of its kind that gave great attention to the modern hologram technology.

PROPHECY FULFILLMENT #15

Prophecy: In Revelation, the Antichrist is symbolized by the red dragon and lion-leopard-bear hybrid beast (Revelation 12:9, 13:2).

Fulfillment: The Red Dragon of Wales is the personal Heraldic emblem for Prince of Wales of his coat of arms, which also includes a rampant guardant lion, which has the appearance as a head of a lion-a slim like appearance as a leopard with oversized feet as a bear. His coat of arms from left to right in Heraldry reads: I serve the red dragon. Upon the image are 7 heads and 7 crowns upon each head fulfilling Revelation 12:3-4. Within the shield appears ten lions, representative of ten leaders whom he, the 11th will rule over rising up a paw against 3.

PROPHECY FULFILLMENT #16

Prophecy: According to Revelation 13:2, the Red Dragon or Satan gives the Beast, "his power, his throne and great authority".

Fulfillment: When Charles was formally given the title of the Prince of Wales at his investiture in 1969, he swore his oath of allegiance, bending his knees before the throne that represents the Welsh Red Dragon, after which he sat on its right side, with flags of the red dragon waving around him. His coat of arms bears the insignia of a red dragon encased within a ring and chained to the white horse and the rider (the little horn) that rides upon it, symbolic that the two will rule together as one, each having the insignia of heir apparent around their necks.

PROPHECY FULFILLMENT #17

Prophecy: When Satan has been thrown in the midst of the Tribulation period with his fallen angels onto the earth, *"Woe to the earth and the sea, because the devil has come down to you, having great wrath, knowing that he has only a short time."* (Revelation 12:12).

Fulfillment: Like his father Prince Philip, Charles is notorious on his support for depopulation, limits to growth and eco-fascism. He proclaims in his book *Harmony*: *"We cannot make the equation balance, unless we seriously address how we stabilize and even reduce the human population of the world...this, of course, raises some very difficult moral questions."* In this statement, Prince calls the mass murder of the world's human population on a historically unprecedented proportion. In a recent UN speech, he referred to much of the world's population as "useless eaters".

PROPHECY FULFILLMENT #18

Prophecy: The Antichrist shows no regard for the God of his fathers or any other god, but *"magnify himself above all"* (Daniel 11:37).

Fulfillment: King Charles has not shown interest or respect for true Christianity nor of his predecessors of the Anglican Church. This is reflected in Charles's oath to be changed from *"defender of the faith"* to that of *"defender of faiths"* and in so doing, embracing all religion.

PROPHECY FULFILLMENT #19

Prophecy: The Antichrist declares himself to be God in the rebuilt temple of Jerusalem (II Thessalonians 2:4).

Fulfillment: King Charles has spoken openly about his pantheistic worldview which teaches that natural world is not separated from God but is identical with Him; that everything in nature is divine or godlike, including every human being. He thinks himself as a *"savior of the world"* which in his view, the world is Mother-Earth, embracing the religion of Mystery Babylon (Gaia).

PROPHECY FULFILLMENT #20

Prophecy: Instead of the God of Israel, the Antichrist honors the god of fortresses; a god who manifests himself by temples or other religious places of worship, in contradiction to the God of Bible who *"does not dwell in temples made with hands"* (Daniel 11:38-39, Acts 17:24).

Fulfillment: King Charles is believer in philosophy of the "sacred geometry" which teaches that a connection to God is possibly to find universally, and apart from doctrinal differences between different faiths, through sacred buildings whose architecture respects certain geometric patterns such as the universal symbols of Satanism and witchcraft, five-pointed star or pentagram (cp. *"Harmony"*, Chapter 3, pages 114 -18). The Temple Institute today wishes for a temple for all faiths and may be an architectural masterpiece.

PROPHECY FULFILLMENT #21

Prophecy: *"Neither shall he regard... the desire of women, nor regard any god: for he shall magnify himself above all."* (Daniel 11:37) Many have interpreted that

expression *"...nor the desire of women"* means that the Antichrist is a homosexual or perhaps one that deprives himself of someone.

However, the text in Hebrew seems to be connected to what is desired by a woman (singular).

Fulfillment: King Charles is best remembered for his irrational relationship with former Princess Diana and for his inability to respond to Diana's love, which was illustrated well in Charles's question referring to Diana, "Whatever in love means." Charles' marriage with Camilla may conceal his beliefs on homosexuality but his Sustainable Markets Initiative clearly advocates for the embracing of homosexuality across the globe. The name Camilla comes from the ritual of ancient Roman religion for a youth serving as a cult officiant. The prophecy however, in context concerns one's faith, the faith of his fathers and that faith once pertaining to a woman, his mother. King Charles wishes to be the defender of all faiths rather than just the Anglican faith.

PROPHECY FULFILLMENT #22

Prophecy: According to the final fulfillment phase of the vision of Daniel 11:21, the Antichrist is one that is a despicable crown prince who rises to the throne.

Fulfillment: Charles has become one of the most despised crown princes in British history. He is not well-liked among his own countrymen and much of the world would have rather had his son, William, come to power next.

PROPHECY FULFILLMENT #23

Prophecy: The Antichrist sets himself in the place of and against Christ. He creates around himself a global cult of personality that will overshadow and exceed all previous leaders (I John 2:18, Revelation 13:8)

Fulfillment: King Charles believes that he is born for purpose and that his duty is saving of the world. Graham Smith states: *"He is under the impression he has been sent to save the world and deliver us from our sins. It's quite delusional."* To many leftists he is now a great visionary and almost messianic world leader. He has even expressed that the ultimate motive behind his all actions is the belief that his duty is *"to heal the mortally wounded soul" so that, "the temple of our humanity can once again be lit by a sacred flame"* (source: Lorimer, page 235).

PROPHECY FULFILLMENT #24

Prophecy: *"Then I saw a beast rising up out of the sea."* - Revelation 13:1.

Fulfillment: The land out of the sea in Roman times, under Roman rule, was given to a large region of land outside the continent of Europe. Tin was shipped from Tarshish, the land out of the sea, to Israel in the days of Solomon. Tin is known today to come from Great Britain.

PROPHECY FULFILLMENT #25

Prophecy: *"he who sat upon it had a bow"* - Revelation 6:2

Fulfillment: Davos 2020, the World Economic Forum gives Charles the bow, a fake rainbow as the prince of Agenda 2030. The word 'toxin' in Greek means rainbow or arc as he ushers in the Great Reset and a pandemic is announced soon thereafter to be completed the day before his coronation.

PROPHECY FULFILLMENT #26

Prophecy: *"there was given to him a crown"*

Fulfillment: May 6, 2023. King Charles receives his crown. This fulfillment is past tense in Revelation 6:2 and must occur therefore before the seals are opened.

PROPHECY CURRENTLY BEING FULFILLED

On Christmas Day, December 24-25, 2022, the climate King Charles delivered an address at 3 pm to Britain and the Commonwealth televised via BBC, a speech building upon his mother's Christmas speech of 2021 and her mention of the accomplishments of her son, Charles and his desire for a better world, a green sustainable peace for the planet.

PROPHECY FULFILLMENT #27:

Prophecy: *"He shall confirm a covenant with many"* Dan. 9:27.

Fulfillment: The king's Christmas Day message of 2022 gave a one year, 354-day warning on the ancient biblical timeline to the confirming of a covenant, for his speech aired after all the harvests was completed fitting within the timeline of Leviticus 23:24;39, Day of Trumpets. Prince Charles had made opening remarks at COP26 in Glasgow, Scotland. He has since written an open letter to the G7 as they met to further climate action. As of November 2021, a 7 category, 7-year Laudato Si covenant was presented to the Conference of the Parties, by the Holy See on behalf of Pope Francis, who came in his own name as a banner movement for the UN SDGS. The Paris Agreement is now at the end of the Global Stocktake, seven years have passed since it became enforced, and the strengthening of it is required within its mechanism to occur no later than the close of COP28. It includes the 17 UN Sustainable Development Goals and his Sustainable Markets Initiative, and the seven-year building block financial deal agreed upon at COP15 on biodiversity. The current course of action is set to accelerate now from the end of 2023 and run through the end of 2030 as the world unites, acts and delivers as one with their global savior and embrace their sustainable green climate king, King Charles, as their future leader of the New World. THE COAT OF ARMS

The heraldic coat of arms of former Prince of Wales fulfills multiple prophetic passages. Upon the coat of arms (beast) of former Prince Charles of Wales, there

are 7 heads and 7 crowns upon each head. The 7 crowns have the iron cross, which is worn by the Pope and was also worn by Adolf Hitler. The little horn of Daniel, symbolizing a prince of royal stature, is atop the white horse with an open mouth as if speaking. Chained to the dragon, encased in a ring, showing his marriage to the dragon once he becomes king, reveals the two will rule together simultaneously and the sign of the heir apparent is around both the white horse and the red dragon, each to rule the throne. To the left, you have the head of the lion, the slender body as if a leopard and oversized feet as a bear would have. The image below the lion is that of the black prince of Wales and reads from left to right, I the black prince, serve the red dragon. Within the crest, you can see 10 lions, all of the same size laying low but one rises above them and strikes three of them with his right paw. The blue belt is the highest order of Freemasonry belonging to the Order of the Garter. Seven bars are across the helmet, representing perhaps how many or which years he will rule prior to their proposed millennial world state. Above the helmet is the little lion with the whelp, revealing how he will rule with a rod of iron. The harp of David, is pictured in the lower left portion of the shield. His ancestry is claimed to go back to King David and the royal family believes their rightful place is the seat in Jerusalem.

King Charles: Grand Patron of Freemasonry

The Pope's participation in the UN's Dubai climate change conference is an historic first, and is a signal move in his support for the Paris Agreement. VATICAN CITY (LifeSiteNews) — Pope Francis has announced he will attend the upcoming climate change “COP28” conference in Dubai in December, in a historic first.

In a television interview with Italian news outlet TG1, Pope Francis confirmed previous reports that he would participate in the upcoming COP28 conference being held in Dubai.

“Yes, I will go to Dubai,” the Pope declared. “I think I will leave December 1st until December 3rd. I’ll stay there for three days.”

Francis referenced a conversation which he had with the European Union's former environment minister, Segolene Royal, who requested the Pope write a climate change themed document.

"I called some scientists here, who moved quickly. 'Laudato si' was released, it came out before Paris," said Francis, referencing the Paris 2015 COP21 climate change conference which established the Paris Agreement.

With only four weeks to the COP28 meetings, we are on the threshold of Biblical history and prophecy converging, culminating in a way that most of the world will not be able to come to grips with when millions are removed from the physical realm we know as home. Those left behind will be told that we were taken by ET's for re-education in order to calm folks of what happened at the Rapture. The Antichrist will sell them on the idea they can have immortality by following him, worshipping him, and taking his Mark.

The prophecy of the Tower of Syene is likely to take place before the Ezekiel 38/39 War. The reason for this is that Egypt is not in the list of nations or coalition found in Ezekiel 38/39. Five weeks may seem like a short time to some folks but in war decisions and actions often occur in split second timing!

When you read and hear that **Damascus** has been **"Nuked"** you will know that we only have days before the End! When Isaiah 17:1 is fulfilled, Russia will enter the picture that leads to World War III. We were told in advance it would happen! The Bible however does not name a nation or state responsible or behind it; it even could be the U.S. as much as Israel, or precipitated by an unknown client *"third party"*. Russia has multiple business and defense treaty agreements with Syria that will bring in Russia quickly. The COP28 meetings are still on schedule and the calendar dates below are baked into the cake.

World War III (Ezekiel 38/39 included) will break out once the Antichrist, aka Prince Charles signs/confirms the 'Covenant with the Many' of Daniel 9:27. Even Prince Charles' chief lieutenants like Klaus Schwab have stated that Tribulation would occur. In fact they are pushing this war to occur! Very few people understand the larger plan to 'divide and conquer'. Satan's demonic plans are to steal, kill, and destroy. -(John 10:10) If you have not learned anything in reading this Blessed Hope segment, know this, we have little time on the calendar. The world as we know it is being distracted by the holidays ahead, Thanksgiving and Christmas, both of which might not happen.

Believers worldwide will be Raptured out of here just before or at least prior to when Prince Charles makes his rare appearance at the COP28 being held in Dubai that will usher in the Great Tribulation of Daniel 9:27. Hanukkah, 2023 offers still another possible Rapture date within this time frame!

Count down to 'Confirming the Covenant with the Many'

Hanukkah 12/7/23 – 12/15/23
COP28 Begins November 30th as of 11/8/23 – 22 Days
Days to end COP28 December 12th as of 11/8/23 – 33 days

Praise God!

**ADMIT THAT YOU
ARE A SINNER.**

**BELIEVE THAT JESUS

**CONFESS THAT JESUS
IS LORD AND CALL UPON
HIM FOR SALVATION.**

Blessings in the Precious Name of Jesus Christ, Lord of lords, and King of kings!
