

The Blessed Hope!

“Looking for that blessed hope, and the glorious appearing of the great God and our Saviour Jesus Christ;” –(Titus 2:13)

Diamond & Nugget #266

I first read the book ‘*The Committee of 300*’ 25 years ago by Dr. John Coleman, a former agent of British Intelligence. I came back to Bardstown, KY to do a funeral for a member of a church where I had been the pastor before I had moved back to Pittsburgh, PA. I had a copy of Dr. Coleman’s book with me to read while staying at the motel that night. Coleman paints a dark gloomy picture of the future our controllers have planned for us, which, as you will see has already moved from the planning stage to full-speed-ahead tyranny.

THE SHADOW GOVERNMENT

In 2018 it was already decided to remove President Trump from the White House. Trump will never be allowed to win the 2024 Election. The Biden Administration is under the control of the Shadow Government. Facebook is owned by U.S. Government. Covid-19 was a planned bio-weapon.

The unspoken truth is that a non-existent pandemic has provided a pretext and a justification to powerful financial interests and corrupt politicians to precipitate the entire planet into a spiral of mass unemployment, bankruptcy, extreme poverty and despair.

Destabilizing the social, political and economic structure of 190 sovereign countries cannot constitute a “solution” to combating a **novel coronavirus** which mysteriously emerged in Wuhan, Hubei Province (PRC), in late December 2019.

That was the imposed “solution” — implemented in several stages from the very outset:

- **The March 2020 Lockdown**, applied worldwide which has triggered economic and social chaos.
- **The December 2020 rollout of the COVID-19 “Vaccine”** which has resulted in an upward trend in excess mortality.
- **The Global Debt Crisis** which is currently unfolding.

It’s the destruction of people’s lives worldwide. It is the destabilization of civil society. We are at the crossroads of the most serious economic and social crisis in world history. It’s a war against humanity.

The Shadow Government is the Committee of 300 and Bill Gates is one of the current members of the Committee of 300 which controls all the affairs of the world except for Russia and China. The Committee of 300 also controls the Pedophile systems around the world and all the major human trafficking networks which involve 8 million innocent children a year who are raped, tortured and murdered.

There will never be fair elections in the United States and around the world until the Committee of 300 is removed from our society. They will not let President Trump or Robert F. Kennedy Jr. become President of the United States in 2024. To understand the Committee of 300 completely I recommend you read the book '*Conspirator's Hierarchy: The Story of the Committee of 300*' by Dr. John Coleman.

The Committee of 300 also goes by the term "The Olympians".

Dr. John Coleman was an Intelligence Officer for over 45 years and his book of truth is based on 20 years of relentless research. Below are the goals and names of the Committee of 300 written in his book. There is also a video titled "Rulers of Our World" in which Dr. John Coleman gives a detailed history of the Committee of 300. I encourage you to watch the full 60 minutes for the complete truth.

The evil Intent and Purpose of the Committee of 300 is to Bring to Pass the Following Conditions: A One World Government and one-unit monetary system under permanent non-elected hereditary Oligarchists who self-select from among their numbers in the

form of a feudal system as it was in the Middle Ages. In this One World entity, the population will be limited by restrictions on the number of children per family, diseases, wars, famines, until 1 billion people who are useful to the ruling class, in areas which will be strictly and clearly defined, remain as the total world population.

There will be no middle class, only rulers and servants. All laws will be uniform under a legal system of world courts practicing the same unified code of laws, backed up by a One World Government police force and a One World unified military to enforce laws in all former countries where no national boundaries shall exist. The system will be on the basis of a welfare state; those who are obedient and subservient to the One World Government will be rewarded with the means to live; those who are rebellious will simply be starved to death or be declared outlaws, thus a target for anyone who wishes to kill them. Privately owned firearms or weapons of any kind will be prohibited.

Only one religion will be allowed and that will be in the form of a One World Government Church, which has been in existence since 1920 as we shall see. Satanism, Luciferianism and Witchcraft shall be recognized as legitimate One World Government curricula with no private or church schools. All Christian churches have already been subverted and Christianity will be a thing of the past in the One World Government.

To induce a state where there is no individual freedom or any concept of liberty surviving, there shall be no such thing as republicanism, sovereignty or rights residing with the people. National pride and racial identity shall be stamped out and in the transition phase it shall be subject to the severest penalties to even mention one's racial origin.

Each person shall be fully indoctrinated that he or she is a creature of the One World Government with an identification number clearly marked on their person so as to be readily accessible, which identifying number shall be in the master file of the NATO computer in Brussels, Belgium, subject to instant retrieval by any agency of the One World Government at any time. The master Files of the CIA, FBI, state and local police agencies, IRS, FEMA, Social Security shall be vastly expanded and form the basis of personal records of all individuals in the United States.

Marriage shall be outlawed and there shall be no family life as we know it. Children will be removed from their parents at an early-age and brought up by wards as state property. Such an experiment was carried out in East Germany under Erich Honnecker when children were taken away from parents considered by the state to be disloyal citizens. Women will be degraded through the continued process of "women's liberation" movements.

Free sex shall be mandatory. Failure to comply at least once by the age of 20 shall be punishable by severe reprisals against her person. Self-abortion shall be taught and practiced after two children are born to a woman; such records shall be contained in the personal file of each woman in the One World Government's regional computers. If a woman falls pregnant after she has previously given birth to two children, she shall be

forcibly removed to an abortion clinic for such an abortion and sterilization to be carried out.

Pornography shall be promoted and be compulsory showing in every theater of cinema, including homosexual and lesbian pornography. The use of "recreational" drugs shall be compulsory, with each person allotted drug quotas which can be purchased at One World Government stores throughout the world. Mind control drugs will be expanded and usage becomes compulsory. Such mind control drugs shall be given in food and/or water supplies without the knowledge and/or consent of the people.

Drug bars shall be set up, run by One World Government employees, where the slave-class shall be able to spend their free time. In this manner the non-elite masses will be reduced to the level and behavior of controlled animals with no will of their own and easily regimented and controlled. The economic system shall be based upon the ruling oligarchical class allowing just enough foods and services to be produced to keep the mass slave labor camps going.

All wealth shall be aggregated in the hands of the elite members of the Committee of 300. Each individual shall be indoctrinated to understand that he or she is totally dependent upon the state for survival. The world shall be ruled by Committee of 300 Executive Decrees which becomes instant law. Courts of punishment and not courts of justice shall exist. Industry is to be totally destroyed along with nuclear powered energy systems. Only the Committee of 300 members and their elitists shall have the right to any of the earth's resources.

Agriculture shall be solely in the hands of the Committee of 300 with food production strictly controlled. As these measures begin to take effect, large populations in the cities shall be forcibly removed to remote areas and those who refuse to go shall be exterminated in the manner of the One World Government experiment carried out by Pol Pot in Cambodia. Euthanasia for the terminally ill and the aged shall be compulsory.

No cities shall be larger than a predetermined number as described in the work of Kalgeri. Essential workers will be moved to other cities if the one they are in becomes overpopulated. Other non-essential workers will be chosen at random and sent to underpopulated cities to fill "*quotas*." At least 4 billion "*useless eaters*" shall be eliminated by the year 2050 by means of limited wars, organized epidemics of fatal rapid-acting diseases and starvation.

Energy, food and water shall be kept at subsistence levels for the non-elite, starting with the White populations of Western Europe and North America and then spreading to other races. The population of Canada, Western Europe and the United States will be decimated more rapidly than on other continents, until the world's population reaches a manageable level of 1 billion, of which 500 million will consist of Chinese and Japanese races, selected because they are people who have been regimented for centuries and who are accustomed to obeying authority without question.

From time to time there shall be artificially contrived food and water shortages and medical care to remind the masses that their very existence depends on the goodwill of the Committee of 300. After the destruction of housing, auto, steel and heavy goods industries, there shall be limited housing, and industries of any kind allowed to remain shall be under the direction of NATO's Club of Rome as shall all scientific and space exploration development, limited to the elite under the control of the Committee of 300. Space weapons of all former nations shall be destroyed along with nuclear weapons.

All essential and non-essential pharmaceutical products, doctors, dentists and health care workers will be registered in the central computer data bank and no medicine or medical care will be prescribed without express permission of regional controllers responsible for each city, town and village. The United States will be flooded by peoples of alien cultures who will eventually overwhelm White America, people with no concept of what the United States Constitution stands for and who will, in consequence, do nothing to defend it, and in whose minds the concept of liberty and justice is so weak as to matter little.

Food and shelter shall be the main concern. No central bank save the Bank of International Settlement and the World Bank shall be allowed to operate. Private banks will be outlawed. Remuneration for work performed shall be under a uniform predetermined scale throughout the One World Government. There shall be no wage disputes allowed, nor any diversion from the standard uniform scales of pay set down by the One World Government.

Those who break the law will be instantly executed. There shall be no cash or coinage in the hands of the non-elite. All transactions shall be carried out by means of digital currency which shall bear the identification number of the holder. Any person who in any way infringes the rules and regulations of the Committee of 300 shall have the use of his or her digital currency suspended for varying times according to the nature and severity of the infringement. Such persons will find, when they go to make purchases, that their digital currency is blacklisted and they will not be able to obtain services of any kind.

Attempts to trade "old" coins, that is to say silver coins of previous and now defunct nations, shall be treated as a capital crime subject to the death penalty. All such coinage shall be required to be surrendered within a given time along with guns, rifles, explosives and automobiles. Only the elite and One World Government high-ranking functionaries will be allowed private transport, weapons, coinage and automobiles. If the offense is a serious one, the digital currency will be shut off at the checking point where it is presented. Thereafter that person shall not be able to obtain food, water, shelter and employment medical services, and shall be officially listed as an outlaw.

Large bands of outlaws will thus be created and they will live in regions that best afford subsistence, subject to being hunted down and shot on sight. Persons assisting outlaws in any way whatsoever shall likewise be shot. Outlaws who fail to surrender to the police

or military after a declared period of time, shall have a former family member selected at random to serve prison terms in their stead.

Rival factions and groups such as Arabs and Jews and African tribes shall have differences magnified and allowed to wage wars of extermination against each other under the eyes of NATO and U.N. observers. The same tactics will be used in Central and South America. These wars of attrition shall take place before the take-over of the One World Government and shall be engineered on every continent where large groups of people with ethnic and religious differences live, such as the Sikhs, Moslem Pakistanis and the Hindu Indians.

Ethnic and religious differences shall be magnified and exacerbated and violent conflict as a means of "*settling*" their differences shall be encouraged and fostered. All information services and print media shall be under the control of the One World Government. Regular brainwashing control measures shall be passed off as "*entertainment*" in the manner in which it was practiced and became a fine art in the United States. Youths removed from "*disloyal parents*," shall receive special education designed to brutalize them.

Youth of both sexes shall receive training to qualify as prison guards for the One World labor camp system. The above was written in 1991 by Dr. John Coleman. We can already see many of these things happening today. We must act now to stop this from happening. Most Presidents and Prime Ministers around the world are controlled and were installed by the Committee of 300.

The Committee of 300 also controls all the intelligence agencies such as MI6 and the CIA which are their most powerful tools to accomplish their goals. To restore America and humanity we must do away with the Committee of 300. This is the head of the snake that must be cut off.

It would take a global effort of bravery and action. It must be done or we will lose America and the rest of the world to a global tyranny. They have already killed millions of innocent people and plan on killing millions more. They will not stop unless we physically stop them by force. This is the reality of humanities fate. Criminals and mass murderers do not surrender their power. It must be taken from them for the sake of all humanity.

Their strategy is summed up in what are called the Ten Planks of the Communist Manifesto:

- 1) Abolition of private property
- 2) Graduated income tax
- 3) Abolition of inheritance rights
- 4) Confiscation of the property of "rebels."
- 5) A single national bank
- 6) Control of communication and transportation

- 7) Factories and all production owned by state
- 8) Every person must work for the state, no exceptions
- 9) Control agriculture, manufacturing and population distribution
- 10) Control and use education as indoctrination centers

Because this cannot be achieved or accomplished by humanity under the current state of world affairs, it will have to be accomplished by the Creator of the Universe Himself. At the head of this Committee is none other than The Knights of the Order of the Garter are the leaders of the Committee of 300, Queen Elizabeth II's most trusted "*privy council*." The Knights of the Garter are the inner sanctum, the elite of the elite of Her Majesty's Most Venerable Order of St. John of Jerusalem.

As you may or may not know, the head of the "*privy council*" and "The Knights of the Garter" is HRH Prince (king) Charles. The Knights of the Garter are the members of the senior lodge of Scottish Rite Free Masonry known as the Order of the Garter.

When I first read Dr. John Coleman's book back in 1998, it seemed so surreal and too overwhelming to believe let alone contemplate its agenda end game. As I have revealed in the past forty or fifty Blessed Hope segments, it became clearer as to how one family or a group of families were able to consolidate their assets, and power to achieve what at the time seemed an impossibility. Outside of the Bible's reference to this End Time scenario the elements of what Dr. Coleman called the "Committee of 300" was perceived as competing groups for control and power. This is what we more commonly refer to as "Divide and Conquer".

The use of this technique is meant to empower the sovereign to control subjects, populations, or factions of different interests, who collectively might be able to oppose its rule. Niccolò Machiavelli identifies a similar application to military strategy, advising in Book VI of '*The Art of War*' (1521). (*L'arte della guerra*): a Captain should endeavor with every act to divide the forces of the enemy. Machiavelli advises that this act should be achieved, either by making him suspicious of his men in whom he trusted; or by giving him cause that he has to separate his forces, and, because of this, become weaker.

The "Divide and Conquer" strategy also bears within itself the chief weakness that anyone using it can risk becoming entangled as a victim by the same strategy. World leaders tend to by nature psychopaths and sociopaths.

There is a new movie out produced by Barack and Michelle Obama, "*Leave the World Behind*" that is about the complete collapse of America from within. And, through symbolism, the movie actually wants us to think that America deserves that collapse.

Leave the World Behind was made with the input of some of the most powerful people in the world and it shows. It is not entertainment, it is indoctrination. It is predictive programming where a script is presented to the public so it can more easily be accepted when the time comes. On a deeper level, the movie is a way of releasing the elite of its

“karmic duties” as they believe that they need to warn the public of their evil and destructive deeds before they happen. That way, instead of being victims, people are willing participants in the evil thus freeing those behind it from karmic retribution.

If this sounds crazy to you, well, I don’t blame you. These people are crazy and we’re living in crazy times.

Some might say that this is just a dumb movie and that we shouldn’t read too much into it. I hope they’re right. But Mark Zuckerberg appears to think otherwise.

Mark Zuckerberg Is Reportedly Building Himself a \$270 Million Survivalist Compound in Hawaii

Plans for the prepper-ready property, called Koolau Ranch, include two mansions joined by a tunnel that leads to an underground bunker.

No matter what the case may be, the movie is already accomplishing a major goal of the elite: To frighten and demoralize the masses. Thanks Obama!

Leave the World Behind is oddly similar to *Contagion*: It wants to expose the world to a script that could easily unfold in real life ... and that’s about it. Because, otherwise, it barely qualifies as a movie. There is no real plot, no great character arc, and absolutely no resolution. Just an increasing feeling of dread as we watch highly unlikeable characters realize how powerless they are.

Leave the World Behind is the first movie executive produced by Barack and Michelle Obama through their Higher Grounds Productions company. The former President and First Lady of the United States did not merely fund the film from afar, they were personally involved in the making of it. Have no doubts about the fact that Barack Obama hates America. Eight years of his presidency did massive damage to the security of the U.S. Dr. Joseph Corsi’s book *Where’s the Birth Certificate* came out in January, 2011, I purchased my copy in April, 2011 and paid full price for it. Had I waited a decade longer I could have it for just \$12 at Amazon instead of \$26. Dr. Corsi proved that Obama was an illegitimate and unqualified to be the President of the U.S.A. before the election. Even today there are those who believe that Barack Hussein Obama is the Antichrist. As Timothy Cohen, Craig Bong, myself and others have shown, the Antichrist of the Bible is HRH Prince (king) Charles. Most people are indifferent on this and will most certainly miss the Rapture.

Texas governor Abbott just signed a law making crossing without proper paperwork a crime.

"Texas Governor Signs Bill Making Illegal Migrant Entry from Mexico a State Crime,"
Breitbart News, 18 Dec 2023

"Texas Governor Greg Abbott signed a bill making Texas the first state in the union to give law enforcement officers the authority to arrest migrants who illegally enter the state. The measure, SB 4, was signed into law on Monday during a ceremony at the base of the border wall in Brownsville, Texas."

Liberals are screaming so loudly one might believe that his border law will work.

Why are Liberal Democrats so upset at this Common Sense law?

God's prophetic plan for the appearance of Antichrist is very clear: he cannot arise until the world has been reorganized into 10 super nations, each one with a leader. Let us quickly review this Scripture.

"I considered the horns, and behold, there came up among them another horn, a little one, before which three of the first horns were plucked up by the roots; and behold, in this horn were eyes like the eyes of a man and a mouth speaking great things." -(Daniel 7:7-8)

The Fourth and final beast empire -- the Roman Empire -- will stage a comeback at the End of the Age and will be characterized by reorganizing all the nations of the world into just 10 super nations, each one with a leader. From this passage and from Daniel 9:26-27, Bible scholars firmly believe that the old Roman Empire will arise again in a *"Revived Roman Empire"* at the End of the Age.

The Illuminati Plan thoroughly parallels Daniel 7:7-8 at this point, for it calls for a reorganization of all the nations of the world into 10 super nations. Did you know this plan existed? Let us share this plan with you.

In 1957, Alice Bailey, then the leader of the House of Theosophy, wrote in her collection of writings, *"The Externalization of the Hierarchy"*, that the world must first be reorganized into Spheres of Influence before it could be organized into a Global government (Page 209). She made it very clear that this reorganization would not follow traditional national boundaries, but would be a completely different organization.

Bailey did not specify how many *"Spheres of Influence"* would be created, but her plan was fleshed out in 1974, by New World Order authors, Mihajlo Mesarovic and Eduardo Pestel, in a book entitled, *"Mankind At The Turning Point"*. They wrote that the world would be reorganized into 10 Super Nation States, listed below.

10 SPHERES OF INFLUENCE -- NATIONAL REORGANIZATION

1. North America
2. Western Europe
3. Japan
4. Australia, South Africa, and the rest of the market-economy of the developed world.
5. Eastern Europe, including Russia

6. Latin America
7. North Africa and the Middle East
- 8 Tropical Africa
- 9, South and Southeast Asia
10. China

Therefore, the current crisis at our open Southern Border is simply to create an immigration crisis which would enable the Global Elite the ability to create one nation out of three:

North American Union (Canada, USA, Mexico)

The Canadian /USA border is slated to disappear, and the USA/Mexico border will relocate southward to Belize! The below map drawn up a few decades ago remains as the basic spheres of influence, but for few minor changes.

However, when the Club of Rome established these spheres of influence we seemed to be years away from seeing these super-nations formed, with a single government, a single parliament, a single judiciary and a single currency. The only way this backward region could come together more quickly is if Western governments established a tight control over the entire continent and force the political and economic changes which would propel Central and Southern Africa into a single nation far more quickly than we can see right now.

Therefore, what seemed to be years away from World War III which shall produce Antichrist. However, each super-nation is actively attempting to pull together into the 10 super-nations of the Club of Rome Plan, a fulfillment of the 2,700 year prophecy of Daniel 7:7-8. The U.S. Congress created these regions as far back as 1993, initially as an economic trading bloc.

Operating largely in secret through January, 2014, President Obama and Secretary of State John Kerry quietly worked with the Presidents of Mexico and the Prime Minister of Canada to set a framework in place – an infrastructure – which will allow them to move the matter of joining the three nations together rapidly at the right moment in American and Canadian politics. Immigration Reform is the silent “Trojan Horse” which will ease transformation into North American Citizenship for people of both Mexico and America.

The web site State of the Nation posted an article in the last day or two that speaks to what was planned long ago and they have labeled it as ‘Treason’. Truly, no one has ever seen anything like this in American history.

Numerous members of the U.S. Congress as well as the Judicial Branch have refused to defend the extremely vulnerable open borders of the United States of America.

The very same traitors have flaunted their willful neglect and serial law-breaking where it concerns the protection of the American people from all sorts of threats due to open borders and illegal immigration. These dire threats only exist because of the extremely porous Mexican border.

The very same treasonous members of Congress and the Judiciary are well aware of the ISIS and Al-Qaeda terrorists who have easily gained entry into the USA over the past several years.

They are also aware of the countless MS-13 gang members and other hardened criminals from Mexico, Honduras, Guatemala, El Salvador, Panama, Columbia, and other Central and South American countries who illegally enter the country every month. Then there are the countless drug traffickers, human traffickers, arms traffickers and other international cartel criminals who cross the open border at will.

Border patrols across the extensive border have also reported massive amounts of contraband and black market items that make their way to and from going both ways.

So, this is the current status of our nation’s border with Mexico—a country overwhelmed by drug cartel violence, drug smuggling and open drug warfare with the 31 state governments as well as the federal government in Mexico City.

T R E A S O N

It has never been so critical to call this collective act of shocking defiance of the U.S. Constitution, as well as various federal statutes, **T R E A S O N**...because that’s exactly what it is.

That legislators at every level — federal, state, county and city — are deeply complicit in this highly organized conspiracy to collapse the American Republic was once inconceivable.

That there is even such a phenomenon as “sanctuary cities” and “sanctuary states” that protect known criminals is equally shocking and unfathomable.

Nonetheless, the surreptitious communist movement responsible has been insidiously taking over the Republic for many decades, and it has completely co-opted the entire Democrat Party. The DNC is actually a poster child for the nation's communist party and socialist leadership. Whereas Barack Obama is their Vladimir Lenin, Hillary Clinton was meant to be their Joseph Stalin. This is why millions turned out to vote in 2016 to soundly defeat her. Clinton's main mission was to transform this nation into a *Third Millennium* version of "[Gulag Archipelago](#)"—literally. As follows:

[ICE Agent Commits Suicide in NYC, Leaves a Suicide Note Revealing Govt's Plans to Roundup & Disarm Americans](#)

So when the word **T R E A S O N** is used, this is exactly what these traitors are guilty of. And they should be treated accordingly—arrest, prosecution and imprisonment, if not capital punishment.

Why this is so important is that if the Democrats steal the 2020 presidential election, IT WILL BE game over for the American people. Simply put, the Democrat Party can never

again be permitted to hold the reins of power in these United States. Should they, a Democrat president is guaranteed to do to the whole nation what the Democrats have done to California under globalist Governor Jerry Brown.

Open floodgates for illegal aliens

What's really going on with the open borders and intractable illegal immigration problem?

There are actually many facets to this societal fabric-tearing wedge issue, but the following bullet points sum it up nicely. Here are the primary reasons why the power elite will not stop pushing for open borders, especially here in the USA.

-
- **Plentiful and cheap labor for *Corporate America* at a time of extreme international economic competition**
 - **Stream of needed military recruits for the U.S. Armed Forces who are guaranteed a fast track to citizenship**
 - **Illegal drug revenues are deposited in the large banks that are too big to fail**
 - **Illegal human trafficking generates huge profits and feeds the appetite of the power elite**
 - **Illegal arms trafficking produces illicit profits for both corporations and government**
 - **Democrats use illegal aliens, economic immigrants and war refugees to rebuild their shrinking base**
 - **New World Order globalist cabal cynically uses illegal immigration as the cudgel of multiculturalism just as they destroyed Europe**
 - **DACA and anchor babies are systematically used to dilute the U.S. population descended from European ancestry.**
 - **[Operation Gladio](#) use the open borders to sneak across terrorists cells who will carry out false flag terrorist attacks upon being triggered**
 - **Gladio is also stealthily building a secret army, nationwide, of foreign mercenaries, criminals, terrorists and other-soldier-of-fortune wannabes**
 - **... .. this is a truncated list and only represents some of the most influential drivers of illegal immigration and open borders**
-

What follows is an excerpt from a previous SOTN article that addresses only the first bullet point listed above — “cheap labor”.

The major corporations of the USA, likewise, have a great incentive to see the borders opened. They see lots of cheap labor coming from Mexico, and have been given the green light to exploit it as they have for decades. These illegal immigrant laborers are willing to work for a fraction of what the average American citizen will work for.

In light of this reality, and other economic dynamics at work, the corporate stranglehold over the MSM has made it very difficult for We the People to have our voices heard on this matter. Forces throughout Corporate America are, in fact, responsible for

galvanizing the current movement for open borders because they are essentially stateless institutions.

They have no loyalty to anyone but their shareholders. Most of them would probably be in favor of a North American Union, which would forever alter the employment landscape of the USA should it manifest.

(Source: [US Southwestern Borders Are Flung Wide Open: Cui Bono?](#))

In light of this one explanation about how *Corporate America* is working VERY hard to keep the borders wide open, it's much easier to see why this problem ***ain't going away any time soon.***

This excerpt also reveals why the Republican Party never helped President Trump with building the wall. They have even more desperation to satisfy the vested interest of *Corporate America* than the Democrats traditionally do. The *Military-Industrial Complex* has always been a pet project of the GOP as are *Big Oil*, *Big Pharma*, *Big Agra*, etc. Moreover, all the "Fortune 1000 Companies" that support the ***National Security State*** are major campaign donors to the Republican Party.

What we are seeing happening on the southern border is no surprise given Dr. John Coleman's book '*Committee of 300*' revealed in 1998.

After reading what I have shared, from Dr. Coleman, from world events, my hope is that folks would realize just how close they are to what all is about to explode on the world scene. God has told us in advance of what was coming for our benefit. God in his omnipotence has presented us a prosecutor's case as to who is the nemesis of the Lord Jesus Christ.

**ADMIT THAT YOU
ARE A SINNER.**

**BELIEVE THAT JESUS
PAID FOR YOUR SIN
ON THE CROSS. †**

**CONFESS THAT JESUS
IS LORD AND CALL UPON
HIM FOR SALVATION.**

Blessings in the Precious Name of Jesus Christ, Lord of lords, and King of kings!
