## **HERE'S THE LATEST FROM THE UN**

As conflicts rage and geopolitical divisions grow, UN Secretary-General António Guterres laid out his key priorities for 2024 to the United Nations General Assembly this week, emphasizing the urgent need to create the conditions for peace around the world.

*The following is an excerpt of his remarks.*

Our organization was founded on the pursuit of peace.

Peace is our raison d'être.

Yet as I scan the landscape of today's world, the one thing missing most dramatically is peace.

**People want peace and security.**

**People want peace and dignity.**

And, frankly, they want peace and quiet.

For millions of people caught up in conflict around the world, life is a deadly, daily, hungry hell.

Record numbers are fleeing their homes in search of safety.

They are crying out for peace.

We must hear them, and act.

**Peace is more than a noble vision.**

**Peace is a rallying cry. It is a call to action.**

Our obligation is to act together for peace in all its dimensions.

Peace can achieve wonders that wars never will. Wars destroy. Peace builds.

But in today's troubled world, building peace is a conscious, bold and even radical act. It is humanity's greatest responsibility. And that responsibility belongs to us all – individually and collectively.

In this difficult and divided moment, let's meet that obligation for today and future generations.

Starting here. Starting now.

For my part, I can guarantee that I will never give up fighting for peace.

***“But concerning the times and the seasons, brethren, you have no need that I should write to you. <sup>2</sup>For you yourselves know perfectly that the day of the Lord so comes as a thief in the night. <sup>3</sup>For when they say, “Peace and safety!” then sudden destruction comes upon them, as labor pains upon a pregnant woman. And they shall not escape. <sup>4</sup>But you, brethren, are not in darkness, so that this Day should overtake you as a thief.”*** -(1<sup>st</sup> Thessalonians 5:1-4)

### **The New World Order is Satanic**

*“What is the Old World Order and why do we want to replace it with a new one?”*

(Article by Coach Dave Daubenmire republished from [NewsWithViews.com](http://NewsWithViews.com))

What you are about to read will make perfect sense to some of you. Others, not so much.

A worldview is...well...the way an individual views the world. WHAT you believe shapes the way that you process information. It is the filter through which you run every thought and every issue.

New Ager Oprah Winfrey calls it YOUR Truth...as if two opposing viewpoints could both be true at the same time. Up cannot be down. Left cannot be right. Inside can never be outside. Once you walk IN you are no longer OUT. Once you are UP you are no longer DOWN.

It is basic science and logic. Provable. Testable. Verifiable. Your PERSPECTIVE, (viewpoint), can change, but UP can never be down and down can never be up.

A man can never be a woman and a woman can never be a man. No matter how much one BELIEVES it to be true. Bruce Jenner can NEVER be a woman...no matter how much HE or YOU believe he is. Simply believing something does not make it so.

There are many different worldviews. We call them things like science, religion, philosophy, but ultimately EVERYTHING is subject to TRUTH. Here is a simple question we must all ask ourselves...is it possible to BELIEVE something that IS NOT TRUE? If so, how does one determine what is true? Science alone? Can Science be biased? Can Science be bought? Did the masks REALLY work? How do you know whom to believe?

This treatise is written with what is often called a BIBLICAL worldview. I believe the Bible is TRUE and that it is the foundation of all human knowledge. That is why it is called a BIBLICAL worldview. It is the way I VIEW the way the world functions. At the heart of a Biblical worldview is a CREATOR. An all-powerful, omnipotent, everlasting, Alpha and Omega, beginning and end, King of Kings, and Lord of Lords. That belief system shapes EVERYTHING I do.

Americans used to believe that. We taught it to our children in school...every school...public schools...government funded schools. From the founding of this nation. Thomas Jefferson who penned the Declaration of Independence also wrote,

*“God who gave us life gave us liberty. And can the liberties of a nation be thought secure when we have removed their only firm basis, a conviction in the minds of the people that these liberties are of the Gift of God? That they are not to be violated but with His wrath? Indeed, I tremble for my country when I reflect that God is just; that His justice cannot sleep forever...”*

Could it be that the belief and worship of Jesus Christ was at the heart of the OLD WORLD ORDER and that it is the focus and goal of the Luciferians to insert LUCIFER as the head of this NEW WORLD ORDER? A government where Jehovah no longer rules in the halls of Congress, but children of the Devil usurps power and authority granted specifically to CHRISTIAN men? Read Mathew 5.

What was it John Lennon sang...imagine there's no heaven...isn't that at the heart of the NEW WORLD ORDER?

*Imagine there's no heaven. It's easy if you try. No hell below us. Above us only sky. Imagine all the people living for today.*

*Imagine there's no countries. It isn't hard to do. Nothing to kill or die for. And no religion too Imagine all the people living life in peace.*

*You may say I'm a dreamer. But I'm not the only one. I hope someday you'll join us. And the world will be as one.*

*Imagine no possessions. I wonder if you can. No need for greed or hunger. A brotherhood of man. Imagine all the people sharing all the world.*

Klaus Schwab couldn't have said it any better. The Synagogue of Satan now rules America.

The New World Order isn't new at all. It is nothing more than a continuation of the battle spoken of in Psalm 2.

***“Why do the heathen rage and the people imagine a vain thing. The Kings of the earth set themselves and the rulers take council together against the Lord and His anointed.”***

From the beginning of time Satan has tried to steal what didn't belong to him. A Kingdom. He is still wrestling for it today.

Christianity, and its influence, is almost non-existent in our government today. In fact, all the power of God's people has been surrendered to the Luciferians. The American government is tyrannical. It operates at the behest of Satan and his minions. A coup has been underway since 1947 when the SCOTUS ruled Jesus un-Constitutional.

There are only two teams on the field. Team Jesus and team Lucifer. Team Lucifer is now winning because Team Jesus has refused to engage in the battle. As Bob Dylan warned us in the 60's...you gotta serve somebody. Who is the American government serving?

Most Americans don't believe in the Devil...not really...not in an-advancement-of-evil kind of way. The Luciferians have programmed us to focus on politics, as if it were the OTHER political party that was evil.

But they BOTH are evil. BOTH serve Satan. Jesus told us that *“you are either for me or against me.”* BOTH parties serve GOVERNMENT. Both parties have agreed to govern apart from the Kingship of Christ.

Luciferian government supports baby murder, homosexuality, transgenderism, government theft through taxation, an unjust justice system, invasive wars, government sanctioned murders, pornography as free speech...just to name a few.

America was once the “shining city set on a hill” that gave light to the whole world. But we have allowed them to put a bushel basket over the light. If America goes down, we will descend into unimaginable darkness.

Lies, deception, and fear are the instruments of Lucifer. Are their three more appropriate descriptions of the weapons the American Government is displaying today? Charles Finney Warned us nearly two centuries ago:

*If there is a decay of conscience, the pulpit is responsible for it. If the public press lacks moral discernment, the pulpit is responsible for it. If the church is degenerate and worldly, the pulpit is responsible for it. If the world loses its interest in Christianity, the*

*pulpit is responsible for it. If Satan rules in our halls of legislation, the pulpit is responsible for it. If our politics become so corrupt that the very foundations of our government are ready to fall away, the pulpit is responsible for it.*

Jesus is the Light of the World. We must turn the light back on in America.

## **Top Scientist Exposes WEF's Depopulation Agenda**

Hunter Fielding February 15, 2024

A world-renowned scientist is raising the alarm to expose the depopulation agenda of the World Economic Forum (WEF) and the globalist organization's allies.

Evolutionary biologist Bret Weinstein is warning the public that the WEF is working with the United Nations, Big Pharma, and strategically placed government operatives, to drastically reduce the number of humans on Earth.

The plot involves using manmade viruses, poisonous "vaccines" to counter those engineered pandemics, and policies such as "Net Zero" that will ultimately trigger global famine.

The WEF's agenda seeks to rid the planet of most of Earth's general population, leaving behind a "new world" for the global elite.

*"They have no use for us," Weinstein warns.*

Weinstein exposed the plot during a new interview with Alex Jones.

Jones highlighted what he saw as the core problems, mentioning issues like open borders, currency devaluation, and the general destabilization of society.

Jones commented, *"They [powers that be] can't ever actually build anything. So they're sitting there going, 'Look what a great artist I am,' smashing things, and then society looks like a Jackson Pollock. But how are they ever going to paint a Rembrandt?"*

*"They're not,"* replied Weinstein.

*"What they have recognized is that **they have no use for us.**"*

*And I wish that was an exaggeration, but you can see this so clearly in what they did to the public over COVID."*

**The following is a short list of destructive COVID policies that seem like they were intended to kill and cause harm, rather than save lives:**

#1 – Early treatment was smeared and suppressed. Doctors faced severe punishment for prescribing/promoting HCQ and Ivermectin.

#2 – Hospitals pushed Remdesivir and ventilators on COVID patients, two regimens that were not just highly lucrative, but also highly detrimental to patient outcomes. According to [Dr. Joseph Mercola](#), in the first weeks of the COVID outbreak, *"76.4% of COVID-19 patients (aged 18 to 65) in New York City who were placed on ventilators died."*

#3 – *"There was never an argument that made any sense for delivering those shots to healthy young people."*

#4 – Shots quickly extended to pregnant women, young children, and babies, the last people you would want to inject without knowing the long-term consequences.

#5 – Once we discovered the shots did not control disease, the argument for injecting young people went away, but authorities continued pushing them anyway.

#6 – The media and authorities cared so much about "saving lives" during COVID. But now that COVID is behind us and excess deaths remain high, no one in authority cares to investigate what's causing it.

#7 – *"To this day, Harvard apparently just reinitiated their policy of requiring those shots for their own students."*

After reflecting on the big picture, Weinstein remarked, “Whatever is driving **doesn’t care that it is going to kill people** who have long lives of potentially important contributions to make.”

### **Follow Up to Previous Reports on Vaccines**

The following report is from Doctor Ana Maria Mihalcea’s recent article entitled, [“Hydrogel Platform Enables Versatile Data Encryption And Decryption”](#) It is provided by the Reese Report at Infowars.com.

The building blocks of Hydrogels are being found in the COVID vaccine, and Hydrogels are being found in the blood of both the vaccinated and the unvaccinated. They are the so-called blood clots that are being found around the world. And these Hydrogels can now be programmed, encrypted and decrypted. According to Mihalcea, they are the substrate of the brain computer interface and the primary method of fusing humans with machines as she described by referencing MIT research in the article, [“Hydrogel Interfaces for Merging Humans and Machines”](#)

Elements which Mihalcea and Clifford Carnicom [found with Near Infrared spectroscopy](#) in the blood of the unvaccinated exposed to shedding and environmental contamination include hydrogel plastics such as polyenes, vinyl, and nylon, kevlar, and spider silk proteins. As well as other nanotechnology signatures such as silicone and sulfur. This technology hijacks methyl groups, which are needed to detoxify and create Glutathione in the body. Hydrogels used for the encrypted programmable technology include polyvinyl alcohol and polycaprolacton. Both of these Hydrogels are listed as stealth nanoparticles in the Moderna patent for lipid nanoparticle composition. This suggests that not only those who received the shot have this hydrogel encryption technology in their bodies, but also those who have experienced shedding and environmental contamination. Which is just about everyone?

These hydrogels are known to be programmable and encrypted. This technology can behave as brain storage. It can store memories and visual information in an individual’s brain. And it can be chemical-induced to be securely encrypted and decrypted allowing for the secure recording and storage of confidential visual information. This provides a platform for secure financial transactions, which is a requirement for a digital ID.

MIT researchers have discussed how this very same technology can be used to fuse humans with machines. And while they’ve had problems working it out in the past, [a recent paper](#) has announced they’ve found success using the very same

elements found in both the blood of the vaccinated and unvaccinated by Mihalcea and Carnicom.

In [a lecture by Professor Sakhrat Khizroev](#) at the University of Miami, it is discussed how advanced materials can be used for interfacing machines and the human brain. He references a research project funded by DARPA wherein magnetic nanoparticles are key to this technology. Mihalcea has published research that shows how the COVID shots alter torsion fields in the body and produce magnetism. A review by the Rand Corporation, [“Brain Computer Interfaces: US Military Applications and Implications”](#) discusses the convergence of human with machine.

In an [interview with Big Pharma whistleblower, Karen Kingston](#), Kingston discusses this self-assembly nanotechnology and how the spike protein is an engineered device, triggered by electromagnetic frequency, and how the Quantum Dots are ‘gene editing’ technology. This nanotechnology appears to be distributed via Chemtrails, the food and water supply, medications, and in all of the scheduled vaccines for children. It has been found by multiple scientists in the blood of both the vaccinated and the unvaccinated. And the fact that this widespread technology is being ignored while the topic of mRNA is being pushed into the mainstream, is of great concern.

Mihalcea has shown that the new protocols being sold to the public as a way of reversing the negative effects of the COVID shots, have no effect on these Hydrogels. And it would seem that well over a billion people are infected with them.

While many are talking about an archaic implanted computer chip, it seems that the latest breakthrough technology has already been deployed without anyone’s consent.

The situation almost seems hopeless, but where there is a will there is a way. And now is not the time to hide our head in the sand. The human body is miraculous and our potential is endless. The more people addressing this dire situation, the better chances we have of finding a remedy.

**Bill Gates' dark dream of blocking sunlight from the Earth is about to be realized**

*"And that You should reward Your servants the prophets and the saints, And those who fear Your name, small and great, And should destroy those who destroy the Earth." –(Revelation 11:18)*

LEO HOHMANN  
FEB 15, 2024

Bill Gates' insane plan to "save the planet" from so-called climate change by partially blocking out the sun has officially been launched.

Gates, ever the demented snake oil salesman, has long argued in favor of a bizarre plan to fight global warming using experimental geoengineering to *block the sun's rays from reaching Earth*.

Well, he's apparently about to get his wish.

Scientists plan to begin pumping chemicals into the sky over the next few weeks and months from several countries around the globe, including in the United States, Australia and Israel, reports [Slay News](#).

The idea, [promoted by](#) Gates and leftist billionaire [George Soros](#), involves pumping manmade white clouds containing chalk dust and other chemicals into the atmosphere to reflect sunlight away from the Earth's surface.

Blocking the sun's light would allegedly lower the planet's temperature enough to reverse global warming.

Never mind that fruit trees and vegetables require sunlight in order to grow and produce food for the masses. Not to mention, sunlight is the primary source of critical Vitamin D, an essential nutrient for human immunity. Gates, a known eugenicist who goes around giving talks about how we need to reduce the global population, likely sees these dark possibilities as exciting side effects of the nefarious sun-blocking plan.

Soros is similarly excited about the plan. He says the technology will help to prevent ice from melting in Greenland, which he claims could doom human civilization.

How ironic that the very globalists who are doing everything in their power to destroy human civilization claim to be worried that global warming might speed up the process.

Globalists like Bill Gates and George Soros are doing harm to the environment through their genocidal climate agenda on multiple levels. They advocate blanketing our fertile farmland with toxic solar panels, while filling more acres of farmland with wind turbines that kill birds and other wildlife. They also push electric cars which run on toxic lithium batteries that are going to create an environmental nightmare in the years ahead because, like with the solar panels, there's no way to safely dispose of them.

Chloe Aiello of *Inc.* magazine reported on February 13, 2024, that a [\*\*Bill Gates-Backed Startup Just Raised \\$145 Million to Source Lithium-Ion Batteries for Electric Vehicles\*\*](#). Much of the lithium mined in the world today is done on the backs of child labor in poor countries of Africa and Asia. But don't tell that to Bill Gates, George Soros, Larry Fink and their buddies at the World Economic Forum.

Despite their destructive plans, these globalists insist they are our saviors and we should look to them for answers on how to live a sustainable lifestyle. Please.

About the devious sun-blocking formula, Soros said: *“Our civilization is in danger of collapsing because of the inexorable advance of climate change. The melting of the Greenland ice sheet would increase the level of the oceans by 7 meters. That poses a threat to the survival of our civilization.”*

Of course this is all nonsense meant to stoke fear. A fearful population will beg for solutions to the imaginary problem, inviting their own enslavement. More than 20 years ago, Al Gore made the exact same dire predictions about ice melting, polar bears dying, hurricanes increasing, and whole cities being submerged in water. None of these apocalyptic predictions have materialized.

Slay News reports that the tactics advocated by Bill Gates involve spraying aerosol concentrations into the stratosphere to reflect solar radiation away from the Earth.

Gates has been funding a major project at Harvard using balloons to deploy aerosols. The Harvard project was shut down following public backlash.

But now, the *Wall Street Journal* is [reporting](#) that another group of scientists has been advancing Gates’ idiotic and, frankly, dangerous plan.

Marine Cloud Brightening is a research project led by Southern Cross University as part of the \$64.55 million, or 100 million Australian dollars, Reef Restoration and Adaptation Program.

The program involves modifying clouds to make them reflect sunlight away from the Earth to supposedly stop global warming.

Slay News reports:

*“This week, researchers aboard a ship off the northeastern coast of Australia near the Whitsunday Islands started spraying a briny mixture through high-pressure nozzles into the air in an attempt to brighten low-altitude clouds that form over the ocean.”*

*“Scientists hope bigger, brighter clouds will reflect sunlight away from the Earth, shade the ocean surface, and cool the waters around the Great Barrier Reef.”*

In Israel, another startup called Stardust Solutions has begun testing a system to disperse a cloud of tiny reflective particles about 60,000 feet in altitude.

These geo-engineered clouds reflect sunlight away from Earth to cool the atmosphere in a concept known as solar radiation management.

And, in Massachusetts, researchers at the Woods Hole Oceanographic Institution are preparing to pour 6,000 gallons of a liquid solution of sodium hydroxide, a component of lye, into the ocean 10 miles south of Martha's Vineyard this summer.

They hope the chemical base will act like a big tablet of Tums, lowering the acidity of a patch of surface water and absorbing 20 metric tons of carbon dioxide from the atmosphere, storing it "safely" in the ocean.

What could possibly go wrong?

### **More Proof They Want Us Dead**

The new story linked to over at [SteveQuayle.com](http://SteveQuayle.com) earlier this morning [published by the Daily Mail](#) titled *"REVEALED: U.S. is collaborating with Chinese scientists to make bird flu strains more infectious and deadly as part of \$1m project - despite fears similar tests unleashed Covid"* confirmed much of what we've been reporting on ANP over the last several years; that *the US government is weaponizing deadly diseases that are being used against 'the people,'* and with virtual impunity.

**Also confirming that Americans are working with China to create these deadly bioweapons while then lying to our faces about it as Americans and people all across the planet are being killed by them, the *research into how the satanic globalists can more easily kill Americans* is, of course, being funded by the American taxpayer through the U.S. Department of Agriculture, and as the [Daily Mail story](#) reports, this deadly research will not only take place in China but at sites in Georgia and Edinburgh, Scotland.**

Proving once again that *our 'government overlords' have no problem at all 'creating and then weaponizing' deadly diseases that will be used to kill people, including very real Americans with very real loved ones and families,* and that such work is no 'conspiracy theory' at all but part of official U.S. 'health' policy under Joe Biden, as that DM story reports, this particular research *involves infecting ducks and geese with different strains to make them more transmissible and infectious, and then studying the viruses' potential to 'jump into mammalian hosts,'* according to the research documents.

And while the USDA is busy weaponizing diseases to kill Americans instead of what [its 'X' page claims its duties are](#), "Leadership on #food, #agriculture, natural resources, #rural development, #nutrition, & related issues based on public policy, science, & effective management," it's no longer any wonder why all across America, our foods are being poisoned as reported in [this NY Post story](#).

**Alarmingly reporting that *80% of Americans have tested positive for a chemical found in Cheerios and Quaker Oats cereals that may cause infertility & delayed puberty,* while our *baby foods are being poisoned with toxic metals* as reported in [this Washington Post story](#), every day brings *MORE proof the globalists are targeting our children, the most innocent members of society. for death.***

As that previously referenced [Daily Mail story reports](#), according to Justin Goodman, the senior vice president of the *White Coat Waste Project* which uncovered this deadly 'gain of function' research going on that'll be funded by the American people, 'It's reckless and indefensible for... bureaucrats to bankroll dangerous avian flu gain-of-function studies involving virus experimenters from the notorious Wuhan animal lab that likely caused COVID and its CCP-run parent organization, the Chinese Academy of Sciences. Taxpayers shouldn't be forced to foot the bill for animal experiments with foreign adversaries that soup up viruses and can cause pandemics or create bioweapons.'

Yet there the *USDA* goes, using American taxpayer money to pay for this deadly research, another great reason why the USDA, and ALL OF OUR GOVERNMENT AGENCIES that are involved in such research, should be PERMANENTLY ELIMINATED for their crimes upon humanity.

Yet as we've reported time and again on ANP, according to 'gatekeeper' groups such as *Newsguard*, any reports of such 'gain of function' research being carried out by U.S. government agencies are 'crazy conspiracy theories' being pushed by 'right wing media,' the biggest reason [ANP is now running only thanks to your donations which we use to simply survive](#) after *Newsguard* blacklisted us for reporting the truth has seen advertising agencies refuse to run on ANP.

And isn't it incredibly interesting that those chemicals being found in Cheerios and other Quaker Oats cereals cause INFERTILITY and delayed puberty, the same exact satanic goals that the globalists have long been pushing with their drive to 'depopulate' the planet! The fact that our foods are being poisoned clearly has the globalist's names written all over it. Yet, as we've seen over and over again, they'll never be held accountable. And it's too bad the USDA is too busy funding 'gain of function' research on diseases being used to KILL AMERICANS for them to actually DO THEIR JOBS and detect our foods being poisoned every day now.

From [this alarming Daily Mail story](#) .:

*The documents were obtained by the campaign group, The White Coat Waste Project, and shared with DailyMail.com.*

The papers show funding for the avian virus research began in April 2021 and it is slated to continue through March 2026.

*The specific viruses the researchers will work with include H5NX, H7N9 and H9N2.*

A 2023 study described H5NX viruses as 'highly pathogenic' with the ability to cause neurological complications in humans.

*The H7N9 strain first infected humans and animals in China in March 2013 and the World Health Organization said it is of concern 'because most patients have become severely ill.'*

*The H9N2 strain has been found in dove in China and while it has a lower pathogenicity than the other strains, it can still infect humans.*

The main collaborators on the project are USDA Southeast Poultry Research Laboratory, the Chinese Academy of Sciences, and the University of Edinburgh's Roslin Institute - a Wuhan lab partner.

Additionally, one of the researchers being funded by the USDA is Wenju Liu, who is affiliated with the WIV - which is believed to have sparked the Covid pandemic - and a member of the board of a scientific journal, working with Zheng-Li Shi, who is known as the 'bat lady' for her extensive work on bat coronaviruses.

*Different aspects of the research are slated to take place in multiple locations, including poultry research centers in Athens, Georgia, at the Roslin Institute in Edinburgh and at the Chinese academy in Beijing.*

And while our foods being poisoned, with children being specifically targeted, might seem bad enough, we get [a staggering new report from ICAN](#), the Informed Consent Action Network, that the globalists are nowhere near finished trying to get their deadly poisons into us all.

Titled "ICAN UNCOVERS A POTENTIAL NEXT-LEVEL THREAT: "INHALABLE" SELF-SPREADING VACCINES THAT SPREAD LIKE A VIRUS," that story reports.:

A new class of "encrypted RNA" vaccines are being developed where the RNA would piggyback onto an existing wild virus and spread from person to person without any person's knowledge or consent. Although this may sound like science fiction, it is far from it. Two companies involved in this research have received millions of dollars from the federal government.

A study using this technology on hamsters and the SARS-Cov-2 virus has already been completed and a Phase I trial on humans is in the works. ICAN's attorneys have already sent legal demands to all government agencies involved.

Adding just more proof that the devils in Washington DC are more than happy to bypass the rule of law, more proof they're doing away with 'informed consent' as we had reported in this January 26th ANP story titled "FDA Passes New 'Medical Research Laws' Doing Away With 'Informed Consent,' Making Us All Human Guinea Pigs," we truly are all 'human guinea pigs' now, and most Americans don't even know it. From this important ICAN story.:

It seems the government and the military are so enthused about this new vaccine deployment technology that Congress tucked a law, [the PREVENT Pandemics Act](#), into the 2023 omnibus appropriations bill to facilitate it. Among other things, the Act has a section dedicated to [Platform Technologies](#) that supports the "development and review of new treatments and countermeasures that use cutting-edge, adaptable

platform technologies that can be incorporated or used in more than one drug or biological product.”

*This Act will also be used to fund a new HHS government agency called ARPA-H (Advanced Research Projects Agency for Health), which was created in 2023 to “take big technical risks that can spark new biomedical breakthroughs” and “revolutionize the detections, diagnosis, mitigation, prevention, treatment and cure of diseases and health conditions.” Both former NIH Director Francis Collins and HHS Secretary Xavier Becerra supported the agency’s creation, and Collins described his vision for ARPA-H as “a DARPA-like culture at NIH.”*

*This so-called “therapy” uses a technology called TIPs (Therapeutic Interfering Particles), which are described as “engineered molecular parasites” that piggyback on a wild virus. If you get the virus, you also get these parasites. Once inside an infected person, the TIPs are supposed to rapidly multiply, hijacking the resources the wild virus needs to multiply and therefore stopping the virus.*

*Supporters of this technology claim it will “solve” several problems with traditional vaccine delivery, including “behavior barriers” like noncompliance. Meaning everyone gets vaccinated—whether they like it or not.*

*Just another reason why these U.S. government terrorist agencies need to be completely 'eliminated' for the sake of humanity, as they've clearly showed they don't have the best interests of the human race in mind and are more than happy to murder Americans and people all across the planet when that 'murdering' fits their 'needs,' it's no wonder that Tucker Carlson recently told the World Government Summit that the US government is now using its' power as a force of evil, because all of the information discussed within this story provides more proof that these people and organizations, who Americans support by paying tax money to, is proving itself to be the biggest force of evil on our entire planet in 2024.*

## *Is Freemasonry the Very Synagogue of Satan?*

Lady Queensborough, in her classic textbook, ‘Occult Theocracy’, states of the Masonic Lodge: “Every Lodge is a Synagogue of Satan and its ritual is sorcery.”

The Father of Freemasonry is Rabbi Simeon Bar Yochai, who gave the world the corrupt and wicked Kabbalah with its mystical book of ‘Zohar’. Delmar Darrah, 33°, in his textbook, ‘Evolution of Freemasonry’ (1979), emphasizes that “if there were no Kabbalah, there would be no Freemasonry.”

In the 'Zohar', we are informed that the Kabbalah's Deity is named *Ein Sof* (or *Ain Sof*). His agent, man's companion, is none other than the great *Serpent*. This is the same Serpent whom is worshipped by kabbalist Jews in the exposé book, '*The Holy Serpent of the Jews*'.

Rex Hutchens, 33°, author of '*A Bridge to Light*', published in 1988 by the Supreme Mother Council of Scottish Rite Freemasonry, on pages 251-252 affirms that the Serpent is, in fact, a third member of the Holy Trinity. He is, writes Hutchens, "*the body of the Holy Spirit.*"

Rabbi Yochai's 'Zohar' further explains that, "*The Holy Serpent is the fountain head, root, and essence for all God's sacred revelatory light.*"

Albert Pike states that the religion of Masonry "*is identical to the ancient Mystery religions.*" And all the Mystery religions, history reveals, worshipped the serpent.

The Holy Serpent is said to be he who elevates man to Godhood, and Masons believe that they shall become divine gods. Eventually the Masons believe, they shall be the "*Masters of the World.*"

The Royal Secret, wrote Pike (see Hutchens, '*A Bridge to Light*', pg. 325) is that the Masonic Lodges shall "*make real the Holy Empire*" of the Illuminati on earth.

We thus understood why the book of *Revelation* in our Holy Bible warns that the last day religion of wickedness and abominations on planet earth in the last days shall not be a church or a mosque. Instead it will be the *Synagogue of Satan*. And therein shall be manifest the worship of the blatantly evil Serpent, the very creature blasphemously worshipped by Freemasons and falsely honored as the Holy Spirit of God.

But who is the Serpent? Unmistakably we discover that the Serpent is, in fact, Satan.

Scholar G.H. Pember, in '*Earth's Earliest Ages*', affirms that in the Mysteries, we universally find that the object of worship is Satan. He writes: "*There is little doubt that the culmination of the Mysteries was the worship of Satan himself.*"

We repeat again, then, the revealing statement of Albert Pike, 33°, who gave the world today's 33 rituals of the Masonic Lodge and pointed all Masons to the author of Kabbalah, Rabbi Bar Yochai: "*Masonry,*" wrote Pike, "*is identical to the ancient Mysteries.*"

He is the *Voice From the Dead* who directs and guides the Masonic candidate during the all-important 30th Degree ritual. He leads the candidate in a renunciation of his Christian faith. But does the pitiful Masonic initiate know just *who* Rabbi Simeon Bar Yochai is?

Rabbi Simeon Bar Yochai is credited with authoring the '*Kabbala*'. Yochai is also one of the most authoritative rabbis of the *Babylonian Talmud*. And among the Laws in the Talmud given by this rabbi is the following:

*"The best of the Christians—Kill!"*

That's right. He's the hateful rabbi who commands Jews everywhere to slaughter and to massacre Christians and Gentiles.

But that's not all. Rabbi Bar Yochai also happens to be the perverted rabbi quoted in the *Talmud* as approving having sex with a three-year old little girl! In the *Babylonian Talmud* we read:

*"Rabbi Simeon Bar Yochai stated: a proselyte who is under the age of three years and one day is permitted to marry a priest. For it is said, but all the women children that have not known men by lying with them, keep for yourselves."*

Millions of people each year visit the presumed tomb of Kabbalah author Rabbi Simeon Bar Yochai.

This is the man who gave the world Freemasonry. Rabbi Simeon Bar Yochai, hater of Christians, pedophile beast.

It's the greatest secret of the Masonic Lodge. You discover it only during your initiation for the fateful 30th degree. And by then it's too late.

You should have known what lay ahead. In earlier rituals you learned about Abaddon and about Jahbulon. These were substitute names for your frightening new god—the hidden Lord of Freemasonry, the one you told others was named the Grand Architect of the Universe. But that wasn't his real name. Only a substitute.

The real name was hinted to you many times as you moved up the ritual ladder. Until you reached the 30<sup>th</sup> degree. Remember the black and white alternating tiles on the Lodge floors...the Phoenix Serpents on the wall behind the black stone altar...the double-headed eagle? Those should have enlightened you.

Now you find yourself in a cave-like structure, an eerie tomb, or mausoleum, where a mysterious coffin lies. Three human skulls face you on a table. The participants are all dressed in black and wear hoods. Can this be real?

Then, suddenly, the lid of the coffin rises up. A strange, archaic voice bellows forth.

Who has disturbed my sleep? Speak! It commands.

You are prompted to answer. You give this frightening being, the man in the coffin who once was alive almost two millennia ago but now is dead, permission to take over your existence, to lead you. He does so, guiding you through four strange but significant oaths.

In one oath, you are led to say that you “*voluntarily*” abandon the religion of your youth—the superstitions and foolishness you undertook as a Christian. From henceforth, you pledge, you will obey only one Deity and worship only one religion—that of Freemasonry. This, you are told, is the primitive, true religion, a Mystery religion consisting of both good and evil. It is the religion of religions. Lucifer is your Master. You are infused with his seething energy.

You have attained the prestigious 30<sup>th</sup> degree in Freemasonry, you are now a Kadosh Knight, a Holy Warrior. But who will you wage war against? What dreadful foe will you encounter?

Are the answers found in the doctrine of the One who has now initiated you—the once dead corpse who is alive, the ancient being who rose from his coffin and seized the wellsprings of your inner being?

During your macabre ritual you found that he was a somber leader, a dedicated, angry warrior who despises false religions and who gave to you the one true religious faith, the Mystery religion of Freemasonry. You took it with gratitude. It changed your life.

Who was this mysterious man in the coffin, the man who questions and challenges every candidate for the advanced 30<sup>th</sup> degree? Whoever he is, he is now your eternal soulmate, your companion for life, the keeper of your destiny.

Ah, yes, you recall. Mackey’s *‘Encyclopedia of Freemasonry’* revealed who this man is, this Voice from the Dead. He is the one who was heralded by rebellious angels. He is the Star who came forth with a Blazing Light. He’s the one who lived deep down a dark cave for a dozen years. He’s the one who authored the *‘Zohar’*, the mysterious book of

life and death, the book that signals the eventual rise to glory of the coming, all-omniscient Great One.

The Voice from the Dead is none other than Rabbi Simeon Bar Yochai. He is the untold father of Freemasonry, the initiator of souls. He is the Devil, and now he is your Lord and Master.

Inside the sanctuary of the House of the Temple, International Freemasonry's Headquarters, is this black stone altar. Behind, on the wall, are huge Phoenix crowned Serpents, the object of worship. Carl Claudy, 33°, in *'Introduction to Freemasonry'*, writes, *"Masonry does not specify any god of any creed... Any god will do."* Albert Pike, 33°, former Sovereign Grand Commander of universal Freemasonry adds, *"Around these altars the Christian, the Hebrew, the Moslem, the Brahman, the followers of Confusious and Zoroaster can assemble as brethren and unite in prayer"* (*'Morals and Dogma'*, 1906 edition).

In the book, *'Voices from the Dead'*, the Serpent unites all false religions—even fake and impotent Christianity—under the banner of the Serpent from Hell. He, the Serpent, is the Light sought by all who promote darkness. Their search for Light, claims Pike, *"leads Masons directly to the Kaballah."* The Kaballah is the satanic "Holy Bible" of both Masonry and Judaism.

The book, entitled *'Blood Covenant With Destiny'*, is the amazing account of the Jews throughout history—including the future. It chronicles the astounding rise and fall of the prophesied Synagogue of Satan.

The Synagogue of Satan is mentioned twice in the Bible:

***"I know thy works, and tribulation, and poverty, (but thou art rich) and I know the blasphemy of them which say they are Jews, and are not, but are the synagogue of Satan. Fear none of those things which thou shalt suffer: behold, the devil shall cast some of you into prison, that ye may be tried; and ye shall have tribulation ten days: be thou faithful unto death, and I will give thee a crown of life."*** -(Revelation 2:9-10)

***"Behold, I will make them of the synagogue of Satan, which say they are Jews, and are not, but do lie; behold, I will make them to come and worship before thy feet, and to know that I have loved thee. Because thou hast kept the word of my patience, I also will keep thee from the hour of temptation, which shall come upon all the world, to try them that dwell upon the earth."*** -(Revelation 3:9-10)

The Synagogue of Satan plays a central role in Bible prophecy; it is used by Satan to persecute the Christian Church, murdering many and focusing on control of the religious, political, and economic systems of the whole world. But, how is it possible this tiny fragment of the total population—less than 1 percent—can attain such power?

The answer can only be that Satan and his dark angels provide the Jews the motivation, the ambition, and the tools needed to control the wheels of mankind.

There have been in past history other nations and peoples who played a part in exercising global power far beyond their size and population. We recall, for example, Greece, Rome, and Great Britain, each of which had minuscule populations but were successful militarily, culturally, and politically far beyond their borders. The Bible says that it will soon be the role of Israel and the Jewish people to do so. In fact, they already do have great powers, using other, greater nations as proxies and pawns.

*'Revealing Judeo-Masonic Secrets'*

-(General Erich von Ludendorff)

In researching *'Blood Covenant With Destiny'*, the author had been privileged to review three works related to this topic. First, the fascinating 1927 textbook published in Germany by General Erich von Ludendorff, entitled *'The Destruction of Freemasonry Through Revelation of Their Secrets'*.

Ludendorff, a great World War I German military leader, set up an organization after that war to unravel the secrets of the Masonic Lodge. A German patriot, he was also one of the first to oppose Adolf Hitler and the Nazis. He warned against Hitler, being able to see through Hitler's fraud. At the same time, Ludendorff was uncanny in his ability to figure out Freemasonry, which he saw as equally dangerous, both to Germany and to world peace. If Ludendorff had lived (he died in 1937), we may have been able to avoid World War II.

An authority on both the Talmud and the Kabbalah of the Jews, Ludendorff was able to discern that world Freemasonry was, in fact, a Jewish institution. It worked behind the scenes in governments, pulling the levers of power, and causing wars whenever favorable for Jewry. He states:

*"The mystery of Freemasonry is everywhere the Jew himself. The German, but also the member of any other race, must only come to see it. Other nations are likewise affected."*

Ludendorff says that, *"The Jewish people themselves, of course, know only too well what is concealed in Freemasonry."* He quotes Rabbi Dr. Isaac M. Wise as explaining:

*"Freemasonry is a Jewish Establishment, whose history, grades, official appointments, passwords, and explanations are Jewish from beginning to end."*

The purpose of global Judaism in exercising control over Masonic Lodges is its long-held plan to affect World Government, which General Ludendorff says the Jews are very close to establishing. -(Vicomte Leon de Poncins)

He notes the Jewish takeover of the gigantic Soviet Union and says their immediate goal is to foment a war to extinguish Germany. First Moscow, then Berlin.

In his book, *'Freemasonry and Judaism—Secret Powers Behind Revolution'*, Vicomte Léon de Poncins offers similar insights and proofs. He centers in on Masonic treachery inside France and demonstrates its world-wide influence. *"Freemasonry,"* de Poncins writes, *"is a body of superimposed secret societies spread throughout the world."* Its aim, he says, is to *"destroy the present civilization based on Christian principles."* He ominously adds:

"People will laugh at this, and say that it does not in the least proceed from the Jews...was the late James de Rothschild of Paris a bad man? We are speaking about Judaism and the Jewish idea which has monopolized the whole world.

*"Judaism and the banks now rein over all...the whole of civilization and socialism, especially over socialism, for with its help Judaism will root out Christianity and destroy Christian culture."*

*'The New Babylon'*

-(Michael Collins Piper)

The third book the author examined carefully was written by Michael Collins Piper, who wrote for the American Free Press. Entitled, *'The New Babylon—Those Who Reign Supreme'*, it is about the "historical, religious, and economic origins of the New World Order."

In his book, Piper notes that the State of Israel today is *"a citadel of Judaism, a haven of refuge...where dwell only two million of the world's twelve million Jews."* The diaspora, particularly the United States of America, still remains the universal soul of Judaism.

It is from this nexus, the U.S.A., that world Jewry works to exert its will on the world. The United States has emerged today as *"The New Jerusalem,"* he writes, and the Jews expertly wield power—often great secret power—from this tremendous power reservoir.

A tiny minority of powerful elite control the United States, says Piper, not the general population. Control the wheel of the vehicle and it turns in the desired direction, he notes.

This elite, writes Piper, constitute the *"power behind the scenes, and those in political office know very well who these elite power brokers are. They are able to make American Presidents and politicians and they are able to break them."* "But," he emphasizes, *"they can be stopped."*

Prophecy Never Fails! But as the Bible reveals, it will be stopped by the True Messiah, Jesus Christ, Who will break the Antichrist System headed by the world's top Freemason. You know him by his name as Prince Charles of Wales!

The books and writings of these three excellent authorities, and many more, are covered in *'Blood Covenant With Destiny'*. These insights are important to us as we seek to understand the world around us. Since the October 7<sup>th</sup>, 2023 invasion of Israel by the terrorist Hamas regime, the world has gone bonkers. This is because the world does not grasp or even understand what is taking place in Israel or what lies behind the violence.

We are living witnesses to what is merely the prelude to the coming Ezekiel 38 War. At day 134 in the run up to forthcoming events of Isaiah 17:1-2 along with Ezekiel 29/30 are like metaphorical dominoes leading up to the war pictured by Ezekiel 38/39 unfolding alliance scenario. Discernment has never been as important as it is today! Without a doubt Israel has been a cup of trembling for the entire world. Isaiah 51:17, 52; and Zechariah 12:2 all use the expression that Israel will be a ***"cup of trembling"***. ***"Behold, I will make Jerusalem a cup of trembling unto all the people round about, when they shall be in the siege both against Judah and against Jerusalem."*** That becomes evident by the fact it was South Africa who lodged the first complaint against Israel at the Hague calling for the world to accuse Israel of genocide.

It is quite obvious that Biden considers himself indebted to the Zionist lobby. During his 36 years in the Senate, Biden was the largest recipient of donations from pro-Israel groups in the chamber's history, receiving \$4.2 million, according to the Open Secrets database, Reuters reported back on 21 October. During a visit to the United States in July, 2023, Israeli President Yitzhak Herzog gave a speech to Congress. He called the bond between Israel and the United States "sacred" and said that calling Israel a racist state is anti-Semitism.

Describing the alliance between Israel and the U.S. as sacred is ideological and extremely dangerous. Such a term resembles the language used by ideologically motivated terrorist groups who hold their vicious ideas sacred and others as enemies to be purged.

Describing ties between Israel and the U.S. as sacred inherently conveys the idea that any Israeli action is right. For example, Israel believes it has an inalienable right to steal Palestinian land, demolish their homes in the West Bank, ethnically cleanse the population in Gaza, and starve all Palestinians to death without facing any consequences because the U.S. as the most powerful country in the world will protect you. It's as if loyalty to Israel is carved in stone to the point that if any official dares to criticize Israel, they are forced to back down from their position.

Congresswoman Pramila Jayapal, chairwoman of the Congressional Progressives Caucus, who called Israel a ***"racist state,"*** came under pressure from both Democrats and Republicans. They called the comments anti-Semitic, forcing her to retract her remarks. The House of Representatives then overwhelmingly passed a resolution declaring that Israel ***"is not a racist or apartheid state"*** by a vote of 412 to 9. Aida

Touma-Suleiman, a member of the Israeli Knesset, was also suspended after criticizing the bombing in Gaza.

Democrats and Republicans are competing to win Zionist support in Israel and the U.S., regardless of American public opinion. Harsh criticism of senior American officials is tolerated in the U.S., but it is unacceptable when it comes to Israel. Furthermore, the decades-old repeated statements by Democrats and Republicans that they support a two-state solution in which Palestinians and Israelis live together peacefully are not genuine.

The West's blind and unconditional support for Israel that its crimes in Gaza are unbelievable, astonishing and shocking, has also infuriated some officials on both sides of the Atlantic. More than 800 officials in the United States, Britain and the European Union published an open letter of dissent against their governments' support for Israel on Friday. *"The current policies of our governments weaken their moral character and undermine their ability to stand up for freedom, justice and human rights around the world,"* the letter reads. It adds: *"There is a real risk that our governments' policies are contributing to serious violations of international humanitarian law, war crimes and even ethnic cleansing or genocide."*

Amid such crimes and protests against Israel's behavior in Gaza, it seems that Biden, who boasts of a 50-year political career, has lost touch with reality to the extent that his support for war criminals in Israel has brought shame to him and a bad reputation to the United States. Biden turned a blind eye to mass rallies around the world, especially in Western cities, against Israeli crimes in Gaza. No doubt, he has seen protesters carrying placards calling him "Genocide Joe." Biden should also have read a book written by his colleague, Democratic President Jimmy Carter, entitled Palestine: Peace Not Apartheid. That is if the current Biden is genuine and not a doppelganger!

A month after Russia launched a special military operation against the neo-Nazi regime in Ukraine, the U.S. government was quick to accuse Russia of committing aggression. However, when South Africa submitted an 84-page document to the International Court of Justice accusing Israel of actions in Gaza that are *"genocidal in nature because they are intended to destroy a significant portion of the Palestinian national, racial and ethnic group,"* the Biden administration dismissed the accusation as "baseless." This is despite the fact that Russia's behavior in Ukraine is in no way comparable to what Israel is doing in Gaza.

In a December 3<sup>rd</sup> article, The *'Washington Post'* stated: *"The United States is making it clear that it will not stand up for international rules and norms if one of its closest allies violates them."*

And that is true. Nevertheless, it will take the United States many years, perhaps even decades, to regain the reputation it lost because of the ironclad commitment and ill-considered policies of Biden and his administration officials towards Israel. This conundrum for the Biden Administration is atypical of what yet lies straight ahead.

Calling for a two-state solution by Biden is no longer an option, at least according to the statements by Bibi Netanyahu. Furthermore in this picture, if you go back and read the Zechariah 12:2 passage closely, it is God Himself orchestrating this conundrum, and a good Bible student should be asking why so?

Having prophesied that the Gentile powers would be destroyed (chapters. 9-11), Zechariah now envisioned the final establishment of the messiah's Kingdom. ***"In that day"*** (a phrase occurring seventeen times), ***"Jerusalem"*** (occurs twenty-two times) would be established as the ***"nations"*** (occurs thirteen times) were overthrown and ***"the Lord will be king over all the earth"*** -(Zechariah 14:9).

The main theme in these verses is the overthrow of the nations that come against Jerusalem. The phrase ***"in that day"*** (noted five times) emphasizes the apocalyptic perspective of these events. The God Who speaks is identified as the Creator of heaven and earth as well as the One Who imparts life to all human beings. This God, Who is omnipotent and eternal, also has the power to move the created world toward its consummation.

God has his ***"eyes"*** on his people (cf. 3:9; 4:10; 9:8; 12:4), especially Jerusalem (mentioned eight times). The chaos which develops as ***"all the nations"*** focus on Jerusalem will yield to a restored order as God intervenes to destroy the nations.

Two metaphors, a cup or bowl of reeling and an immovable rock, are used as symbols of divine judgment. The former denotes the Lord's sovereign lot of men and nations, implying the fuddling of the minds of those who attack Jerusalem -(cf. Psalm 75:8; Isaiah 51:22f). The heavy stone, beyond their physical prowess, would render attacking nations helpless. (Ever since General Allenby occupied Palestine in 1917, Jerusalem has been central in the affairs of nations. England abandoned control in 1948, and since then, Jerusalem has been a heavy responsibility for the United Nations.) When ***"all the nations"*** line up against Jerusalem, the Lord will intervene, causing blindness and panic to defeat them. Judah and Jerusalem will be protected ***"like the Angel of the Lord going before them"***.

### **ירושלם שלום שאלו** **Pray for the Peace of Jerusalem**

Like Michael Collins Piper, I too, believe that the ruling Satanic Jewish Power can be stopped, and it will be! We have for assurance the prophetic Word of God, and it never fails. Never! However; We want to be sure that we are on the side of God here and remember that presently the Synagogue of Satan is in control of the power of Israel. God has orchestrated this conundrum in order to bring about repentance of His "chosen" and to restore God's Holy Name. We are on the precipice of our soon departure in this Divine Drama of Eternity!
