

# *The Blessed Hope!*

***“Looking for that blessed hope, and the glorious appearing of the great God and our Saviour Jesus Christ;” –(Titus 2:13)***

## *Diamond & Nugget #46*

One of the most frequent questions asked regarding Bible prophecy is what does the Bible say about America in this picture? Most Christian pastors do not want to touch this subject and will skate around it, obfuscate, and make lame excuses to their people.

I read Dave Hodges “Common Sense News” every morning. He usually has four or five thought provoking articles. As a patriot Dave broaches the topics we all should be pondering. With the stolen election by the Chinese Communists, the United States are in the gun sites of the Chinese Communist Party. 28 States used the Chinese-owned Dominion Voting Software, which was originally made for Venezuela. Patrick Byrne, co-founder of “OverStock.com” had a copy of the operations manual, and he discovered the machines could be hacked 2-dozen ways to change the voting outcome. Dave Hodges posted this short report this morning, January 7, 2021. I share it as a preface to what I want to address in the Diamond & Nugget.

### **The Planned CHICOM Depopulation and Occupation of America Just Cleared Its Biggest Hurdle**

Submitted by Dave Hodges on Thursday, January 7, 2021.

The Democrats have successfully stolen an election. And many Republicans are complicit in the treason being perpetrated by the Democrats. All of America is now on big swamp where nobody is safe. The CHICOMS have their President, their puppet, their biggest ally in Biden-Harris.

One intelligence source that monitored the live results of the General Election told me that Trump received 103 million votes and Biden 37 million votes. Trump won all states, except for New York. The scale and scope of this fraud was deeply embedded within both political parties as well as international interests as well. This certainly reflects the crowd size at all rallies that we witnessed during the campaign.

The control of our court system, including the Supreme Court is so complete that not one ounce of evidence for voter fraud was considered by any court. Not one opening statement was offered, not one affidavit was read into the court record, and not one

witness was deposed. No official body has ever considered the massive evidence of voter fraud and the biggest perpetrators are under CHICOM control.

Nearly all the senior state and major city elected officials in Arizona, California, Colorado, Washington, New Mexico, New York, New Jersey, Illinois, Georgia, Michigan, Wisconsin, Ohio, Nevada, Oregon, Hawaii, Maine, New Hampshire, Connecticut, Delaware, Virginia, Minnesota, Rhode Island, Kentucky, Pennsylvania, Colorado, and Washington DC are totally compromised by both the Deep State and the Communist Chinese. Even Montana and Texas are experiencing takeovers and will be totally compromised and complete by 2024. If you are unfortunate enough to live in one of these states, you are living in occupied territory. America has been totally conquered. The American government is no more. It is a provisional government run by the new world policeman, Communist China. The globalist puppets are in place and America is about to experience its darkest days.

America has crossed the Rubicon. One is either a persecutor of traditional American values, or one is, or is about to be persecuted. There is no middle ground Please allow me to remind all Americans that the Deagel Report has clearly spoken out on this issue.

By 2025, at the latest, only 100 million Americans will be left alive

United States of America Projected Changes from 2014-2025

**Year: 2013**

**Population:** 316 million

**Gross Domestic Product:** \$17 trillion **GDP per capita:** \$52,838 **Budget:** \$5.8 trillion **Military Budget:** \$726 billion

**Forecast 2025**

**Population:** 69 million

**Gross Domestic Product:** \$921 billion **GDP per capita:** \$13,328 **Military Budget:** \$8.0 billion

The general breakdown of this projected United States calamity is as follows:

GDP Reduction represents nearly a 1,700% reduction. America is on the way to being totally broke and this would make it impossible for America to even spend their way out of the Greatest Depression.

Based on per capita income, Americans will be making approximately 25% of what they were making in 2014. No doubt that the so-called pandemic and the resulting lockdowns played a role in this travesty. However, when one looks at the following, clearly the U.S. is destroyed in a subsequent war. With numbers like these, one would expect severe food vulnerability for many in the population. The dollar will be destroyed and precious metals will be unaffordable. Crime rates will be off the chart. Gangs associated with resource acquisition will proliferate in all urban areas. Traditional "blue cities" will resemble the conditions in Bosnia in 1992. Some urban areas will be so violent that not even President Harris' storm troopers will be able to enter. Under Continuity of

Government programs, I expect these urban areas to be cordoned off by the federal government in order that some of the resulting chaos and spin off effects will be somewhat contained.

Military spending in 2025 is projected to have reduced by over 900% by the year 2025. This is catastrophic and renders the United States incapable of defending themselves.

### **What Happened to Our Country?**

First and foremost, the Chinese took the long-game approach. Since the days of Nixon and Kissinger, the CHICOMS have worked at penetrating America's economic system and political structure. A clear example of this penetration can be exemplified with two relevant examples. Senator Dianne Feinstein entered the Senate as a millionaire. However, with the sweetheart deals that her Senate position offered her husband's business affairs, she will be retiring, of dying in office, as billionaires. This family has made major money in trading with the CHICOMS. And please don't forget that Feinstein was discovered to have had a CHICOM driver, for 20 years, that was later to be determined to be a Chinese spy. Yet, nothing happened to Feinstein. There was no investigation because this is an accepted practice in today's America. Clearly, with the Feinstein family's CHICOM business ties, added on top of the spy incident, she should have been investigated as a traitor. However, her ill-gotten gains is ignored by the MSM as is the same with Newsom, Ducey, Hobbs, Kemp, and let's not forget about those politicians who actually are sleeping with the enemy.

The CHICOM long-game approach was in evidence during the Clinton Presidency when Vice-President, Al Gore, got caught passing Silkworm missile technology to the CHICOM military. Nothing happened to Gore. Today, the Biden crime family has passed F-35 technology to the Chinese in 2015 and many think that the components of the COVID were passed along by Hunter Biden and Burisma in the same year. Joe Biden is clearly implicated by eyewitness revelations as well as the infamous laptop revelations. Nothing ever sticks to these traitors who represent the CHICOM regime.

The Chinese have infiltrated Congress, our Universities to brainwash our young adults, the NBA and Hollywood. We used to mock China for the live organ extractions of various persecuted groups in China. Now, no criticism of China is allowed. The CHICOMS were even allowed to change the invading force in the remake of the Red Dawn movie from the CHICOMS to the North Koreans. Over the decades, the CHICOMS have even managed to penetrate state and local politics. The governors and Secretary of State personnel associated with the states of California, Georgia, Arizona, Michigan and several others have allegedly received cash payouts, campaign donations through American corporations controlled by the CHICOMS and through CHICOM based interests administered by George Soros. In an upcoming article, I will be covering 10 American corporations controlled by the CHICOMS that will shock the readers.

The CHICOMS are involved in Dominion voting machines, the vaccines, COVID testing, etc. The coronavirus is an act of war perpetrated by China. The lockdowns carried out by CHICOM friendly governors and mayors are part of the Chinese long-strategy to

destroy America's ability to carry on a prolonged war against the CHICOMS by destroying the industrial base of this country. Also, the so-called election of Biden/Harris will see free trade agreements reintroduced which will bolster the CHICOM economy while devastating the America economy.

### **What is Next?**

I am going to write a series of articles which will project what lies ahead for America in great detail. However, in this installment, I want to point out the near-term strategy of the CHICOMS.

First, it was Antifa and Antifa-related interests that led the assault on Congress. However, many MAGA supporters got caught up in the group think and attacked as well. MAGA supporters should not have done that because conservatives can now be called domestic terrorists and this will be used as the pre-emptive reason to incarcerate many Americans in FEMA camps disguised as COVID isolation camps (i.e. medical martial law). The extermination that will follow will no doubt contribute greatly to the population reduction of the United States.

In the near term, Biden-Harris will push and push their radical agenda until America breaks and yesterday's events become common all across the country. When that happens the civil war will be on. This plays directly into Chinese military strategy. In the short-term, the Chinese need to secure Hong Kong, Taiwan and South Korea. Vietnam with the Philippines, New Zealand, Canada and Australia are next. The ultimate prize, in the long-term, will be America, with no Americans left.

When the civil war commences, CHICOM troops in great numbers will cross both our northern and southern borders. This will be designed to occupy many American troops from intervening in Asia and the South China Sea, specifically. Once the CHICOMS secure much of Asia, then they will turn their attention on carrying out their genocidal plans for America followed by a massive Chinese repopulation of North America. Can anything repulse this planned CHICOM invasion and subsequent extermination of Americans? I can find no evidence that a resistance can mounted to the level needed to save the country and the citizens within it.

In the next installment, we will look at the domestic controls that are about ready to be experienced by all Americans by the Biden-Harris communist interests."

I encourage you to read Dave Hodges site "Common Sense News". My AOL censors block me from saving Dave's articles and that should tell you he is a true American Patriot and his work is worth the time in reading. I'm a nobody on the Internet, but it reflects to the depths the deep state minions will go to keep me from sharing truth.

Facebook has suspended President Donald Trump indefinitely, citing the protests at the Capitol building Wednesday, January 6<sup>th</sup>, 2020. The company says it feels the "risks" of allowing Trump to continue using the platform "are simply too great."

According to a post by Mark Zuckerberg, Trump has been suspended from Facebook and Instagram indefinitely. Previously, the company had suspended the president from both platforms for 24 hours.

In the post, Zuckerberg said the president would not access the platforms for “at least the next two weeks until the peaceful transition of power is complete.”

In the post, Zuckerberg alleged that Trump used the platform to “condone rather than condemn the actions of his supporters at the Capitol building.”

However, the President did tell the rioters to go home. *“But you have to go home now. We have to have peace. We have to have law and order. We have to respect our great people in law and order. We don’t want anybody hurt,”* Trump said in the video.

Zuckerberg’s post also confirmed that the president’s post yesterday was removed because it *“would provoke further violence.”*

The president has never been to Facebook jail, even though his posts have been censored in the past. Zuckerberg explained that “the current context is now fundamentally different, involving the use of our platform to incite violent insurrection against a democratically elected government.”

Snapchat has also suspended Trump’s account indefinitely. He was placed in Twitter jail for 12 hours. Mark Zuckerberg's statement in full:

*“The shocking events of the last 24 hours clearly demonstrate that President Donald Trump intends to use his remaining time in office to undermine the peaceful and lawful transition of power to his elected successor, Joe Biden.*

*His decision to use his platform to condone rather than condemn the actions of his supporters at the Capitol building has rightly disturbed people in the US and around the world. We removed these statements yesterday because we judged that their effect — and likely their intent — would be to provoke further violence.*

*Following the certification of the election results by Congress, the priority for the whole country must now be to ensure that the remaining 13 days and the days after inauguration pass peacefully and in accordance with established democratic norms.*

*Over the last several years, we have allowed President Trump to use our platform consistent with our own rules, at times removing content or labeling his posts when they violate our policies. We did this because we believe that the public has a right to the broadest possible access to political speech, even controversial speech. But the current context is now fundamentally different, involving use of our platform to incite violent insurrection against a democratically elected government.*

*We believe the risks of allowing the President to continue to use our service during this period are simply too great. Therefore, we are extending the block we have placed on his Facebook and Instagram accounts indefinitely and for at least the next two weeks until the peaceful transition of power is complete."*

In case you do not know this, Mark Zuckerberg is a CIA cut-out [front man] for a CIA operation, stolen proprietary software produced by Michael McKibben, CEO of Leader Technology of Columbus, Ohio. Mark Zuckerberg never wrote a line of code in his life. The engineers and programmers of Leader Technology invested around \$10-million into what is known as the social media platform of Facebook! They wrote the original software which the CIA and IBM-Eclipse stole and merely put their label on it. The proprietary software application contains original date-stamped coding which is found in all computer programming software.

When you write a computer program, you write it a readable language, English in this case, and when the program is completed, it is put through what is called a "compiler" program. The "compiler" converts the readable instruction to computer machine-language, which today is digital, in most cases is an untranslatable series of 'zeros' and 'ones'. Translating machine language back into a readable form is virtually impossible to re-translate back into English! The original source code for what is today called Facebook bears a hidden embedded date stamp, thus authenticating the true owner of the proprietary software. Leader Technology has a \$1-trillion law suit against the U.S. for theft of their creative proprietary property.

The important fact about Mr. Zuckerberg and Facebook is that the CIA is implicated in the efforts to get rid of President Trump the past four years. The CIA is really at the top, the Catholic Intelligence Agency. The CIA killed President John F. Kennedy in 1964. By that I am saying they carried out the execution at the behest of the cabal consisting of the Masonic/Jesuit Vatican and their banking arm of the House of Rothschild. I wrote several articles on the CIA's loyalty to the Jesuit-controlled Vatican. They are not Catholic or even Christian, they are Satanists cloaked in clerical garb! In fact, an Italian IT specialist has signed an affidavit implicating the government of Italy, and the Vatican, for being behind the global plan to overthrow the 2020 Presidential Election. This is a story that is unfolding as I write this "Diamond & Nugget". The Jesuits planned as far back as 1776, to overthrow the Republic. I have wrote about this in my series on **"The Beast Empire."**

What I wanted to highlight from Dave Hodges post was the Deagel Report data on page 2 above. In another article I did a few weeks ago, I shared the background as to ownership of the Deagel Report, The Deagel Report Dave quotes from has been on the Internet going back some fifteen years, and the data mentioned has been on the site since 2005, so we have something with long record of existence.

Deagel.com. originated August 31, 2003, as an international defense oriented website, coalescing extremely sensitive military infrastructure information, referenced from other military organizations, into one site. The site raised internet concerns when it published

predictions for a U.S. population of just 65-million people in 2025, a decrease of over 260-million people!

It has been alleged to have ties with the NSA, NATO, UN, the World Bank, Stratfor, Organization for Economic Cooperation and Development (OECD), Organization for Security and Cooperation in Europe OSCE, as well as the Russian Defense Procurement Agency.

One look at their web site and you understand how these connections might be possible, because there is a ton of sensitive information detailed on this one site.

Since its inception in 2003, the site has expanded into global economic information as well. The excitement came about as discoverers of the site noticed that Deagel's prediction for 2025 U.S. population is just 65-million people.

Since the U.S. 2020 Census, the current population is 331-million. To make such a prediction is quite an alarming decrease to be predicting. It suggests of a much larger agenda and players behind this prediction.

As alarm started to spread across the internet, Deagel reportedly tried to say that it had been hacked, and the low U.S. number was the result of that hack, but a careful examination of the website shows a different story that should raise a "Spock eyebrow" for some.

According to their own website, Deagel has been speculating on population since 2008. (No predictions previous to 2008 were found.) It began with the Obama deep state election of 2008

Since that time, Deagel has been consistently predicting an ever diminishing U.S. population, so for them to suggest that their site was hacked to lower their estimate is extremely disingenuous at the least, and a bald faced lie at the worst.

The interesting thing is, not all countries drop in population. Some do, while others don't. The US appears to show the worst drop of all. It corroborates a view that there has been a major plan in process to bring down the U.S. as a world player and sovereign state.

China is one of those countries that continually show growth, according to Deagel.com. According to the site's predictions, China is slated to become the new world economic leader.

Perhaps most surprising of all is the revelation of who is behind Deagel, and to find that answer, which is was the solution. Early researchers were able to uncover that the person behind the website was none other than former government insider, Edwin Deagle. Deagle (spelled differently than the website's name) was Undersecretary of the Air Force under President Bill Clinton. Edwin Deagle is also listed as an active member

of the CFR (Council on Foreign Relations). That should immediately set off bells and buzzers in the reader mind.

Perhaps most telling of all is the interesting fact that Deagle is the Director for International Relations for the Rockefeller Foundation, one of the leading eugenic supporters in the world. Do I have your attention now?

Just as interesting, it appears that once this information became public, in 2015 a concerted effort was made to hide Deagle's name from the Who is information directory.... It is no longer listed, as of October 2015.

Deagle wrote the foreword to the book, 'World Energy Survey', by Ruth Sivard, 2<sup>nd</sup> edition (1981), in which he predicted a mass exodus from the U.S.

One thing is clear from looking at Deagel.com... someone with highly placed connections has published a ton of highly sensitive military and economic information onto one website and is making dramatic predictions about world government. For someone to be able to coalesce this kind of information takes incredible effort and vast government and military resources.

To forecast a dramatic drop-off in U.S. population is no small feat. It certainly has garnered a great deal of world attention. And there is no way that 260 million people will be logistically able to leave the U.S. for foreign nations in the short span of just 5 years. That many people moving all at once is just impossible!

How will approximately 260 million people disappear based upon what the Deagle's Report predicts? War, Chemtrail pathogen spraying, viruses, vaccines, natural disasters, pestilence, starvation, EMP attack of electrical grid, Left-wing purge of Christians and Patriots, Chinese invasion, a combined Chinese/Russian nuclear attack, or perhaps something unexpected such as the **Pre-Tribulation Rapture**.

Just since I posted the last Blessed Hope, Reuters News reported on Friday, January 8<sup>th</sup>, 2020, Iran's elite Revolutionary Guards unveiled an underground missile base at an undisclosed Gulf location on Friday, Iranian state media reported, at a time of heightened tension between Tehran and the United States.

*"The base is one of several bases housing the Guards' Navy's strategic missiles," the state media quoted the head of the Guards, Major General Hossein Salami, as saying. Last year, the Guards said Iran had built underground "missile cities" along the Gulf coastline, warning of a "nightmare for Iran's enemies". "These missiles have ranges of hundreds of kilometers, enjoy pinpoint accuracy and huge destructive power, and can overcome the enemy's electronic warfare equipment," Salami said.*

He said the base was "one of several bases housing the Navy's strategic missiles." There have been periodic confrontations in the Gulf in recent years between the Guards

and the U.S. military, which has accused the Guards' navy of sending fast attack boats to harass U.S. warships as they pass the Strait of Hormuz.

Tensions have been high between Tehran and Washington since 2018, when President Donald Trump exited the 2015 nuclear deal between Iran and six world powers which limits the Islamic Republic's nuclear program and imposed sanctions that have crippled the country's economy.

Given the public alarm over the Georgia Guide Stones, which suggest to many a culling of the earth's population to the designated 500-million engraved on the stones, coupled with the concern over GMO food and government aerial spraying of our skies with toxic chemtrails, (and might I add a pathogen given the name of COVID to this list?) it is no wonder people are concerned about a predicted drop in population.

We all know the globalists have been greatly concerned about the loss of fossil fuels that puts so much money in their pockets. This is why they have pumped money into the private sector to develop solar and wind energy along with looking for the solution to nuclear fusion. Then, after a big discovery is made, and even after such discoveries are patented, the globalists steal the ideas and the patents for their future use to line their future pockets.

I have said and shared this for a purpose, and that is to wake people up. Get over the theft of the 2020 election. You know it and the Internet is full of data showing how the election was stolen. You can never have trust in the election process again. ELECTRONIC VOTING CAN BE RIGGED, THE 2020 ELECTION CONFIRMS THIS FACT! One thing that President Donald Trump did for us was to set the trap to expose those in this world who are behind the evil effort to destroy the United States. We know President Donald J. Trump won the election, that fact no one can ever disprove. Joe Biden is a cheap politician who would sell his mother for a few million dollars. His brothers, his children, all are members of a crime family just as the case with Nancy Pelosi. Kamala Harris was nothing more than a cheap whore, she never met the requirements for presidential office. She peddles lies exposing her excrement and slept

her way to Senator. The former mayor Willy Brown of San Francisco confirmed that fact.

The Constitution has been in shreds since George H.W. Bush became the president. It has been a slow process to watch the decline of our country, our Constitution, and the corruption that has put us into debt to over \$27-trillion dollars. The America that once was, has never been since the Jesuit-Vatican and its financial arm The House of Rothschild got President Wilson to sign into law, and the nation's death certificate in the form of the creation of the Federal Reserve on Christmas Eve, 1913. President Wilson's death bed confession said it all.

*"I am a most unhappy man. I have unwittingly ruined my country. A great industrial nation is controlled by its system of credit. Our system of credit is concentrated. The growth of the nation, therefore, and all our activities are in the hands of a few men. We have come to be one of the worst ruled, one of the most completely controlled and dominated Governments in the civilized world -- no longer a Government by free opinion, no longer a Government by conviction and the vote of the majority, but a Government by the opinion and duress of a small group of dominant men."*

Treason is the new Law of the Land! The Democrats have successfully stolen an election. And many Republicans are complicit in the treason being perpetrated by the Democrats. All of America is now on big swamp where nobody is safe. The CHICOMS have their President, their puppet, their biggest ally in Biden-Harris.

One intelligence source that monitored the live results of the general election revealed that Trump received 103 million votes and Biden 37 million votes. Trump won all states, except for New York. The scale and scope of this fraud was deeply embedded within both political parties as well as international interests as well. This certainly reflects the crowd size at all rallies that we witnessed during the campaign.

The control of our court system, including the Supreme Court is so complete that not one ounce of evidence for voter fraud was considered by any court. Not one opening statement was offered, not one affidavit was read into the court record, and not one witness was deposed. No official body has ever considered the massive evidence of voter fraud and the biggest perpetrators are under CHICOM control.

The clock is ticking and with less than two weeks until the inauguration event, we should be alert to:

### **Get ready for the INSURRECTION ACT**

**Even a Stealthy Insurrection via Naked Election Theft Demands the Invocation of the Insurrection Act.**

## Insurrection Act of 1807

The Insurrection Act of 1807 is a United States federal law that empowers the President of the United States to deploy U.S. military and federalized National Guard troops within the United States in particular circumstances, such as to suppress civil disorder, insurrection and rebellion.

*The Armchair Political Analyst*

**SOTN** Exclusive

### **2020 POTUS Election Theft = Covert Communist Insurrection**

The Democrat insurrectionists have acted treasonously throughout the 2020 election cycle.

The seditious *Deep State* has fully supported this ongoing insurrection.

The U.S. Intelligence Community has closely collaborated with the Democrat Party.

The *Mainstream Media* has both facilitated and covered up the insurrection.

*Big Tech* and *Big Social Media* have colluded with all of these bad actors.

The DoJ, FBI and C.I.A. are the three primary institutional pillars abetting and protecting the insurrectionists.

Of course, the U.S. Supreme Court is also a major player which has enabled the insurrection to occur under a cloak of judicial protection. See: [\*\*The U.S. Supreme Court Is Now Complicit in the International Criminal Conspiracy to Steal the 2020 Election and Overthrow the POTUS.\*\*](#)

The international banksters such as the Rothschild's and Rockefeller's have funded the insurrection.

International criminals and color revolutionists such as bagman George Soros openly flout U.S. federal law and proclaimed their intentions to overthrow the POTUS.

Democrat governors and mayors commit crimes against their states and the nation through their criminal acts of commission and omission which have aided the insurrectionists.

U.S. Congressional Democrat leadership has trampled on law and order to cultivate a nationwide environment of lawlessness and anarchy so that the insurrection can take place without response.

All the while, the *New World Order* globalist cabal uses America's enemies, both foreign and domestic, to sow seeds of chaos, conflict and confusion throughout every sphere of life to assist the brazen insurrection.

Likewise, cultural Marxists have greatly accelerated the irreparable tearing of the fabric of American society to create an atmosphere of turmoil and tumult, instability and turbulence.

### **Insurrection Act**

In light of these and many other deliberate acts to destabilize the United States of America, President Trump possesses the legal authority to invoke the Insurrection Act.

At this late date, the invocation of the Insurrection Act remains the only viable way to save the American Republic from a full-blown communist takeover by the *Left*.

Clearly, imposters Joe Biden and Kamala Harris were only selected by the globalist masters to oversee as mere puppets the planned Bolshevik revolution.

Such a surreptitious color revolution will proceed swiftly under an illegitimate Biden presidency. It will be morphed into a full-scale civil war should the Bolshevik revolutionary phase not achieve the complete takeover of the U.S. Federal Government and civil society.

**KEY POINT:** It's never been so imperative for the Patriot Movement to understand the parallels between the 1917 Bolshevik Revolution / 1918 Spanish Flu Pandemic scheme & the 2020 Coronavirus Pandemic / Democrat's Communist Revolution. This HUGE story is — by far — the most important for every American to properly comprehend before the communist overthrow is completed. (See: [The Democrat-Run COMMUNIST TAKEOVER PLOT Is About Ready To Go Prime Time](#))

Furthermore, folks need to become aware of the fact that **THE GREAT SCAMDEMIC**, **THE GREAT RESET** and **THE GREAT STEALECTION** were all carried out in the same year with highly purposeful design. Perhaps the primary goal of these extremely disruptive events is the ultimate collapse of the American Republic.

The communist-run Democrat Party has been used for decades to execute a slow-motion controlled demolition of the 50 states, so now their NWO plan is nearly complete. Therefore, it's of paramount importance for president Trump to act decisively and expeditiously. Which translates to the immediate invocation of the Insurrection Act.

# INSURRECTION ACT

Just an FYI for the Patriot Movement that the POTUS can secretly invoke the Insurrection Act and be ready to spring into action when the communist insurrectionists least expect it.

Hence, it's vital that every Patriot be prepared, be locked and loaded, and be ready to support the President in the event of a violent communist insurgency. The sanctuary cities and blue states are already firmly controlled by Democrat traitors, so that's where conservatives really need to be on guard.

**KEY POINT:** Electoral insurrection is every bit as effective and dangerous as a violent insurrection. See: [2020 Election Theft is Nothing Short of a Soft Coup and Electoral Insurrection—But by who exactly?](#)

## **Multiple Layers of the Counter-insurgency Plan**

There are several essential governmental initiatives that Team Trump has been clandestinely planning. Each of these endeavors is critical to the success of foiling the Democrat's insurrection. For example: [Imposter Joe Biden Must Be Arrested, Prosecuted and Incarcerated for the Good of the Republic.](#)

The Insurrection Act provides for every single major organ of the *Mainstream Media* to be shut down or taken over just as the C.I.A. does in every banana republic undergoing one of their color revolutions. Whoever controls the media totally controls the country as Patriots have seen since Trump first declared in June of 2015. And, as conservatives across the USA have felt since the very beginning of the manufactured Covid *Plandemic*.

More importantly, the FBI must be closed down, the CIA forever dissolved and the DoJ shuttered until the subversive communists can be frog-marched out of the Robert F. Kennedy Department of Justice Building.

For that matter, the entire US Intel Community will have to be majorly overhauled post-haste if there is to be any semblance of law and order in America in 2021 and beyond. Because there are so many protected SES employees populating these most dangerous *Deep State* entities, they will all need to be purged before they are cunningly used to override Trump's Insurrection Act implementation plans.

Similarly, there are many entities throughout *Corporate America* that will have to be suspended until their treasonous leadership can be removed. Many of those corporate entities will have to be nationalized temporarily until they can prove they will no longer function as enemies of the American people.

**Bottom Line:** There is no stopping the POTUS from using the Insurrection Act during these profoundly perilous times. The National Guard will be utilized as never before to maintain law and order wherever Democrats now operate with intentional lawlessness and utter impunity. Most significantly, activated state militias will be necessary to ensure local communities are not taken over by so many communist petty tyrants and Democrat despots. Every righteous Oathkeeper, military veteran, hunter and gun owner ought to be prepared to enlist in the local militia. BLM mercenaries, AntiFa terrorists, OFA revolutionaries and Sunrise insurrectionists abound across the land. They must be treated with extreme caution and overwhelming force whenever necessary.

### **Defining Moment of 2021**

January 6th of 2021 will undoubtedly present a crucial and defining moment for President Trump. Therefore, it's quite urgent for each and every Patriot to galvanize their U.S. Senators and House Members to protest the stolen election like there's no tomorrow. The more courageous the congressional outcry and dissent surrounding the Democrat's epic election theft, the more power is conferred upon the POTUS to reverse the falsely declared outcome BY ANY MEANS NECESSARY AND BY EVERY MEANS POSSIBLE.

[Watch Out for the Explosion of Election Theft Truth in the U.S. Congress on January 6th!](#)

### **Conclusion**

***“The POTUS must have military law enforcement (after invoking the Insurrection Act) apprehend each and every high-level traitor and coup plotter with one perfectly timed series of simultaneous surgical strikes—PERIOD.”***

Source: [“President Trump Must Take Out ALL Traitors With One Strike”](#)

Why this pivotal approach is so urgent and integral to the success of invoking the Insurrection Act is due to the following stark reality:

### **THERE WILL BE NO SECOND CHANCE**

Perhaps most significantly, the swift application of the Insurrection Act is clearly the single best way for the country to avoid a bloody and protracted civil war.

[State of the Nation](#)

December 18, 2020

The Millennium Report posted their analysis of the Insurrection Act, and if you read it close, timing is extremely critical. This has been obvious since the Demon-crats and the communists seeking to overthrow the U.S. have virtually shut down social media, to prevent President Donald J. Trump from mobilizing the American public and Trump followers. I was somewhat hesitant a few weeks ago in sharing the State of the Nation's analysis of the culmination of four years of luring the Deep State into a series

of traps to expose the elements in this country that are working to destroy the U.S.A. What has been a twist of events in the past day or two has been the revelation that the Italian government working in consort with UK GSQ and the Vatican are behind the massive plan to steal the 2020 Presidential election towards their Catholic choice for president – Joseph Biden, who by the way is not well-liked by conservative Roman Catholics in the U.S. I posted an article on December 20<sup>th</sup>, [Will President Trump Be “Trumped” By The Jesuit Vatican In The U.S. Supreme Court](#) . Its relevance turns out to be far more important than when I first wrote it!

The revelations about the Italian Government and the Vatican being behind the overthrow of President Trump came as no real surprise to me; however, its timing, and sovereign nations involved are added justification for President Donald J. Trump to execute the Insurrection Act. It may have been already activated. Keep aware of the EBS (Emergency Broadcasting Service). If the Insurrection Act has not been activated yet as some have reported, it will be very soon!

#### Other notes

1. Trump didn't run for only 4 years term
2. Trump was approached by the military to run
3. Trumps entire win is a military operation
4. Trumps first 4 years was about draining the swamp
5. The swamp was deep and incorporated every industry in the world, banking, movie, pharmaceutical, food, you name it they controlled it. Just check his EOs.
6. Barack Obama before leaving office signed an executive order to pardon anyone prior of any crimes in the government
7. Deep State could not be tried for those crimes after Obummer left office
8. The military needed to catch them in the act committing crimes now
9. Trump said: orderly transition of power. Yes, from company to the Republic
10. "Our incredible journey is only just beginning"
11. The military is in control
12. We are watching a movie, mostly optics
13. Trump won an overwhelming victory
14. Deep state got caught in treason on a fraudulent election and then a coup to remove a sitting president for a second time. Only 7 objected.
15. From now until January 20th it will be rocky.
16. Trump has said over and over, we have it all! All their crimes

You are about to see proof that the Vatican is now implemented in The Steal [Attempted re-taking - a Coup - of America from TRUMP / Patriots]. Many reading this may wonder as to why the Vatican would involve itself in a so-called American election. The Answer is because America has been operated (occupied) by agents of the CROWN – VATICAN for over 150 years and when Trump took office he moved to take back our nation from the Black Nobility Child Sacrificing Crime cartel behind the Crown (Vatican) criminal Luciferian cabal.

More information is forthcoming on the Vatican actions through several countries to overthrow the election of Donald J. Trump. Bradley Johnson, a former CIA agent and chief of one of the intelligence agency stations, revealed how Italy had a crucial role in what could be described as an international coup d'état against Donald Trump.

*“Let me say, as an Italian American I find this invasion into our election quite insulting. You got to ask yourself why is it the Italian guy has his arms crossed; what is he protecting himself from?”*

*Obama sold our country down the river, over the ocean and mostly to the CCP! He was the worst president this country has ever seen.*

*This group has every intention of eliminating millions of us, depopulation.*

*The ONLY way I can see to stand in the way of the full on nightmare is to support President Donald Trump. Let's make it happen and do continue to pray!*

*The courts that refused to hear his case will now pay and may they pay in a big way! It is time to set our Republic straight, it is time to talk about truth and not hide it under the rug like the leftists do. The whole time they think they are behind the truth.*

*The biggest thing to understand here is exactly how many of your family members are you willing to loose. It is no doubt that the bastards of the want to be nwo will gladly kill millions of us.*

*It is no doubt that they fully intend to set off explosives in any area where senators stood their ground as they should.*

*The senators who stood their ground did the right thing and it is only by doing this that humanity will survive. The left plans are surrounding transhumansim, cyborg and eliminating much of the population, as in at least 85%. Have heard that it has gone up to 90%. Course they have to keep around a few blood banks as it were, (people with the blood they need).*

+++++

*The ONLY way I can see to stand in the way of the full on nightmare is to support President Donald Trump. Let's make it happen and do continue to pray!"*

The courts that refused to hear his case will now pay and may they pay in a big way! It is time to set our Republic straight, it is time to talk about truth and not hide it under the rug like the leftists do. The whole time they think they are behind the truth.

The biggest thing to understand here is exactly how many of your family members are you willing to loose. It is no doubt that the bastards of the want to be nwo will gladly kill millions of us.

It is no doubt that they fully intend to set off explosives in any area where senators stood their ground as they should.

The senators who stood their ground did the right thing and it is only by doing this that humanity will survive. The left plans are surrounding trans-humanism, cyborg and eliminating much of the population, as in at least 85%. Have heard that it has gone up to 90%. Course they have to keep around a few blood banks as it were, (people with the blood they need).

Archbishop Carlo Maria Vigano reported the Catholic Church Is Infiltrated by Globalists: *"There is a group of conspirators who have worked and still work in the heart of the Church"* for the interests of the globalist elite, Archbishop Carlo Maria Vigano told "War Room." He called this group the deep church and explained that their goal is to demolish the papacy and secure power. Cardinal Vigano stopped short of naming this element in the Vatican but his many remarks point exactly to the Jesuits, who hold all the major positions in the Vatican.

The deep church has also cooperated with the "deep state" in America and their contacts were facilitated in the 1990s by a former American cardinal carrying out political missions in China on behalf of the U.S. administration, said Vigano, a former Vatican ambassador to the United States. The deep state is a term some use to reflect the belief that there are influential people behind the scenes controlling government policy.

Vigano believes that the agreement on the appointment of bishops in China between the Vatican and the Chinese regime that, in his words, "deprived Chinese Catholics of the indefectible defense that the Papacy had always been for them," is an act of complicity of the deep church with the Chinese communist regime allied to the global deep state.

“Up until the papacy of Benedict XVI, the papacy had not made any agreements with the Beijing dictatorship, and the Roman Pontiff retained the exclusive right to appoint bishops and govern dioceses,” the archbishop continued.

The Vatican and China entered into an unpublished agreement in 2018 which gave the Chinese regime the authority to appoint bishops and granted the Pope the right to veto its appointments, according to a 2019 report (pdf) of the U.S. Congressional-Executive Commission on China. The agreement was extended in October 2020 for another two years.

*“The dictatorship of the Chinese Communist Party [CCP] is allied to the global deep state on the one hand so that together they can attain the goals that they have in common.”* On the other hand, the deep state’s plans for the Great Reset are an opportunity for the CCP to increase the economic power of China in the world, beginning with the invasion of national markets, Vigano said.

*“China is pursuing a domestic plan to restore the Maoist tyranny, which requires the cancellation of religions (primarily the Catholic religion), replacing them with a religion of the state which definitely has many elements in common with the universal religion desired by globalist ideology,”* Vigano continued.

Vigano praised Cardinal Joseph Zen, the bishop emeritus of Hong Kong, who advocated against the Vatican-China deal calling the cardinal “an eminent confessor of the faith.”

Before the agreement extension, Zen traveled to the Vatican with plans to meet with the Pope to update him on the situation in Hong Kong and the Catholic Church in China. However, Zen was not granted an audience with Pope Francis.

*“The idea of striking accords with Beijing is insane,”* Zen told Daily Compass about the Vatican-China deal. *“It’s like trying to make a pact with the devil.”*

Vigano criticized the European Union for its recent business investment deal with the Chinese communist regime known for systematic violations of human rights and violent repression against dissent. As a part of the deal concluded at the end of December the Chinese regime made commitments to improve market access for EU investors.

In January 2017 at the World Economic Forum held in Davos, Switzerland, Chinese Communist Party’s General Secretary, Xi Jinping gave a speech which was lauded by all attendees, Steve Bannon, former White House Chief Strategist and host of “War Room” told The Epoch Times.

The meeting in Davos is *“the most elitist gathering of the world’s financial business and political and cultural community that exists,”* he said.

In his speech, Xi touted the globalization projects and China's role as the railhead of them, seeing other countries as "all kinds of tributary states" and telling the audience the projects will allow them *"to make more money than ever,"* Bannon said.

However Xi foresaw one problem which could hamper those projects: populist nationalism, Bannon said. *"All the unwashed masses who are not trained or not elites like [the audience] want to have a say,"* Bannon said, explaining Xi's reasoning.

U.S. President Donald Trump takes the oath of office on the West Front of the U.S. Capitol in Washington on Jan. 20, 2017. Three days later President Donald Trump gave his famous American carnage speech at his inaugural ceremony. His speech was at its heart the concept of a sovereign nation-state, *"a defense of the nation-state, a nation-state as a unit, that man can get the most freedom in a very imperfect world, [man] can have the most freedom possible,"* Bannon said describing Trump's vision presented in the speech as a nationalist project.

Every person participating in the annual WEF meeting in Davos knows all about the concentration camps for Uyghurs, persecution of house Christians, forced organ harvesting, the suppression of the underground Catholic church, the suppression and the torture of the Falun Gong, and the democracy movement, and the situation in Hong Kong—they have perfect information on everything and they don't care, he said.

The Chinese business model is based on the slave labor of the people of China, who are underpaid and forced to work incredible hours in factories, Bannon said.

"The slave labor of China goes throughout the world as export and allows the world's workers whether they're in India, or Western Europe or the United States to never get pay raises. This was the miracle of Donald Trump to actually get blue-collar workers to pay raises," Bannon said.

These two speeches represent *"two diametrically opposed ways that the world should be organized. One is based upon hundreds of years of freedom as imperfect as it's been, right, versus a totalitarian,"* Bannon said.

The Great Reset is a concept to move from "shareholder capitalism" to "stakeholder capitalism," using wealth taxes, regulation, and fiscal policies geared toward equality and sustainability, promoting more equitable outcomes, and using the Fourth Industrial Revolution to address health and social challenges, Klaus Schwab, the founder and Executive Chairman of the World Economic Forum (WEF) explained on the organization's website.

*"Now is the time for a Great Reset,"* Schwab, a Professor of Business Policy at the University of Geneva and a co-author of the book *"The Great Reset,"* announced on the WEF website in June 2020.

*“The changes we have already seen in response to COVID-19 prove that a reset of our economic and social foundations is possible,” Schwab said.*

The Fourth Industrial Revolution will incorporate mobile devices, with unprecedented processing power, storage capacity, and access to knowledge to give governments *“new technological powers to increase their control over populations, based on pervasive surveillance systems and the ability to control digital infrastructure,”* Schwab wrote.

It will also pose challenges to people’s privacy because the tracking and sharing of information about people is a crucial part of the new connectivity, Schwab wrote. *“The revolutions occurring in biotechnology and Artificial Intelligence (AI) ... will compel us to redefine our moral and ethical boundaries,”* Schwab added.

The Great Reset architects use the mainstream media as an indispensable ally to make people believe *“that the radical changes they want to impose have been made necessary by a pandemic, by climate change, and by technological progress,”* Vigano said.

Schwab wrote, *“We must build entirely new foundations for our economic and social systems,”* to address crises caused by the pandemic, climate change, and social crisis.

*“We must all become aware of how much the proponents of the New World Order and the Great Reset hate the inalienable values of our Greco-Christian civilization, such as religion, the family, respect for life and the inviolable rights of the human person, and national sovereignty,”* the archbishop said.

An interesting fact that came out of the protestors entering the Capitol, Nancy Pelosi and a number of Leftist communist Democrats ran for their lives. In the process, she and others left their laptop computers behind. At least 13 were confiscated and turned over to President Trump’s people. The icing on the cake comes with what they found on those 13 laptops. Speaker of the House computer was open to an email to her Chinese communist contacts, and President Trump throughout the past four years has said “We have it all”. This just may be an understatement by what they found on those laptops!

As one can surmise, this is a global war or revolution, President Trump’s “Nationalism” vs. the Vatican’s “Globalism”. The Bible provides us a sketchy outline, and yet points to our ultimate Rapture from what we see as the “Days of Sorrow”. Whether the President succeeds or not is clearly in the hands of God, and the believer in Jesus Christ as the answer are assured of “Deliverance before Judgment!”

Blessings,
