

The Blessed Hope!

“Looking for that blessed hope, and the glorious appearing of the great God and our Saviour Jesus Christ;” –(Titus 2:13)

Diamond & Nugget #48

The day after I posted Blessed Hope #47, my last words were to the effect that events can turn on a dime. Less than an hour after I posted Diamond & Nugget 47, I learned something that would best be described that statement. The USA is “burnt toast!”

Few if any of you are aware of what is about to happen. I have been writing on this since 1997, knowing that nearly all people reading my work were probably dismissing it as a wacko preacher. But it appears that I will have lived long enough to see this get frontline news coverage.

January 20th is a date in history that all Americans will remember. President Donald T. Trump was unable to finish what President John F. Kennedy started when he was assassinated by the CIA [Catholic Intelligence Agency] to break the choke hold the Jesuit controlled Vatican/Rothschild cabal has had over this country. Perhaps he never intended to do so. The facts suggest that it was a feint [make a deceptive or distracting

movement]. A feint is a boxer's move, and Donald Trump was a boxer in his youth. It was a scam, if you assume what has taken place is reality. Perhaps things are not what we think they are! Four years ago I began a series; I forgot the specific title of the series. I stopped after many segments rather than risk revealing the Grand Plan to free this country from the debt-enslavement of the Federal Reserve Act, passed on Christmas Eve, December, 1913. President Woodrow Wilson later admitted on his death bed that he had sold his country into slavery. Since 1913, the Corporate USA has been owned and controlled by the UK/Jesuit-controlled Vatican/Rothschild cabal. I will explain as I continue, and I am suggesting things are not what we may think.

In Blessed Hope #47, I noted how much the United States has paid to the real owners of the U.S. Federal Reserve, **\$522-billion dollars** for fiscal year 2020; **\$522,767,299,265.34** to be more precise was paid on the National Debt of some **\$27-trillion dollars**. What all of you do not seem to know is that this is all fraudulent. You see there is no **"Statute of Limitations"** on fraud! Most of the pedophile priests of the Roman Catholic Institution are never punished because the Statute of Limitations has expired.

The Federal Reserve Act of 1913 technically expired in 2013. It has continued in abeyance of any legislative action to revoke, rescind, or renew for that matter. Neither the Obama nor Trump administration initiated any action to end this strangle-hold on the system of money used by the nation. As President Wilson confessed, he sold the U.S. into slavery and nobody has done squat to end it, not even President Trump. The Federal Reserve System is controlled by 12 (actually 10 today) European banks, which are controlled by the House of Rothschild. Unless you have read G. Edward Griffin's *'The Creature from Jekyll Island'* published in 2010, or Eustis Mullins book, *'The Secrets of the Federal Reserve'* published in 2009, you have no comprehension of the gravity of our country's finances.

We [the public of the USA] have been scammed, played like a fine violin! We were victims of the elite globalists using an old playbook of George Hegel, known as the "Hegelian Dialectic". I have said so much before in other articles on the "Hegelian Dialectic" and its use to manipulate the individual and corporate mindset.

Those behind President Donald J. Trump and the U.S. military have pulled off the greatest sting operation of history over the past four year, going down to the wire before his term expired in fooling the American public. **This is the greatest examples of the “Dialectic” in real time!** Watch this link and learn how we have been played: <https://youtu.be/x585c8Ldou8> you may not believe it, and so further explanation is needed.

This has been a **[UK/Zionist Chabad Satanic Rothschild “Master Piece!”]** The video will help you grasp the enormity of what has been in play and how the American public were flimflammed or swindled. This will explain why little is said about the U.S. in the Bible!

Introduction: Why study Hegel?

“...the State ‘has the supreme right against the individual, whose supreme duty is to be a member of the State... for the right of the world spirit is above all special privileges.”
Author/historian William Shirer, quoting Georg Hegel in his *The Rise and Fall of the Third Reich* (1959, page 144)

In 1847 the London Communist League (Karl Marx and Frederick Engels) used Hegel’s theory of the “dialectic” to back up their economic theory of communism. Now, in the 21st century, Hegelian-Marxist thinking affects our entire social and political structure.

The Hegelian dialectic is the framework for guiding our thoughts and actions into conflicts that lead us to a predetermined solution. If we do not understand how the Hegelian dialectic shapes our perceptions of the world, then we do not know how we are helping to implement the vision. When we remain locked into dialectical thinking, we cannot see out of the box.

Hegel's "dialectic" is the tool which manipulates us into a frenzied circular pattern of thought and action. Every time we fight for or defend against an ideology we are playing a necessary role in Marx and Engels' grand design to advance humanity into a dictatorship of the proletariat. The synthetic Hegelian solution to all these conflicts can't be introduced unless we all take a side that will advance the agenda. The Marxist's global agenda is moving along at breakneck speed. The only way to completely stop the privacy invasions, expanding domestic police powers, land grabs, insane wars against inanimate objects (and transient verbs), covert actions, and outright assaults on individual liberty, is to step outside the "dialectic". This releases us from the limitations of controlled and guided thought. Think of the "Matrix" red/blue pill idea.

When we understand what motivated Hegel, we can see his influence on all of our destinies. ... Hegelian conflicts steer every political arena on the planet, from the United Nations to the major American political parties, all the way down to local school boards and community councils. Dialogues and consensus-building are primary tools of the "dialectic", and terror and intimidation are also acceptable formats for obtaining the goal. The ultimate Third Way agenda is world government. Once we get what's really going on, we can cut the strings and move our lives in original directions outside the confines of the dialectical madness. Focusing on Hegel's and Engel's ultimate agenda, and avoiding getting caught up in their impenetrable theories of social evolution, gives us the opportunity to think and act our way toward freedom, justice, and genuine liberty for all.

Today the "dialectic" is active in every political issue that encourages taking sides. We can see it in environmentalists instigating conflicts against private property owners, in democrats against republicans, in greens against libertarians, in communists against socialists, in neo-cons against traditional conservatives, in community activists against individuals, in pro-choice versus pro-life, in Christians against Muslims, in isolationists versus interventionists, in peace activists against war hawks. No matter what the issue, the invisible 'dialectic' aims to control both the conflict and the resolution of differences, and leads everyone involved into a new cycle of conflicts.

I implore you to view the video at the link: <https://youtu.be/x585c8Ldou8> . This link is the same as found on page 2 above. It is narrated by Brandon O'Connell, II. The viewer will begin to see how the Hegelian Dialectic is being used in the ongoing plan to destroy the United States of America. The most accurate explanation of the "Hegelian Dialectic" can be found at this link:

[Hegel's Dialectics \(Stanford Encyclopedia of Philosophy\)
https://plato.stanford.edu/entries/hegel-dialectics](https://plato.stanford.edu/entries/hegel-dialectics)

Merriam-Webster's Definition for Hegel's Dialectic:

“Dialectic ...the Hegelian process of change in which a concept or its realization passes over into and is preserved and fulfilled by its opposite... development through the stages of thesis, antithesis, and synthesis in accordance with the laws of dialectical materialismany systematic reasoning, exposition, or argument that juxtaposes opposed or contradictory ideas and usually seeks to resolve their conflict ...
....the dialectical tension or opposition between two interacting forces or elements.”

“Dialectical Materialism ... 1: the Marxist theory that maintains the material basis of a reality constantly changing in a dialectical process and the priority of matter over mind.”
Hegelian thinking affects our entire social and political structure. The Hegelian dialectic is the framework for guiding our thoughts and actions into conflicts that lead us to a predetermined solution.

Hegelian thinking is built within our entire social and political structure and is a tool used to control perceptions within society.

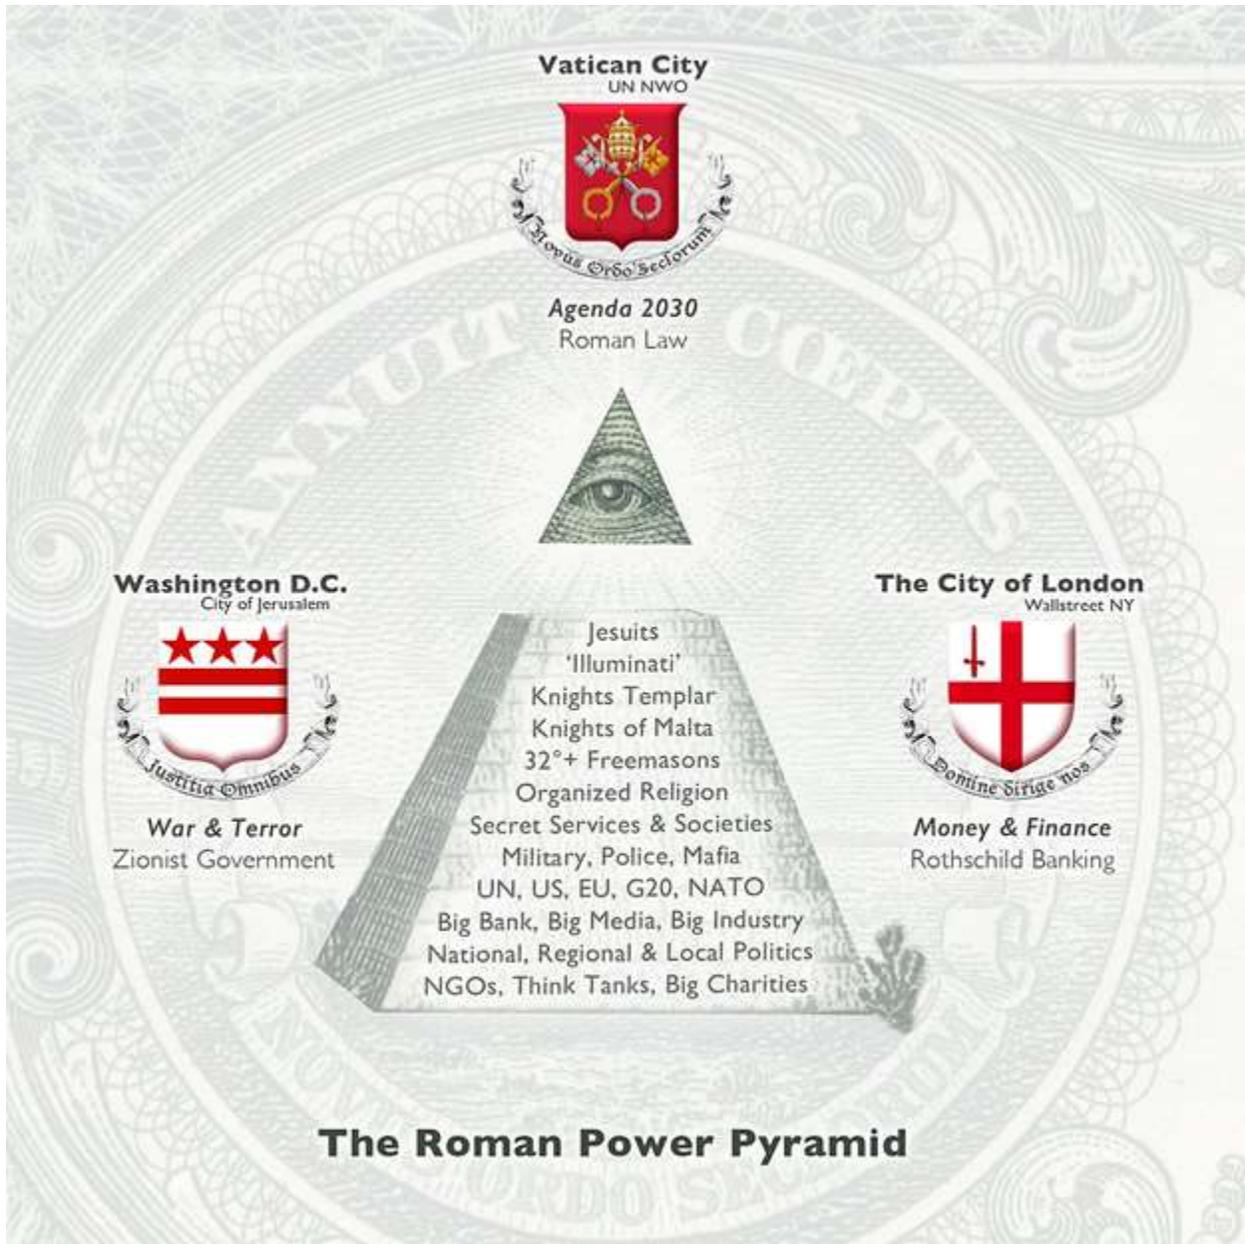

We have been exploited by the best minds the Satanic globalists can employ. They cannot be stopped by man, even by their equal. There are too many of them and they know the game they run. The 1973 movie “The Sting” is a microcosm of what the world has been experiencing for over two-hundred years. The powers of three cities rule the world: London, UK, Vatican, Rome, and Washington, D.C. What is the organization that lurks in all three cities through symbolism??

WAKE UP

THESE THREE STATES CONTROL THE WORLD

How much do we play into the elite system in place simply by moving along with our lives as if everything is the status quo? How are we opting out our consciousness?

If we do not understand how the Hegelian dialectic shapes our perceptions of the world, then we do not know how we are helping to implement the vision. When we remain locked into dialectical thinking, we cannot begin to see out of the box.

Hegel's dialectic is the tool which manipulates us into a frenzied circular pattern of thought and action. **Every time we fight for or defend against an ideology we are playing a necessary role in the elite's game and it holds this system in place.** Opting our consciousness out is the key to freeing our physical and spiritual being.

The chess board is a well-known Masonic or Hegelian symbol; the black and white squares symbolize control through duality in the grand game of life in all aspects. Left or right, white or black people, conservative or liberal, democrat or republican, Christian or Muslim and so on. Through two opposing parties control is gained as both parties reach the same destination, which is order through guided conflict or chaos.

Left (thesis) versus right (antithesis) equals middle ground or control (synthesis). The triangle and all-seeing-eye we see so often symbolizes the completion of the great work which began almost 6,000 years ago when humanity was taken over and disconnected.

The pyramid is supported by the bottom opposing sides. The capstone at the top is established through controlled solution or middle ground. The Hegelian dialectic is one in the same, the final plan is in action, however, and the system is decayed and destined for failure.

I graduated from a Christian college in which the “Dialectic” was part of the required curriculum in my courses in History, Political Science, and Philosophy. The “Dialectic” was taught in History, Political Science, Philosophy, Sociology, and Economics. It is perhaps the most important lesson of a college education, a strategy that one can study. It is not taught in secular institutions unless one is a Philosophy major or Political Science major. The Industrial Management guru Peter Drucker incorporated the “Hegelian Dialectic” into the business of Conflict Management taught in course on Labor/Management Relations. Even in Theological Seminary education, one will find it as applied in such things as marital counseling. It is a major element of “Consensus Thinking.” Its 20th century use evolved out of the labor strikes that occurred in the coal, steel, and railroad industries during the 1940s, 1950’s, and 1960s.

The brilliance of Peter Drucker at the labor negotiating table was to turn the adversary relationship between management and labor into that of a “win-win” situation. Before going to a Christian college, I was a computer programmer and part-time student at the University of Pittsburgh. I was ‘baptized’ in Peter Drucker’s “win-win” philosophy. Peter Drucker is often referred to as the “founder of modern management”. He never used the term “Hegelian Dialectic” in his writings; however, he repackaged the concept as “Consensus Thinking”; he was schooled in Hegelian philosophy as he was an Austrian and German educated scholar. He came to the U.S. in the early 1930s. I want to say 1933 or 1934, but I know he earned his Ph.D. at Goethe University in Frankfurt, Germany. I am telling this for a reason since it affects each and every one of us.

Where all of this becomes so vastly critical is the agenda of a One-World Government. It has been used against us, by pitting one group against another, i.e., wearing the so-called face mask in the fake pandemic is a perfect example. President Joe Biden has signed an executive order to require all Americans to wear a face mask for 100 days. We have all heard of people wearing masks accosting shoppers without masks and verbally as well as physically assaulting shoppers at Walmart and Costco and restaurants, etc. The agenda of the globalists is to pit society against itself creating confusion, anger and chaos. This is insanity on steroids, yet there is a method to this

madness. The harm of face masks is well documented in the past six to eight months. The right-left paradigm is central to the two-party political system. However, most people are unaware that there is little to no difference between the two-parties. We have heard about Donald J. Trump starting a "Patriotic" Party. I've already seen a sign for one today.

Do you recall which presidential candidate made this statement?

"There's not a dime's worth of difference between the Democrat and Republican parties."

George Wallace ran for President in 1968, and it was not as a Democrat – which he had done in the 1964 Democratic primaries and would again in the 1972 Democratic primaries – but as a candidate of the American Independent Party. The American Independent Party was formed by Wallace, whose pro-segregation policies had been rejected by the mainstream of the Democratic Party. Wallace's strategy was essentially the same as that of Dixiecrat candidate Strom Thurmond in 1948 in that the campaign was run without any realistic chance of winning the election outright, but instead with the hope of receiving enough electoral votes to force the House of Representatives to decide the election, something many observers thought might happen. This would presumably give him the role of a power broker; Wallace hoped that southern states could use their clout to end federal efforts at desegregation.

George Wallace as an Independent Candidate forever destroyed for any candidate running on anything other than a Democrat or Republican platform. In the U.S., historically, third-party candidates are seen as "spoilers" being fronted to run and draw

away votes from one of the two main parties. Ross Perot was a third-party spoiler candidate. There is a lot I could tell about this but I will save it for later should Donald J. Trump formally announce a “Patriot” third party.

The House of Rothschild in Germany made it their mission to control both sides of elections, wars, conflicts, and regardless of who won and lost, the Rothschild’s always win! Since the House of Rothschild was the money and credit lender to national states, they benefited from exploiting both adversary opponents. The House of Rothschild, and the five sons loaned money to both sides for weapons and munitions, and then cleaned up a second time benefiting by loaning money to both sides a second time to pay for the cost of reconstruction what they destroyed in war.

Rothschild sent his five sons to live in the capital cities of various European countries. His goal was to set up a banking business in **Frankfurt, Naples, Vienna, Paris** and **London** for each of his children and in the 1800s,

My point here is that The House of Rothschild/Rockefeller team selected [you elected] the two candidates on the political ticket for which you choose to vote for. Ask yourself this question: Do you think that Joe Biden, with his impaired mental capacity can survive 4 years as president and was he the best the DNC of the Democratic Party could come up with?

Donald J. Trump was selected by the Rothschild’s to boost the role of Israel in the world. The Rothschild’s wanted President Trump to start a war with Iran on behalf of Israel and the Rothschild-control of central banking. The fact that when the Rothschild’s move into a sovereign-state, the first rule of order is they steal their gold and silver assets, replace them fiat currency much like “Monopoly Money” of the board game by that name. Our currency is called “Federal Reserve Notes” not U.S. Bank Notes!

Donald J. Trump’s business interests owe various Rothschild banks, which hold the paper on Trump properties somewhere close to four-hundred million dollars in real

estate ventures. Interestingly, throughout President Trump's four years in office, whenever it appeared that he was losing, he always came out a winner. Most presidents physically show visible signs they have aged while in office. That was not evident with Donald J. Trump. Donald J. Trump was a "puppet", he knew that he had the backing of the real power-brokers, and as an actor, he knew the role he had to play. He played it perfectly, even down to leaving a letter on the President's desk for Joe Biden, which said, "Joe, you know I won!"

According to Simon Parkes, to who this letter was sent to:

Letter For Biden...

"I was sent this 5pm British time - And asked not to share for 1 hour."

This Trump letter was left on the President's desk for Biden. –(Photo above)

Simon Parkes is part of a UK/Zionist psyop group being fed information – some true and some not so true. Charlie Ward stated that simple fact on Friday, January 22nd in an interview he gave aired on the Internet. That fact should be very concerning as to what anyone believes and that includes people such as: Simon Parkes, Charlie Ward, Juan O. Savin, Q-anons, and Robert David Steele, X22, who were posting daily for several months about how President Trump was part of a military team doing a sting operation to catch all the treasonous corrupt politicians, arresting of thousands of pedophiles around the world. While that may be true, it is part of something that is much larger. It is global!

I listened to that post, and a good friend in California transcribed Simon Parkes' list of concerns regarding the transfer of power, etc. Simon Parkes noted this list of concerning items on Thursday, January 21st, 2021, in his post Thursday, January 21, 2021 11:41 pm: (Not all are true!)

The list is too long for anyone to keep track of between now and July 4th! The public is already caught up in a state of "Normalcy Bias" to be dysfunctional in figuring out how they are being played.

Anna Von Reitz, who has been exposing the theft of the county in 1871, by foreign interests called-out the "Q" group: *"So, compared to the quasi-military, drama-driven thrills of "Q" we are no doubt B-O-R-I-N-G, but, on the other hand, we are actual, factual, and verifiable. Contrary to "Q" and all the literally hundreds of other broadcast intel websites out there that have encouraged you to sit on your duffs and wait for the military or for some unknown White Hats to save you, we have encouraged you to join together to save yourselves and save your country from the ravages of your own misdirected and criminally-inclined employees."*

We are being scammed big time, and the Internet made it all possible. This drama pulled out all the stops as to cost to pull off! The CIA controlled Internet has facilitated and provided daily postings of so-called intelligence information leading us on from day one. They hooked us with Trump campaign videos with images alluded to be John F. Kennedy Jr. and his wife sitting in the peanut gallery behind the speaker platform of Trump rallies. The alleged Vincent Fusca was said to be from Pittsburgh, PA and ran a party shop. He was at Trump rallies in Pittsburgh and Youngstown, OH. Checking records in Pittsburgh showed Vincent Fusca was a ghost. Q posts began in late 2017, and there were suggestions that JFK Jr. did not really die in the crash of his plane on July 19, 1991. Hundreds of thousands of wishful thinkers were devouring the cryptic "Q" drops almost daily. I was not into the "Q" drops but did watch a couple bloggers like the "praying medic".

I was a Trump skeptic early on, and was one of those wishful thinkers that John John Jr. had really been saved from an attempted sabotage of his private plane when it went down over the Cape in Massachusetts. I was hoping for justice. I have read over 100 books, of over a thousand published on his father's assassination in Dallas. I wanted to believe all the information that was leaked out frequently. At the election in 2016, I said to my son, *"I will believe it all only if Hillary Clinton is taken away in handcuffs and a prison jump suit, not before!"* When Charlie Ward said that all of the Internet voices were being given information, some good, and some not so good, in his candor he preserved and confirmed my point, we are all being played! He may have not intended to say that but Charlie Ward comes off as one of those home boys, uncouth, rough around the edges, a water carrier for the lower levels of leadership, etc. He and his fellow Brits were disseminating just what their handlers were paying them to deliver each day to the public who are hanging on every morsel of news they can get from the media regarding this Huge Sting! Well folks, the sting was on us! They all had their Patreon or Pay Pal accounts for followers to donate to!

This meme speaks to the true “**reason behind the reason**” Donald J. Trump was selected to be the President in 2016. But as we know, President Trump did not deliver “Iran” on a plate to the House of Rothschild. At times it did look like he was going to strike Iran. Efforts at sanctioning Iran failed and so Donald had to go! This is a complex scam being run on the American public and in the end, nobody knows how it will all play out, or blow up!

I was a Trump skeptic early on, and was one of those wishful thinkers that John John Jr. had really averted an attempted sabotage of his private plane when it went down over the Cape in Massachusetts. I was hoping for justice. In forty years I have read over 100 books out of over a thousand published on his father’s assassination in Dallas. I truly wanted to believe all the information that was leaked out frequently. At the election in 2016, I said to my son, “*I will believe it all only if and when Hillary Clinton is taken away in handcuffs and a prison jump suit, not before!*” When Charlie Ward said that all of the Internet voices were being given information, some good, and some not so good, in his candor he preserved and confirmed my point, we were all being played!

We have been exploited by the best minds the global government can employ. They cannot be stopped by man, even by their equal. There are too many of them and they know the game they run better than anyone outside the Matrix. The 1973 movie “The Sting” is a microcosm of what the world has been experiencing for over two-hundred years. The powers of three cities rule the world: London, UK, Vatican, Rome, and Washington, D.C. What is the organization that lurks in all three cities through

symbolism: Freemasonry! Who controls Freemasonry? Satanic Zionist Chabad Judaism! It could be a LARP! Wikipedia describes a LARP as: A live action role-playing game (LARP) is a form of role-playing game where the participants physically portray their characters and enact a plot of the game. The players pursue goals within a fictional setting represented by the real world environments while interacting with each other in character. The outcome of player actions may be mediated by game rules or determined by consensus among players. Event arrangers called game-masters decide the setting and rules to be used and facilitate play. Recall this pic from page 5?

For two weeks we were being told that the President would be sending messages out on the EBS “Emergency Broadcasting System” but there was nothing. The various media outlets were shutting down President Trump from getting out his message we were told. Every day the word was to keep a radio on and listen for the emergency alert signal. It never came, not even on Wednesday morning when we were told it would be at 8am. On Inauguration Wednesday, I was awake early and the morning hours were deathly quiet. Simon Parkes statement above explains why the EBS was silent!

In all of this, we are told the goal is to restore the Organic Constitutional Government of the Republic of the united states of America. But integral to this multi-faceted movement, you need to be conscious of the fact that there are other ways this could have been brought to the public awareness. What you may ask? Expose the fact that the 16th Amendment was never ratified, that the IRS is not a U.S. government agency, but is simply a collection agency for the Rothschild IMF; that the Income Tax is

unconstitutional; and that we paid the UK/Jesuit-Vatican/Rothschild **\$522 billion dollars** last year as interest on the National Debt; and that our Birth Certificates are collateral on that debt. These are just for starters but I can deliver dozens of examples for which our leaders fail to address and inform their constituents. The American public was never told these facts by President Donald J. Trump, and he is the expert on the “Art of the Deal!” The American public was never told that:

THERE IS NO STATUTE OF LIMITATIONS ON FRAUD!

The U.S. \$27-trillion dollar debt is “fraudulent” but is not something that can be quickly resolved in a court of law, especially when our legal system is part and parcel of the UK. President John F. Kennedy paid with his life when he attempted to break the Rothschild hold on the U.S. banking system. Several presidents had attempts on their life since President Woodrow Wilson signed away the nation into enslavement!

Four sitting presidents have been killed: Abraham Lincoln (1865), James A. Garfield (1881), William McKinley (1901), and John F. Kennedy (1963). Additionally, two presidents have been injured in attempted assassinations: Theodore Roosevelt (1912; former president at the time) and Ronald Reagan (1981). In all of these cases, the attack weapon used was a firearm. The *‘Mardi Gras Secrets’* suggest that, given the depth of corruption, the U.S. political system cannot be taken seriously as a democracy. There is a pattern of Illuminati-Rothschild control throughout U.S. history. People who deny this are living in a fantasy.

The United States was created to advance the Illuminati New World Order based on Rothschild control of credit. American ideals were designed to dupe the masses, not to be realized.

The founders and heroes of the U.S. were mostly Masons including Paul Revere, John Paul Jones, and Benjamin Franklin. Francis Scott Key who wrote the national anthem was a Mason. John Hancock and most of the signatories of the Declaration of Independence were also Masons.

More-than-half the Presidents were Masons. These include Washington, Madison, Adams, Jefferson, Monroe, Jackson, Van Buren, Tyler, Polk, Taylor, Pierce, Buchanan, Johnson, Garfield, McKinley, TR, Taft, Harding, FDR, Truman, LBJ, Ford, Reagan, Clinton, Bush I and II, Obama and probably Trump.

Some of these really thought Masonry was about “making good men better” and had to be assassinated. Other Presidents who weren’t Masons, like Eisenhower, Nixon and Carter, were still controlled by the same dark forces.

Throughout its history the United States has been in the clutches of a satanic cult empowered by the Rothschild central banking cartel. Many courageous Presidents and other politicians tried to free their countrymen and died unrecognized, their killers unpunished and triumphant.

Even as we speak, the corrupt NWO worldwide governments are literally resigning EN MASSE in the days leading up to "Inauguration Week."

If a 47 year Swamp Creature like Joe Biden was truly being elected, the worldwide Swamps would be celebrating, not going into hiding.

If Biden was truly about to be Inaugurated for real, he wouldn't be hiding in his basement and canceling public appearances.

If Biden was truly about to be Inaugurated, why hasn't "soon-to-be VP" Kamala Harris waited to the day before Inauguration to resign her Senate seat?"

If President Trump was truly a Manchurian candidate just "put here to keep us pacified for a few years until they set up their next NWO puppet" then why did the NWO allow the public to learn the truth about the fact Biden's entire family are pedophile child-traffickers?

"But-but-but that was just to make Q look legit so Q-anons wouldn't lose faith!" Think psyop, huge psyop. To the contrary, any temporary coping-benefit it would've given the Q-anons, letting the truth about Hunter and the whole Biden family being child-traffickers was a HUUUGE mistake.

Think about it logically. What is posted on the Internet to "pacify" the Q-anons also ends up in the hands and minds of the U.S. public. The globalists have a real problem here that you are not looking at but it is at the top or near the top of the list they have to get rid of by disarming the public and the 2nd Amendment.

A public that the NWO still hasn't disarmed! A public with ~400 million guns, which is a lot more than even the U.S. Military's 5 million.

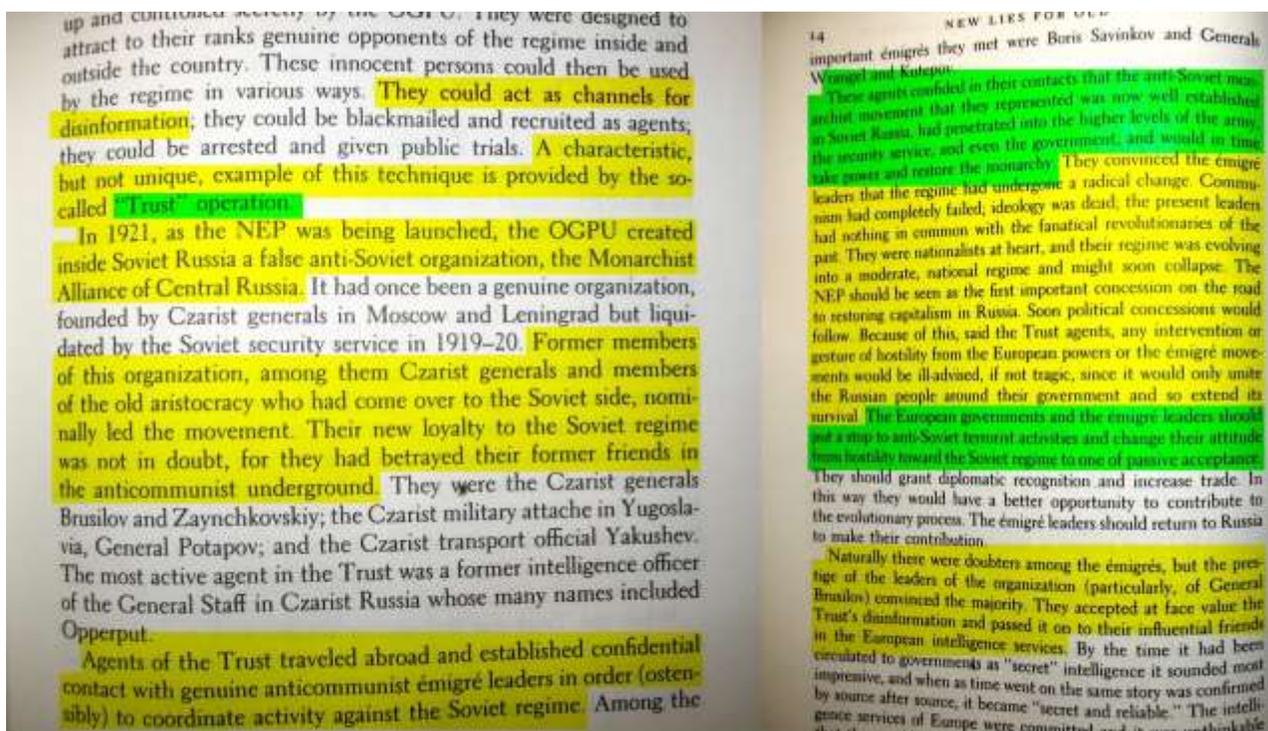

No, the entire point of the Q operation and revealing to the public what has been revealed is for THIS EXACT MOMENT: To keep normal, God-fearing, freedom-loving Americans from doing the unthinkable because they know that Trump is going to pull off the victory in the end! Do what they have to keep those guns off the streets and in the gun racks at home. The globalists do not want a "Second Revolution.

There would be ZERO reason for the NWO to let the truth slip that the Biden family are the worst monsters imaginable and then put him in office to gloat. The American population wouldn't stand for it and they're not helpless lambs nor sitting ducks like in other countries. Kamala Harris is not eligible to be president or vice president. She is a

British agent, along with her husband Doug Emhoff, who have seized control of the White House for the British Imperial Empire.

'Q-Anon' bears striking resemblance to Bolshevik Psy-Op From 1920s known as 'Operation Trust'. "Operation Trust" was a Bolshevik counterintelligence operation run from 1921 to 1926 aimed at neutralizing opposition by creating the false impression that a powerful group of military leaders had organized to stop the communists' takeover.

Here's an excerpt on the "Trust" operation from pages 13-14 of Soviet defector Anatoliy Golitsyn's book, *'New Lies for Old'*:

SOURCE: GOLITSYN, Anatoliy "NEW LIES FOR OLD", pp.13,14

The similarities with [the Q-Anon "Trust The Plan™" psy-op](#) are remarkable.

Operation Trust was a counterintelligence operation of the State Political Directorate (GPU) of the Soviet Union. The operation, which was set up by GPU's predecessor Cheka, ran from 1921 to 1926, set up a fake anti-Bolshevik resistance organization, "Monarchist Union of Central Russia", MUCR, in order to help the OGPU identify real monarchists and anti-Bolsheviks. The created front company was called the Moscow Municipal Credit Association.

The one Western historian who had limited access to the Trust files, John Costello, reported that they comprised thirty-seven volumes and were such a bewildering welter of double-agents, changed code names, and interlocking deception operations with "the complexity of a symphonic score", that Russian historians from the Intelligence Service had difficulty separating fact from fantasy.

That sounds like the Confucius-style nonsense put out by Q-Anon.

Is General Flynn our General Brusliv? General Flynn is one of the high-paid actors in this psyop to break the spirit of the American people, to disarm the true patriots, and to cripple the U.S. economically that it has no choice to become subservient in the Global NOW! Have those British Masonic agents Charlie Ward and Simon Parkes told you about this plan for global genocide? Has General Flynn informed President Trump of this British Warlord, Richard Dearlove, who has been running a coup against the President since Day One? Flynn should know – after all, he is a high ranking military dude with an intelligence background. Did the psyop Q inform you of what is really going on with the Rothschild's? The answer is obviously No!

The economist from University of Missouri at Kansas City, Michael Hudson argues that the increased financialization of capitalist economies is driving these societies toward collapse. Leading up to the collapse, Prof. Hudson says wealth and incomes become more and more polarized until the result becomes ultimately unsustainable. He says that the advancement of capitalism was supposed to be a movement away from feudalism. Instead we are now moving back toward feudalism. During 2020, the top ten richest Americans wealth grew by amazing numbers. For 55% of U.S. citizens 2020 was a financial disaster.

My speculation is that all of what we have been witness to over the past year is cover for the planned disintegration of the U.S.A. The release of the Corona virus was a UK operation released in China. It was a bioweapon and hyped through fear-mongering to frighten people into taking an alleged vaccine which ultimately is part of the “Mark” of the Beast System. Home Run King Hank Aaron died of undisclosed cause 18 days after receiving the Moderna vaccine, which is not a vaccine, but a “delivery system”. The 86-year-old sports icon received the first of two doses of Moderna’s vaccine on January 5th, in an attempt to inspire other Black Americans to step up to the plate and get the vaccine. He died January 22, 2021. Secretary of State, Mike Pompeo, a year ago said that when he was head of the CIA, *“We lied, we stole, and we cheated”*. He has deep ties to the UK and the Queen’s Privy Council, and is a passionate Christian Zionist.

Simon Parkes in one of his reports said that President Trump had 800 military leaders, from four-star generals and admirals down to colonels in the military backing him. This factoid of Simon Parkes can be interpreted various ways. It is a known fact, to advance above the rank of O-6, full-bird colonel in the Army, Air Force, and Marine Corps; or captain in the U.S. Navy requires one to be a Lodge brother of the Freemasons. That simple fact is reason to be concerned about the continuation of the Republic of the United States of America. I’m inclined to believe that Simon Parkes and Charlie Ward are brothers of the Lodge as well. Simon has a questionable background and supposedly fathered a “star” child baby with an extra-terrestrial.

Nearly two hundred years ago the founder of the Rothschild banking empire proclaimed: *“Give me control over a nation’s economy and I care not who writes the laws.”* Read on

for an overview of the ways the Freemasons are said to control business, politics, indeed, the entire country – and why they might not.

7. Rhodes Scholarships

What they do:

The Freemasons select and indoctrinate the finest minds of every generation by giving them Rhodes Scholarships to Oxford University, where they have access to the best teaching and others sympathetic to Masonic ideology. Rhodes scholars invariably go on to positions of power in finance, law, politics or the media, from which they are able to ensure that Masonic interests are promoted and protected. Former President William Jefferson Clinton was a Rhodes scholar, and lived in Russia for some while.

How they do it:

Cecil Rhodes himself became a Mason whilst studying at Oxford in the 1870s. After hearing a speech by fellow mason, John Ruskin, calling for 'a ruling class with a powerful army to keep it in power', he became obsessed with the idea of bringing the entire world under the rule of the British Masonic elite, and sought to do so through extensive business projects in Africa and the Empire. In his estate Rhodes entrusted Nathan Rothschild with continuing his program of intellectual world domination, and today Rhodes scholars occupy key positions throughout the global business world.

6. Federal Reserve

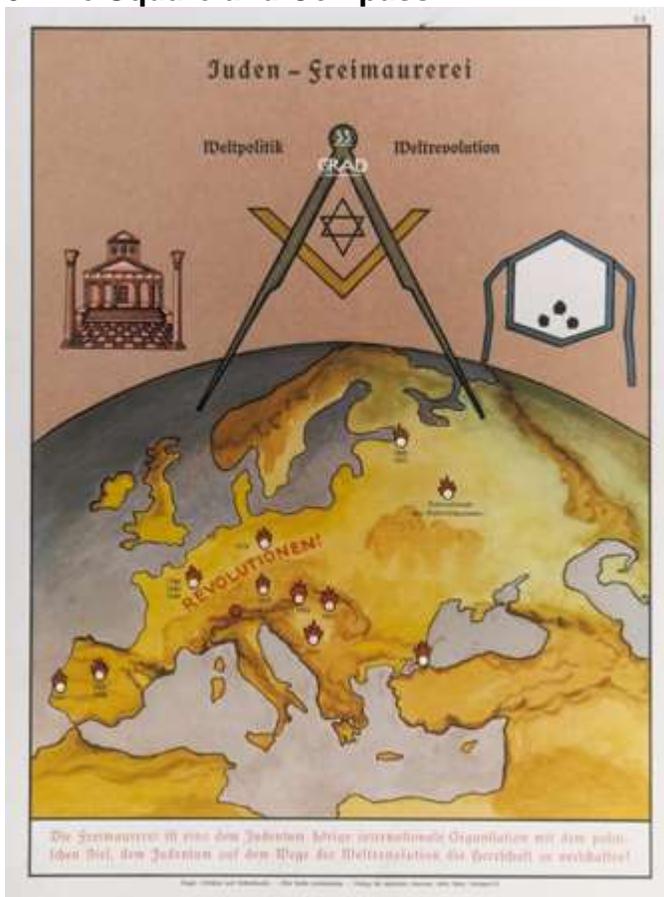

What they do:

Freemasons use the notion of the Federal Reserve as a public institution to trick the public into believing no single group has a monopoly on the production, distribution and manipulation of currency. The Masons control the Federal Reserve, operating it as essentially a private bank. Profit is created by charging 5% interest (according to the Act) on every dollar bill that is issued – 5% of the face value that is – so if a dollar bill stays in circulation for 20 years, we pay back the dollar itself, plus a dollar in interest into the pockets of the Federal Reserve.

How they do it:

The great banking families, such as the Rothschild's, Warburg's and Rockefeller's, exercise almost total control over the Federal Reserve. Many of these are directly descended from the Knights Templar and the Masonic European elite. When these families decided to create the Federal Reserve in 1910 they wrote their own domination into the very constitution of the American people, as well as a license to print money from thin air. G. Edward Griffin's book *'The Creature From Jekyll Island'* is the best book on the topic.

5. The Square and Compass

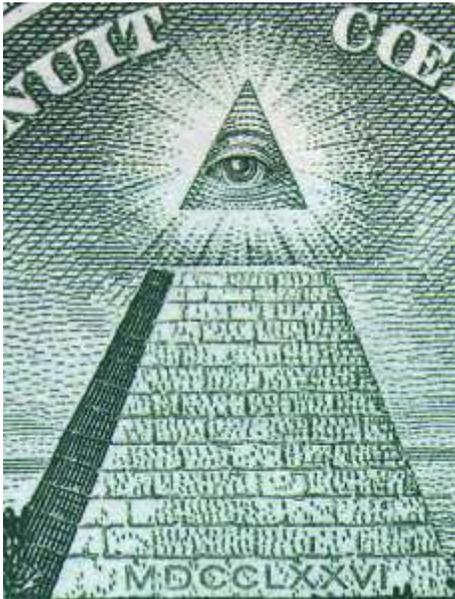

What they do:

Write into our everyday business and political language tacit signs of Masonic dominance. According to this conspiracy, everyday sayings and names of initiations or processes are actually based upon Masonic ritual and symbols.

How they do it:

One of the most significant Masonic symbols is the mason's square. In court we say "his testimony doesn't 'square' with the facts of the case". When you go to jail they give you "3 'square' meals". Meetings have always traditionally been held at the Town 'Square'. If you're not cool, they say you're a 'square'. Remember to play "fair and square". Equally, another Masonic symbol, the compass, also codifies the everyday language we use to conduct business. When you graduate college, you receive a 'degree' (you are also called an Alumni – for Illuminati, another group connected with Freemasonry), as the Masons set up the institutions of learning in the first place. If you get in their way they give you the '3rd degree', which was, in fact, the highest degree in Freemasonry for many years.

4. US Dollar Bills

What they do:

Further proof that the Masons control U.S. money and the business done with it (and in particular the Federal Reserve) may be seen in the fact that on the back of the U.S. one dollar bill there is a pyramid with the All-Seeing-Eye of God, with the message, "New Order of The Ages" or "New World Order".

How they do it:

In Europe, occult leaders were told by their Familiar Spirits as early as the 1740's that the new American continent was to be established as the new "Atlantis", and its destiny was to assume the global leadership of the drive to the New World Order. By controlling the Federal Reserve and banks the Masons have been able to gradually familiarize us with their symbols to the point we are entirely unaware of them as they surround us.

The all-seeing pyramid is a symbol of their dominance, written under our noses into the very currency with which we conduct business.

3. Washington DC Street Design

What they did:

Freemasons embedded Masonic symbols into the Washington, D.C., street plan designed mainly by Frenchman Pierre L'Enfant in 1791, writing their codes into the very seat of political power. He hid certain occult magical symbols in the layout of U.S. Governmental Center which, when united become one large Masonic and Luciferan symbol.

How they did it:

The street layout of Washington contains a plethora of Masonic and associated symbols, including the set-square, compass, pentagram, 666, figure of the Godhead and the Eye of Providence. The implication is that the Mason dominance over the US meant that even the origins of its political and financial structures were based in Masonic ideology. To say that we are a Christian nation, we need to ask why there is no memorial, no reference to Jesus Christ, in any shape, form or design.

2. Monopoly on Recruitment

What they do:

Masons ensure, through programs such as the Rhodes Scholarships, that their members occupy positions of key significance in the business world. Of prime importance are the recruitment departments of the world's largest corporations – by controlling these the Masons ensure only those who they approve of may find work in the most powerful establishments and only their own can rise to wield such power.

How they do it:

Masons fill the corporations with those sympathetic to their cause by total dominance of human resources departments and ensuring that they have a man on the board of every major corporation. Unless you are one of them or gain approval, you will never rise to any position of significant power. To conceal this fact they encourage the creation of thousands of meaningless bureaucratic positions in business, which fool people into thinking they have authority when in actual fact they are merely pawns.

1. The World Bank**What they do:**

The Freemasons use the World Bank as a front for an international banking cabal under their control. They plan to eventually subvert the independence of the U.S. by subordinating national sovereignty to a strengthened Bank for International Settlements with the intent to create a world system of financial control in private hands able to dominate the political system of each country and the economy of the world as a whole.

How they do it:

Control of the World Bank allows the Masons to extend their global influence in a similar way to how they control the Federal Reserve. They control the Board of Directors and

the recruiting structures and from there are able to dictate policy and ensure that these policies are not objected to.

The upper degrees of Freemasonry – 30th – through 33rd are the elite [a secret society within a secret society]. Most of the world's nearly 4 million Lodge members are oblivious to the hierarchy and its agenda to control the world. It is unlikely that those in this upper echelon of the Lodge total more than 5,000. This is the source of their real power. With their own words, we know Freemasons really worship Satan, at the higher levels.

LUCIFER PRAISED AS THE LIGHT-BEARER OF FREEMASONRY.

"Lucifer, the **Light-bearer!** Strange and mysterious name to give to the Spirit of Darkness! Lucifer, the Son of the Morning! Is it he who bears the Light, and with its splendors intolerable, blinds feeble, sensual, or selfish souls? Doubt it not!" [Albert Pike, *Morals and Dogma of the Ancient and Accepted Scottish Rite of Freemasonry*, p. 321, 19th Degree of Grand Pontiff; Red Emphasis added]

What a revelation! From the first degree, the first Initiation, the Mason is urged mightily to "**seek the Light!**" The average Mason is continually saying that he is "seeking the Light", and will spend his entire life "moving toward the Light". Almost every person in Western Civilization will assume that this "Light" is the revelation of the God of the Bible; indeed, this statement is held up continuously to try to convince us that Masonry is Christian. Yet, here, Albert Pike is saying that Lucifer is the One who bears the Light of Freemasonry! **Lucifer is the Light-bearer of Freemasonry.**

Pike's sentence immediately preceding this one confirms not only that Lucifer is the Light-bearer, but that Masons of previous degrees have been led to believe that the opposite was true. Since the wording of this sentence is a little arcane [understood only by those with special knowledge], David Bay asked former Illuminist Satanist Doc Marquis, for his explanation. But, we are getting a little ahead of ourselves now; let us examine this sentence.

"The Apocalypse is, to those who receive the nineteenth Degree, the Apotheosis of that Sublime Faith which aspires to God Alone, and despises all the pomps and works of Lucifer." [Ibid.]

At first glance, this sentence seems to contradict the one we first quoted above, where Pike identifies Lucifer as the Masonic Light-bearer. However when you understand the esoteric explanation from Doc Marquis, your understanding clears up completely.

First, Pike identifies the Apocalypse as being the Book of Revelation written by the Apostle John. Then, Pike states that other, similar books from other religions, are just as 'inspired' as Revelation, mentioning Plato, Philo, the Sephar Yezirah, and the Zohar. Pike says all three of these books -- **Apocalypse** [Revelation], the **Sephar Yezirah**, and the **Zohar**, are all identically "inspired". Since these latter two books are of non-Christian faiths, Pike is saying that the contents of Revelation are no big

deal. Therefore, it is no big deal that the Book of Revelation denigrates the "pomp and works" of Satan, since the God of that book is known to hate Satan.

Then, Pike says that these three books *"are the completest embodiment of Occultism"*. [Ibid.] Now, we understand that Pike views the God of the Apocalypse as being the opposite but equal to Satan, just as typical Occultists believe and teach!

Secondly, Doc Marquis provides the esoteric, occultic, explanation. Pike is also saying in this sentence that, in the previous 18 degrees, Masons believed that God was the Light-bearer, but now, in this 19th Degree, Pike is giving them new revelation. This insight completely squares with stated Masonic policy of deliberately misleading Masons in the lower degrees until they were really ready for the "truth". This is the truth -- Masonry worships Lucifer.

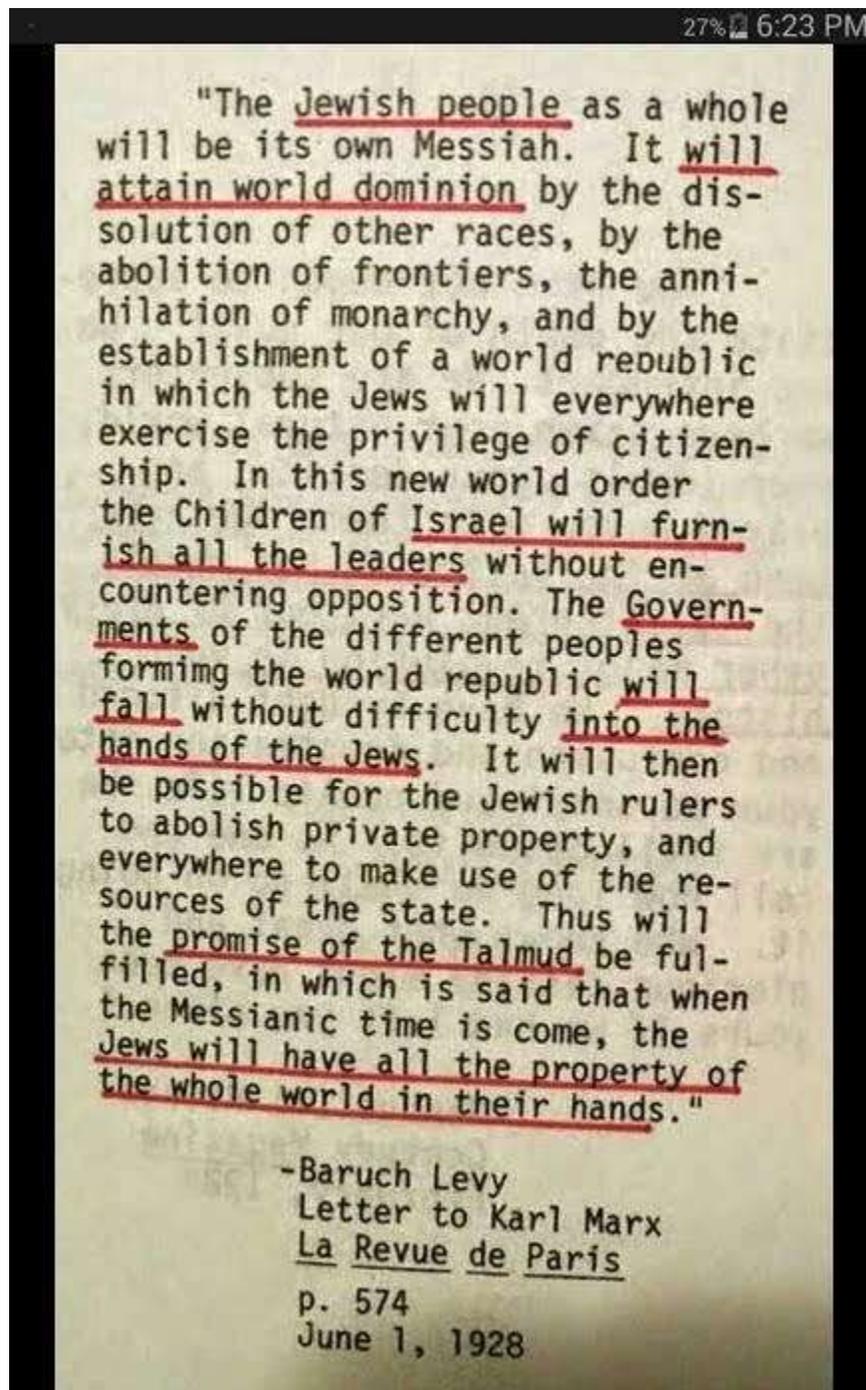

The Masonic Lodges are supposedly religiously neutral, members can be from any religious faith around the world. However, a Christian is not permitted to use the name of Jesus Christ in the Lodge setting or activities. The Masonic rites, rituals, and language are heavily oriented toward Satanic Judaism. The Zohar is the most occultic book of Chabad Judaism. The senior order of Freemasonry is The Order of the Garter, and the head of The Order of the Garter is Prince Charles of Wales. As shown in the series, **"The Satanic Talmud and the Synagogue of Satan"**, part 6, is shown that Prince Charles of Wales is the forthcoming Antichrist or false messiah who will sign the Treaty with the many of Daniel 9:27.

The Masons are always prepared to refute or explain away conflicts. They are artists of obfuscation, the action of making something obscure, unclear, or unintelligible. The Jesuits infiltrated Scottish Rite Freemasonry in the 1720s, and is so intertwined with Satanic Chabad Judaism, that for all intent and purpose, it is virtually impossible to separate Jesuit, Roman Catholic, Muslim, or Jew. It is like a rope of multiple chords. The UK is the world capital for Freemasonry with the Order of the Garter.

The downfall of the U.S. is a British Rothschild/Jesuit/Vatican operation directed by the Queen of England and her Privy Council, headed throughout the four-year drama of Russiagate, the hand of British intelligence has revealed itself continuously.

From the obvious role of Sir Richard Dearlove and his former MI6 underlying Christopher Steele who together played a driving role in shaping the dodgy dossier, to their involvement with Oxford Rhodes Scholar Strobe Talbott in composing, promoting and marketing the fraudulent dossier to targeted members of Congress and media, to British Ambassador Sir Darroch caught "flooding the zone" with British intelligence assets to shape Trump's perception of the world, to the array of British entrapment operations that targeted Michael Flynn as early as 2014 in London... wherever one looks, the hand of British intelligence seems to be everywhere.

While vast effort is made to downplay the British roots of the deep state by the media which tends to portray this problem from a partisan narrative of "democratic party corruption", the truth is far more tied to the House of Rothschild and the Royal House of Windsor.

The world's criminal names, communists like Marx, Engels, Stalin, were all Freemasons, with Jewish surnames.

Situation Update, Jan 20th – Day of Reckoning: Will the republic DIE or be REBORN?

Wednesday, January 20, 2021 by: Mike Adams

(Natural News) As America watched, a decrepit, mentally incompetent Joe Biden was "sworn in" today, with almost no members of the public in attendance, but with Biden surrounded by now a reported 65,000 troops, just like you'd see in a Third World dictatorship.

In truth, Biden wasn't sworn into anything. The election was illegal, unconstitutional and fraught with deliberate malfeasance. The theft of the election renders the Biden regime null and void, carrying no legal weight whatsoever.

Everything the Biden regime attempts to do from this day forward isn't rooted in law; it's rooted in coercion. Rule by brute force, in other words. Gunpoint enforcement by a brutal, authoritarian regime that can only browbeat the population into submission through intense censorship, false flag operations and relentless media propaganda.

That's why this isn't over. Biden has no legitimacy, and the proof of election fraud still exists in abundance. It's recorded in the ballots themselves, which must be saved for 22 months according to federal law. Any honest assessment of the ballots would reveal the Biden election theft, and legal efforts are still under way to reveal the truth.

In fact, just today, one hour after the inauguration of fake president Biden, a statement from Arizona Senate President Fann reveals that the Maricopa County Board of Supervisors has agreed to the voting machine audit they've been hiding all this time. They waited until after Biden was sworn in, of course, because they know they cheated.

Biden also knows the election was stolen. He admitted before the election that Dems were running the most elaborate vote fraud organization in the history of American politics. On camera, no less.

Now, Democrats are pushing to label all those who demand election integrity "domestic terrorists." This is a blatant attempt to weaponize the federal government to target and intimidate anyone pointing to the mountain of vote fraud evidence that already exists.

As of today, they think they've successful stolen the election, but they know the evidence still exists that proves they cheated, so now they have to go into overdrive to complete their cover-up and try to suppress (or intimidate) anyone who tells the truth.

That's why dems are now calling for actual secret police to be launched in America to spy on conservatives. One of the key factors they'll be looking for is people who say Joe Biden is an "illegitimate" president, or that the election was stolen.

Yet every honest American knows it was stolen. And so do most democrats, who are universally satisfied that their election theft was "justified" because they really, really hate Donald Trump. And when the Left has sufficient hatred, they can justify absolutely anything, including door-to-door genocide of Christians, Whites, Trump supporters, gun owners and conservatives.

That's where this is all moving toward now: A left-wing "cultural revolution" ethnic cleansing in America. And if the military doesn't step in and take charge to save our constitutional republic, this nation will descend into a brutal left-wing regime that weaponizes the government against its own citizens and calls for mass killings of conservatives by labeling them all "domestic terrorists."

It has already begun, in fact.

Today's Situation Update for Jan 20th lays out more details of what we're witnessing:

- Trump's farewell speech was not a concession speech.***
- Focused on family, life and opposing censorship. Don. Trump Jr., "The best is yet to come!"***
- Why the GOP is dead and a new "Patriot" party will likely be launched.***
- Why we must have faith in God as we navigate uncharted waters.***
- The Dems wanted us to know it was stolen. They want America to react so they can label everyone "domestic terrorists."***
- Where Trump had real people at his inauguration, Biden's team sticks flags in the ground and is mostly abandoned. (What a complete joke.)***
- Russiagate declass documents confirmed and partially released.***
- 12 members of the National Guard removed after FBI "vetting." Also a complete joke.***

•Mike Pompeo declares China to be engaged in “genocide” and “crimes against humanity.” (Today, China has sanctioned Pompeo and 27 other people, including Steve Bannon.)

•Why the military buildup in DC? It’s clearly not for an inauguration that’s mostly empty.

•National Guard chief admits now 65,000 troops in DC. Now 4,300 have been deputized as US Marshals. Who are they planning on arresting, especially since there are no protesters there?

•“Bloody” Gina Haspel resigns from CIA. Michael Ellis put in place at NSA. Haspel’s resignation was a marker claimed by Dr. Steve Pieczenik, who insists Trump will still be president.

•Haspel was a key person blocking the declass effort.

•Highway signs tell travelers to avoid going to DC.

•A preview of the horrors to come if Biden seizes power: A nightmare of “radical trans activist clowns” will attempt to rule over America.

•Sec. of Defense nominee Gen. Austin wants to turn the US military into a woke festival of LGBT troops and eliminate all Whites, conservatives and Christians from the military. (Get ready for the Gay Marines and the Lesbian Air Force.)

•The rise of digital fascism: The Left knows they lied and cheated and stole the election, and they fear the people and the military.

•Steve Bannon warns of the formation of the new “Stasi” secret police to spy on Americans.

•Laura Loomer put on secret no-gun red flag list by vengeful FBI.

•Big Tech censorship goes into overdrive, unleashing a “one way” trip to Hell for America if this isn’t reversed.

•Pelosi launches attack on people who don’t support abortion.

•Mainline conservative publishers and personalities ordered to toe the line on pushing vaccines.

Mike Adams

Today we begin by reminding you that a fake, staged inauguration stemming from an illegal, unconstitutional election carries no legal standing. Biden was only "sworn in" as an act of theater. It isn't binding to any true Americans.

In today's Situation Update, we discuss the possibilities for the transition of power to temporary military authority, which may yet be under way. I also cover the coming authoritarian left-wing nightmare that will haunt this nation if Biden successfully seizes power and isn't removed by law.

There is still cause for real hope, but I also warn that we should all prepare for the worst case scenario, because that's exactly what democrats now have in mind for America. They are preparing to hunt down and murder conservatives, Christians and Trump supporters. This is what communist cleansing always entails.

It is simply incredible how the so few, and very, very powerful, have kept secret their affiliations to so many secret societies from public knowledge and discourse for not only decades, but centuries. This is only a partial list of the true powers behind the power we see on social media today. And these secret societies answer in one way or another to the blacked robed Jesuits and their Knights of Malta military henchmen who report to the 13 Satanic family bloodlines of Europe.

Matthew Ehret writes for Strategic Culture.Org. He has followed closely the UK interference with the U.S. elections. He has written an important report on how the UK has been instrumental in sabotaging U.S. interests. The goal is bring the U.S. into subjugation to the NOW and Klaus Schwab's Global Reset. Behind Klaus Schwab are Prince "Sustainable Development" Charles of Wales and Nathaniel Rothschild and family.

Throughout the four-year drama of Russiagate, the hand of British intelligence has revealed itself continuously.

From the obvious role of Sir Richard Dearlove and his former MI6 underlying Christopher Steele who together played a driving role in shaping the dodgy dossier, to their involvement with Oxford Rhodes Scholar Strobe Talbott in composing, promoting and marketing the fraudulent dossier to targeted members of the U.S. Congress and media, to British Ambassador Sir Darroch caught "flooding the zone" with British

intelligence assets to shape Trump's perception of the world, to the array of British entrapment operations that targeted Michael Flynn as early as 2014 in London... wherever one looks, the hand of British intelligence seems to be everywhere.

While vast effort was made to downplay the British roots of the deep state by the media which tends to portray this problem from a partisan narrative of "democratic party corruption", this sleight of hand misses the causal nexus and demands we believe that the tail truly wags the dog.

The uncomfortable truth which many are either too afraid, lazy or corrupt to admit is that since the moment John F Kennedy died on November 22, 1963, both the Democratic and Republican Parties have undergone a slow take-over by this foreign parasite. The thing that has come to be known as the "deep state" was never based on one party or another, and never emanated from anything native to the Constitutional traditions of the US government itself as I outlined in my previous article "Understanding the Trifold Nature of the Deep State".

While the Republican party of George Bush was in power, this deep state had used its controls of computerized vote counting to rig elections in 2000 and 2004 in its favor as showcased brilliantly in the 2006 documentary Hacking Democracy. Later, when it was time for a controlled opposition to take power in 2008, it did the same thing under a different cast of characters.

While one side of the unipolar world government agenda was driven by a view that the USA should forever be the primary global police force governing a zero sum system of perpetual war, with an unelected elite managing the system from above, the other side believed that the USA should surrender its claims to sovereignty to an international global body with unelected technocrats and financiers at the top managing the zero sum system of perpetual war from above.

Notice the common denominator?

Election Theft as Russiagate 5.0

Now that it has become increasingly clear that mass election fraud has swept across the USA in an effort to accomplish what four years of Russiagate failed to achieve, yet another light has fallen upon the British hand behind Biden which aims to dissolve any nationalist spirit remaining in the embattled republic.

As I outlined in my last report, the largest private computer voting system in the USA which services 30 states and 70 million voters was shown to be at the heart of the current election theft. In that article, it was made clear that Dominion Voting Systems is a Canadian company which dominates the USA's private computerized voting systems and is closely tied to another larger company called Smartmatic.

For those still out of the loop, Smartmatic furnishes voting machines and its software (backdoor codes and all) to governments all around the world and is highly enmeshed

with the Clinton Foundation, Soros' Open Society and Nancy Pelosi's very own Chief of Staff.

Not only that, but the key figure controlling Smartmatic is none other than Lord Mark Malloch Brown, a former vice chairman of George Soros' Investment Funds (2007), as well as Soros' Open Society Institute and World Economic Forum, former Vice President at the World Bank (1995-1999), UN Administrator for Development (1999-2005), UN Deputy Secretary General and UK Minister of State for Africa, Asia and the UN (2007-2009). These are just a few hats he has worn in recent years which we will explore in greater detail.

Lord Malloch Brown: Not Your Typical British Agent

Through his lifelong affiliation with Soros, Lord Malloch Brown (Knight of the Order of St George and St Michael) played the role of color revolutionary godfather and key controller of such "technocrat friendly puppet leaders" as Corazon Aquino as well as her son Benigno Aquino III of the Philippines, Georgia's George Saakashvili and even the hapless talking ego Barack Obama.

After working through an extended "apprenticeship" under the cover of UN aid worker, and marauding journalist for the London Economist, Malloch Brown found himself working for a Washington consulting firm named Sawyer Miller in 1985. It was at this time Malloch Brown was deployed to become the advisor and speech writer to Philippine opposition leader Corazon (Cory) Aquino under the supervision of then Secretary of State George Shultz. Corazon was a darling of the western establishment but had the nearly impossible task of challenging the popular nationalist President Ferdinand Marcos who had steered his country into economic sovereignty in opposition to international financiers for since his inauguration in 1965.

Applying all of the arts of perception management and marketing, Malloch Brown took control of Aquino's campaign transforming it into the "People Power Revolution" that was in many ways the first successful color revolution of our modern times. Knowing that votes would likely favor the incumbent Markos, Malloch Brown wrote that he drafted Aquino's victory speech before the elections and had her deliver it before votes were even finalized- and which accomplices in the media were all too happy to project publicly fueling the mythology that Corazon had won.

Describing these events years later, Malloch Brown said: *"An outstanding accomplishment during the Cory campaign was to produce an exit poll that indicated that she had won. It landed on the front page of the Inquirer and had a profound impact as it planted the idea that Aquino had won over Marcos... Marcos did not really recover after that. It was a very exciting experience to watch."*

Malloch Brown failed to mention that the "polling station results" which produced the false perception that Corazon had won were manipulated by George Shultz's local agent's survey firms Social Weather Station, and Pulse Asia which have never been held accountable for their role in the anti-Marcos coup.

Shock Therapy

Soon after this “accomplishment”, Malloch Brown began working closely with George Soros on a number of projects that radically altered the world during the intense period of transition from a bi-polar to unipolar age.

In 1993, Soros had only recently carried out a speculative attack on the British pound sterling which resulted in \$1 billion profit to the Hungarian speculator while providing the UK with a convenient excuse to avoid walking into the Euro trap which it had set for other European targets entering into the “post-nation state epoch”. In 1994, Soros announced a \$50 million grant for “democracy building” operations in Macedonia and Bosnia which Malloch Brown was hired to administer as part of the Shatalin Shock therapy agenda.

From 1993-1994, Malloch Brown was part of the Soros Advisory Committee on Bosnia where advanced the Balkanization projects of the 1990s. In 1998, Malloch Brown also co-founded Soros’s International Criminal Court (ICC) after the duo had created the International Crisis Group (ICG) in 1994. These institutions served to 1) shape “international perception” of the causes and solutions to “crises”, real or fabricated and 2) advocate solutions that removed sovereignty in military and judicial affairs from sovereign nation states where they had been enshrined in the UN Charter, Nuremburg laws and UN Declaration of Human Rights, to supranational unelected organizations under the control of “experts”.

As Vice President of the World Bank from 1995-1999 he took credit for transforming its image to a more democratic organization, and from 1999-2005 led in the creation of the Millennium Development Goals which increasingly tied UN funding to George Soros’ Open Society operations internationally (during his time in New York, Malloch Brown lived on an estate owned by Soros).

Keep in mind here from this information, it was George Soros, who had said numerous times, his greatest goal was to bring down the U.S.A. We have confirmation in this report that all elections are rigged and some of the most well-known names are U.S. citizens.

In Blessed Hope #47, I reported the death of a Rothschild, only to learn that it is rumored he faked his death and was in hiding. At the time, I was suspicious that it was unusual both for timing and for the age of the Baron Benjamin de Rothschild.

Baron Benjamin de Rothschild (Center), his wife Baroness Ariane de Rothschild and their daughter Noemie attend the dinner of Conseil des Grand Crus Classes of 1855 hosted by Chateau Mouton Rothschild on June 16, 2013 in Pauillac, near Bordeaux, France. The banker and chairman of the Edmond de Rothschild Holding S.A. company, one of the many Rothschild’s businesses. Benjamin de Rothschild, has passed away at the age of 57, his family revealed to French media. Now that fact is in doubt with this report.

“Ariane de Rothschild and her daughters are deeply saddened to announce the death of husband and father, Benjamin de Rothschild, following a heart attack in the family home in Pregny (Switzerland) in the afternoon of January 15, 2021” the family said in a press release on Saturday.

The Chateau de Pregny, sometimes called the ‘Rothschild Castle’, where the banker spent his last hours, is located near Lake Geneva. The estate has belonged to the family since the middle of the 19 century.

Before closing this Blessed Hope, let’s take a quick look at the 45th President’s Masonic ties. Donald Trump is apparently a Freemason. After watching Donald J. Trump the past four years, one can see that the “Donald” has a penchant for flashing Masonic hand gestures. He has been caught doing this far too many times for it to be just an accident. This and other circumstantial evidence makes it clear that he is a Mason.

Now that we have revealed that he is a Mason, we need to ask “What kind is he?” The Craft, as it is called, can be thought of as an ascending pyramid: you have a lot of “water-carriers” at the bottom, you have people with more authority on the higher steps, and then you have the true select at the top.

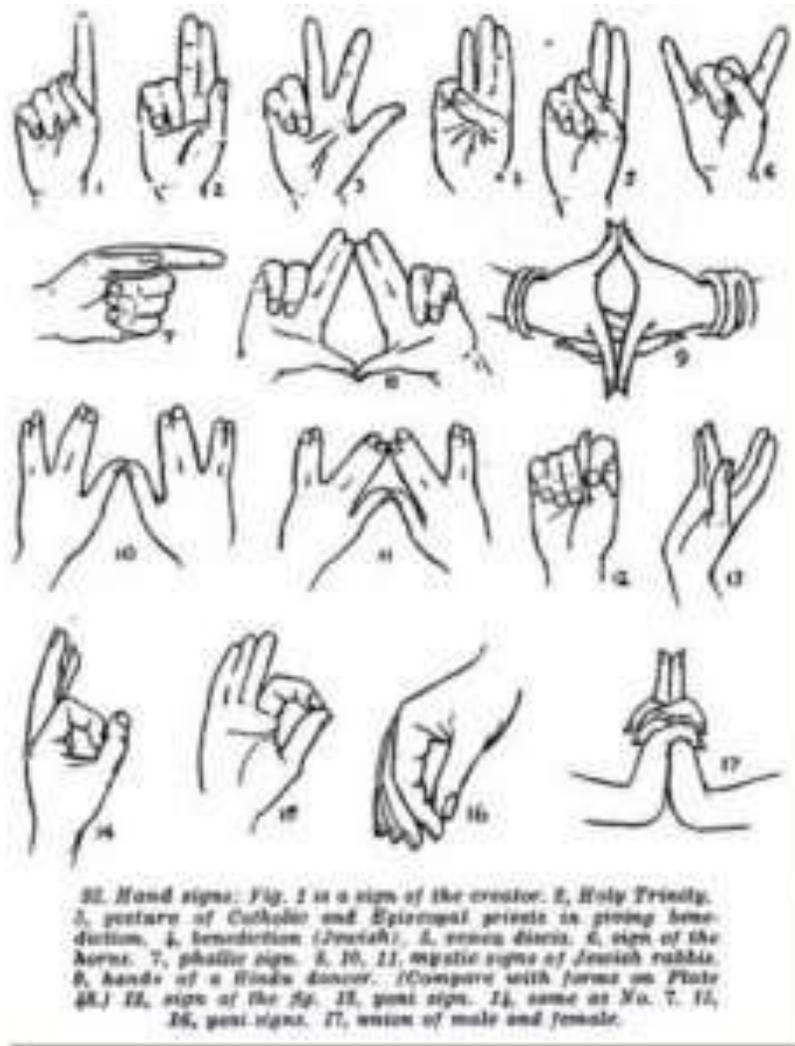

I don’t think Trump, given his stature as a New York billionaire, is a low-level or mid-level Freemason. He is most probably part of the elite. He is likely a high-standing member of one of Manhattan’s patrician Illuminati lodges and is, probably, well acquainted with many worldly and brainy people. He was probably being coached by some of these people.

The neo-conservative magazine *National Review* has an article entitled [Donald Trump's foreign-policy advisers: skeptical reviews](#). This piece contains several Masonic allusions. First of all, look at the lead photo which contains Trump making an apparent Masonic hand sign. Secondly, in the article when introducing Joseph Schmitz, Trump's advisor, the writer alludes to his [Schmitz's] obsession with Baron von Stuben, a revolutionary war hero and famous Mason—a true Masonic icon—who single-handedly taught and drilled the Continental Army, forging it into a professional army.

In June of 2016, I was amazed by how Trump ascended to the top of the GOP presidential pack. He overtook 16 other candidates for the office of president. He was a joke to many, but he came on quickly, pushing a lot of hot-button issues and throwing out a lot of “red meat”, which was quickly devoured by his issue-hungry constituents. He said things that many Americans wanted to hear from a presidential candidate. He was indeed a breath of fresh air.

Why was he so prescient in choosing his messages that resounded with America so? I got the feeling that his speeches were scripted and his meaning was intended to surprise and shock his rivals, as well as thrill his followers. His cadence was so perfect that I felt he had to have help. Where has he gotten this help?

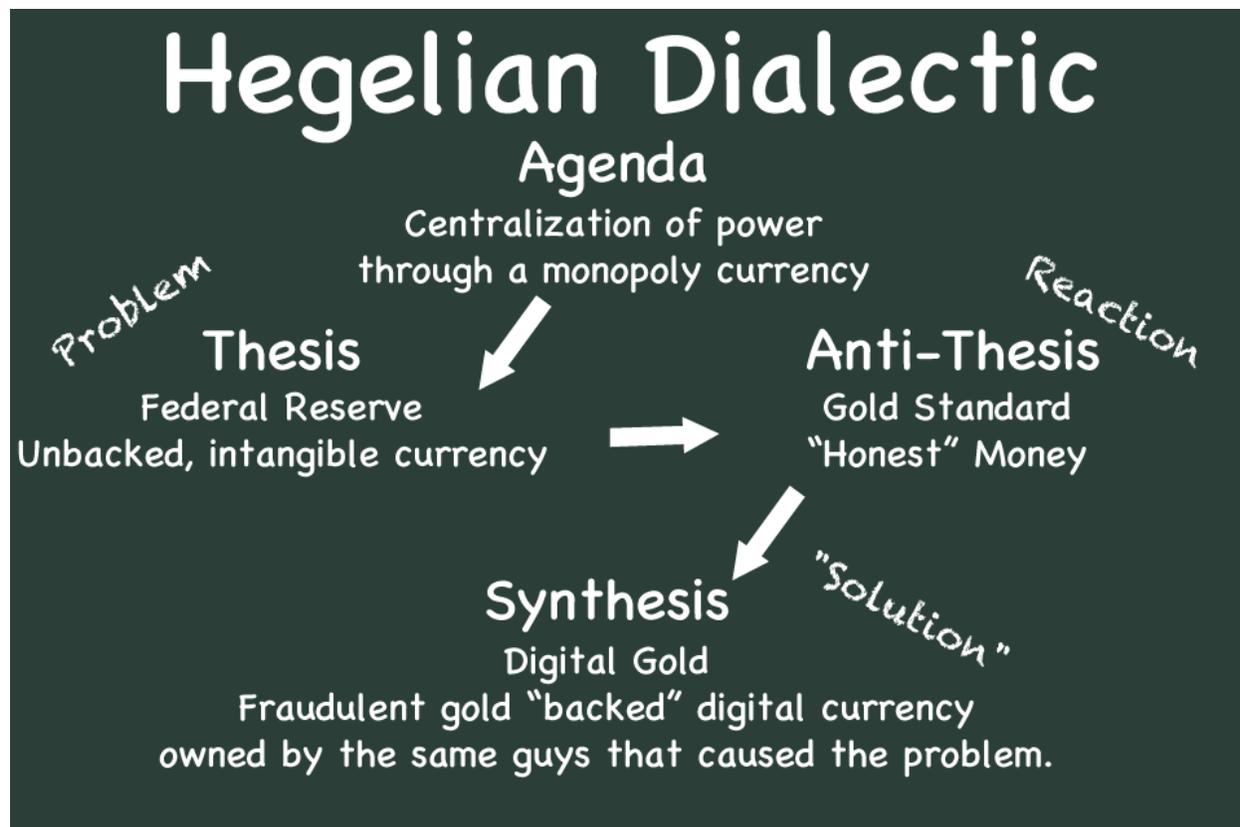

Many high-level Masons, as well as powerful Jews, are not happy with the way things are going in the world and feel threatened by some of the events that have exploded upon them this past decade or so. Trump represents a faction within Freemasonry and Jewry that has rebelled against the status quo. This faction is deplored by what it sees are the results of the failed policies of the Neo-Cons and the Sabbatean section of world Jewry. This faction has decided to lead a populist crusade against this insanity.

Donald Trump being a Freemason is not necessarily a bad thing. He was not our first Masonic president to be elected. His populism and nationalism, to this writer at least, are real. Many patriots—and many Masons—are dismayed by what they see the Rothschild family doing to the world today: for instance, endless wars in the Middle East, non-white migration into Europe and North America, a stagnant and weak economy. Trump and his fellow 'lodge-buddies' represent an insurrectionist force in American politics.

Think "Hegelian Dialectic" dear friends. We were had and his replacement is nothing short of the "Antithesis" of the "Thesis" Donald J. Trump. Joe Biden, with 10 of his

cabinet officials appointed so far being all Zionist Jews. The Rothschild's want control of the Bank of Iran, and you can count on senile Joe Biden giving them what they want. Oh, before I finish, the "Synthesis" of this "Dialectic", regrettably I have to say, will be the Global New World Order!

You may not see through this subterfuge and the playbook of George Wilhelm Friedrich Hegel passing before your eyes. For German philosopher Georg Wilhelm Friedrich Hegel, life was a process of constant change. The father of the "zeitgeist" was born 250 years ago. But his ideas live on. As Bill Gates and Dr. Anthony Fauci keep repeating, *"there is no going back, this is the new normal!"* It is uncanny how often world celebrities are repeating that phrase. The U.S. has to go for it all to become global reality.

Some of you will feel betrayed, some will be angry, and others will be dismayed. The "light" in this dark tunnel, is that, and I am going to make a prediction. Prophecies such as Isaiah 17:1-2 will be fulfilled inside six months, and Ezekiel 38/39, within a month following. I am tempted to suggest Damascus will be wiped off the map inside Biden's first 100 days. Kamala Harris's husband is a Zionist Jew who is reportedly a close friend of Israel's Prime Minister Bibi Netanyahu. How's that for a small world?

When you see images of Christmas decorations in the retail stores in October, what do we know that will happen in November, Thanksgiving is even closer!

Here is another example of how the Hegelian Dialectic is being perpetrated upon the American people.

We are confronted with "Normalcy Bias" or "Cognitive Dissonance". In our Lifetime, we may have seen or heard of people trying to warn others to prepare for an impending crisis or disaster...be it financial. natural disaster or other means.

Throughout history the average person takes on the consensus thought, or the prevailing beliefs of the rest of the population... to their own detriment. The current financial crisis brought on by the fake Covid-19, or 'Hurricane Katrina' are examples. By taking on this thinking pattern, more loss in every way, more irreparable damage, is incurred.

The Best thinking pattern for everyone, would be more prepared stance; one born of a positive, disaster planning and response mode, to avoid as much chaos, loss and catastrophe as possible...with a better chance... not only of surviving whatever the crisis may bring, but to implement ease and efficiency to further a faster recovery, and rebuilding phase.

We Must ALL work together for this end result. It is but a choice, implemented by positive action.

COGNITIVE DISSONANCE

**THIS IS WHY PEOPLE GET UPSET WHEN
THEIR BELIEFS ARE CHALLENGED**

A MENTAL CONFLICT OCCURS WHEN BELIEFS ARE CONTRADICTED BY NEW INFORMATION. THIS CONFLICT ACTIVATES AREAS OF THE BRAIN INVOLVED IN PERSONAL IDENTITY AND EMOTIONAL RESPONSE TO THREATS. THE BRAIN'S ALARMS GO OFF WHEN A PERSON FEELS THREATENED ON A DEEPLY PERSONAL AND EMOTIONAL LEVEL CAUSING THEM TO SHUT DOWN AND DISREGARD ANY RATIONAL EVIDENCE THAT CONTRADICTS WHAT THEY PREVIOUSLY REGARDED AS 'TRUTH'

The normalcy bias refers to a mental state people enter when facing a disaster. It causes people to underestimate both the possibility of a disaster occurring and its possible effects. This often results in situations where people fail to adequately prepare for a disaster, and on a larger scale, the failure of the government to include the populace in its disaster preparations. The assumption that is made in the case of the normalcy bias is that since a disaster never has occurred that it never will occur. It also results in the inability of people to cope with a disaster once it occurs. People with a normalcy bias have difficulties reacting to something they have not experienced before. People also tend to interpret warnings in the most optimistic way possible, seizing on any ambiguities to infer a less serious situation. If you have had to deal with a tornado or a flood, you know the trauma.

The normalcy bias may be caused in part by the way the brain processes new data. Research suggests that even when the brain is calm, it takes 8–10 seconds to process new information. Stress slows the process, and when the brain cannot find an acceptable response to a situation, it fixates on a single solution that may or may not be correct. An evolutionary reason for this response could be that paralysis gives an animal a better chance of surviving an attack; predators are less likely to eat prey that isn't struggling.

The normalcy bias often results in unnecessary deaths in disaster situations. The lack of preparation for disasters often leads to inadequate shelter, supplies, and evacuation plans. Even when all these things are in place, individuals with a normalcy bias often refuse to leave their homes. Studies have shown that more than 70% of people check with others before deciding to evacuate.

The normalcy bias also causes people to drastically underestimate the effects of the disaster. Therefore, they think that everything will be all right, while information from the radio, television, or neighbors gives them reason to believe there is a risk. This creates a cognitive dissonance that they then must work to eliminate. Some manage to eliminate it by refusing to believe new warnings coming in and refusing to evacuate (maintaining the normalcy bias), while others eliminate the dissonance by escaping the danger. The very possibility that some may refuse to evacuate causes significant problems in disaster planning.

Examples:

Little Sioux Scout camp in June 2008. Despite being in the middle of “Tornado Alley,” the campground had no tornado shelter to offer protection from a strong tornado.

New Orleans before Hurricane Katrina. Inadequate government preparation and the denial that the levees could fail were an example of the normalcy bias, as was the thousands of people who refused to evacuate.

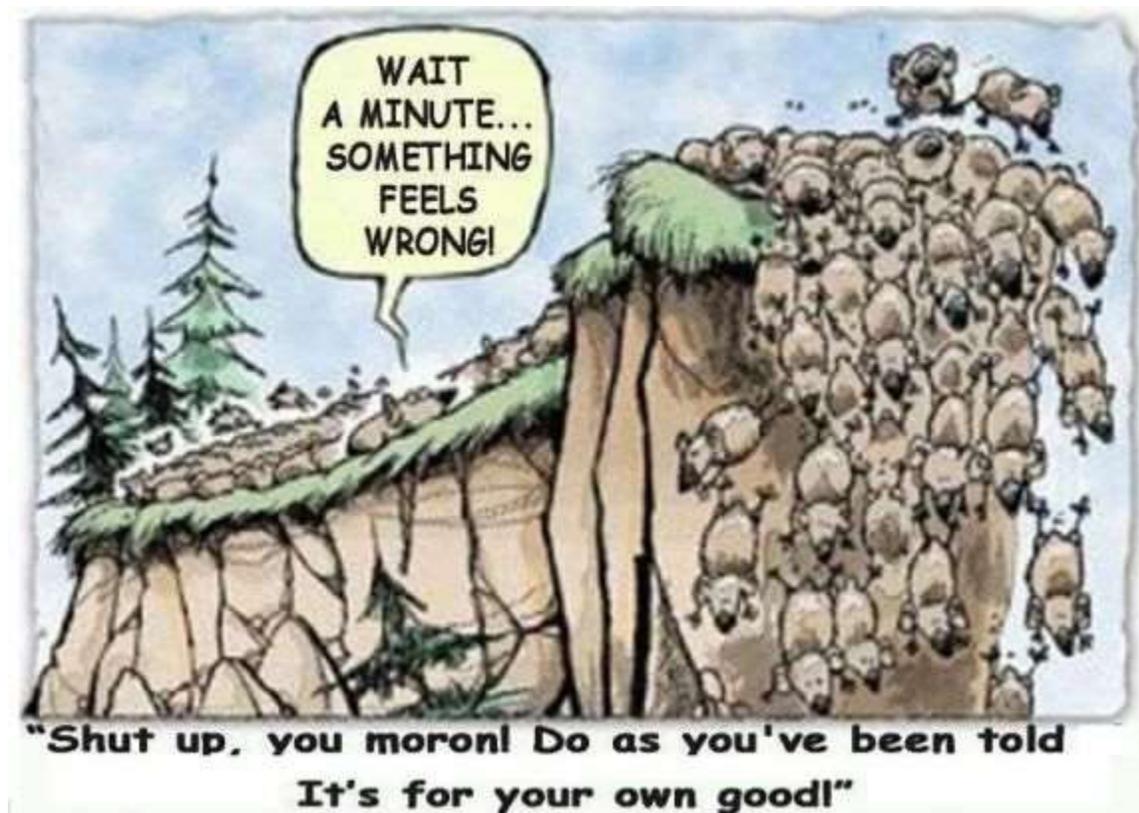

The negative effects can be combated through the four stages of disaster response:

-preparation, including publicly acknowledging the possibility of disaster and forming contingency plans.

-warning, including issuing clear, unambiguous, and frequent warnings and helping the public to understand and believe them.

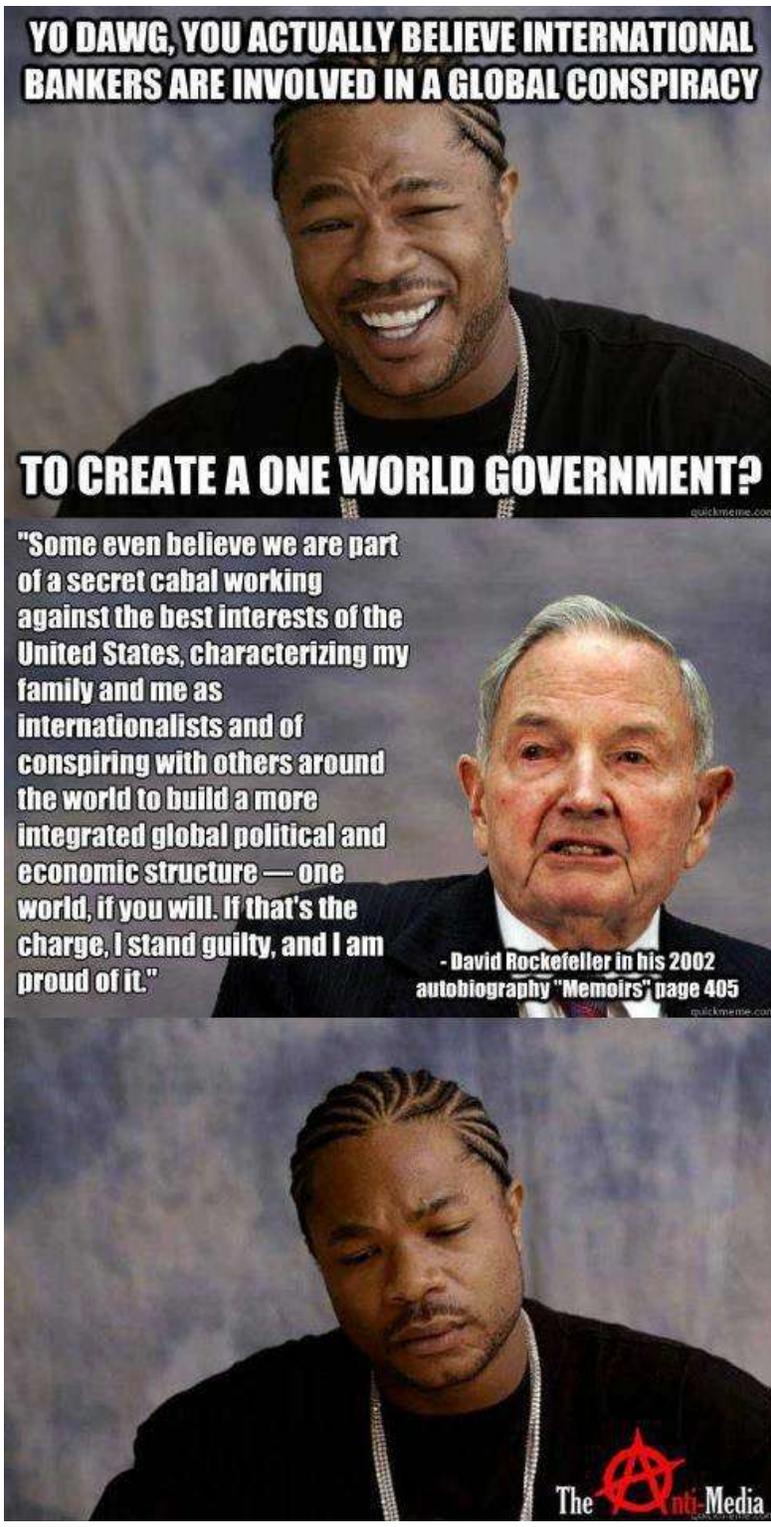

-impact, the stage at which the contingency plans take effect and emergency services, rescue teams, and disaster relief teams work in tandem..

-aftermath, or re-establishing equilibrium after the fact by providing supplies and aid to those in need.

DON'T LET THIS HAPPEN TO YOU!!! But you need to realize that in all of this take-down of the U.S. Dollar as the Reserve Currency in the world, the internal sabotage by treasonous leaders and politicians, Satanic Zionist Chabad Judaism, Jesuits and Masonic functionaries inside the Vatican and throughout the world, are working in consort with corrupt judges, politicians, and Supreme Court Justices, this all should bring you to the point to recognize that only Jesus Christ has the answer. The time to seek His forgiveness has never been more later than it is now. Fools will deny the power of God, but only Jesus Christ offers hope for the dying!

The dark ominous clouds of Satan's kingdom have nothing to offer in the way of hope whatsoever. Through those dark clouds there is a glimmer of hope, and I will reiterate my prediction. The greedy Zionist Rothschild's reflect the attitude of the old snake-oil salesman John D. Rockefeller.

Old John Davison Rockefeller well along in life was asked by a newspaper reporter about his wealth and how much more in life he wanted. The reporter said something to the effect, that he had so much and what more did he need. Old John D. in responding to how much more he needed, and his reply were another million dollars.

There are actually several reasons why the owners of the Federal Reserve (and Israel) dumped Trump. However, there is one reason that reigns supreme above them all.

President Trump fiercely resisted the order from ON HIGH (i.e. Tel Aviv) to attack Iran. He especially neglected to destroy Iran's much-feared (by Israel) nuclear program. For the Israeli and American Neocon Zionists, this was Trump's MORTAL SIN of all mortal sins.

As a consequence of this unforgivable 'failure', the Sword of Damocles was held over Trump's head by the ruling Zionists over four long years. What the American people really witnessed was every conceivable method of coercion and intimidation the Zionists could bring to bear to force Trump's hand. But in the end, Trump stood firm in his pledge not to start any wars, or at least not any major wars.

The "Hidden Hand" is a sign used by secret members of the Masonic Lodge. You can read about it a book by that name written by Ralph Epperson.

At the end of the day, the Hidden Hand that controls the final outcome of every American POTUS election decided to pull the plug on a second term for Trump. For his refusal to bend to their will could no longer be tolerated in light of the very tight time frame needed to roll out Klaus Schwab's GREAT RESET.

"Hidden Hand"

"The Jesuits are a Military Religious Order of the Roman Catholic Church; Masonic and other oaths."

"The hidden hand lets the other initiates know that the individual depicted is part of this secret Brotherhood and that his actions were inspired by the Masonic philosophy and beliefs. Furthermore, the hand that executes the actions is hidden behind cloth, which can symbolically refer to covert nature of the Mason's actions." - VC

The Hidden Hand is the people who have always been the highest hidden authority. It's a Secret brotherhood that controls a network of secret societies such as (Bavarian) Illuminati, Freemasonry. These secret societies carry out the orders that are passed down to them through various levels of power which the secret societies then pass down even further through so many more levels so that when the order has finally reached a person he has no clue from where the order came or why. The people you see in power are nothing. The only truly powerful family is the British Royal Family [Really Talmudic, Freemason Zionists descended from the Babylonian Brotherhood] because of their bloodline. They are the highest authority and control everyone else, they control a network of secret societies that work under them. They are a small fraternity, a few people who have the purest bloodline which goes back to the ancient world. The Hidden Hand is a small secret brotherhood that follows the mystery [Satanic] religions of ancient Egypt and other mystery religions of the ancient world. They control a network of secret societies. They are incredibly well organized. Adam Weishaupt was taught and financed by powerful families who were under the hands of the Hidden Hand. The Hidden hand was the ones who, through certain people, had Adam Weishaupt create the Illuminati for certain reasons, some of which are obvious. The Hidden Hand traces its origins back to ancient Egypt, Babylon and Sumerian; therefore, you see Egyptian symbolism everywhere.

The Rothschild's wealth is conservatively estimated at \$300-trillion dollars; and their gold holdings are so vast, you have to ask, why they are determined to steal the gold of the Iranian State Bank. They want it because they don't have it. Now that they have their new puppet, senile Joe Biden, the dual-citizenship crowd will have perceived easy pickings by using the U.S. military to find a false flag opportunity to attack Iran. But before this occurs, Israel in all of its arrogance will nuke Damascus as Isaiah 17:1-2 tells us. Thinking they control the U.S. presidency, through their dual-citizenship leaders in Washington, their pride will trip them up. ***"Pride goes before destruction, And a haughty spirit before a fall. Better to be of a humble spirit with the lowly, Than to divide the spoil with the proud."*** -(Proverbs 16:18-19).

Even North Korea's Kim Jong Un is a Mason! (Not an accidental poses!)

At the moment Bibi Netanyahu calls for the nuking of Damascus, he will have crossed the line with Vladimir Putin, and face the retaliation of Russia in the Gog-Magog alliance treaty with Syria and Iran. As the missiles begin to fly back and forth, it is likely to spread to the U.S. and China. At this point, God will act, removing hundreds of believers from around the world as part of his promise: ***“Because thou hast kept the word of my patience, I also will keep thee from the hour of temptation, which shall come upon all the world, to try them that dwell upon the earth.”*** -(Revelation 3:10).

Given what is currently know, do not dismiss this scenario inside the next 3 to 6 months. Trust the Plan! God’s plan all along had greater promise and expectation than did that of the Trump team! Instead of relying on the Internet blogs and UK voices of MI5 and MI6. Time to get serious about the Word of God, His Plan is a Perfect Plan!

Joe Biden ordered U.S. troops back to Syria. 24 Hours After Joe Biden was sworn In As President, The Swamp Orders U.S. Troops Back Into Syria With Convoy Of 40 Trucks, Armored vehicles And Helicopters Flying Overhead. Maybe my prediction will not take 3 to 6 months. In the meantime, keep looking up and listening for the trumpet blast!

I will save the rest for another Blessed Hope “Diamond & Nugget.”

Blessings,
