

# The Blessed Hope!

**“Looking for that blessed hope, and the glorious appearing of the great God and our Saviour Jesus Christ;” –(Titus 2:13)**

*Diamond & Nugget #49*

The State of the Nation calls it a psyop, and that it was; yet it is what my mentor in seminary used to say, *“What is the lesson you have learned from an experience?”* As a postscript to Blessed Hope #48, I want to reiterate something Proverbs 3:5 states, **“Trust in the LORD with all thine heart; and lean not unto thine own understanding.”** I find great comfort knowing that Hillary Clinton never became the 45<sup>th</sup> President of the Republic. It would have been even better had she been arrested and indicted on any of the twenty-one crimes she was accused of. The fact that the FBI gave her a free pass since 1991 is further evidence of a two tiered justice system and a corrupt judicial system. This still does not offer much hope with senile Joe Biden or his illegal Vice-President. She fails to meet two of the three constitutional requirements to be either the Vice-President or President.

The events of this past year clearly show that America has chosen to follow the wrong path. Yesterday, State of the Nation posted a report that virtually echoes what I said in my last Blessed Hope #48.

Here's why TPTB made sure Trump would not win ... even though he won by a record landslide.

**ELECTION PSYOP 2020:  
The Well-Hidden Back Story  
[State of the Nation](#)**

***“No one ever is selected by the puppet master to be the POTUS unless they agree to carry out an essential piece of the agenda. Once they sign the contract to become President of the U.S. Corporation, they work for the Federal Reserve not the American People. So, it's the foreign owners of the FED who always choose the POTUS. However, that does not mean a POTUS, once installed in the Oval Office, cannot go rogue. JFK did just that. So did DJT.”***

**— Intelligence Analyst & Former U.S. Military Officer**

**The further we get away from Election Day 2020, the easier it is to understand what really happened.**

As much as most folks will not want to believe the following irrefutable analysis, the stark reality provided by a deep insider within the U.S. Intelligence Community is exactly what happened.

***“Tel Aviv betrayed Trump with a new deal with Biden and so they threw him to the dogs. Sheldon Adelson and the Mafia have no trouble switching sides for the winner by hook or crook. Pence and McConnell also betrayed Trump. It was as though Trump walked as Julius Caesar into the Roman Senate to be stabbed to death. Any deal Trump makes with the system or Deep State will not be kept and they are secretly talking about ending him forever.”***

— A dissident but still very connected *Deep State* intel op offered this cold, dispassionate view of the Big Picture

(Source: [What really happened between Trump and Israel vis-à-vis the election?](#))

With this crucial understanding, it ought to be clear that Donald Trump would never have won the 2016 POTUS election without the direct intervention of Israel—PERIOD.

Yes, he also had a highly secret contingent of military brass Patriots begging him to run in 2015, but that was only to lure him out of his very comfortable life as a private citizen and successful businessman. Who could resist the patriotic call of a powerful group of active and retired flag officers within the U.S. Armed Services who were justifiably horrified at the prospect of a Hillary Clinton presidency? Even though they were all well-established power-players in the Military-Industrial Complex, they simply could not stomach a stone-cold traitor to the Republic in the White House. Moreover, the Clinton Crime Family dishonored the military way too many times.

#### **The Tel Aviv Connection**

The critical point here is that Sheldon Adelson, a primary bagman for the [Khazarian Mafia](#) was Trump's largest campaign donor during the 2016 election cycle. Shelly was used to fund Trump's campaign with his massive gambling revenues, as he also did in 2020 but to a much smaller degree by purposeful design.

***In a talk to an Israeli group in July, 2010, Sheldon Adelson said he wished he had served in the Israeli Army rather the U.S. military—and that he hoped his young son will come back to Israel and “be a sniper for the IDF,” a reference to the Israel Defense Forces. ([YouTube video of speech](#))***

As a hardcore Neocon Zionist, Adelson only gave those HUGE donations to Trump on a quid pro quo basis, as is the case with every political campaign. This is why President Trump quite dramatically advanced so many cause célèbres directly associated with Zionist Israel.

Furthermore, it's why Trump appointed Neocon warmonger and Zionist Iran-hater John Bolton as his National Security Advisor. It's why he appointed fanatical Christian Zionist Mike Pompeo as Secretary of State. It's why he appointed “Israel's bitch” Nikki Haley as the 29th United States Ambassador to the United Nations. It's especially why Trump was told to choose arch-Zionist Mike Pence as his VP.

**KEY POINT:** It can be confidently stated that the very day that Trump fired Bolton was the day that his re-election prospects were doomed with finality. Not only did Trump resist Bolton's efforts to attack Iran, he also refused to invade Syria and overthrow the Maduro administration in Venezuela. See: [A Large US Military Convoy Rolled Into Syria On 1st Day Of Biden Presidency](#)

In point of fact, all of President Trump's most important appointments at the DoJ were foisted on him by his largest [Tel Aviv-connected] campaign donors. These include the disastrous Jeff Sessions and William Barr, as well as the catastrophic Christopher Wray at the FBI. It also includes the three obvious RINOs who Trump was forced to select for the Supreme Court—Neil Gorsuch, Brett Kavanaugh and Amy Coney Barrett.

This irrefutable personnel picture of the Trump administration is quite telling as it portrays the fact that each of these key players was not selected by President Trump; they were selected by Zionist kingpins in Chicago and Tel Aviv.

Really, why else would Trump have appointed the highly radioactive Alex Acosta to Secretary of Labor after he unlawfully cut a sweetheart deal with notorious child trafficker Jeffrey Epstein?!?! Mossad agent Epstein was Israel's inside man making sure every single American VIP, who had any real power and/or major influence, was sufficiently bribable and/or blackmailable to do Israel's work.

THE  
GREAT  
STEALECTION

### **Trump's engineered election loss**

There are actually several reasons why the owners of the Federal Reserve (and Israel) dumped Trump. However, there is one reason that reigns supreme above them all.

**President Trump fiercely resisted the order from ON HIGH (i.e. Tel Aviv) to attack Iran.** He especially neglected to destroy Iran's much-feared (by Israel) nuclear sites that housed their fictionalized nuclear weapons development program. For the Israeli and American Neocon Zionists, this was Trump's **MORTAL SIN** of all mortal sins.

As a consequence of this unforgivable 'failure', the *Sword of Damocles* was held over Trump's head by the ruling Zionists over four long years. What the American people really witnessed was every conceivable method of coercion and intimidation the Zionists could bring to bear to force Trump's hand. But in the end, Trump stood firm in his pledge not to start any wars, or at least not any major wars. (The wholesale destruction of Yemen by Saudi Arabia and the U.S. could be rightly considered as breaking that promise even though the Neocon warmongers used KSA proxies.)

At the end of the day, the *Hidden Hand*\* that controls the final outcome of every American POTUS election decided to pull the plug on a second term for Trump. For his

refusal to bend to their will to attack Iran and Syria could no longer be tolerated; and especially in light of the very tight time frame needed to roll out the [GREAT RESET](#).

**\*“The Hidden Hand are the people who have always been the highest hidden authority. It’s a Secret brotherhood that controls a network of secret societies such as (Bavarian) Illuminati, Freemasonry. These secret societies carry out the orders that are passed down to them through various levels of power which the secret societies then pass down even further through so many more levels so that when the order has finally reached a person he has no clue from where the order came or why. The people you see in power are nothing. The only truly powerful family is the British Royal Family [Really Talmudic, Freemason Zionists descended form Babylonian Brotherhood] because of their bloodline. They are the highest authority and control everyone else, they control a network of secret societies that work under them. They are a small fraternity, a few people who have the purest bloodline which goes back to the ancient world. The Hidden Hand is a small secret brotherhood that follows the mystery [Satanic] religions of ancient Egypt and other mystery religions of the ancient world. They control a network of secret societies. They are incredibly well organized. Adam Weishaupt was taught and financed by powerful families who were under the hands of the Hidden Hand. Hidden hand were the ones who, through certain people, had Adam Weishaupt create the Illuminati for certain reasons, some of which are obvious. The Hidden Hand traces its origins back to ancient Egypt, Babylon and Sumeria; therefore, you see Egyptian symbolism everywhere.”**

(Source: [Exactly who is the Hidden Hand?](#))

After all, who did not witness Trump’s courageous and continuous resistance to the utterly absurd [CORONAhoax](#)? Yet another reason why they permitted Joe Biden to outright steal the election in broad daylight.

Remember, the ultimate consequence for President Trump’s disobedience is not assassination; rather, it’s the insufferable insult of losing to a guy who **“doesn’t even know he’s alive”**.

This is why TPTB are forever using the mainstream media to add insult to injury. Particularly in view of the overwhelming hard evidence documenting the greatest vote fraud and election theft in world history is this never-ending media assault intolerable for Trump. As a matter of historical fact, no one has ever seen so much salt rubbed in the wound as the 2020 election heist and cover-up have done to the true winner—Donald J. Trump.

**Bottom Line: Whereas the *Hidden Hand* violently assassinated JFK; they character assassinated DJT... as they will continue to do for the rest of his natural life. They will ultimately turn him into the Hitler of the 21st century in order to completely destroy his legacy and undermine the Patriot Movement. More importantly, the slow-motion**

**torture show of Trump will send a message to every other head of state to not even think about ever leaving the *New World Order* reservation.**

### **Parallels to JFK**

Just as John F. Kennedy was shoehorned into the Oval Office by the Jewish Mafia in Chicago, Donald Trump was put into the White House by another branch of the same ***Khazarian Mafia***.

Joe Kennedy had deep connections to the Irish Mafia that ran Chicago's Democrat political machine and saw to it that JFK won the 1960 election by illicitly taking Illinois. What few politicians knew at that time was that the Jewish Mafia totally controlled the Irish Mafia, as it also controls the Sicilian Mafia in the Windy City.

The key point here is that the Khazarians felt profoundly betrayed by JFK after giving him a victory. That's because President Kennedy refused to arm Israel with nuclear weapons, which then caused Israel's Founder and first Prime Minister David Ben-Gurion to go ballistic (and crazy) sealing JFK's fate (**as well as RFK's, too**). No one ever double-crosses the **Khazarian Mafia** and gets away with it.

### **CHICAGO SUPERMOB: The Jewish Mafia That Killed Kennedy**

Similarly, President Trump defied Israel's direct orders to invade Iran but not on pain of death; rather, at the risk of being character assassinated like no other person in history. Just like Adolph Hitler and every single Nazi associate is forever vilified for betraying the Central Banking Cartel, so too will Team Trump be hunted down until they are all neutralized by every means possible.

What few Patriots understand is that, after the Kennedy presidency, every POTUS was forced to sign an ironclad contract — as President/CEO of the U.S. Corporation — which forbade him from prosecuting any previous POTUS for their very real crimes against the American Republic. This is why President Trump suddenly flipped on “locking up Hillary” as both President Bill Clinton and Barack Obama would have been deeply implicated in the Clinton-Obama crime spree(s). So would criminal co-conspirator Vice-President Joe Biden!

## Conclusion

In light of these stark presidential realities, President Trump did as much as any mortal could have done to drain the swamp. No, not a single swamp creature was ever apprehended or prosecuted, but how could he with Zionist-selected puppets staffing the highest echelons of federal law enforcement. What Trump did do quite effectively was expose so many swamp creatures inside the Beltway so that *We the People* could see them, once and for all. That can't be undone—EVER!

**By the way, as far as the Democrats, *Deep State* and the NWO globalist cabal are concerned, this was by far Trump's greatest crime—he pulled back the veil on their multi-decade crime wave in a way never seen in American history.**

Remember, **God often writes straight with crooked lines.** The presidency of Donald Trump could only have happened with great earthly powers making it happen. Same with John Kennedy. In both cases, however, those formidable “powers and principalities” were exposed as never before. The cat is now out of the bag which is why TPTB prematurely launched [THE GREAT SCAMDEMIC](#), way before its time. They're so desperate and reckless beyond reason that their historic mistakes and missteps will likely take them all down.

At the end of every era, the forces of light invariably defeat the forces of darkness mostly by shining the light of truth on them. As they scatter, the dark forces then take each other down as they leave the sinking ship scrambling for life boats that also have holes in them.

**Moral of the Story:** God's in charge, always and everywhere. So take heart, and pray, and be sure to stay out of the way...because the sh\*t is about to hit the fan.

### Author's Note

In truth, this global psychological operation goes way beyond the public annihilation of Donald Trump. As the extremely courageous ex-POTUS often said, TPTB were not after him, they're after US. The perps at the top of the planetary food chain especially want to forever eliminate the entire Patriot Movement. This is where this extremely complex, AI pre-planned and highly organized psyop is about to get very interesting indeed. A second exposé will soon be published that will flesh out the skeleton of this ongoing communist plot to collapse the American Republic.
