

# The Blessed Hope!

**“Looking for that blessed hope, and the glorious appearing of the great God and our Saviour Jesus Christ;” –(Titus 2:13)**

## *Diamond & Nugget #67*

I happened to recently view Jimmy Evans “Tipping Point” program. The headline was an eye-catcher for sure. The title was “Five Reasons Jesus Must Return”. My first reaction was that I know there are many more so I watched the program. I must admit it grabbed my attention and so I will share the highlights with you from the program. You might want to know the basics in your witness to others.

1. Jesus promised He would return!
2. The dead are resurrected at His return!
3. Satan is defeated at this point in time!
4. Jesus Deity is proven at His return!
5. It establishes the authority of Scripture!

Jimmy Evans went on to note that 329 times in the Bible there is a reference to Jesus’ return. When I heard that remark, I immediately recognized that number as a factor of God’s Covenant number “seven”:  $[329 = 7 \times 47]$ . Biblical Mathematics is one of my interests. Perhaps you saw the 1988 movie “Rain Man”. It was one of the best movies I have ever seen.

I particularly enjoyed the movie “Rain Man” but being a numbers type person, I had an affinity for the autistic character Raymond played by Dustin Hoffman and his gift for numbers. My own fascination with God’s use of the theme of “**Seven**” with me goes back to my days as a student-pastor in college. For most people this is seen as trivia, but for me, it was clear mathematical evidence for the truth and accuracy of Scripture. It is not the only way we can validate the Bible as the Word of God; however, it is without any question, a specific way God communicated to humanity that He is for real! I have done two volumes of an eBook, “***The Inspired Word of God: Mathematically Proven True!***” that documents thousands of examples through nine different applications found throughout the pages of the Bible.

This link will take you to [\*\*The Inspired Word of God; Mathematically Proven True -- Appendix E\*\*](#) The significance of this is so profound that it leaves one

speechless and virtually amazed. Here is an example that is only found in the original Greek and Hebrew.

At a deeper level, any reference to the **“Aleph-Tav”** or the **“Alpha & Omega”** is linked directly to the deeper meaning of the term found **7,339X times** in the Hebrew and Greek texts of the Bible as a stand-alone word set. **The grand total of the untranslated “Aleph-Tav” is 9,590X times, which happens to be (7 x 1,370)!!** This is noted on page 62 of chapter 3. All the occurrences of **“Aleph-Tav”** or **“Alpha & Omega”**, along with those used as a prefix or as a suffix (**2,251X**); relate to the Creator, Jesus Christ, Himself. The point being made is that the “Heptadic Design Feature” is only found in the collective grand total of the “untranslated” stand-alone word plus all prefixes and suffixes found in the King James Bible. As such, one can say the **very name of Jesus Christ, His DNA signature is found on every page of the King James Bible**, and he would be absolutely correct!

Have you ever asked the question why you should be watching for the return of Jesus?

The Bible has many Scriptures which ask us to be watchful. Does it only talk about recognizing the times?

The world also says that things are getting worse. Or are these exhortations for watchfulness given to develop our spiritual discernment for 1) our own shortcomings and 2) for the enemy's work in the world, and 3) the coming of the Lord? How can a Christian be expected to be watchful if it is really the work of the Holy Spirit who works this out in us? I therefore ask the Lord to open my eyes and ears and soften my heart more. And why are we, who love the Lord deeply, still so divided in what we see or discern? **“Do I really walk in the Light”** -(1<sup>st</sup> John 1:7)? One might answer and say they don't have time to do what I do all day long. Your retired and what else do you have in life to do? Perhaps so, but you are missing a great deal of what God has placed in the Bible.

Yes, the world is getting worse. Jesus predicted that this would happen. I can't recall when things have been this bad. Evil has corrupted what God called good! 16-million Americans faced eviction this past July 31<sup>st</sup>, when legislation expired on the unemployed that were protected from eviction. Half the country is one pay check away from financial disaster. Joe Biden delayed eviction of 16-million for a few more months, I might add illegally so!

Why does Jesus want us to watch for His return? Here are two of God's reasons, **“Since all these things are to be destroyed in this way, what sort of people ought you to be in holy conduct and godliness, looking for and hastening the coming of the day of God, on account of which the heavens will be destroyed by burning, and the elements will melt with intense heat!”** -(2<sup>nd</sup> Peter 3:11-12).

***“Beloved, now we are children of God, and it has not appeared as yet what we shall be. We know that, when He appears, we shall be like Him, because we shall see Him just as He is. And everyone who has this hope fixed on Him purifies himself, just as He is pure.”***-(1 John 3:2-3).

In my last “Diamond & Nugget”, Blessed Hope #66, I addressed the passage of 2<sup>nd</sup> Thessalonians 2:11. I made a point about the aspect of God sending “delusion” on those rejecting the Truth! There has been no greater time where this applies than today and the poison needle loaded with the poison of Graphene Oxide.

I noted that the word “delusion” was found but a single time in the entire KJV Bible. ***“For this cause God shall send them strong delusion. Because they do not receive the truth.”*** He who refuses to receive the truth will at last believe lies. It is the law of human nature.

I started this Blessed Hope about three weeks ago, and was waiting on the Holy Spirit to speak to me at 4 a.m. on what I should write on next. God usually has my undivided attention about 4:15 a.m. It has been that way for years and it’s not because I have to go to the bathroom, but that occurs at 3 a.m. and has been like clockwork for forty years. However, from 4 a.m. to 4:30 a.m. is “prime time” for God’s instruction. You might find that strange but I keep note pads on clip boards, and pens close by to take notes and hear from the Lord. God speaks many ways to us, but I learned several decades ago how God speaks through our spirit or intuition. If you don’t believe that get a copy of Watchman Nee’s book, *‘The Spiritual Man’*. He has an entire chapter devoted to “intuition” and how the Holy Spirit communicates with us through “intuition” or our spirit, if we are willing to listen! The fact is most people are too busy to be listening to God’s directions.

We are on the horizon of the greatest event in the Bible. Many Christians today are in the greatest test of their faith, i.e., belief in the Rapture of the Church, believers who have trusted in the Lord Jesus Christ. All of you can benefit or comfort in the words to this effect. I have been thinking about those of my family I hope to see at the gathering of the dead in Christ and those of us who are alive at that “twinkling” of an eye!. Of particular excitement and anticipation for me is the meeting of my namesake uncle who gave me my first tricycle on Christmas of 1941 before going off to war, never to return home to his parents and siblings. He was taken prisoner in the Philippines and died in the Bataan Death March of 1942 when the Japanese captured the Philippine Islands in the Pacific.

Jesus said, ***“Watch therefore, and pray always that you may be counted worthy to escape all these things that will come to pass, and to stand before the Son of Man!”*** -(Luke 21:36). This is just one of many passages that confirm our removal before, and it does not say anything about our going through the Great Tribulation. There are a lot of scoffers out there who will eat your lunch in a heartbeat. They are not serious Bible students and their ignorance shows through the veneer of their claims.

The world has gone crazy and what we are part of is the satanic transition to the New World Order and the Great Tribulation. We are moving into the back stretch of history as we knew it. The crackdown by the power elite is all about sticking you with a death shot! The *strain du jour* is going to change daily or as often so that will keep people off balance, confused, and deceived. It is the greatest psy-op of history. It is also very effective as many psychiatrists have confirmed by those involved in therapy. Fear is such a powerful motive and it destroys one's ability to act rational and logical.

A Canadian Court just ruled the virus does not exist! Patriot Patrick King represented himself in court after being fined \$1,200 dollars for protesting against the Covid-Hoax, he slew the beast and emerged VICTORIOUS. He issued a subpoena to the Provincial Health Minister for proof that the so-called Covid-19 Virus exists, and they were forced to admit that they had no evidence whatsoever. The virus has never been isolated, and thus the government had no legal grounds to impose any of the punishing restrictions they have inflicted on society. A similar occurrence in Dublin, Ireland has forced the government to acknowledge there is no Covid-19 virus, but neither has it changed the media narrative supporting the agenda of the globalists. This will not deter Joe Biden from issuing an executive order and instituting medical martial law again and thus attempt to double-down on their lies and deceptions. This is a war for all the "marbles" and crushing the spirit of the citizens.

That has been the crux of my argument since day one. The proof it is a virus comes down to producing the evidence. No evidence, no virus. It is as simple as that. By now, anyone reading my articles should know by now the term "Koch Postulates". Tony Fauci lied, Robert Redfield lied, Deborah Birx lied. They are all serial felons. 100 countries and labs around the world asked the CDC for lab samples, slides, for proof to use in their diagnostic work. The CDC, NIH, FDA, NIAID, WHO are criminals and their message changes daily as the virus narrative unravels like a ball of yarn.

Dr. Nancy Mikovitz In her 35-year quest to understand and treat chronic diseases, she has co-authored seminal papers culminating at least a decade of research in each of four fields: immunology, natural products chemistry, epigenetics, and HIV/AIDs drug development. In 2006, she became attracted to the plight of families with neuro-immune diseases including ME/CFS and autism. Dr. Mikovits has been primarily responsible for demonstrating the relationship between environmentally acquired immune dysfunction, chronic inflammation, and these diseases. You can listen to an interview she did with Activist Post on August 13<sup>th</sup>, if you need and want evidence of this scam. I will save the link if anyone wants to access it. But let's move on for those who believe like I do that we are out of here very shortly.

What can God's people do in this present world, in the midst of lawlessness and apostasy? God has told us exactly what to do. We are to be peaceful non-violent protesters. Refuse to comply and avoid large gatherings. Senator Rand Paul has *"called for civil disobedience, stating that they can't arrest us all!"*

Don't be surprised. God's Word prophesies the condition of the world and of professing Christianity, and this is exactly what we see in our day. ***"This know also, that in the last days perilous times shall come. For men shall be lovers of their own selves, covetous, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy, Without natural affection, trucebreakers, false accusers, incontinent, fierce, despisers of those that are good, Traitors, heady, high minded, lovers of pleasures more than lovers of God; Having a form of godliness, but denying the power thereof: from such turn away"*** -(2<sup>nd</sup> Timothy 3:1-5).

The Bible warns that Christianity in the lawless days will be a powerless one. ***"Having a form of godliness, but denying the power thereof: from such turn away"*** -(2<sup>nd</sup> Timothy 3:5).

It is imperative to make sure that you are really born again and ready to meet Christ. ***"For this we say unto you by the word of the Lord, that we which are alive and remain unto the coming of the Lord shall not prevent them which are asleep. For the Lord himself shall descend from heaven with a shout, with the voice of the archangel, and with the trump of God: and the dead in Christ shall rise first: Then we which are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air: and so shall we ever be with the Lord. Wherefore comfort one another with these words"*** -(1<sup>st</sup> Thessalonians 4:15-18)

Blood moons, Viruses, Face Masks, Lockdowns, Papal visits, Jewish holidays, stock market crashes, Supreme Court decisions. Are the current events pointing to something significant happening next month? Perhaps the Rapture, and the coming of the Lord, or judgment?

This year is not the first time that end of the world hysteria has run rampant. Predictions have been made for millennia. All have failed because they are driven by an ignorance of the correct method by which one should understand the Bible.

Everyone knows the Bible says ***"no man knows the day and the hour"*** -(Matthew 24:36), but this does not stop people from thinking they see signs of the last days. Why? They think the church is in some way part of Israel's prophecies, Israel's calendar, and that the church should be looking for prophetic signs given to Israel. We can know the season and it is now!

The Bible rightly divided separates prophecy from mystery, Israel from the church, heaven and earth. In prophecy God worked through Israel to fulfill His purpose on the earth, but now according to the revelation of the mystery, God is working through the church for a heavenly purpose.

The Bible clearly teaches that society will degenerate in the end times, becoming as evil as it was in the days of Noah -(Matthew 24:37-39). The Apostle Paul, speaking as a prophet, says that society will descend into a black pit of immorality, violence, and

paganism -(2<sup>nd</sup> Timothy 3:1-5). He asserts that men will be **“lovers of self, lovers of money, and lovers of pleasure.”** People will be **“boastful, arrogant, and unholy,”** and children will be **“disobedient to parents.”** Chaos and violence reign in America’s big cities like Chicago, Portland, Los Angeles, Baltimore, Philadelphia, New York, and San Francisco.

Sounds like the evening news, doesn’t it? In short, we have arrived. The signs of coming persecution are all around us. We should be deeply concerned over these developments, not only because we are witnessing the destruction of our beloved America, but because both Jesus and Paul prophesied that when these things occur, the Church will come under attack and individual Christians will be persecuted. Who was it that was first told to shut their doors when Covid-19 exploded on to the scene?

Jesus said that as lawlessness increases, **“most people’s love will grow cold”** - (Matthew 24:12). He stated that in this hostile atmosphere, many professing Christians will **“fall away”** and will proceed to cooperate in the persecution of their former brothers and sisters in Christ -(Matthew 24:10). Paul indicates the same thing when he says that people will be **“haters of good”** and that they will therefore be **“brutal”** and **“reckless,”** reviling those who stand for righteousness -(2<sup>nd</sup> Timothy 3:2-4). It never occurred to me that our own government (the FBI) would encourage people to “snitch” on their own family and neighbors as part of a national surveillance program, they have a nasty habit of doing sting operations that make them appear good in the media.

We are watching these prophecies come true today before our very eyes, both here in America and around the world. As our culture has secularized and paganized, Christianity, the Church, and Christians have come under increasing attack as “intolerant bigots.” The attacks are going to intensify, and it is going to become increasingly difficult for Christians to stand for righteousness. Jobs will be lost because people will not take their employer mandates to be vaxxed. Careers will be destroyed. Christians will even be sent to prison for speaking out against evils like homosexuality because such pronouncements will be labeled as **“hate crimes.”** The Bible regularly is attacked as “hate speech!”

This past weekend of August 7<sup>th</sup> may have given us a hint of the Ezekiel 38/39 war. A week ago, an oil tanker in the Gulf of Oman was hit with a kamikaze drone, damaging the empty tanker but also setting it on fire. Tuesday of last week also saw 5 additional oil tankers disabled and unable to navigate. Iran denied attacking any of the vessels yet investigation by various international officials has pointed the blame on Iran.

On Saturday, August 7<sup>th</sup> the former head of the UN Security Council told Iran’s prime minister that the UN **“Security Council Members Have Decided Upon War against Iran”**. This comes after Iran elected a hard line Muslim as Iran’s new president hosted terror leaders as he comes into office. Reports on Saturday evening indicated that IRGC head Hossein Salami had also met the Hezbollah deputy and said that they should prepare for the **“collapse”** of Israel. Iran wants to use Hamas more against

Israel, as well as wanting to work with Hezbollah, and has been closely watching Israel-Hezbollah tensions in recent days.

This comes just hours after Israeli Defense Minister Benny Gantz stated publicly *"Iran poses an imminent and immediate danger, we must act now."* Defense Minister Gantz also warned: *"Iran's terror proxies in region have hundreds of strike drones, Tehran's aggression keeps growing; the time to act against Iran is now,"* and then went farther, saying *"Israel will take action to eliminate any existential threat."*

Shortly after Gantz made his remarks UK Prime Minister Boris Johnson chimed in, blaming Iran for 'an outrageous attack on commercial shipping' which allegedly took place last week. Last week, the Liberian-flagged Mercer Street oil tanker – en route to the UAE from Tanzania with no cargo onboard – was targeted off the coast of Oman, about 300 km southeast of Muscat.

In my own analysis, strategically Iran and Russia may decide to do a pre-emptive strike on Israel -(Ezekiel 38/39), since Vladimir Putin of Russia has been frustrated with Israel's constant nightly attacks on Damascus the past few weeks. Russian anti-missiles have defeated several Israeli missile attacks on Damascus targets. A few weeks back Russia moved several nuclear-equipped Russian bomber aircraft to its base in northern Syria. Since the Iranian treaty with Russia and China binds them tightly together we need to be watching this situation closely.

The Pre-Tribulation Rapture has to occur before the Ezekiel 38/39 War. There are between 2 and 25 million Christians in Iran, 300-350 million Christians in China, 150+ million Christians in the U.S. Christianity in Iran is banned and so the exact numbers are based upon Satellite data of Iranians viewing American Christian programming. They gather together in secret. The figures on China are based upon published numbers from China before the crackdown on religious groups. A classmate of mine at Asbury Seminary was from China, and her father was a member of the CCP. It took her a year to obtain legal permission and necessary visa and papers permitting her to attend Asbury Seminary in the mid-1990s. Keeping in mind the promise of Revelation 3:10: ***"Because thou hast kept the word of my patience, I also will keep thee from the hour of temptation, which shall come upon ALL the world, to try them that dwell upon the earth."*** that verse applies to ALL CHRISTIAN BELIEVERS.

I do believe that the pivotal issue that will bring on God's intervention will be tied to the mandating of the vaxxes upon the children and young of the land of Israel and worldwide. Israel has begun giving those of age 60 and older a third or "booster" shot. This will most certainly be the "kill" shot for the elderly as their immune system activates a cytokine storm by attacking itself. This is a clear sign of a Satanic attack on the Jewish remnant of Abraham, Isaac, and Jacob. Twenty-four times in the Bible God intervened in the history of the descendants of Abraham, Isaac, and Jacob to preserve a remnant. Very few are aware of this Biblical "theme" of the remnant throughout the Bible, it is something that I have addressed in previous "diamonds & nuggets".

Along with the “booster” shot issue in Israel, we have an issue with “mandating” vaxxes for the young. This decision awaits the FDA approval of the “gene” therapy being passed off as a vaccine, which it is not. The FDA does not have the test data for its forthcoming decision. How convenient of them to purposely lose the test data. We knew last fall the early tests conducted with lab animals in 2020, were shut down because most of the animals died within 24-48 hours, none living longer than four days. We know nothing about the human trials conducted on volunteers since the data was destroyed. Joe Biden has as much as told us they will approve the “gene” therapy for use on the 1.3 million military and then the rest of the population of adults and children that have chosen not to take the shots. With a recovery rate of 99%, mandating a toxic vaccine is basically Genocidal Mass Murder.

I am going to share a portion of a lengthy post by Luis Vega that corroborates on what lies just ahead. I will leave a link at the close of this article for anyone interested in reading the complete Luis Vega post “Rapture Parables”. I am sharing his comments about the Covid-19 mandate plan:

[Pentecost is then the count of the subsequent 50 days thereafter, not the 50th day. So, this would put the Rapture Zone, at most sometime up to mid-August of 2021. Or it could be later, all the way up until September 20th, Astronomically. But regardless, it is that close if the Rapture is to be in 2021. If the Rapture occurs in the Summer of 2021 still based on the 7-Year Sabbatical Cycle, it would be too late as only an approximate 3-4 month window would exist before the Fall 2022 1st Year of the subsequent Shemitah or Sabbatical Cycle would start. The point is that the present Luciferian ‘Initiation’ through COVID is not over just yet. And also, the prophetic events leading to the advent of the Antichrist also have to occur. There is the Isaiah 17 event. This will lead to the Psalm 83 War of the Inner Ring Muslim countries. This will then spur the ‘Confirming’ the Covenant and the start of the construction of the 3rd Temple, etc. The eventual Endgame of the False Prophet and the Antichrist is to rollout the Mark of the Beast.

### The Timeline?

Presently, the reason for the Lockdowns, Mask Mandates and COVID is to have the World conditioned to accept the Mark of the Beast. Lucifer will roll-out his 'Reset' and that will include the Human Body. Presently, the overt and deceptive determination of the Kabbalists is to alter Humanity, genetically and deface the Image and Likeness of YHVH in every Human Body. This 'transition' is well under way. There is yet the 3rd and final step in completing this Luciferian Initiation Ritual. This will occur in the Fall of 2021. Remember that this COVID-19 plandemic is a Luciferian Ritual and Initiation Rite. Every Initiation Rite has 3 Stages and thus 3 COVID Waves that have been planned.

The Bride of Christ needs to be prepared spiritually and psychologically, if she is still here by mid-August as the 3rd COVID Wave is projected already to result in more Deaths than the 1st and 2nd Waves. And this because they have injected millions now and just in time for the natural Flu Season. And the Deaths will be blamed on those not having received the Injections and not because mass Deaths will have resulted from the COVID Injections. It is a perfect plan and with the Rapture event, it will give the Powers-That-Be the excuse, legal cover and impetus to force 'vaccinate' everyone at gun point if necessary. The Rapture event might very well be the determining factor.

**The forced Injections are already planned.** The CDC even has Project SHEILD that will have authority to Force Quarantine any member of a household, indefinitely. There will be more Lockdown measures imposed but more dire is that they will make it virtually impossible to live or work without the Injections. It is the 'Calm before the Storm' and it is the Rapture event that will set-off the draconian measures. Thus, the timeline from the Fall of 2022 to the Fall of 2029, appears to 'fit' perfectly then, right down to the day. One has actually projected a timeline down to the day in the Article, 'The Sign of the Sun of Man'. <https://www.postscripts.org/ps-news-434.html>. ]

What Luis Vega is saying here is that we are potentially on the doorstep of the Rapture and it will be the trip-wire event that comes with the Draconian measures of the Antichrist System.

I am suggesting to you that the moment official government sources approve a vaccine mandate, the proverbial "straw that broke the camel's back" at which time we can look for God to intervene. Until "Freedom of Choice" is removed from the table, God did not have a need to act; however, once the "Freedom of Choice" is taken away and the mandate is declared legal by the FDA, the principle of the "Remnant" kicks in. The doctrine of the "Remnant" is found throughout the Bible and if you are interested in knowing more about the doctrine of the "remnant" the link below will be of importance in understanding:

The Concept of the Remnant

[www.ldolphin.org/Remn.html](http://www.ldolphin.org/Remn.html)

None of you are likely to have ever heard of or were taught about the doctrine of the "Remnant" as few mainline churches teach this in their schools and churches along with so much important information they do not teach.

As soon as the Food and Drug Administration issues a full approval for a COVID-19 vaccine, there will be "a flood" of vaccine mandates at businesses and schools across the nation, Dr. Anthony Fauci told USA TODAY's editorial board on Friday. The evil Jesuit Dr. Fauci is the trumpeter for the toxic vaccines of Pfizer, Moderna, AstraZeneca, and Johnson & Johnson. In the past few weeks there has been an increase in the **5G** wireless energy toxic RF EMF spectrum. In non-technical terms, we are being radiated with a higher level of wireless energy. Three weeks ago it was discovered that Graphene Oxide was found as an ingredient in the Vaxxes people have been taking since the beginning of the year. Graphene Oxide is poison and it has been aerialized and sprayed for years. It is in the so-called vaccines. Whether inhaled, injected, or injeisted, it is toxic and kills. It is an integral part of the QUANTUMDOT/HYDROGEL ID2020 "**Mark**" of the **Beast**, a creation of Mr. Microsoft himself, Bill Gates. The population is being used as a guinea pig to see how much they can upload to the human body. The use of **5G** wireless energy is the medium to enable the powers to control humanity remotely via your cell phone GPS locator.

A Big Tech/biotech whistleblower, who is concealing his true identity for now and going by "Liberty Man" has been working on a documentary series for Infowars.com and he recently joined Alex Jones to explain why the Globalists are so desperate to force-inject us and why we must educate ourselves as much as possible about this.

He says, *"The reality is they're deploying technology on us and if you don't understand that technology, you will not understand what's going on. If you're a politician and you don't understand the DARPA technology that's being deployed on us right now, you are unfit to govern."*

*"We're going to be digging into basically, what I think is the Rosetta Stone...It's going to give you the perspective on why they're pushing this stuff so hard. For the doctors and scientists out there, you're going to understand all the vaccine injuries going on right now. But more importantly, you're going to understand two key things of the agenda and why they're pushing so hard; what this means to them..."*

### **TWO PARALLEL REVOLUTIONS AT PLAY**

*"To understand these shots, you need to understand that there are two parallel revolutions at play, from a technology perspective. There's a biotech side to it and a nanotech side to it."*

He says the Antibody-Dependent Enhancement (ADE) and "pathogenic priming" side effects that we've seen – and where most of the focus has been in the independent news – this comes from the mRNA gene therapy and the biotech side of this operation.

What less people have been focusing on has been the Graphene Oxide. Readers of this blog already know about how researchers in Spain have been doing numerous analyses of the contents of the vials, including electron microscopy, spectroscopy and liquid chromatography and they were the first to announce that the injections contain a considerable dose of Graphene Oxide nanoparticles, making up over 99% of the "medication". We also know, from Pfizer whistleblower, Karen Kingston that Graphene Oxide was redacted as an ingredient from Pfizer's U.S. patent, due to its status as a "trade secret".

Liberty Man confirms that the "worms" seen on the masks and swabs and the magnetization effects of human bodies that we've been seeing are all examples of functionalized graphene.

Liberty Man asks, *"How does the Hydrogel deliver the mRNA payload into our cells? The answer is Graphene Oxide,"* which he says is also instrumental for their plan to make humans into nodes on the Internet of Things, as was first reported here in 2015 from the whistleblower pseudonymously-named "DJ" from Level9News, who described DoD patents, such as #3951134,

*"Distant Brain Reading and Brainwave Manipulation"* [via satellite!] and #6011991 *"Remote Brain-Computer Interface Neural Monitoring"*, both of which relate to GeoINT and the JADE II software.

These relate to Agenda 2030 and the Smart Grids. He says, *"They want to make you a part of the infrastructure of Smart Cities,"* and Alex chimes in that Jeffrey Epstein was involved at every level of this.

He says that everyone loves to hate on Bill Gates but he suspects, after reading *The Singularity is Near*, that its author, Ray Kurzweil is the Technical Product Manager running the scientists in this whole operation, whereas Bill Gates was the Program Manager, managing the funding.

### **A NEW MANHATTAN PROJECT**

*"So again, why are they pushing so hard on all of this stuff?"* he asks. *"What Ray Kurzweil wants to do with nanotech, fundamentally is he wants to get in; he wants to get control of those [DNA] base pairs, he wants to own that cell. And to do that, he's got to be able to...communicate with the DNA of that cell. And that's what the nanotech's all about..."*

*"This is a new Manhattan Project that we're going through, right now and it's a big government...worldwide democide operation,"* that has its theoretical roots back in the 1950s, when they mapped it all out. He says that we are the test subjects in what will become life-extension technologies for themselves.

Alex Jones agrees, saying that it's about 1,000 times bigger than the Manhattan Project, with massive amounts of compartmentalization.

As for our current pandemic, Liberty Man says they began loading graphene oxide into the regular flu and other vaccines, back in 2017 and 2018. *"[Graphene Oxide] is how we can get them. This is the Crime Against Humanity, right here."*

He speculates that the Wuhan lab is where they worked on the synthetic spike protein. *"That's the biotech side. I also want to say that I think Dr. Andrew Kaufman, Jon Rappaport, Thomas Cowan and others are vindicated about the no-isolation of the novel coronavirus..."*

*"As a research community, we have not had a full grasp...and it's allowing them to gain more ground. We're losing ground. We can turn the tide, if we're armed with the full truth. Then we have a fighting chance, here..."*

### **IT'S ABOUT TO GET "VERY REAL"**

*"OK, final points...there's a team in Spain, there's a team in Argentina; they've now shown that saline solution is loaded with graphene oxide...but we need a tidal wave of infowarriors to get out on this."*

He also refers to the unprecedented approval processes of drugs for neurodegenerative disease. He believes they are scrambling to take advantage of an upcoming vaxx-induced epidemic of these. Also, the first blood thinner product made for children, to protect them from blood clots was just released, again to take advantage of an imminent epidemic of blood clots in children.

He says it's about to get *"very real"* and it will make the last year and a half look like a *"walk in the park. We are weeks away from this thing going to the next level."*

If it feels like we're living in a dystopian science fiction movie, this is due to all the predictive programming that has been relentlessly served up by the entertainment industry since the mid-20th century.

Like most of what the Globalists do, the COVID vaxx project has multiple purposes and two main motives are controlling you at the DNA level, which is something Elana Freeland has been talking about for years and which others have been posting since 2015 and the other is to use us as their guinea pigs for their own life-extension purposes.

As shocking or bizarre all this may seem I assure you it is as real as your last meal was. What then are those of us who love Jesus to do as we face a rising wave of ridicule, harassment, and persecution for our faith? How shall we live for Christ in the end times? Because all of what I have shared seems like watching a sci-fi movie, it is no less dangerous than if you read the scientific abstracts and papers that provide an

explanation to what we are experiencing. I have been researching and reading the technical literature for six years, and what might seem boring and technical in nature, but they paint a very evil agenda which has been hatched upon the public. This is a grand Satanic plan to enslave humanity plain and simple. Oh, I forgot to note they plan to kill at least 7-billion people in the process. The proof is found in the Georgia Guidestones located on a farm field outside Elberton, GA.

***...for by thy sorceries (pharmakeia) were all nations deceived. Revelation 18:23***

***And that no man might buy or sell...***

Vatican scientist and fetal tissue harvester, Doctor Francis Collins, pictured above between Bill Gates and Dr. Fauci, is back in the news! This time Dr. Collins is advocating that no man might buy or sell, save he that has vaccine credentials. All of this is quite extraordinary considering the mounting evidence that the actual Corona virus has never been isolated in a laboratory. This is making it difficult to prove that a pandemic actually exist or that a safe and effective vaccine can actually be produced.

Dr. Collins is the head of the National Institutes of Health (NIH), a labyrinth consisting of 27 institutes housing over 20,000 U.S. government employees. Collins was appointed by the Pope to the Vatican's Pontifical Academy of Sciences and he has been orchestrating the federal response to

Covid-19. He has also been at the helm in the development and promotion of the gene altering injection.

In the shadows of Dr. Collin's recent comments, one of the Institutes he directs, the Department of Health and Human Services (HHS), has been exposed by Judicial Watch in a child organ harvesting scheme. This diabolical scheme is being carried out with the University of Pittsburgh.

Francis Collins and his NIH are nothing short of a horror show. Acting as a classic eugenicist, Dr. Collins is closely following in the footsteps of Margaret Sanger who developed her abortion agenda to reduce the African American population. Dr. Collins has allowed the HHS [to single out black women](#) and harvest organs from their babies through induced abortion, many at full term. The helpless victims are kept alive until their needed body parts are surgically removed. This man is truly a Nazi Doctor of the likes of Josef Mengela who carries out a Vatican agenda.

The Isaiah 17:1 prophecy is imminent, and the Ezekiel 38/39 War is within view from what I have shared earlier above. The Rapture of Christian believers will precede the Ezekiel 38/39 War. The destruction of Damascus found in Isaiah 17:1 will precede the Ezekiel War and may well occur before the Rapture by a short span of time. The destruction of Damascus is quite likely to be the trip-wire event that sets off the Ezekiel War.

Secretary of Defense Lloyd Austin issued a memo Monday, August 9<sup>th</sup> requiring all active duty members of the military to receive a COVID-19 vaccination by September 15. *"I have every confidence that Service leadership and your commanders will implement this new vaccination program with professionalism, skill, and compassion,"* Austin said in the memo.

Austin also said he will seek the president's approval to make the vaccine mandatory either by mid-September or immediately upon the FDA's formal authorization, whichever comes first. Vaccines in the military are voluntary when under emergency use authorization by the FDA. The president has the authority to waive the rule and make the vaccine a requirement for personnel. In a statement, Joe Biden said "strongly" supported Austin's decision.

The FDA action will ultimately determine the destiny of every man, woman, and child! Allow me to suggest a few guidelines that may be obvious to believers.

**1) Prioritize your immediate issues** — The starting point is to review your priorities and make certain that God is first in your life. Be honest with yourself. Don't play games. Don't kid yourself. With the planned mandates there is a real possibility that we could

lose the internet and almost everything related to the Internet. When the WEF cyber polygon was scheduled to occur, this was one of the things on the globalist agenda.

Most Christians have allowed their priorities to get very mixed up. Usually, job or career is number one, family is second, and God is third or even fourth behind an obsession with a long list of other activities, sports or something similar.

Ask yourself this question: If God were to give you the opportunity to make one request, what would it be? Would you ask for money? Power? Fame? Success?

Solomon asked for wisdom, but David asked for something ten thousand times more profound — he asked for intimacy with God -(Psalm 27:4). And, because he put God first, he states in Psalm 27 that he did not fear life (verse 1) or death (verse 13). It is also the reason that he is remembered as **“the man after God’s own heart”** -(Acts 13:22).

**2) Stand on the Word of God** — The Bible says that the end times will be an age of deception -(Matthew 24:24, 1<sup>st</sup> Timothy 4:1, and 2<sup>nd</sup> Timothy 4: 3-4). In fulfillment of that prophecy, we are today being bombarded with false but alluring religious systems offered by the Christian cults, Eastern religions, and the New Age Movement.

Most professing Christians are sitting ducks for spiritual deception because the average Christian is not certain what he believes. And even when he is able to articulate a belief, he usually does not know why he believes it. The result is that a Jehovah’s Witness can turn the average Christian into a theological pretzel in two minutes flat.

Anyone can be deceived. Six times in the Gospels of Matthew and Mark, Jesus warned about being deceived. If you are to guard yourself against deception, you must get into the Word and stay in it on a daily basis. Also, you must test everything by the Word -(1<sup>st</sup> John 4:1). For Catholics this means discarding doctrines like purgatory that have no basis in the Word whatsoever. For Protestants it means being alert to the twisting of Scriptures or the manipulation of verses out of context. On every doctrine, the Bible needs to be searched from Genesis to Revelation to see what is said about the particular topic in a collective way.

**3) Believe in the Power of God** — I am convinced that most professing Christians are deists. A deist is a person who believes in an impersonal god who never intervenes in human affairs. According to Deism, we are supposed to cope with our God-given reason, our talents, and the wisdom of the Scriptures. As far as the deist is concerned, at the end of the First Century, God retired, the supernatural ceased, and the age of miracles came to an end.

But the Hebrew Scriptures teach that God never changes -(Malachi 3:6). And the New Testament specifically states that **“Jesus Christ is the same yesterday, and today, yes and forever”** -(Hebrews 13:8).

There is no way we can cope with the evil of end time society in our own strength. Anyone who tries to do so will be defeated. Our only hope is to turn to a God who is alive and well, who is still on the throne, who hears prayer and answers prayer, and who still performs miracles.

We must realize that the Bible teaches that we can limit God by our unbelief. I have noted this matter of unbelief many times. This is a great paradox. Think about it — although God is all-powerful -(Luke 1: 37), we who are powerless in comparison can nonetheless limit His power by our unbelief -(Mark 6:1-6). That's because God is a gentleman. He does not force Himself upon us. If we want to try to cope on our own, He will let us. He responds when we reach out to Him in faith -(James 1:6). God gifted us with "Free Will" and while He wants relationship with us, He does not break His Word!

**4) Persist in Prayer** — One of the greatest blessings God has given believers is supernatural communication. God cares for us personally -(1<sup>st</sup> Peter 5:7), and He desires to communicate with us -(James 4:8). Because He loves us, He earnestly desires our fellowship -(John 4:23). Over the years my prayer life has been like I was talking casually to someone beside my desk.

The tragedy is that most professing Christians seem to be inclined to turn to prayer as a last resort — only when all else has failed and the situation has become desperate. Some of this reluctance to seek God in prayer is due to pride, and thus the Scriptures continually exhort us to humble ourselves -(1<sup>st</sup> Peter 5:6). Others fail to depend on prayer because of unbelief. They either think God doesn't care, or else they think He is no longer active in history.

But the Bible says "***we do not have because we do not ask***" -(James 4:2). How many blessings of God have you left on the table because you tried to handle your problems yourself? The Bible also says that "***the prayers of a righteous man can accomplish much***" -(James 5:16). Do you interpret this to mean that the power of your prayers depends on your righteousness? That is not what it means. If you are truly born again, then you are a righteous person because you are clothed in the righteousness of Jesus -(Isaiah 61:10).

**5) Rely on the Holy Spirit's Guidance** — Most professing Christians seem to be afraid of the Holy Spirit. This is usually due to a lack of knowledge concerning the Spirit. For example, there is a tendency to write off the Holy Spirit as some sort of impersonal force — like "The Force" in Star Wars.

We need to understand that the Holy Spirit is a person. He is the supernatural presence of God in the world today. He performs a dual role. For the unbeliever, He is God's Evangelist. He is the one who works on human hearts to draw them to the Cross in repentance. No one is saved apart from the testimony of the Spirit -(John 6:44 & 65).

With regard to the believer, the Holy Spirit is God's indwelling presence to provide us with power and guidance. He is our Enabler. He is also God's Potter, for one of His basic responsibilities is to daily shape believers more fully into the image of Jesus -(2 Corinthians 3:17-18).

One of the ironies of the Christian life is that we cannot serve God in our own power. Rather, the only way we can effectively serve the Lord is by relying on the power of His Holy Spirit who resides within us. It is possible to quench and grieve the Spirit -(1<sup>st</sup> Thessalonians 5:19 and Ephesians 4:30).

The Word calls on us to be filled with the Spirit -(Ephesians 5:18). This can happen only if we are willing to release the Spirit to become the Lord of our lives. Most of us are content to let the Spirit be resident in our lives. He does not want to be simply a resident; He desires to be president.

Is that the case in your life? Is the Holy Spirit on the throne of your life? Or is He being treated as an unwelcome guest? There is no way you will be able to withstand the pressures of end time society without relying daily on the power of God's Spirit.

**6) Practice Tough Faith** — Faith comes easy when everything is going smoothly. When there is good health and prosperity, it is easy to praise the Lord. The test of faith comes when all the circumstances of life turn sour.

God has not promised believers a rose garden. We live in a fallen world. The rain falls on the just and the unjust. The wicked prosper. Justice seldom prevails.

It is easy for the righteous to grow discouraged. This calls for the practice of tough faith — the kind of faith that is not dependent on circumstances. It's the kind of faith that hangs in there when the going gets tough because of a confident belief that ***"all things work together for good for those who love the Lord"*** -(Romans 8:28).

God never promises that believers will be immune to suffering. What He does promise is that He will be there to walk through the trials with us. He promises to be beside us when we ***"pass through the waters"*** and ***"walk through the fire"*** -(Isaiah 43:2). And He states that He will be there when we ***"walk through the valley of the shadow of death"*** -(Psalm 23:4).

What is the quality of your faith? When life turns sour, do you turn to God, or do you question Him or even curse Him? One of the keys to hanging tough is to learn the promises of God's Word -(like Philippians 4:6-7, 11-13, and 19) and start claiming them in prayer when confronted with the challenges of life.

**7) Keep an Eternal Perspective** — We are to be in the world but not of the world - (John 17:11 & 16). That's a difficult principle to follow. It constitutes a daily struggle.

It is so easy to get our eyes off the Lord and focus instead upon the world in which we live. The daily demands are so pressing. And one of the greatest of those demands is that we conform to the world — to the world’s language, dress, entertainment, and values.

That’s why we are constantly exhorted in Scripture to consider ourselves as *“aliens, exiles, and strangers”* who are just passing through this world -(Hebrews 11:13 and 1<sup>st</sup> Peter 2:11). We are told to **“set our minds on things above, not on the things that are on the earth”** -(Colossians 3:2). And we are warned to never fall in love with the world or grow comfortable with it -(Romans 12:2 and 1<sup>st</sup> John 2:15-16). In fact, Jesus said we are to **“hate our life in this world”** -(John 12:25), and His brother, James, said **“friendship with the world is hostility toward God”** -(James 4:4).

What does it mean to hate the world? It simply means we are to hate the evil world system that prevails in society. We are to hate a system that glorifies violence and immorality and which depreciates the value of life.

**8) Look for Jesus** — This brings us to the final guideline I would like to emphasize regarding how to live for Jesus in these end times. The Bible tells us point blank that we are to live **“looking for Jesus”** -(Titus 2: 13).

Most Christians are so caught up in the world that they live thinking about anything but the return of Jesus. This is a sad state of affairs because Jesus’ return is our **“blessed hope”** -(Titus 2:13). And His return is imminent.

Another problem is that most Christians know so little about Bible prophecy that they cannot get excited about the Lord’s return. How can you get excited about an event you know nothing about? Ignorance produces apathy. Apathy breeds

And apathy about the Lord’s return has tragic consequences. It robs us of an eternal perspective, and it destroys any sense of urgency about reaching lost souls. It also undermines a powerful motivator for holy living.

You see, when a person comes to truly believe that Jesus is returning and may return any moment, that person will be motivated to holiness and evangelism. Regarding holiness, the Apostle John put it this way: **“We know that when He appears [the Rapture], we shall be like Him [glorified]... And everyone who has this hope fixed on Him, purifies himself, just as He is pure”** -(1<sup>st</sup> John 3:2-3). Regarding evangelism, Peter writes that the only reason Jesus has not yet returned is because **“God does not wish that any should perish, but that all might come to repentance”** -(2<sup>nd</sup> Peter 3:9).

Paul provides us with a spiritual mirror for end time conduct. He says we are to **“deny ungodliness and worldly desires and to live sensibly, righteously and godly in the**

***present age, looking for the blessed hope and the appearing of the glory of our great God and Savior, Christ Jesus” -(Titus 2:12-13).***

When you look into this mirror, what do you see? Are you walking in the center of God’s will? Have you ordered your priorities to put God first? Are you standing on the Word of God, testing everything by it? Do you believe in a personal, caring and all-powerful God who hears prayers and answers prayers, and who still performs miracles? Are you relying daily on the power of the Holy Spirit? Are you practicing tough faith, refusing to allow the calamities of life to overwhelm you? Are you keeping an eternal perspective, refusing to get comfortable with this world? And are you daily looking for Jesus? Is the Rapture in your heart? Is “Maranatha!” on your lips?

THE SCAMDEMIC NEVER ENDS: Fauci says another variant of COVID “worse than Delta” has surfaced with endless lockdowns and restrictions sure to follow.

Monday, August 09, 2021 by: JD Heyes

[\(Natural News\)](#) Do you remember when we are all told that the government just wanted “two weeks to slow the spread” of the COVID-19 virus? That seems so long ago, though it wasn’t.

About 16 months ago the vast majority of Americans showed a willingness to do what we were asked to do: Close our businesses and shops, shut down our places of employment, and hunker down in our homes, only venturing out for vital supplies like food and acute medical care.

And still, the virus spread.

So, for the next year, we endured one COVID-related outrage after another — no church services, no public gatherings (unless you were taking part in a Black Lives Matter riot), no going to gyms, no restaurants, masks everywhere...until the vaccines came.

Well, long-time readers know how we feel about vaccines around here, especially experimental ones, but to play the game, the powers that be told us that the more of us who got the jab, the faster we could return to normal.

Except that was never the plan; once power-mad bureaucrats and Democrats siphoned power away from the people, they were never going to give it back, and now that's becoming plainly obvious as *wave after wave of new COVID variants* “emerge” from out of the blue.

First, it was the Delta variant, and now, here comes the “Lambda” strain, and of course, it's more potent and deadly than the first two strains.

After all, Dr. Anthony Fauci, that the paragon of truth and virtue, says so. But Dr. Fauci was caught lying about his Gain-of-Function by Senator Rand Paul of KY.

*“What we're seeing, because of this increase in transmissibility, and because we have about 93 million people in this country who are eligible to get vaccinated who don't get vaccinated — that you have a significant [pool of vulnerable people](#),”* Fauci said this week, adding that Delta variant cases are also rising in a “*very steep fashion*” and could rise to 200,000 cases per day.

*“And so when you look at the curve of acceleration of 7-day averages of cases per day, it is going up in a very steep fashion,”* Fauci claimed.

Of course, what Americans aren't getting are statistics on just who's getting sick, *if* they're actually getting sick or merely testing positive, and if deaths and hospitalizations are rising.

We're told that they are, but the data say otherwise (when we can see it). But it's just been one lie after another...after another.

Now they tell us (those of us who didn't read UT 4, anyway) <https://t.co/nMjY8EGiCu>  
— Alex Berenson (@AlexBerenson) [July 30, 2021](#)

*“The CDC reported today that only 28.4% of the black community has received the Covid vaccine. With states like CA and NY mandating vaccine passports to enter restaurants and businesses, the black community would be most affected by this modern day segregation,”* TV health personality and physician Dr. Drew notes, throwing the left's talking points right back at them.

Yup. <https://t.co/UAXkzm7cNU>

McClatchy Papers added:

*Fauci said that data shows people infected with the delta variant have viral levels “about 1,000 times higher in quantity” than were recorded in people who were infected with the alpha variant, also known as the U.K. variant, which earlier this year became predominant in the United States.*

*Studies have emerged in recent weeks indicating that vaccinated individuals are at risk of “long COVID” — a series of conditions associated with infection such as fatigue, shortness of breath and loss of smell that can last for weeks or months — even if they are largely protected from severe illness and death, Fauci said.*

And of course, there are fears of even [more strains](#), like Lambda. How they know this, we're not sure.

*“Like the Delta variant, Lambda is highly transmissible but Japanese researchers believe that three mutations in the variant’s spike proteins make it more resistant to antibodies induced by vaccination,” Newsweek reported. “Lambda, which is also known as the C.37 variant, is responsible for 1,037 cases of COVID-19 in the U.S., according to data from the GISAID Initiative.”*

COVID is here to stay if we allow these tyrants to continue playing us. **The deaths due to Covid-19, for Sunday, August 8<sup>th</sup>, 2021, reported by the CDC, amounted to just 202, for the entire country. The deaths for today August 9<sup>th</sup>, 2021 was just 131.** (The CDC figures for the month so far are below.) Figures lie and liars figure! To hear Dr. Fauci talk we are headed into a global pandemic. Dr. Fauci scolded thousands at a Motorcycle Rally In South Dakota but stayed silent on Obama’s mask less birthday party that lasted three days. The Jesuit Dr. Fauci will face Cosmic Justice for his fear-mongering, and HIV crimes that go back thirty-five years. He is responsible for the death of hundreds of thousands of victims that were falsely labeled as infected with HIV which were actually CFS or Chronic Fatigue Syndrome. As long as the leftist/Marxist media provides Dr. Fauci a platform to conduct his fear-mongering, Satan is winning the war of lies.

The table below is taken from my ongoing Covid-19 tracking data reported by the CDC itself. Keep in mind that on average 7,900 people die in the United States, each and every day. I have been logging the data stats since December 1, 2020.

Luis Vega and I both believe that we are at the point when the FDA mandate approval is about to be shortly announced. When that occurs, you can look forward to the **‘Harpazo’** “Departure” we have all anticipated for so long. You might want to be listening to the news since the FDA mandate will be broadcast by the corrupt media. Our days are definitely numbered and could occur within the window of time in which the Feast of Trumpets or Rosh HaShanah – September 6-8<sup>th</sup> is observed with the new moon, and we suggest a window period of: five days either side of this date, i.e., September 1<sup>st</sup> through the 11<sup>th</sup> as a window to Glory!
