

# The Blessed Hope!

**“Looking for that blessed hope, and the glorious appearing of the great God and our Saviour Jesus Christ;” –(Titus 2:13)**

*Diamond & Nugget #79*

The Blessed Hope is still alive and well here at Pastor Bob’s site. Disappointment yes, but we are called to be awake, alert, and at work. The apostle Paul wrote to the Christians in Corinth, **“Watch, stand fast in the faith, be brave, be strong”** -(1<sup>st</sup> Corinthians 16:13) I believe that we have reasons to believe the Rapture is close and not as you might suspect.

## **VERY IMPORTANT**

I nearly forgot the significance of something that is still in play in God’s Biblical calendar. Since Rosh HaShanah was a month later than is the case in most years. Because of this unusual occurrence, the remaining two fall Feasts of the Lord, Yom Kippur and Sukkot, likewise are later on God’s Agricultural calendar. What I nearly forgot was the day known as the **“The Great Eighth Day”** or **“Shemini Atzeret”**. This has huge potential for the Rapture of the Bride of Christ.

In Blessed Hope #76, the first eight pages were devoted to this date. **Shemini Atzeret** also known as the **Great Eighth Day!** The event this year would be the two days of October 28<sup>th</sup> through October 30<sup>th</sup>. I have linked Blessed Hope #76 below so that you can access it quickly and refresh what I shared on this unusual appendage of the Feasts of the Lord. As I noted in the segment, it is largely overlooked in its meaning and does not get the attention it should. It was posted on 9/23/2021. Click the title link below:

[The Blessed Hope, Part 76](#)

In my having almost overlooked the **Great Eighth Day** or **Shemini Atzeret** serves as an example of why we need to be continually at “watch”.

The rest of the verse is clear, but what does "watch" mean?

Paul wasn't telling us to be passive spectators - of entertainment or anything else. He meant something far different. It is spiritual watching coupled with prayer that gives one the strength to survive temptations and difficult situations.

How important is it that we "watch"? Consider this: The Biblical command to watch is several times coupled with the command to pray. Is prayer important? Extremely so! And so is the command to watch!

Watch means to stay wide awake.

When the New Testament commands us to "watch," it is usually the translation of one of two Greek words (**gregoreuo** and **agrupneo**), which have similar meanings - to "stay awake" and to "be sleepless." They are usually meant in the metaphorical and spiritual sense - to be vigilant and on guard, fully awake, aware, alert and intently focused - with several applications and implications.

In Matthew 26:37-40, the meaning of "watch" is primarily physical. Jesus was chiding the disciples for not remaining awake during the hour preceding His arrest.

But what Jesus next said to Peter had a deeper, spiritual meaning: **"Watch and pray, lest you enter into temptation. The spirit indeed is willing [i.e., intentions are good], but the flesh [mere human willpower] is weak"** (Matthew 26:41).

It is spiritual watching coupled with prayer that gives one the strength to survive temptations and difficult situations. **"Awake to righteousness, and do not sin"** -(1<sup>st</sup> Corinthians 15:34). Being awake is equated with righteousness and not sinning. Paul was writing to the church at Corinth, which shows that even true Christians can be spiritually asleep to varying degrees.

Paul also wrote: **"And do this, knowing the time, that now it is high time to awake out of sleep; for now our salvation is nearer than when we first believed"** - (Romans 13:11)

In other words, the closer we draw to the second coming of Jesus Christ, the more urgent it is that we awake out of spiritual sleep! Indeed, we have entered the fearful end-time years that are the grand climax of human civilization. If ever there was a time to pay attention and get prepared, it is now!

Furthermore, none of us knows when he or she will die. Being spiritually prepared for the end of life should be our top priority.

Watching means properly using our minds. God gave us marvelous minds to use - to study, learn, observe, analyze, judge and think.

Life is time. To waste time is to waste life. Many people are mentally lazy wasting a tragic amount of time on the trivial and temporal, mundane and materialistic. Many squander countless hours vegetating in front of their TV or computer seeking only to be entertained. Others are glued to the cell phone Facebook friends.

Real readers are rare. A society becomes shallow and superficial when most citizens rely too much on pictures and images rather than words. In-depth learning requires language.

It is quite significant that God's true religion is based on spoken and written messages that were compiled into what we call the Bible. God's people are to be "people of the Book." In contrast, most pagan religions emphasize images, idols, symbols and rituals.

I received in my email a day or two ago an article headlined: "94% Of Americans Do Not Have A Biblical Worldview" George Barna is a Christian pollster and documents the state of the church. Being a retired pastor, I am not easily surprised by what I hear and read about the state of the church across the country.

Do you have a Biblical Worldview? You might be asking, what is a Biblical worldview? In simple terms, it's our belief system. Do our beliefs conform to the Bible, or do our beliefs conform to the world?

If our beliefs conform to the Bible, then we have a Biblical worldview. That means, we look at the world and make life decisions based on the Bible.

How many of us actually do that?

As it turns out, only 6% of Americans have a Biblical worldview. So flip that, and it means, 94% of Americans do **not** hold a Biblical worldview. Amazing! 94% of Americans do not look at the Bible and make life decisions, or their decisions do not properly reflect Biblical concepts.

If that were not disturbing enough, 51% of adults **claim** to have a Biblical worldview, but in reality, their beliefs do not actually reflect what the Bible says.

Is it any wonder then why our world is the way it is?

### **Considering The Christian Worldview**

This information comes from Professor George Barna. He leads the Cultural Research Center at [Arizona Christian University](#).

This morning, I took the opportunity to watch a video featuring Professor Barna. Barna made three points that really stood out to me.

- ✓ Nearly everyone's worldview contradicts itself.
- ✓ All media has an underlying worldview they communicate to you.
- ✓ A person's worldview is established by age 13 and **rarely** changes.

What's your reaction to the photo on the next page? Think about the implications for our world today! I recently came to understand the first two items myself, and how

deeply rooted they can be. George Barna said, we often do not take the time to analyze our beliefs. We just grab a belief and latch onto it.

**matteosings**

Anne Arundel County Public Library

How true that is.

Concerning the third point.

Is it any wonder then why the perverse always go after the children?

Homosexuality and sex are continually promoted in school. It has been bad but it is getting worse than we could begin to imagine. If you can educate the children to your worldview, by the age of 13, they are more than likely to latch onto that believe and never veer from it.

That is why Jesus told us, **“Suffer little children, and forbid them not, to come unto me: for of such is the kingdom of heaven.”** -(Matthew 19:14, also Matthew 18:6).

These days, society does not send children to Jesus Christ. They sent children in the other direction. As adults and parents, we have a responsibility as Christians to ensure God’s Word is promoted in their life. We have a responsibility to look over what they are being taught in school. Their worldview is being formed each day, do we really want a secular society having the most influence in their life?

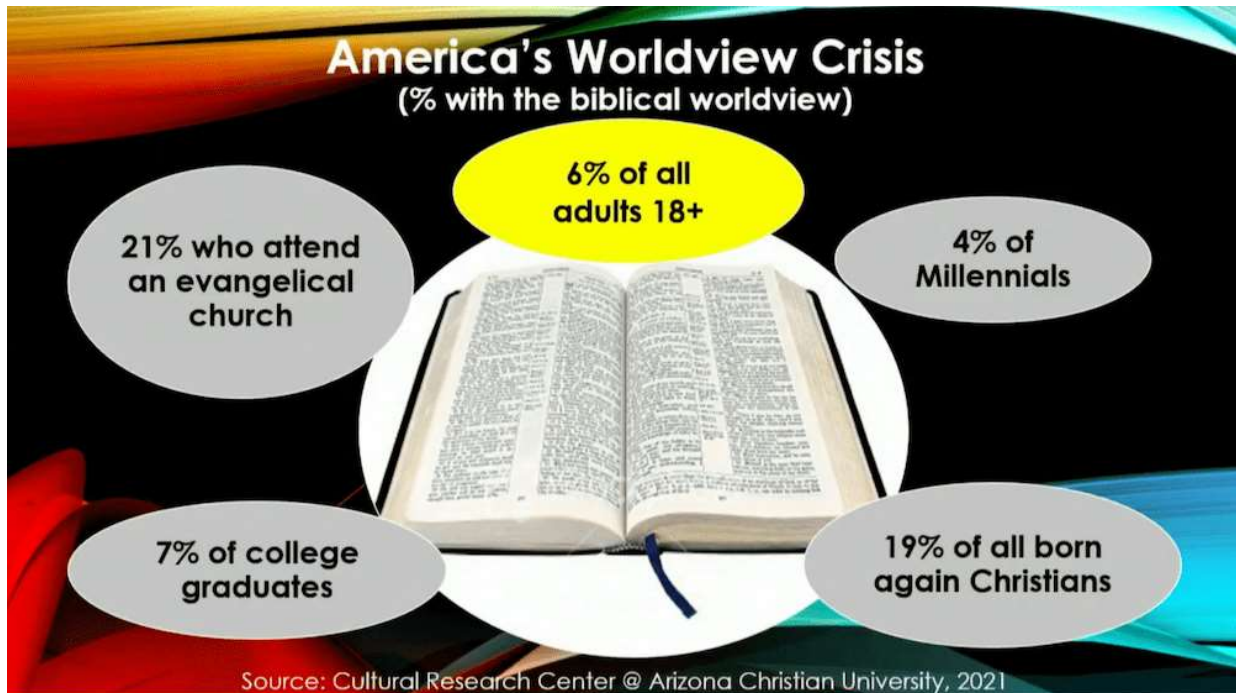

Biblical Worldview – George Barna

22

Morally Unacceptable	Have BWV	No BWV	Ratio
Allowing suicide or euthanasia	*	33%	33:1
Having sex, in love, expect to get married	97%	23%	4:1
Having abortion due to personal hardships	98%	42%	5:2
Lying to protect best interest/reputation	99%	46%	2:1
Cheating on tax return, won't get caught	99%	53%	2:1
Intentionally not repaying a personal loan	90%	59%	3:2

Source: Cultural Research Center @ Arizona Christian University, 2021

There is much more that I could share on the Biblical World View. When I was a graduate student at Asbury Theological Seminary, this was an important facet of our seminary education. For that I am greatly appreciative for my education and ministry.

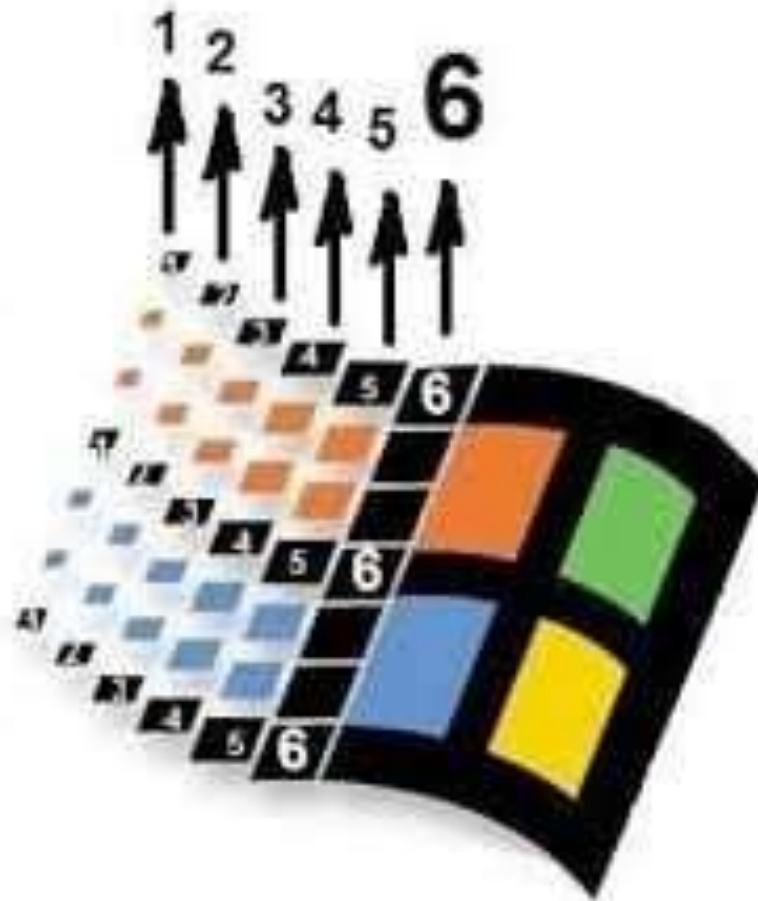

Your Biblical World View undoubtedly will have a bearing on what you believe concerning the Rapture of the Bride of Christ in the very near future. I see it in the efforts by the government and world/national health agencies pushing their program to vaccinate the population.

Why would you allow yourself to be vaccinated with a DNA modified vaccine with all of the knowledge revealed to you about the underlying evil? Why would you willingly allow yourself to be connected to technology that even potentially leads up to the "Mark" of the Beast? The vaccine and the subsequent QuantumDot:Hydrogel ID2020 "Mark" tattoo are simply two elements of the "Mark" of the Beast! They depend upon the synergy of each other. Synergy means something that cannot function apart from something else!

Most of you will recognize the familiar logo below, and it represents synergy of life.

You would be surprised how many of your favorite brand names flaunt Satanic symbols embedded, in your face, in their corporate logos. Below is an earlier Microsoft rendition of the hidden “666”. Don’t think most people saw this one.

## logo, 666

The company will tell you these four colors represent something different; however, insiders long ago revealed the meaning of the Microsoft logo. The twelve zodiac signs are grouped into four elements—**fire**, **earth**, **air** and **water**. Each of these elementary groups has distinct traits tied to the occult. Together, they form the natural world, so each is in some way dependent on the other. The central theme represents the concept of “synergism”. Since most people are unfamiliar with the subtle nature of “synergy” in play it becomes difficult for many to accept the idea of the Vaxx as the “Mark” of the Beast System!

I find it quite interesting that the American Medical Association’s use of the snake still flaunts the bite of the viper. It is central to the Gates ID2020 Luciferace “Microneedle Patch Array.” There is a distinct but very subtle image flaunting the Satanic “666”.

Art by [markbeast666.blogspot.com](http://markbeast666.blogspot.com)

The reason given for taking the vaxx has been *"It's all for the better good of humanity!"* This mantra has been a regular declaration by Dr. Anthony Fauci, the Jesuit-coadjutor who wants you to sacrifice your freedom of choice and rights as a child of God!

The so-called vaxx to immunize against Covid-19 virus is a DNA modified vaccine. It will re-write your DNA inside your body. That by willingly taking this genetically modified DNA vaccine you are faced with these consequences:

- A DNA-modified vaccine results in the modification of their DNA. They are no longer written in the ***"Lamb's Book of Life"***. –(Revelation 21:27) ***"And there shall in no wise enter into it anything that defileth, neither whatsoever worketh abomination, or maketh a lie: but they which are written in the Lamb's book of life."***
- The "Microneedle Patch Array." Vaxx/tattoo results in a person being connected to all of the technologies written into the Beast System.
- The "Microneedle Patch Array." Vaxx/tattoo is the control mechanism that controls the mind, alters the DNA, and is intended to control every living person taking this "mark" on the planet.
- The technologies are coalescing quickly towards the revealing of the Antichrist followed shortly by the "Mark" of the Beast in the "Microneedle Patch Array."
- The reason the technologies have been built is to put the Antichrist in power and to have technology in place ready to control the people when the "switch is turned on".
- The Ultimate Goal: Satan hates the human race and wants to kill off God's creation.

- Testing and vaxxs are related to the physical body, and not initially the soul per se.
- It's your soul that you need to be more concerned about and then the human body.
- We need to stand firm in our faith; we do not fear death.
- We have the responsibility to warn others why they should not take a modified DNA vaccine ("No longer made in God's image"). What the consequences of accepting the vax/tattoo being the "Mark" of the Beast system and what that encompasses, is to be enslaved to the New World Order.
- We need to warn others that since the "Mark" of the Beast has eternal consequences for our souls, accepting the vaxx and its "Microneedle Patch Array." tattoo "Mark" of the Beast represents the greatest existential threat to the human race and of paramount concern to us.
- The enzyme Luciferase, in the right hand, or on the forehead will be invisible to the eye, and readable only through an Infrared scanner!

Satan's plan will "upgrade" the human body with a modified DNA "delivery system" (their words, not mine). This upgrade will begin with the modifying of your DNA. Note how their plan is taken right out of the King James Bible. Read Genesis 3:22 below. The illustration on the next page is a visual that explains what is planned for humanity. "322" is the logo for Skull & Bones of Yale's fraternity for Freemasons.

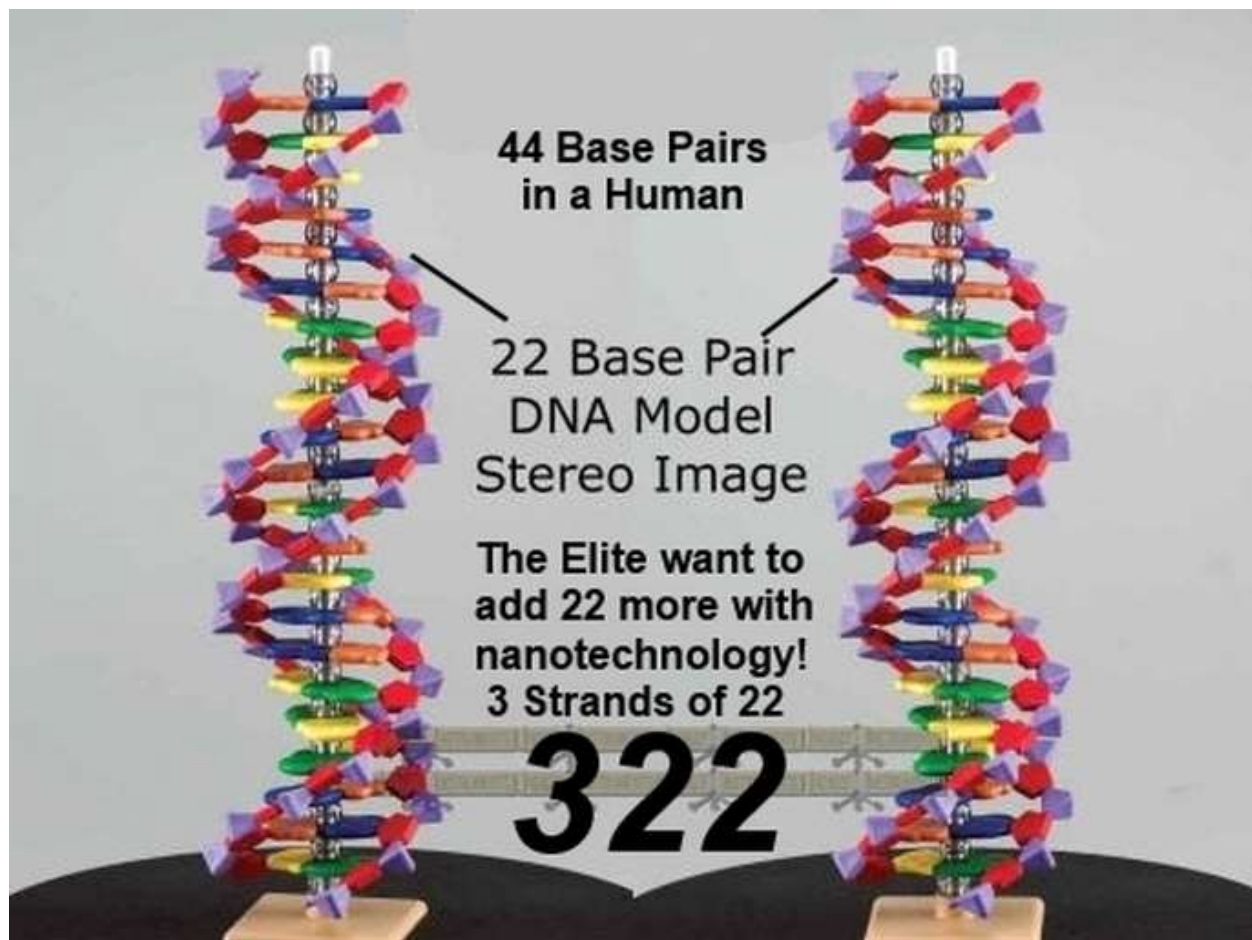

***"And the LORD God said, Behold, the man is become as one of us, to know good and evil: and now, lest he put forth his hand, and take also of the tree of life, and eat, and live forever:"*** -(Genesis 3:22)

The human body has 46 chromosomes, (two are the X or Y sex determining factor). 23 or half of those base pairs descend from the father and half from the mother of the child. These mad scientists want to add an additional 22 base pairs. They speak in terms of "an upgrade" but their plan is to link each of us to the cloud through **5G** wireless energy, into a gigantic Blockchain that will contain your health, personal, and financial data.

Through the Blockchain, a "cashless" economy in which each individual will become controlled through the Libra global financial system and its parent company known as Concordia. Each person will be modified into a Cyborg, part human and part artificial intelligence, and remotely controlled by the Beast System.

With the mapping of the human genome twenty years ago, a satanic element has been able to crack the "Code of Life". Fear of death achieved getting 20% of the people to roll up their sleeve and consent to take the shot. Lucifer laid out his agenda in Isaiah 14:12-14. They have used incentives, from *Tasty Kreme* donuts, to lottery tickets, and

more than a dozen gimmicks to get you vaxxed. As a last ditch effort to hook people into taking their DNA modifying vaxxs, they will promise you “Eternal Life”. With Lucifer your consent is needed. It cannot be forced upon a person, it’s part of their (sic) ethic.

God created each of us with “Free Will” and wanted relationship with humans, but it is contingent upon our seeking the reciprocal relationship. Satan was only able to use recruiting and the use of trickery. With cracking the “Code of Life”, Satan and his ilk are now able to equal God’s power. However, to be equal with God, Satan requires our consent in this global experiment.

Can you see how Satan’s initial act of causing men and women to take the vax was executed through fear, “*a novel, rogue virus was sickening and killing humans?*” It was all a lie by the father of lies! Even the use of the term “mandated” was loaded with fear. Mandated did not have the power of law behind it, yet the use of it was to plant the seed in the minds of the hesitant unvaxxed. Using the term “mandate” was constantly being used as a pretext for it has to be considered as voluntarily. But the seed was planted in the minds of the public.

Joe Biden tried to push “mandate” through a backdoor approach using both government and non-governmental agencies that have no Constitutional power to enforce such

mandates. They are simply unconstitutional and thus unenforceable when challenged in court.

***“And he had power to give life unto the image of the beast, that the image of the beast should both speak, and cause that as many as would not worship the image of the beast should be killed. <sup>16</sup>And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads;”*** -(Revelation 13:13-16)

Pause for a moment and ask yourself, what was exclusive to the power of God alone until very recently? It was the ability to create, or to give life; and at the spark of conception between sperm and an egg, there is a visible spark of light that occurs. Scientific studies have shown that when a sperm meets an embryo or egg, zinc sparks are released. During fertilization, zinc is released and calcium levels increase. This process creates a “flash of light”. When humanity cracked the “Code of Life”, Lucifer believed that he has achieved exactly what he claimed in Isaiah 14:12-14. The fact that cracking the “Code of Life” has required scientists twenty years to figure it all out is but a minor detail to Satan.

I believe that Roman Catholic Cardinal Archbishop Carlo Vignano understands it quite well by his recent statements: ***“The vaccine victims are sacrificed at the altar of Moloch. We Are in a War of Good vs Evil, The Deep State and Deep Church Conspire Against Humanity.”***

***“How art thou fallen from heaven, O Lucifer, son of the morning! how art thou cut down to the ground, which didst weaken the nations! <sup>13</sup>For thou hast said in thine heart, I will ascend into heaven, I will exalt my throne above the stars of God: I will sit also upon the mount of the congregation, in the sides of the north: <sup>14</sup>I will ascend above the heights of the clouds; I will be like the most High.”***

If you want Eternal Life, there is nothing better than what the Lord Jesus Christ brought forth through His shed blood on the Cross. Remember this, counterfeits are mere imitations, and they may seem like the real thing, and yet we learn to know the difference. When bank employees are trained in their job, one of the first things they learn is how to differentiate between the fake and the genuine! I have read there are eight ways to spot a counterfeit \$20, but ultimately the one way never mentioned is and still the most effective way is by the touch or feel of the bill!

Pfizer and Moderna are set to rake in a combined \$93 Billion in 2022 COVID Vaccine Sales! Sales of the mRNA shots will continue to rise in 2022 due to boosters and countries stockpiling to ward off variants, Airfinity said.

Pfizer will generate 64% of its sales, and Moderna 75% of its sales, from high-income countries in 2022, the analysts predicted.

You can clearly see what I am suggesting here; and, that is trust Jesus Christ, and not Satan's advanced party of the Antichrist out there promoting his plan to be like God! What the snake told Adam and Eve, will be told to those undecided about who they will worship, ***"And the serpent said unto the woman, Ye shall not surely die: <sup>5</sup>For God doth know that in the day ye eat thereof, then your eyes shall be opened, and ye shall be as gods, knowing good and evil."*** -(Genesis 3:4-5)

Civilization began with this lie, and it will end on that note as well: ***"Now the serpent was more subtil than any beast of the field which the LORD God had made. And he said unto the woman, Yea, hath God said, Ye shall not eat of every tree of the garden?"*** -(Genesis 3:1)

Blessings,
