Even today, very few folks anywhere understand what the Covid *Plandemic* is really all about.

In point of fact, both the initial launch of **OPERATION COVID-19** (the bio war that saw the release of the various COVID-19 bioweapons) and the subsequent implementation of the *Covid Super Vaccination Agenda* represent a one-two knockout punch strategy against the predominantly white Christian countries which comprise the First World nations.

To some investigators the raw truth conveyed by the foregoing statement may already be quite obvious. However, what may not be so transparent is that the entire

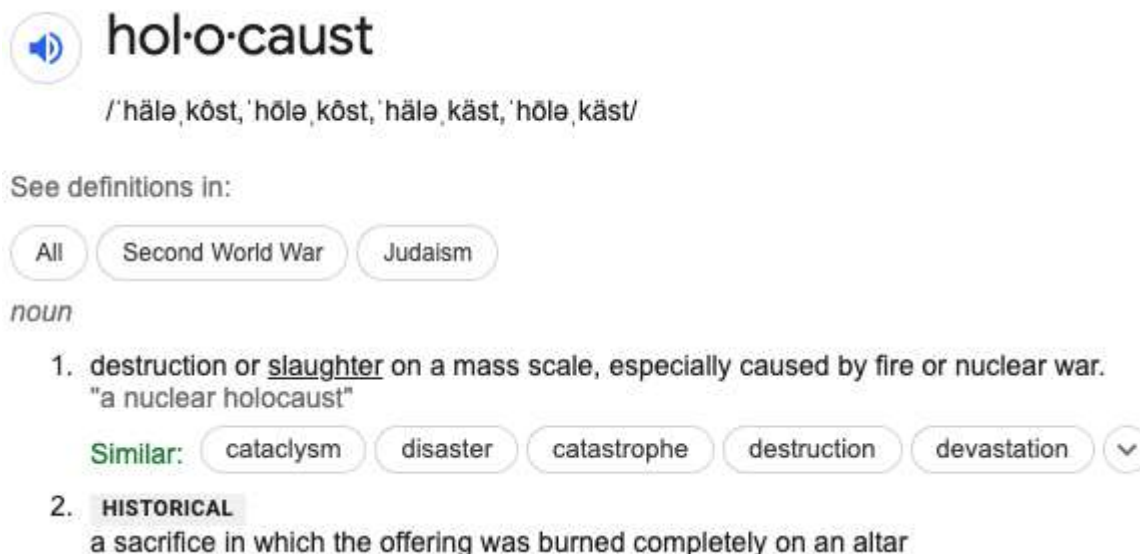

Covid *Plandemic* is being carried out by the well-concealed Khazarian perpetrators primarily as a genocidal holocaust.

In other words, it is with highly purposeful design that the **Khazarian Cabal** is literally conducting a worldwide holocaust specifically targeting white Christian men and women. Of course, countless non-white, non-Christians are also slowly dying by the millions as collateral damage. In this way, the Khazarian perps can claim plausible deniability as well as advance their global depopulation plans at the same time.

THE COVID HOLOCAUST

First, let’s examine the key word: **holocaust**.

The screenshot shows the Merriam-Webster dictionary entry for the word "holocaust". It includes a speaker icon, the word "hol·o·caust", and its phonetic transcription: /'hālə,kōst, 'hōlə,kōst, 'hālə,kāst, 'hōlə,kāst/. Below this, it says "See definitions in:" followed by three buttons: "All", "Second World War", and "Judaism". The word is identified as a "noun". The first definition is "destruction or slaughter on a mass scale, especially caused by fire or nuclear war." with a sub-definition "a nuclear holocaust". Below this are "Similar:" buttons for "cataclysm", "disaster", "catastrophe", "destruction", and "devastation". The second definition is "HISTORICAL" and describes "a sacrifice in which the offering was burned completely on an altar".

There’s only one genocidal tribe on Earth that has been perennially obsessed with a Holocaust and especially with ‘The Holocaust’. That’s because the same **Khazarian Cabal** was directly responsible for carrying out what was really a Holofoax during World War II. Truly, the “Holocaust Industry” was always about one thing: scaring all of European Jewry away from the Continent and over to the stolen lands of Palestine which is now known as the modern State of Israel.

For the record, not only did 6,000,000 Jews positively not die in those concentration camps which were actually set up as slave labor camps during World War II, it’s quite unlikely that not even 60,000 Jews died. How so? Those Jewish inmates, as were all

concentration camp inmates, were desperately needed to work for the German war effort. Most significantly, the Jewish inmates were urgently required to populate Palestine after WW2 in order for the Zionist plotters to justify stealing all Palestinian land. For whoever has the most occupiers of any given territory wins the day in this dark era.

Those Jews who did pass away in the camps died primarily from starvation and malnutrition, typhus and typhoid, dysentery and drenchfever, tuberculosis and meningitis, malaria and scabies. And all of the high-integrity scientific, anecdotal and circumstantial evidence has since proven that there simply was no organized extermination program; it was all faked by the entire cadre of Zionist leaders over the intervening decades. In other words, the top Khazarian fake Jews locked up and made life miserable for their Jewish brethren, but only to get them to the stewpot called Israel.

KEY POINT: The word “Nazi” originally referred to the traitorous Ashke**NAZI** Jews (aka the *Khazarian Mafia*) who sold out the truly religious Jews of their own Ashkenazi/Khazarian bloodline.

What’s the key point?

The year 2020 marked a critical moment in the roll-out of the *New World Order* agenda. In order for the Khazarian globalists to establish their long-planned **One World Government** with Jerusalem as its capital, the world community of nations has to be adequately shocked and awed into accepting a global dictatorship. The form of that totalitarian government would initially take shape as a full-blown medical tyranny.

The Khazarian-created United Nations, and in particular the unelected leadership of the World Health Organization (WHO), would be used as the introductory autocratic Covid compliance prototype as every nation has experienced thus far to varying degrees. Once the Covid vaxport is instituted worldwide, which illicitly grants authority to the WHO to supersede all national governments, the precedent will be set to expand the oppressive Covid regime into a much broader global governance platform. Of course, the **Khazarian Cabal**’s main goal is to standardize a **CBDC** throughout the entire planetary civilization which the **One World Government** will strictly enforce via a Chinese-style social credit system.

Back to **THE COVID HOLOCAUST**.

It ought to be self-evident at this late date of the ongoing Covid mass human sacrifice that such a complex criminal conspiracy had to be extremely well-planned and efficiently executed ... just like the fake *Final Solution* was by Khazarian-directed Nazi Germany. It should also be apparent that there is only one all-powerful and all-

pervasive international crime syndicate which could pull off such a convoluted Covid caper, as well as effectively cover it up for the foreseeable future.

KEY POINT: As a matter of historical fact, it was the **Khazarian Cabal** which was directly responsible for rolling out the cataclysmic Kalergi Plan (aka the Coudenhove-Kalergi Conspiracy) back in 1925. That nefarious scheme was also designed to wipe out the white race WHO HAVE ALWAYS POSED THE GREATEST THREAT to Khazarian supremacy and their complete domination of the planet Earth.

The capstone of the Khazarian's multi-millennial conspiratorial plot to first neutralize, and then eliminate altogether, the white Christian peoples is **THE COVID HOLOCAUST**. Irrespective of how exceedingly reckless and brazen such a global mass sacrifice truly is, as well as how extremely difficult it is to keep this massive crime wave covered up worldwide, their resolve to complete **THE COVID HOLOCAUST** seems perilously implacable.

To wit, the **Khazarian Cabal** knew full well from the very start of the Covid sacrificial mass murder, racial genocide and global depopulation project that their god — SATAN — had to be properly propitiated if their foolhardy plan for a **One World Government** was to be successful. After all, that's what sacrifices are really for—invoking the favor, eliciting the aid and drawing down the power of a chosen deity to accomplish one's goals. Toward that end, the Khazarians, who own and operate the *Synagogue of Satan*, know just how to do that as they have been doing without consequence over the millennia.

The **Khazarian Cabal** is also well aware that nothing works like their time-tested **Ordo ab Chao** strategy. Since Satan is all about death and disease, destruction and devastation, desolation and defoliation, depredation and desecration, degradation and disintegration, the Khazarians were quite cognizant of the necessity for **THE COVID HOLOCAUST** to be immense for two reasons. The first was to provide sufficient cover for their world takeover scheme to proceed undetected by the diseased and death-stricken masses. The second reason was to conduct a large enough collective human sacrifice that would both appease and satisfy the only idol that resides in their infamous ***Synagogue of Satan***...for only an enormous human holocaust would make the child-devouring god amply gratified.

***Synagogue of Satan – Fake Jews exposed in Revelation 2:9 and 3:9. See comments on the last page of this post by State of the Nation website.**

While the painting above does depict Saturn devouring his son, it's important to note that "Satan" is the biblical rendition of the name "Saturn". The Hebrew scribes were well aware that the planet Saturn was responsible for delivering all negative karma in the world of men; hence, the planet took on the visage and aura of mankind's greatest enemy Satan...unless you're a Khazarian worshipper, of course.

However, whenever the marriage of such extreme arrogance and ignorance takes place within any tribe of inveterate bio war-makers and bioterrorists, highly consequential mistakes are inevitably made. Falsely thinking that, once Satan was satisfactorily ingratiated by **THE COVID HOLOCAUST**, their plans for total world domination would proceed without being thwarted has proven to be utterly disastrous for them and their many mercenary minions.

Conclusion

KEY POINT: *It ought to be intuitively obvious to every Covid conspiracy realist that there's only one well-concealed global power structure capable of carrying out both the **OPERATION COVID-19** bio war launched against humanity in 2019, as well as the genocidal Covid Super Vaccination Agenda first implemented in 2020. In point of fact, there is only one criminal clan that possesses such malevolent power, pervasive influence and overwhelming force that every country on Earth could be easily and quickly compelled/coerced to mass murder its own citizens. For only the **Khazarian Cabal** could so seamlessly and efficiently perpetrate such a worldwide holocaust, successfully cover it up, and seemingly get away with it. And it is these three primary pillars of their well-established global crime syndicate which have, thus far, ensured the ruthless killing efficiency of this long-planned Covid conspiratorial plot: (i) **Khazarian Mafia**, (ii) **Ashkenazi Banksters** and (iii) **Zionist Warmongers**.*

Which means that only the surreptitiously targeted Covid holocaust victims themselves can bring this monstrous human sacrifice to an end.

For example, were every Covid vaccine victim to take back their power, stand in their own truth and speak that raw truth to power, everything would change in a day and a night. By bravely standing up for righteousness, they would prevent other innocent victims from being led to the slaughter. In effect, **THE COVID HOLOCAUST** would be halted—FOREVER!

Not only would their collective voices immediately terminate **THE COVID HOLOCAUST**, their courageous response would serve to ultimately bring down the **Khazarian Cabal's** entire **BEAST System**. Hooray!

In the past two and a half years a regular criminal corporation name occurs over and over again relative to the report by the State of the Nation; and that name is Pfizer Pharmaceuticals. Their history of crimes against humanity are huge. On any given day since the Plandemic was launched there is at least two reports concerning the crimes of Pfizer Pharmaceuticals.

It is hard for people to comprehend the reality of this Spiritual War being waged, and each of you are both the prize and the victim; by that Satan. The fact has been well established that those being vaxxed are submitting to “gene” therapy which modifies their God-given DNA, to that of Satan’s hybrid AI individual, half human and half cyborg. Each individual that has been either killed or maimed by the “gene” therapy is removed from the Book of Life. Should you want further understanding on this there are eight references to the Book of Life in the Bible. They can be found in Philippians 4:3; Revelation 3:5; 13:8; 17:8; 20:12; 20:15; 21:27; and 22:19.

In Revelation 2:9 and 3:9, Jesus pointedly exposed who the Synagogue of Satan are; they are those who call themselves Jews, but are not!
