[Authored by Victor Davis Hanson via American Greatness](#)

Did someone or something seize control of the United States?

What happened to the U.S. border? Where did it go? Who erased it? Why and how did 5 million people enter our country illegally? Did Congress secretly repeal our immigration laws? Did Joe Biden issue an executive order allowing foreign nationals to walk across the border and reside in the United States as they pleased?

Since when did money not have to be paid back? Who insisted that the more dollars the federal government printed, the more prosperity would follow? When did America embrace zero interest? Why do we believe \$30 trillion in debt is no big deal?

When did clean-burning, cheap, and abundant natural gas become the equivalent to dirty coal? How did prized natural gas that had granted America's wishes of energy self-sufficiency, reduced pollution, and inexpensive electricity become almost overnight a pariah fuel whose extraction was a war against nature? Which lawmakers, which laws, which votes of the people declared natural gas development and pipelines near criminal?

Was it not against federal law to swarm the homes of Supreme Court justices, to picket and to intimidate their households in efforts to affect their rulings? How then with impunity did bullies surround the homes of Justices Brett Kavanaugh, Samuel Alito, Amy Coney Barrett, Neil Gorsuch, John Roberts, and Clarence Thomas—furious over a court decision on abortion? How could these mobs so easily throng our justices' homes, with placards declaring "Off with their d—s"?

Since when did Americans create a government Ministry of Truth? And on whose orders did the FBI contract private news organizations to censor stories it did not like and writers whom it feared?

How did we wake up one morning to new customs of impeaching a president over a phone call? Of the speaker of the House tearing up the State of the Union address on national television? Of barring congressional members from serving on their assigned congressional committees?

When did we assume the FBI had the right to subvert the campaign of a candidate it disliked? Was it legal suddenly for one presidential candidate to hire a foreign ex-spy to subvert the campaign of her rival?

Was some state or federal law passed that allowed biological males to compete in female sports? Did Congress enact such a law? Did the Supreme Court guarantee that biological male students could shower in gym locker rooms with biological women? Were women ever asked to redefine the very sports they had championed?

When did the government pass a law depriving Americans of their freedom during a pandemic? In America can health officials simply cancel rental contracts or declare loan payments in suspension? How could it become illegal for mom-and-pop stores to sell flowers or shoes during a quarantine but not so for Walmart or Target?

Since when did the people decide that 70 percent of voters would not cast their ballots on Election Day? Was this revolutionary change the subject of a national debate, a heated congressional session, or the votes of dozens of state legislatures?

What happened to Election Night returns? Did the fact that Americans created more electronic ballots and computerized tallies make it take so much longer to tabulate the votes?

When did the nation abruptly decide that theft is not a crime, assault not a felony? How can thieves walk out with bags of stolen goods, without the wrath of angry shoppers, much less fear of the law?

Was there ever a national debate about the terrified flight from Afghanistan? Who planned it and why?

What happened to the once trusted FBI? Why almost overnight did its directors decide to mislead Congress, to deceive judges with concocted tales from fake dossiers and with doctored writs? Did Congress pass a law that our federal leaders in the FBI or CIA could lie with impunity under oath?

Who redefined our military and with whose consent? Who proclaimed that our chairman of the Joint Chiefs of Staff could call his Chinese Communist counterpart to warn him that America's president was supposedly unstable? Was it always true that retired generals routinely libeled their commander-in-chief as a near Nazi, a Mussolini, an adherent of the tools of Auschwitz?

Were Americans ever asked whether their universities could discriminate against their sons and daughters based on their race? How did it become physically dangerous to speak the truth on a campus? Whose idea was it to reboot racial segregation and bias as "theme houses," "safe spaces," and "diversity"? How did that happen in America?

How did a virus cancel the Constitution? Did the lockdowns rob of us of our sanity? Or was it the woke hysteria that ignited our collective madness?

We are beginning to wake up from a nightmare to a country we no longer recognize, and from a coup we never knew.

In a related post by Brandon Campbell below we are beginning to see how our country has been changed right before our eyes. Posted by [Brandon Campbell January 6, 2023](#)

Our "Leaders" Have Taken Blood Oaths- These people swore an oath or to represent citizens, but their true loyalty is to Satan (Communism.). They are traitors and should be treated as such.

The blood oath is fundamental. Biden and most of his cabinet and most courts and congress have probably taken it. That's why they are excluded from mandatory vaccines.

These people swore an oath or to represent citizens, but their true loyalty is to Satan (Communism.).They are traitors and should be treated as such.

Worldwide the vaccine passports are leading to a Chinese Communist social credit system where your every word and move are monitored for political correctness.

Like our "leaders," the Chinese Communist Party (CCP)is Satanists. We now face persecution from this evil red dragon in the form of medical tyranny. We're dealing with PURE EVIL.

The Final Choice is Good or Evil. What Choice Will Those with a Blood Oath Make?

The ultimate and final choice is between Good and Evil.

The Chinese say, “you can’t stand in two boats”; as the boats move apart, you will be forced to choose one boat or fall into the water. Those who have taken a blood oath are conflicted between doing what is Good or following a path that stops at no Evil.

The way to discern good or evil is to evaluate it against Truth, Compassion and Tolerance; this is the characteristic of the cosmos. Those who adhere to these universal principles are good. The ones who deviate from Truth, Compassion and Tolerance are wicked.

Karl Marx signaling the “hidden hand”, indicating the real power of the world from behind the scenes controls him and he has taken a Blood Oath.

In the Communist Manifesto (Chapter 2), Karl Marx spells out that communism is Satanism:

“There are, besides, eternal truths, such as Freedom,, etc., that are common to all states of society. But Communism abolishes eternal truths, it abolishes all

religion, and all morality, instead of constituting them on a new basis; it therefore acts in contradiction to all past historical experience.”

Because communism is opposed to Truth and it abolishes all morality; therefore it is easy to see communism is evil.

Communism was created by evil and it is spread by evil people, hidden in the top layers of society with dual loyalties.

Today, the Chinese Communist Party (CCP) is playing the leading role to establish global communism.

The CCP requires a blood oath to join; it has brutally persecuted many groups in China since coming to power in 1949, killing an estimated 60-80m people who were opposed to communism.

This genocide in China has continued until today, because the CCP is always persecuting someone. One noteworthy group is Falun Gong, a peaceful meditation practice that was brought to the public in May, 1992. It was very popular in China, with over 100m people taking up the practice. The practice has five slow moving qigong exercises and a series of lectures that help people improve themselves to their very core.

Because Falun Gong practices Truth, Compassion and Tolerance, the CCP has persecuted them since July 20, 1999. Practitioners were detained, arrested, put to forced labor, imprisoned, tortured and had live organ harvesting (faluninfo.net).

The CCP is against Truth, Compassion and Tolerance. Now, the CCP and those aligned with it are utilizing every means at their disposal to persecute the entire world. Good people everywhere now face persecution from this evil red dragon in the form of medical tyranny.

COMMUNIST AGENTS

The CCP goal is the destruction of the USA and imposition of The Great Reset — worldwide communism. People are recruited because they hold positions of status or influence in society, and they are able to maintain their positions, while at the same time, secretly pledging their loyalty to something else.

The CCP requires a blood oath to become a member with these words:

“... ready at all times to sacrifice my all for the Party...”

“...both parties stop and swear unto death while standing in the midst of the blood, swearing by G-d (thus making G-d their 3rd party) to kill the covenant breaker and his seed after him if the terms of the covenant are breached.”

Traitor VP Mike Pence received this “token of appreciation” immediately after voting against Pres. Trump on Jan 6th, 2021. It’s rare to see high level secret society ceremonies in a public setting.

“All this I most solemnly and sincerely promise and swear, with a firm and steadfast resolution to keep and perform the same, without the least equivocation, mental reservation, or self-evasion whatsoever, binding myself under no less a penalty than that of having my body severed in twain, my bowels taken thence and burned to ashes, and these scattered by the four winds of heaven, that no more remembrance may be had among men or Masons of so vile a wretch as I should be, should I, in the least, knowingly or wittingly, violate or transgress this my Master Mason’s Obligation. So help me God and keep me steadfast.”

The Jesuit oath (from 1533 Jesuit oath):

“In confirmation of which I hereby dedicate my life, soul and all corporeal powers, and with the dagger which I now receive, I will subscribe my name, written in my blood in testimony thereof; and should I prove false or shaken in my determination, may my brethren and fellow soldiers of the militia of the Pope cut off my head and my feet and my throat from ear to ear, my belly opened and sulphur burned therein with all the punishment that can be inflicted upon me by demons in eternal hell forever.”

Finally, the Mafia also has a blood oath (related by Joe Valachi in testimony to Congress):

“I sit down at the table. There is wine. Someone put a gun and a knife in front of me. The gun was a .38 and the knife was what we call a dagger. Maranzano [the boss] motions us up and we say some words in Italian. Then Joe Bonanno pricks my finger with a pin and squeezes until the blood comes out. What then happens, Mr. Maranzano says, ‘This blood means that we are now one Family. You live by the gun and the knife and you die by the gun and the knife.’

Those swearing a blood oath are often required to spy and commit crimes for these groups. Their blood oath has priority over any other oath, they literally pledge their lives to these groups and must keep this secret. Their feet are more firmly planted in the evil boat, but they still have a chance until the end to make a better choice.

Dr. Fauci is Jesuit trained and a Deep State operative through six administrations. Watch his signals to know where his loyalties lie.

DUAL LOYALTIES

People who have taken a blood oath can be found throughout society in positions of authority and power in nearly every corner of the globe.

Many have literally “sold their souls” for wealth and other benefits. People who take a blood oath are recruited in, no one can “apply” to join and membership often follows

family lines. The secret organizations see the power the person has access to, they can also “direct” things to make a person gain even more power, even becoming president of the United States.

Is it a surprise the “hidden hand” has guided events and created history in this manner? The large scale ritual sacrifices are now on a grand scale: two World Wars, the Holocaust (which means “burnt offering), 9/11 and now the biggest of all...the COVID/CCP Virus. All of these events were perpetrated by people with dual loyalties, whose feet are in two boats.

All of what these two writers have said above is completely true and accurate from my own reading and research. We could add many more examples to their observations, but these are more than enough to destroy a country from within.

Pray that God will intervene soon in the insanity that is rampant in our world today!

Blessings,
