

THE GREAT SCAMDEMIC: Biggest and Deadliest Medical Fraud Ever Perpetrated on the Human Race

Re-Posted from [June 28, 2020](#) by [State of the Nation](#)

“All the official COVID-19 numbers are fake, totally made up!”

— [The Coronavirus Coach](#)

- All the COVID-19 infection rates and number of cases by locale and nation are fabricated
- All mortality rates by city, state and nation are falsified; most COVID-19 classified deaths are other causes of death
- All coronavirus hospital admissions are either confusingly misrepresented, deliberately inflated or grossly exaggerated
- All COVID-19 statistics officially issued by virtually every government within the world community of nations are either highly inaccurate, purposefully distorted or patently false
- Geriatric genocide is the primary cause of death especially in the United States, Italy, Great Britain, Spain, France and Germany

State of the Nation

No other viral pandemic or epidemic in recorded history has ever exacerbated during the summer months the way that the 2020 novel coronavirus pandemic has.

There are several good reasons why the evolution of the COVID-19 pandemic is so odd and inexplicable. Especially during the hot season in places like Florida, Texas,

California and New York is the present COVID-19 spiking trend obviously manufactured.

But why now ... and why these particular states?

Because Florida, Texas, California and New York are the bellwether states having the most electoral votes. They're also the four largest state economies in the USA, that's why!

The *New World Order* globalist cabal, working in tandem with *Deep State*, is determined to wreck and ruin these 4 state economies. In so doing, they are assured of collapsing the U.S. economy before Election Day.

Also, the Democrats know that if they can flip either Florida or Texas or both to Biden, the Bolsheviks steering the ongoing [Purple Revolution](#) will go unprosecuted. The treasonous coup plotters are not stupid; they know: **Crash the economy, slash the chances of a Trump victory.**

KEY POINT: Notice how Florida, Texas and California, in particular, experienced so-called COVID-19 spikes just before, during or right after the reopening of their economies this June. The extremely suspicious timeline of the most relevant fake news about the spiking, as captured by the published mainstream media accounts, clearly reflects a highly concerted effort to shut down those state economies yet again. Essentially, the Republican governors of Florida and Texas are being coerced by the MSM false reporting to stall the reopening's all summer long and, perhaps, until Election Day.

STATgate

The "Total Confirmed" stats as of June 28, 2020 listed below are all completely bogus.

The following “Global Deaths” and “US State Level Deaths, Recovered” stats as of June 28, 2020 are all fictitious, fallacious and fraudulent.

How do we know with absolute certainty that these stats are untrue and made up?

Because the COVID-19 test has been proven to be predictably inaccurate by various coronavirus attending physicians, medical researchers, qualified epidemiologists and investigative journalists. Not only do the COVID-19 tests produce countless false positives, they even result in false negatives, although quite infrequently. The overwhelming consensus of the experts is that the COVID-19 test kits themselves are flawed and unreliable.

CORONAVIRUS TEST: A total fraud, gives up to 80% false positives, can be adjusted to produce any result

Furthermore, the “cause of death by COVID-19” is being intentionally used by the colluding medical authorities, WHO, NIAID and hospitals across the USA as a blanket explanation put on death certificates regardless of the actual cause. This, of course, is medical fraud. Such deliberate misclassification constitutes a criminal pattern of governmental malfeasance to misrepresent the vital data that are driving this engineered pandemic.

“The Medicare reimbursement is \$13,000 for Covid-19 admissions to the Hospital; and if those Covid-19 patients receive ventilator treatment, the reimbursement is \$39,000.”(Source: **Here’s why COVID-19 deaths are being grossly inflated across America!**)

Remember, the Medicare reimbursement schedules were purposefully designed to encourage this fraudulent scheme nationwide (see the preceding excerpt).

The perps at the top had already created a conducive crime scene when they began shutting down all discretionary medical services especially elective surgeries. This put hospital finances in such dire straits that they were willing to go along with the COVID-19 fraud just to keep their doors open.

The perps then forced numerous hospitals to stage fake COVID-19 ICUs with no patients; hence, no revenue coming in but still having to pay the hospital crisis actors.

Look it, when the man at the very top of this Big Pharma-Government crime syndicate is a career criminal like Dr. Anthony Fauci, what official data or information about this pandemic can be taken seriously. See: [FAUCIgate: OPERATION COVID-19 Point Man Tony Fauci Must Be Arrested and Prosecuted for Genocide](#)

Then there is the world's premier vaccine pitchman Bill Gates whose every utterance somehow concerns the forced vaccination of every single person on the planet. Since it is the Bill & Melinda Gates Foundation that is now WHO's biggest funding agent, how can any of their stats be trusted. See: [BILL GATES: A Menace to Society Who Must Be Arrested and Prosecuted for Crimes Against Humanity](#)

Geriatric Genocide

If there is one aspect of THE GREAT SCAMDEMIC that has been completely ignored, or shockingly downplayed when it can't be, it's the ongoing geriatric genocide taking place every day now.

This premeditated mass murder of the elderly, particularly those with underlying conditions and/or those who have been institutionalized, has been carried out with ruthless execution.

GERIATRIC GENOCIDE: All of These People Should Be in Prison! (Video)

It's very easy to explain away the myriad deaths of hospital, nursing home and assisted living residents who are over 65 years old as coronavirus caused—EVEN THOUGH IT ISN'T.

Let's face it, older folks with serious medical ailments and/or health conditions are much more vulnerable to developing full-blown Coronavirus Syndrome. However, this fact of life also makes them easy targets for a methodical yet stealthy geriatric genocide. See: [CORONAVIRUS SYNDROME: The Ultimate Genocidal Bioweapon System](#)

There are several objectives behind such a nefarious conspiratorial plot that are beyond the scope of this exposé. One of the most obvious, however, was to provide a means by which the perps could endlessly fabricate an alarmingly high infection rate, but more significantly a high mortality rate. In this way, this transparently bioengineered

pandemic could then be super-hyped by the MSM thus creating a contrived justification for mandatory masks, sheltering in place, social distancing, contact tracing and a future mandated vaccine.

Another self-evident objective is the rapid bankruptcy of whole sectors of the U.S. economy. The restaurant, hospitality, cruise line, airline and tourism industries are contracting as never before, to name just a few. In fact, closures — both temporary and permanent — as well as bankruptcies, are at an all-time high, especially in the crucial small business category.

PLANDEMIC: The Pre-Planned Controlled Demolition of the American Economy—WHY?

Not only is Main Street once again closing down in towns and cities across the country, Wall Street and Corporate America are the major beneficiaries of the economic collapse. This is the real tragedy that is being foisted on the American people by the unelected Medical Mafia that has effectively enacted a modified Medical Martial Law. This paralyzing state of affairs is but a prelude to a much more draconian regime planned by the NWO cabal.

Conclusion

The American people should expect several more “October Surprises” between now and November 3rd. The severity of each of those fastidiously planned black operations and/or psyops is a function of how desperate the NWO globalists are to ensure a Trump loss.

Therefore, it's a foregone conclusion that **THE GREAT SCAMDEMIC** will be milked by the perps in every way possible and by any means necessary. The communist leaders of this seditious plot to overthrow the Trump administration know they will be soon heading to the gallows otherwise.

In point of fact, so many Deep State crime waves and Democrat crime sprees have been exposed since Trump first declared his candidacy in June of 2015 that the perpetrators have no other way to avoid charges of treason and capital punishment. For these and several other reasons, the globalists will artificially prolong THE GREAT SCAMDEMIC until every person on planet Earth has been strictly accounted for via contact tracing and vaccinated with the coming COVID-19 microchipped vaccine...UNLESS WE STOP THEM.

The “State of the Nation” Web site is one of the most important sites for critical information relative to the Global Elite agenda. Share their reports with all your contacts as our freedoms are in danger of being taken from us.

Dr. Ron Paul, a former congressman from Texas days ago stated this regarding the Corona virus:

“But what's happening in America right now is being taken advantage of by those who want to profit politically from the panic. To them, it's a perfect chance to steal more of our constitutional freedoms and set America up for a socialist future.

If that sounds too extreme, just consider:

- The Department of Justice recently asked Congress for the ability to detain Americans—without trial—during "emergencies" like this...*
- Others have proposed we "eliminate all political borders"...*
- And according to a recent story in Politico, the White House Coronavirus Task Force is considering creating a national surveillance system to track Americans' health information—essentially a healthcare Patriot Act!*

Don't forget: In many states, it's now illegal to publicly worship at a church, a blatant disregard for the First Amendment (and many state constitutions, as well.)

But this is just a foreshadowing of an even greater crisis...

One former Trump advisor is warning that this could spark the next Great Depression.

But I think the results could be even worse..."

Sincerely,

Dr. Ron Paul

Blessings,
