Posted on October 10, 2022 by State of the Nation

The American Republic is only the latest victim of this Khazarian plot to rule the whole world.

---

SOTN Editor’s Note: The following exposé presents critical history about the **Khazarian Cabal** going back millennia. It has never been so urgent for the world community of nations to understand who is really behind the never-ending wars and devastating conflicts, incessant chaos and cultural confusion, as well as the engineered financial breakdowns and economic collapses. Only when humanity truly comprehends the bankster mentality of the **Khazarian Clan**, before there was even a Khazar Khaganate, can the entire planetary civilization be liberated from such a terrible scourge. The important research posted below does a great job piecing together the multi-century crime scene puzzle of the utterly ruthless **Khazarian Mafia**.

N.B. It’s never been so imperative for the whole human race to become aware of the jailers who set up this prison planet. For planet Earth has been transformed into a financial and economic penitentiary in which each and every human being is incarcerated to serve out their respective life sentence. Now, meet your prison warden.

Now that we know where to look in history, the solutions can start to flow:

The Rothschild's (ca. 1744-present) did not invent mammon, but they currently lead this pagan Babylonian trek through history to control humanity through debt slavery.

The Babylonian Hammarabi Code (ca. 1755–1750 B.C.) permitted usury ([item 100](#)), including in the city of Nippur.

Five hundred years later in [1186 B.C.](#) (12th century B.C.) the Exodus of the Israelites from Egypt into Canaan, under the leadership of Moses occurred.

The Canaanite (called Phoenicians by 500 B.C.) worshipped [Ba'al](#) and [Moloch](#), practiced child sacrifice, and were charged usury by the Israelites.

Fifteen centuries later, the Babylonian Banking Houses of Egibi and Murashu (Nippur) were the actual “Jewish” subjects of admonition by many of the Jewish Prophets **against usury** (ca. 6th-8th centuries B.C.)..

The detailed archives discovered in 1874 of the [Egibi and Murashu Banking Houses](#) in Babylon show that these “[Babylonian Rothschilds](#)” did not follow the instruction of the Jewish Prophets against usury.

These Radhanite\* “Jews” controlled the Babylonian banking system, controlled the Silk Road trade with China, intermarried with the Turkic peoples of Persia, Khazaria and Sogdia and **ceased to be Judean** (truly Jewish) many centuries earlier.

\*named after a suburb of Babylon

In short, the “Jewish” controllers of banking in Babylon were **fake Jews**, and have been to this day.

Some 27 centuries later, the Rothschild’s and their fellow fake-Jewish bankers—worshippers of Ba’al, Moloch and Mammon (via Sabbatean Frankism)—continue the evil pagan traditions of debt slavery, usury, human trafficking, and child sacrifice. These Babylonians rebranded themselves as “Ashkenazi”—while hiding as Judean Jews and using “anti-semitism!” propaganda epithets to mask their promotion of the usury sin. (They’re not Jewish nor semitic.)

Mammon and the sin of usury is the central demon plaguing our world today; it must be cast out (and **we must stop practicing usury as both purveyors and co-dependent victims**).

### **The Year of Jubilee must be declared**

**Oct. 07, 2022**—The practice of usury has been almost universally condemned as unfair, discriminatory, and sinful by moral men and woman of the world since time immemorial—no matter their religion be it Buddhist, Jewish, Christian, or Moslem, or philosophy be it Plato, Aristotle, Cato, Cicero, Seneca, or Aquinas.

So, why do we accept usury as our way of life today?

Credit cards, house mortgages, loans, bonds, consumer debts, college debts, car debts, business debts, debt, debt, debt.

## **INTEREST-BEARING CREDIT ENGULFS OUR MODERN SOCIETIES**

Who is to blame for this sinful state of affairs?

Well, certainly us as the victims. We have allowed this practice to continue.

We are similar to the enablers in the alcohol addiction of a family member—we enable the addiction by acquiescing to the dysfunction.

## **USURIOUS FIAT BANKING SYSTEM IS HUMANITY'S PRIMARY SPIRITUAL ENEMY**

More directly, the blame must be laid squarely at our fiat currency and fractional reserve banking system, and the people who control it, and have done so for some three millennia, as we shall prove.

Compared to the arc of history, the Jew Rothschild's and other fake-Jewish families like the Barings and Warburg's, are almost contemporary history as compared to the long line of usurers over the last 27 centuries who have so sinfully influenced human affairs.

## **BEING "JEWISH" ON THE CHINA SILK ROAD**

We feel compelled to put "Jewish" in quotes because we have discovered that the Rothschild-esque bankers today are not Judean or even Jewish—they are pagans.

Rather, they are from Turkic-Persian-Babylonian-Sogdian-Khazarian stock whose convert progenitors melded into the various kingdoms of the ancient world, notably Persia and Babylon; they were put in charge of their banking, currency, taxation, administration, engineering, industry, shipping, communications, accountancy, trade, commerce, industry, and law along the Silk Road to China.

These fake Jews became the intermediaries between the kings and queens and their subjects. As long as these fake Jews collected the taxes successfully, they were given the keys to the empire.

This fake Jew dominance of Babylonian banking occurred before the 7th century B.C.—at the time of the writings of many Scriptures, including Exodus, Deuteronomy, Joshua, Judges, Samuel, Kings, Zephaniah, Nahum, Jeremiah, Ezekiel, Isaiah, Hosea, Amos, Micah, Zephaniah, Psalms, Haggai, Job, Ecclesiastes, and Song of Songs.

## **Rome was founded (ca. 753 B.C.); Athens was ascendant (ca. 490 B.C.)**

In short, around the 7th century B.C., humanity saw a burst of spiritual energy in both the seen and unseen realms to lead humanity on a higher pathway. God was speaking mightily to the world through the children of Israel during this period.

God was calling the Children of Israel to repentance; to turn from their evil ways and seek righteousness.

**God, through his Prophets, repeatedly condemn usury—**

For example: [Exodus 22:25-27](#), [Deuteronomy 23:19](#), [Ezekiel 18:13](#), [Psalm 15:5](#), [Leviticus 25:36](#), [Proverbs 22:7](#), [Nehemiah 5:10-11](#), [Ecclesiastes 2:26](#).

### **THE 7-YEAR YEAR OF JUBILEE FROM DEBT NEVER HAPPENED**

Indeed, [Deuteronomy 15:1-7](#) called for a “Year of Jubilee” where all debts would be cancelled every seven years.

The wealthy “Jewish” Banking Houses of [Egibi](#) and [Murashu](#)—the Babylonian Kingdom’s bankers (“Babylonian Rothschild’s”) — described below, ignored the pleas of the Prophets to forgive debts so as to make the people debt slaves. Nothing in their archives describes forgiveness of debt.

[Nehemiah 5:9-13](#) pleaded with the Houses of Egibi and Murashu (yes, these very Houses):

***“LET US ABANDON THIS EXACTING OF INTEREST. RETURN TO THEM THIS VERY DAY THEIR FIELDS, THEIR VINEYARDS, THEIR OLIVE ORCHARDS, AND THEIR HOUSES, AND THE PERCENTAGE OF MONEY, GRAIN, WINE, AND OIL THAT YOU HAVE BEEN EXACTING FROM THEM.”***

Here we have indictable proof that the exact evil banking practices of the fake-Jewish Banking Houses of Egibi and Murashu in Babylon—at the height of their power and influence—has continued in an unbroken timeline to the fake-Jewish House of Rothschild today.

In the actual writings of the Egibi and Murashu, we have hard evidence that they ignored the admonition of the Prophets against charging interest on debt.

Worse, they funded human trafficking of all sorts, including branding slaves, castrating males to sell them as eunuchs, selling boys and girls for pedophilia, selling women into prostitution.

Babylonian fake-Jewish banking in Babylon continued along the Silk Road trade with China from 130 B.C. to 1000 A.D.

### **THE HOLY LANCE OF ANTIOCH**

The breaking point between Babylon, Islam and Europe was the rise of [Seljuk Turk](#) Islam. They overran Babylon, redirected Silk Road commerce, blocking it from their enemies, then attacked the Holy Land, triggering the First and Second Crusades (1096-1099 A.D., 1147-1149 A.D. respectively).

Perhaps the ultimate counterpart to the evils of Babylonian bank usury and human slavery system that was disrupted, was the miraculous and well-documented discovery of the [Holy Lance](#) of St. Longinus in Antioch by Peter Bartholomew and Raymond of Toulouse. Raymond was the conqueror of Jerusalem and later founder of the Knights Templar.

The Knights Templar created the first Christian no-interest loans not based on usury. It was the [Holy Lance](#) that led the first Crusaders to victory in Jerusalem against Babylon's fake-Jewish usurers. (That very lance of St. Longinus is believed to exist today and is in the stewardship of a Patriot.)

THE SELJUK TURKS DISRUPTED THE SOUTHERN ROUTE OF THE SILK ROAD — THROUGH PERSIA—THAT HAD BEEN CONTROLLED BY THE FAKE-JEWISH BABYLONIAN BANKERS

The Seljuk Turks forced the fake-Jewish (Turkic-Persian-Sogdian-Khazarian) banking houses of Babylon, then well known in Europe as Radhanites, to move north into Turkey.

ASHKENAZI MEANS BABYLONIAN, TURKIC, KHAZARIAN, RADHANITE FAKE JEW, WE BELIEVE

These fake Jews rebranded themselves as "[Ashkenazi](#),"\*\* and had earlier, as Radhanite (Babylonians), encouraged their brother Khazarians to "convert" to Judaism in order to open a northern route for the Silk Road through the Khazarian empire in the Crimea and over the Caspian Sea.

\*\*Name chosen from the Noahic (Mt. Ararat) cities in Turkey named İşkenaz, Eşkenez, Aşhanas, and Aschuz.

The Radhanite (Babylonian) fake Jews had offices all over Europe. It appears that they rebranded themselves as "Ashkenazi," introduced their secret Yiddish trading language, and ensconced themselves into the royal houses of Europe as "Court Jews".

Since we have discovered that these fake Jews ran Babylon, it is inconceivable that they did not take over the royal "Christian" houses of Europe, then engaged their fellow Turkic Radhanite banker brothers as "Court Jews" and as the excuse to continue charging interest in these Christian countries where usury was forbidden.

So in reality, we are concluding that the crowns of Europe were deceiving the public about their blood relationship with their Court Jews. This deception enable their Ashkenazi-Khazarian-Sogdian-Turkic cousins to charge interest in banking so that they would be seen not to be violating the Scriptures against usury.

### **THE MOST CRUEL HOAX OF HISTORY**

Even the hardened socialist British historian [Sir Arthur Koestler \(1977\)](#) call this "the most cruel hoax which history has ever perpetrated."

Curiously, at this very time, [The Knights Templar](#) (1118-1312 A.D.) were chartering the first banks that [DID NOT charge interest on loans](#).

This Knights Templar plan was wiped out when the Pope stripped the Templars of their assets and gave them to the [Knights Hospitallers](#) (1099-present, The Knights of Malta), who would acknowledge the Pope's ownership of papal lands they had been contributed by crusaders.

### **MAMMON-DEMON POSSESSION OF FAKE JEWS PROVED IN 1874 ARCHIVES UNCOVERED IN BABYLON**

In 1874 on the site of the ancient city of Babylon (Djumdjuma), a secret archive of about three thousand well-preserved terra-cotta jars, packed full of small tablets covered with writing, were unearthed by Arab diggers and archeologists.

The British Museum purchased one of these troves. They were "contract tablets" that described several centuries of immense [Egibi & Sons](#) and **Murashu & Sons** wealth and influence transacting carefully dated money affairs of every kind and size, including tax collection, checks, bank drafts, securitized money-lending with interest and penalties, conduct commercial courts, penal legislation.

Egibi and Sons appear to have reached the zenith of its wealth and power under Nebuchadrezzar. Professor Friedrich Delitzsch tells us, "All the financial business of the court was entrusted to this firm through several centuries.

The Banking Houses of [Egibi](#) and [Murashu](#) were wealthy fake-Jewish trade merchant families in Babylon in the 6th and 7th century B.C. who actually controlled the commerce of Babylon.

The Egibi banking family was founded by "Jacob" who most scholars agree was Jewish. ([Wikipedia](#) censors make a feeble attempt to distance Jacob from Judaism.)

The Egibi and Murashu families traded in gold, silver, spices, leather, perfume, currency, banking, law, accounting, debt, commodities, [branded male and female slaves, boys, girls, castrated eunuchs](#), cattle, grain, etc.

## The Babylonian "Jewish" Banking House of Murašu & Sons (5th century B.C.)

Shown above is the front of a banking receipt for the partial payment of a year's rent on lands leased to the **Murašu & Sons** banking firm. The payer representing the firm, however, is otherwise unattested. Naqqitu, daughter of Murašu, is mentioned. The fragment dates itself to 9/5/24 Artaxerxes I = **Aug. 8, 436 B.C.**) and Naqqitu's patronym allows her to be placed in the same generation as Murašu sons. This item is among 879 well-preserved terra cotta tablets of business records of the powerful Babylonian "Jewish" bankers Murašu & Sons. The 19th century historian Zénaïde Alexeïevna Ragozina (1834-1924) termed the contemporaneous "Jewish" Banking House of **Agibi & Sons** analogous to "**Babylonian Rothschilds**" whose more than 3,000 terra-cotta jars of banking records were unearthed in 1874 A.D.

By then, Exodus Jews had so long intermingled with the surrounding pagan populations along the Silk Road that they had become Babylonian, Turkic, Sogdian, even some Chinese by blood according to new genetic findings. 1500 years later they were called "Rhadanites" (meaning from the vicinity of Babylon), were still Silk Road bankers and merchants, and shared ancestral blood with the Turkic Khazarian tribes, guardians of a new "northern route" of the Silk Road. In short, they lost their Hebrew identity 1500 years before their rebranding as "Azhkenazi" ca. 1000 A.D. following the disruption of the "southern route" of the Silk Road, the conquest of Babylon by the Seljuk Turk Moslems and the Seljuk loss of Jerusalem in the First Crusade (1096–1099 A.D.).

### **MAMMON, MOLOCH AND BA'AL**

We are discovering three interlocked demons from ancient Babylon: **Mammon**, **Moloch** and **Ba'al**. Many among The Children of Israel—since before 600 years before Christ—worshipped these demons. They loved money and sacrificed their own, and their children, to this day.

The Bible confirms this multiple times. For example:

**Leviticus 18:21**: *“Do not give any of your children to be sacrificed to Moloch, for you must not profane the name of your God. I am the LORD”*);

**Jeremiah 32:35**: *“They built high places for Baal in the Valley of Ben Hinnom to sacrifice their sons and daughters to Moloch, though I never commanded—nor did it enter my mind—that they should do such a detestable thing and so make Judah sin.”*

**Matthew 6:24**: JESUS CHRIST: *“No one can serve two masters: for either he will hate the one, and love the other, or else he will hold to the one, and despise the other. You cannot serve God and mammon.”*

Babylon means “sown in confusion.” [Mammon](#) is old Aramaic for “riches.”

Since nearly a millennia before Christ, these demons have directed fake-Jew dominance in banking, money, trade, gold, silver, law, commerce, debt, tax collection, contracts, civil engineering and government, almost always for foreign kings and princes.

The challenge of reading Jewish history is to understand what “Jewish” even means.

Originally it was the Twelve-Tribe descendants of the biblical patriarch Jacob [Deuteronomy 27: 12](#). The Quran (7th century A.D.) [Surah 7 \(Al-A'raf\) verse 160](#) even states that the people of Moses were split into twelve tribes who fled Egypt in 1513 B.C. and settled in Canaan.

Reuben (Hebrew רְאוּבֵן Rə'ūḇēn)

Simeon (שִׁמְעוֹן Šīmə'ōn)

Levi (לֵוִי Lēwī)

Judah (יְהוּדָה Yəhūdā)

Issachar (יִשָּׂשכָר Yīssāšḵār)

Zebulun (זְבֻלֻן Zəḇūlun)

Dan (דָּן Dān)

Naphtali (נַפְתָּלִי Naṗtālī)  
Gad (גָּד Gād)  
Asher (אָשֶׁר 'Āšēr)  
Benjamin (בִּנְיָמִן Bīnyāmīn)  
Joseph (יוֹסֵף Yōsēṗ), later split into two “half-tribes”:  
Ephraim (אֶפְרַיִם 'Eṗrayīm)  
Manasseh (מְנַשֶּׁה Mənašše)

Within 1000 years after the Exodus, “Jewish” merchants, traders and bankers are to be found living and working all over Europe, Middle East, Eurasia and China.

For example, the Book of Deuteronomy was written in the 7<sup>th</sup> century (641-609 BC). Indeed, the Bible called on the Children of Israel to declare a “*Day of Jubilee*” (canceling of debt) every seven years. [Deuteronomy 15](#) called on the Children of Israel to stop occult practices like the sacrifice of sons and daughters in the fire, sorcery, omens, witchcraft, spells, spiritism. [Deuteronomy 18:9-13](#).

The Babylonian (Radhanite) fake-Jewish banks controlled the Chinese Silk Road trade and were only disturbed by the rise of the Seljuk Turks.

With that event ca. 1000, they rebranded themselves as “*Ashkenazi*,” constructed a new secret trading language, Yiddish, and took over the royal lines of “*Christian*” Europe, we believe these new facts are telling us.

The Ashkenazi-Persians-Babylonian-Turkic-Khazarian fake-Jewish bankers opened a northern route through Khazaria, and simultaneously bifurcated the royal families of Europe into fake Christians rulers and their fake “Court Jews.”

Historians tell us that Sogdian-Khazarians had large aquiline or hooked noses that set them apart in China.

In fact, the capital of Khazaria, [Atil](#) or Khazaran, was a western-most trading hub along the Silk Road (at the mouth of the Volga River in present day Astrakhan, Russian Federation).

The Babylonian ([Radhanite](#)) traded spices, dyes, perfume, porcelain, horses, camels, honey, wine, incense, medicines, steel weapons, furs, gold, silver, paper, gunpowder, jewelry, silk, eunuchs, women, girls, boys, eunuchs, camels, wool, brocade, linen, glassware, pearls, precious stones, leather, royal purple, coral, castor, slaves.

Curiously, the Silk Road Turkic brother-merchants of [Sogdia and Khazaria](#) just disappeared from history after the 8th century for the Sogdians, then 11th century for the Khazarians. More likely, they were censored out of our collective consciousness.

Genetically, [Yiddish](#)-speaking [Ashkenazi fake Jews \(Radhanite\)](#) emerged from four towns in modern-day Turkey, namely Işkenaz, Eskenaz, Aşhanaz, and Ashkuz.

Sir Arthur (1905-1983) rose to prominence during the emergence of a new and ruthless British banking corporatism that has now enslaved the world in onerous debt.

The central controller of this agenda is the British Pilgrims Society headquartered in the The City of London financial, press and legal district.

Sir Arthur was born in Budapest, Hungary to a Jewish family, lived on a kibbutz, was a Zionist, communist, Marxist-Leninist, parapsychologist, and a prolific historian and novelist. He was knighted by the Queen in [1972](#) (New Year's Honours).

### **EUROPEAN JEWS, KHAZARIA AND THE ARYAN RACE**

The “hoax” Koestler decries is the largely successful censorship of the true history of the Jews of Europe.

Koestler believed that had this true history of the Jews been told, the six million Jews (really 60,000 who died by disease, starvation and execution) murdered by the Germans in the concentration camps in WWII would not have happened—because they were Khazarian fake Jews who were neither Hebrew or semitic, and in fact,

... they were more Aryan than the Germans!

Koestler shows with thoroughly sourced scholarship that the Ashkenazi fake Jews of Europe are descended from semi-nomadic, Turkic, Sogdian, Khazarian traders from the Caucasus who converted to Judaism ca. 8th century, and are not from semitic Hebrews. Vigorous attempts are made to discredit this hypothesis, but they ring hollow. They are buried in misdirection and scrambled DNA verbosity. These counters typically start with snarky comments that turn off sincere scientists and overwhelm laymen.

For example, just look at the extensive information on their Silk Road trading partners to their east, the [Sogdians](#). It is extensive.

However, these mercenary historians want us Westerners to believe that the Jewish-convert Khazarians were bereft of a rich cultural history over hundreds of years like their fellow Turkic Sogdian neighbors? This is preposterous. Khazarian history has been censored from our collective consciousness, we believe.

(NOTE: Modern archeology shown at the Smithsonian has discovered Sogdian art and writings in China that describe a people with large, hooked noses as sculpted on Sogdian art displayed at the Smithsonian. Notably, the Sogdians and Khazarians are both of Turkic stock and likely share common facial features. Indeed, Sogdians were alternatively sought out, and at other times persecuted in China, and were identified by their large noses.)

Why?

We believe this censorship is designed to protect the British Zionist fiction of the “Great Diaspora” as a centerpiece of their dominance of Israel and the Middle East in the 20th century.

We believe it is also designed to mask the Khazarian convert heritage of its banking and corporate aristocracy led by the Windsor’s (Saxe-Coburg and Gotha), Rothschild’s and other Radhanite (Babylonian) German families.

The British Pilgrims Society’s Jewish hegemony fiction dies when the truth of their fake-Jewish Turkic blood actually being Khazarian-Sogdian since ca. 1000, and not semitic.

The “antisemitic” and “pogrom” propaganda screeds that have worked so well will lose their potency as this becomes widely known.

In short, the argument against Khazarian origins of fake Jews is the best fake history (“hoax”) that money can buy from mercenary historians, as Koestler—a likely Khazarian-Sogdian fake Jew himself—points out.

These historians jump through hoops to dismiss multiple new haplogroup (DNA) studies that discredit the classical stories of the “diaspora” of Israeli and Sephardic Jews “migrating” into the Rhineland (Germany).

Think about it. There was no need to “migrate” like inchworms. These locations were a month’s journey by land or a single ship ride by sea.

Those haplogroups favor Khazarian/Turkic origins of Jewish converts from the land mass spanning Turkey in the southwest, to the Aral Sea in the east, to Kiev across to Rostov-on-the-Don in the north.

History shows us that the Turkic Khazarians and Sogdians to their east were great traders along the Silk Road from China into Byzantium and Europe.

They traded in spices, silks, furs, women, girls, gold, silver, luxuries and slaves. These facts are undisputed.

Khazaria became the favored “*northern route*” into China once the Moslem Seljuk Turks captured Babylon.

### **WHY WOULDN'T THE FAKE “CHRISTIAN” CROWNS OF EUROPE AND THEIR FAKE JEWISH BANKER–ROTHSCHILDS ET AL BROTHERS–WANT US TO KNOW THIS HISTORY?**

We believe the answer is because it would reveal that the “*Christian*” nobility and “*Jewish*” bankers of Europe were both Khazarian-Babylonian-Radanite-Turkic-Sogdian. It would also reveal that the Babylonian-Radhanite “Ashkenazi” rebranding at the time of the fall of Babylon was a complete hoax.

The conspiracy is between fake-Jewish bankers and their fake Christian royal blood brothers.

They have protected this usury behind the propaganda of “*antisemitism*.”

Finally, we have an explanation for the fact that a preponderance of the bankers and corporate leaders in our world today are fake Jews and Christians—they are, in fact, Khazarian-Sogdian from the steppes of Eurasia.

They are the blood beneficiaries of “***The most cruel hoax which history has ever perpetrated.***” (Koestler).

This also explains why these “Jews” are largely anti-Israel and anti-Russia, we believe. They are not Hebrew nor are they semitic, and they seek revenge because the Rus’ ruler Sviatoslov I driving them out of Khazaria in 965-969 A.D.

### **USURY—THE CHARGING OF INTEREST.**

Usury is condemned in the Bible.

The exception was that is can be charged to foreigners.

This means that Jews cannot charge interest to fellow Jews, nor Christians to other Christians.

See [Deuteronomy 23:19](#), [Deuteronomy 23:20](#)), [Leviticus 25:35-38](#).

Jesus said you cannot serve God and money (mammon) [Matthew 6:24](#)).

St. Paul said the love of money is the root of all kinds of evil. ([1 Timothy 6:9-10](#)).

Proverbs says “The greedy stir up conflict, but those who trust in the Lord will prosper.” [Proverbs 28: 25](#).

### **The demons who promote usury**

The [U.S. Treasury](#) reports that the total national debt for 2021 was \$1.32 quadrillion. That’s \$1,315,070,000,000. That is \$3,092 for every citizen in 2021 alone.

The Treasury writes:

*“THE U.S. HAS CARRIED DEBT SINCE ITS INCEPTION. DEBTS INCURRED DURING THE AMERICAN REVOLUTIONARY WAR AMOUNTED TO \$75 MILLION, PRIMARILY BORROWED FROM DOMESTIC INVESTORS AND THE FRENCH GOVERNMENT FOR WAR MATERIALS.” (EMPHASIS ADDED).*

**This is a boldfaced lie.** The City of London (British) banks associated with the Pilgrims Society, Rothschild’s, Warburg’s, Baring’s and the London Assurance Company (John Barker, John Barker Church, Geo. Washington’s aide de camp), who were in league with [Alexander Hamilton](#) (also a Geo. Washington aide de camp).

### **CONCLUSION**

When the historical investigation focuses on **usury as human society’s core sin**, suddenly, the Babylonian worship of mammon, Ba’al and Moloch (Sabbatean Frankism) can be seen, unwound and destroyed.

The fake Christian and fake Jew banker and royal proponents of usury must be exposed.

A global Year of Jubilee debt reset must be declared

We the People could make it happen.

### ***OVERVIEW OF RUSSIAN STRIKES ON UKRAINE***

Paul Craig Roberts

Fifteen cities plus smaller towns in Ukraine have had their infrastructure damaged in Russian strikes today (October 10<sup>th</sup>). The EU advisory mission in Kiev was also hit. The best current account is on [southfront.org](http://southfront.org) — <https://southfront.org/russia-starts-to-fight-for-real-overview-of-strikes-in-ukraine/>

Southfront reports: **“RUSSIA STARTS TO FIGHT FOR-REAL,”** but more likely it is a wrist slap for Ukraine’s attack on the Crimea bridge. If the Kremlin saw these strikes as part of the war, the strikes would continue and intensify until Ukraine was begging on its knees to surrender. As of this time, there is no indication that the Kremlin intends to do what it needs to do and bring the conflict to an end before it widens into all out conflict with the West.

Russian on-the-ground military intervention was probably never necessary to halt Ukraine's attack on Donbass. The Kremlin could have just knocked out the civilian and military infrastructure of Western Ukraine and continued repeating the attacks day after day until Ukraine complied or was destroyed. The conflict might have lasted a week without a single Russian casualty.

But the Kremlin chose a Goody Two Shoes role—small commitment of ground forces to the Russian parts of eastern Ukraine long suffering from Ukrainian artillery strikes on civilians and neo-Nazi torture of the Russian population, about which there has been no complaint in the Western whore media.

It was obvious from the beginning that this was a strategic blunder whose slow-moving progress would give Washington time to widen the war and back Ukraine with money, weapons, training, intelligence and targeting information. With the Kremlin determined to confine and limit the conflict to the Russian regions of Ukraine, the Russian military was prevented from interfering with Ukraine's ability to conduct war. No strikes were made on government and military communication and infrastructure in Kiev, allowing Ukraine to engage in the conflict while remaining untouched, a huge self-inflicted disadvantage on the Russian forces. Apparently, this mindless military policy was to show that Russia was rescuing Donbass, not conquering Ukraine. In other words, the Kremlin let Western opinion constrain its military operation.

This, of course, is why Ukraine has refused to negotiate with Putin. There is no incentive for Ukraine to negotiate. Putin has confined the war to the Russian areas, leaving Ukraine untouched. Only Russian civilians are being killed and their cities and towns destroyed, while Ukraine goes its merry way as if a war doesn't exist.

The Russian policy toward Ukraine has made no sense since 2014 when the Kremlin accepted the creation by Washington of a hostile neo-Nazi government on Russia's border. If today's strikes are only a wrist slap, they will turn out to be counterproductive. The strikes will fuel more Western propaganda, making it easier for Washington to further expand the conflict and create more determination on the part of Ukraine.

A Turkish government official reports that what Putin really wants is not a victory in Ukraine but "*a new grand bargain, a new deal, with the West.*" Putin's aim, he says, is to renegotiate the balance of power between Moscow and Washington. <https://www.rt.com/russia/564300-putin-west-deal-turkiye/>

If so, this is a Kremlin pipe dream. Washington is committed to Russia's destruction, and the Kremlin continues to play into Washington's hands. If the Kremlin is incapable of facing the fact that the West has declared war on Russia and intends to destroy Russia, the conflict will continue to spiral out of control. What is needed is a quick decisive Russian victory that ends the conflict and shows Washington's European puppet states what the war on Russia will mean for them. Only this can stop the war

that is unfolding. Negotiations are totally impotent, as surely the Kremlin has learned by now.

For three decades not one single negotiation with the West has served Russia's interests. Why continue a totally failed approach? A government that replies to threats with requests for negotiations creates an image of itself as a government unwilling to fight, an image that encourages more provocations until, finally, its back is to the wall. This is how the Russian government's reasonableness is encouraging Washington to continue pushing until Armageddon is reached.

Paul Craig Roberts assessment of the Ukraine situation is correct in so far as Washington's goal is the destruction of Russia. As an indicator you must first realize that we are looking at World War III. We, meaning the U.S. has been waging and manipulating the Ukraine military for most of the war to date.

This is not a sign of de-escalation: the U.S. is sending one of its most modern aircraft carriers, the USS Gerald R Ford, to Europe. It is the U.S. Navy's newest class of nuclear-powered aircraft carrier (CVN 78), departing on its first major deployment.

The 13 billion euro carrier was only put into service in 2017, is 337 meters long and has a crew of 4 500, 90 fighter jets and, presumably, nuclear weapons on board. The Strike Group includes 17 ships and one submarine.

The *USS Gerald R Ford*, accompanied by several guided missile cruisers, submarines and supply ships, should be operating in the North Sea in just a few days, joining the Wasp-class amphibious assault ship *USS Kearsage*. This would give the U.S. Navy a massive concentration of troops in northern Europe – and the air support of the most modern stealth fighter jets.

The Strike Group will be deployed alongside NATO forces. The U.S. aircraft carrier *USS Harry S Truman* is still stationed in the Mediterranean.

The backdrop to this forthcoming war is payback for Russia's Putin throwing out the House of Rothschild dynasty several years ago, revoking the Rothschild (Khazarian) "fake Jews" control of the Russian banking interests. The web site State of the Nation has along with American Intelligence Media provided the expose of this ancient cruel hoax against humanity. Vladimir Putin played along with the globalist agenda in order to find out for himself what the Satanic Rothschild's and their fellow Khazarian's were planning to implement a uni-polar world. He knows history better than most of you and while the West has demonized Putin, and used Ukrainians as cannon fodder in its plan to wear down and diminish the Russian ability to wage war. Those were the words of the U.S. Secretary of Defense Lloyd Austin a few months ago. However, Putin has said there will be a New World Order but it will be a "multi-polar" one!

If you know what the Bible has to say about all of this, then you know a global war will follow. It may be days, weeks, or perhaps a few months at most, but a global war will ensue with the likes of destruction unseen in previous wars. It may begin with tactical low-yield nuclear weapons but once the nuclear “genie” is unleashed a chain reaction begins, it will accelerate into an uncontrolled volley of destruction.

Get ready to meet your God!
