

# The Noachide Laws

## Innocent Sounding but a Death Sentence None the Less!

This is a topic very few Christians know much about or what the Noachide Laws represent. I knew about President George H.W. Bush signing this back in 1991, but it was lost in my daily reading and news coverage. It slid right on by and got little attention until I read that President Donald J. Trump had reaffirmed the Noachide Laws as had all presidents since George H.W. Bush in 1991. Read this statement below and see if you see the subtle flaw in the wording.

### **George Bush, indicated in Public Law 102-14, 102nd Congress, that the United States of America was founded upon the Seven Universal Laws of Noah**

#### **Here's the Law As it Reads on the Books:**

APPENDIX ONE

105 STAT. 44 PUBLIC LAW 102-14-MAR. 20,1991

Public Law 102-14

102d Congress

Joint Resolution

Mar. 20. 1991

**[H.J Res 104]** To designate March 26. 1991, as "Education Day. U. S. A."

**Whereas** Congress recognizes the historical tradition of ethical values and principles which are the basis of civilized society and upon which our, great Nation was founded;

**Whereas** these ethical values and principles have been the bedrock of society from the dawn of civilization, when they were known as the Seven Noachide Laws;

**Whereas** without these ethical values and principles the edifice of civilization stands in serious peril of returning to chaos;

**Whereas** society is profoundly concerned with the recent weakening of these principles that has resulted in crises that beleaguer and threaten the fabric of civilized society;

**Whereas** the justified preoccupation with these crises must not let the citizens of this Nation lose sight of their responsibility to transmit these historical ethical values from our distinguished past to the generations of the future;

**Whereas** the Lubavitch movement has fostered and promoted these ethical values and principles throughout the world;

**Whereas** Rabbi Menachem Mendel Schneerson, leader of the Lubavitch movement, is universally respected and revered and his eighty-ninth birthday falls on March 26, 1991:

**Whereas** in tribute to this great spiritual leader, "the rebbe", this, his ninetieth year will be seen as one of "education and giving", the year in which we turn to education and charity to return the world to the moral and ethical values contained in the Seven Noachide Laws: and

**Whereas** this will be reflected in an international scroll of honor signed by the President of the United States and other heads of state:

**Now, therefore, be it Resolved** by the Senate and House of Representatives of the United States of America in Congress assembled, That March 26, 1991, the start of the ninetieth year of Rabbi Menachem Schneerson, leader of the worldwide Lubavitch movement. is designated as "Education Day. U.S.A.". The President is requested to issue a proclamation calling upon the people of the United States to observe such day with appropriate ceremonies and activities.

**(Of course, we didn't, why? Because most religions within this nation are Christian based and follow the 10 commandments given to Moses on Mt Sinai.)**

Why is this subject so important? Because congress passed and President Bush Sr. signed a resolution in 1991 that took our legal system OFF THE 10 COMMANDMENTS AND PUT IT ON THE NOACHIDE LAWS. That resolution is sitting there waiting for the New World Satanic Order to be finalized in order to make the switch. What does that switch mean to you, me and all other Americans???. Pay very close attention.

Frankly, when I read the above statement in **bold red type above**, I was caught off guard, as the term "Education Day" in the language, I was distracted and paid little attention to the fine print of the Public Law. We have had this innocuous term "Noachide Laws" hanging over our heads since 1991, almost two decades, and millions do not know about the "Noachide Laws", what they say, what they mean, and their significance.

Three years ago I had read articles from Jewish sources in Williamsburg, NY, a suburban Jewish community near Brooklyn, NY that said Donald J. Trump had converted to Chabad Judaism.

Even the internet says so. President Donald Trump converted to Judaism two years ago, and joined the Chabad Lubavitch synagogue in New York City, according to a high-level White House official. The story has allegedly been "held" by CNN's editors for months, but is due to be released in the coming days. When I saw the Oval Office of the President surrounded by Chabad Lubavitch rabbis, where the President was recertifying the Noachide Laws, I decided to investigate further. I had been seeing articles on the Internet asking the question whether Trump would overturn that Public Law 102. What I am about to share in this is as disturbing as is my recent article that **"Israel Did 9/11"**!

So what are the Noachide Laws?

According to the Chabad.org site, this is what they have to say:

What Are the Seven Noachide Laws?

The 7 Noachide Laws are rules that all of us must keep, regardless of who we are or from where we come. Without these seven things, it would be impossible for humanity to live together in harmony.

1. **Do not profane G-d's Oneness in any way.**

Acknowledge that there is a single G-d who cares about what we are doing and desires that we take care of His world.

2. **Do not curse your Creator.**

No matter how angry you may be, do not take it out verbally against your Creator.

3. **Do not murder.**

The value of human life cannot be measured. To destroy a single human life is to destroy the entire world—because, for that person, the world has ceased to exist. It follows that by sustaining a single human life, you are sustaining an entire universe.

4. **Do not eat a limb of a living animal.**

Respect the life of all G-d's creatures. As intelligent beings, we have a duty not to cause undue pain to other creatures.

5. **Do not steal.**

Whatever benefits you receive in this world, make sure that none of them are at the unfair expense of someone else.

6. **Harness and channel the human libido.**

Incest, adultery, rape and homosexual relations are forbidden.

The family unit is the foundation of human society. Sexuality is the fountain of life and so nothing is more holy than the sexual act. So, too, when abused, nothing can be more debasing and destructive to the human being.

7. **Establish courts of law and ensure justice in our world.**

With every small act of justice, we are restoring harmony to our world, synchronizing it with a supernal order. That is why we must keep the laws established by our government for the country's stability and harmony.

These laws were communicated by G-d to Adam and Noah, ancestors of all human beings. That is what makes these rules universal, for all times, places and people:

Laws made by humans may change according to circumstance. But laws made by the Creator of all souls over all of time remain the same for all people at all times..

If we would fulfill these laws just because they make sense to us, then we would change them, according to our convenience. We would be our own god. But when we understand that they are the laws of a supreme G-d, we understand that they cannot be changed, just as He does not change.

At first glimpse, these Noachide Laws sound relatively simple and straight forward. But this is from the *Chabad.org* web page and those who have researched this issue have a lot more to say about what would be the small print of their meaning and application. It becomes essential to look at other Jewish sources, writings, Jewish Encyclopedia, etc. It is where the Noachide Laws begin to take on a dark sinister purpose and meaning.

The Jewish Encyclopedia envisages a Noachide regime as a possible world order immediately proceeding the universal reign of the Talmud.

It has to be understood that we are not dealing with the Noah of the Bible when the religion of Judaism refers to "Noachide law," but the Noachide law as understood and interpreted by the absolute system of falsification that constitutes the Talmud.

Under the Talmud's counterfeit Noachide Laws, the **worship of Jesus is forbidden under penalty of death**, since such worship of Christ is condemned by Judaism as idolatry. Meanwhile various forms of incest are permitted under the Talmudic understanding of the Noachide code.

The Talmud also states the penalty for disobedience: **"One additional element of greater severity is that violation of any one of the seven laws subjects the Noachide to capital punishment by decapitation. (Sanhedrin 57A)"**

(Talmud - Sukkah 52a). With the end of free will, the opportunity to earn reward and enhance one's portion in the World to Come will also cease -- forever.

Revelation 20:4 states: ***"And I saw thrones, and they sat upon them, and judgment was given unto them: and I saw the souls of them that were beheaded for the witness of Jesus, and for the word of God, and which had not worshipped the beast, neither his image, neither had received his mark upon their foreheads, or in their hands; and they lived and reigned with Christ a thousand years."***

Maimonides Mishnah Torah, in Chapter 10 of the English Translation, states concerning Jesus Christ:

*"It is a mitzvah [religious duty; ARC], however, to eradicate Jewish traitors, minnim, and apikorsim, and to cause them to descend to the pit of destruction, since they cause difficulty to*

*the Jews and sway the people away from God, as did Jesus of Nazareth and his students, and Tzadok, Baithos, and their students. May the name of the wicked rot."* <sup>6</sup>

## **And WHO Supports This?**

### **What Are THE SEVEN LAWS OF NOAH?**

According to the Pharisees, known today in modern day as Zionist Chabad Lubavitch Jews, the Noachide Laws are based from their version of the Talmud - **(Satanic version of the Torah)**

Most Christians are unfamiliar with the Jewish writings. At the time of the Babylonian captivity, where Jews were taken back to Babylon for 70 years of enslavement for their disobedience to God for failing to observe the Agricultural Sabbath, to let the land lay fallow and heal for a year every seven years, God punished them for an equal number of years they disobeyed in not keeping the Agricultural Sabbath. The result was that the Jews lost the three most revered objects: 1. **The Torah**, 2. **The Temple**, and 3. **The Land**. The Torah was the first five books of the Old Testament. These were dictated to Moses for the Jews to live by. The Talmud is not the Torah! It is a Satanic version of men's writings.

The Talmud is a collection of 39 volumes of writings from the 3<sup>rd</sup> century A.D. and finished around the late 11<sup>th</sup> century A.D. These are writings by rabbis and sages. The Talmud is the central text of Rabbinic Judaism and the primary source of Jewish religious law and Jewish theology. Until the advent of modernity, in nearly all Jewish communities, the Talmud was the centerpiece of Jewish cultural life and was foundational to "all Jewish thought and aspirations", serving also as "the guide for the daily life" of Jews. There are between 39 and 70 volumes in a complete set. When I was a seminary student, I considered buying a set, at least until I went to the Asbury Seminary library and after reading portions, I decided not to buy a set. It denigrates Jesus Christ, his earthly family, sanctions sexual relations with small children. The fact is the Talmud is not of God! Let's take a closer look at the Noachide Laws.

**1. Idolatry is forbidden. Man is commanded to believe in the One God alone and worship only Him.**

### **IDOLATRY**

-against entertaining the thought that there exists a deity except the Lord **(to worship Jesus as the Messiah is blasphemy according to the Talmud and punishable by decapitation).**

-against making any graven image (and against having anyone else make one for us)

-against making idols for use by others

-against making any forbidden statues (even when they are for ornamental purposes)

-against bowing to any idol (and not to sacrifice nor to pour libation nor to burn incense before any idol, even where it is not the customary manner of worship to the particular idol)

-against worshipping idols in any of their customary manners of worship

**-against causing our children to pass (through the fire) in the worship of Moloch.**

- against practicing Ov
- against the practice of Yiddoni
- against turning to idolatry (in word, in thought, in deed, or by any observance that may draw us to its worship)

**2. Incestuous and adulterous relations are forbidden. Human beings are not sexual objects, nor is pleasure the ultimate goal of life.**

#### **ILLICIT INTERCOURSE**

- against (a man) having union with his mother
- against (a man) having union with his sister
- against (a man) having union with the wife of his father
- against (a man) having union with another man's wife
- against (a man) copulating with a beast
- against a woman copulating with a beast
- against (a man) lying carnally with a male
- against (a man) lying carnally with his father
- against (a man) lying carnally with his father's brother
- against engaging in erotic conduct that may lead to a prohibited union

**3. Murder is forbidden. The life of a human being, formed in God's image, is sacred.**

#### **HOMICIDE**

- against anyone murdering anyone

**4. Cursing the name of God is forbidden. Besides honoring and respecting G-d, we learn from this precept that our speech must be sanctified, as that is the distinctive sign which separated man from the animals.**

#### **BLASPHEMY**

- to acknowledge the presence of God
- to fear God
- to pray to Him
- to sanctify God's name (in face of death, where appropriate)
- against desecrating God's name (even in face of death, when appropriate)
- to study the Torah
- to honor the scholars, and to revere one's teacher
- against blaspheming

**5. Theft is forbidden. The world is not ours to do with as we please.**

#### **THEFT**

- against stealing
- against committing robbery
- against shifting a landmark

against cheating  
against repudiating a claim of money owed  
against overcharging  
against coveting  
against desiring  
a laborer shall be allowed to eat of the fruits among which he works (under certain conditions)  
against a laborer eating of such fruit (when certain conditions are not met)  
against a laborer taking of such fruit home  
against kidnapping  
against the use of false weights and measures  
against the possession of false weights and measures  
that one shall be exact in the use of weights and measures  
that the robber shall return (or pay for) the stolen object

**6. Eating the flesh of a living animal is forbidden. This teaches us to be sensitive to cruelty to animals. (This was commanded to Noah for the first time along with the permission of eating meat. The rest were already given to Adam in the Garden of Eden.)**

#### **LIMB OF A LIVING CREATURE**

against eating a limb severed from a living animal, beast, or fowl  
against eating the flesh of any animal which was torn by a wild beast ... which, in part, prohibits the eating of such flesh as was torn off an animal while it was still alive

**7. Mankind is commanded to establish courts of justice and a just social order to enforce the first six laws and enact any other useful laws or customs.**

#### **JUSTICE**

**to** appoint judges and officers in each and every community  
**to** treat the litigants equally before the law  
**to** inquire diligently into the testimony of a witness  
**against** the wanton miscarriage of justice by the court  
**against** the judge accepting a bribe or gift from a litigant  
**against** the judge showing marks of honor to but one litigant  
**against** the judge acting in fear of a litigant's threats  
**against** the judge, out of compassion, favoring a poor litigant  
**against** the judge discriminating against the litigant because he is a sinner  
**against** the judge, out of softness, putting aside the penalty of a mauler or killer  
**against** the judge discriminating against a stranger or an orphan  
**against** the judge hearing one litigant in the absence of the other  
**against** appointing a judge who lacks knowledge of the Law  
**against** the court killing an innocent man  
**against** incrimination by circumstantial evidence

**against** punishing for a crime committed under duress

that the court is to administer the death penalty by the sword  
against anyone taking the law into his own hands to kill the perpetrator of a capital crime

to testify in court  
against testifying falsely

\* This point is disagreed upon by different writers: *"The Noahites are not restricted in this way but may judge singly and at once."*

**(Note: The Jewish Law, found in Deuteronomy 17:6, requires the testimony of 2 or 3 witnesses before one can be executed. In fact, the last sentence of verse 6 specifically states, "...he shall not be put to death on the evidence of one witness". This should be our first clue that these seven Noachide Laws are nothing more than a clever counterfeit of God's Ten Commandments)**

**This paves the way for the "Lord" to be defined as to who they define as Lord, and those who don't agree or who refuse to worship their Lord, will be beheaded.**

The penalty for violating any of these Noachide Laws is spelled out on page 1192 of the Encyclopedia Judaica, "... **violation of any one of the seven laws subjects the Noachide to capital punishment by decapitation.**"

Wow, in other words, if one person steps forward to accuse a Gentile of violating any one of these seven laws, that testimony alone would be enough to decapitate the accused. **(As much as I do not like the Noachide laws, I must say here that he has misquoted, by saying someone can be executed on the testimony of only one person. That is not true as he showed above, it requires 2 or 3 witnesses in order to execute anyone. That still allows for conspiracy of 2 people against another, without coo-berating evidence.)**

A person could be put to death for the flimsy accusation of being cruel to animals, and based on the lying testimony of one person!! Notice, there is no assumption of innocence until proven guilty, or of the prosecution having to prove their case. No, on the accusation of one person, the accused may be legally decapitated.

We need to lay some groundwork of understanding first. Remember, when Antichrist arises, he shall claim to be the advanced Christ Consciousness which came upon Buddha, Jesus, and Mohammed, in their respective historic period. Antichrist will also claim to be the Jewish Messiah for whom they have been waiting. Peter Lemesurier makes it quite clear in his book, *'The Armageddon Script'*, that the faux Christ will have to fulfill all the Old Testament prophecies concerning the appearance of Messiah if he has any hope of deceiving Orthodox Jews. The main point to be grasped is that this False Messiah will claim to be Jewish, and an orthodox Jew at that. He will uphold the ancient Judaic Law and the Talmud. Keeping this information in your

mind please consider the following news:

**\*\*\* VERY IMPORTANT: Christian newsletter, "Don Bell Reports",** December 27, 1991, reported that, on March 20, 1991 President Bush signed into law a Congressional Joint Resolution entitled, **"A Joint Resolution To Designate March 26, 1991, As Education Day, USA"**. This joint resolution became **Public Law 102-14**. The title seems so innocuous that no one would think twice about it if they happened to just see it; however, this law is very sinister in its implications. It is typical of the New World Order Planners to devise innocent sounding words, phrases, and titles to mask their true intentions.

**Public Law 102-14** states emphatically that all civilization from the beginning has been based upon a set of laws entitled **"The Seven Noachide Laws"**. I bet you did not know this, did you? You probably believed that the Holy Bible was the basis upon which civilization was based. What are **"The Seven Noachide Laws"** and from whence did they come? These seven supposed universal laws, according to the Encyclopedia Americana, pg. 737, state that they are *"a Jewish Talmudic designation for seven biblical laws given to Adam and to Noah before the revelation to Moses on Mt. Sinai and consequently, binding upon all mankind."*

Don Bell correctly reports that these laws originated from the **mystic (and Satanic) Babylonian Talmud**, which no Christian has ever accepted as inspired sacred Scripture. In fact, the Talmud is that collection of man-made interpretations of the Pentateuch (Genesis through Deuteronomy) against which Jesus railed so intensely. The Talmud was taught as being equal with God's inspired Word, even though the practical effect of its teachings were so often the exact opposite of what God had intended.

However, the *'Encyclopedia Americana'* continues its explanation of the Noachide Laws, *"Throughout the ages, scholars have viewed the Noachide Laws as a link between Judaism and Christianity, as universal norms of ethical conduct, as a basic concept of international law, or as a guarantee of fundamental human rights for all."*

This explanation leaves one to believe that both Jews and Gentiles are bound by these seven laws; however, Don Bell reports from Jewish sources that the Jew who lives according to the Torah is exempt from these seven laws. **In other words, these seven Noachide Laws were meant for the Gentiles only!! They are meant to be a substitute for the Ten Commandments.**

The penalty for violating any of these Noachide Laws is spelled out on **page 1192 of the Encyclopedia Judaica, "... violation of any one of the seven laws subjects the Noachide to capital punishment by decapitation."**

Wow, in other words, if one person steps forward to accuse a Gentile of violating any one of these seven laws, that testimony alone would be enough to decapitate the accused. A person could be put to death for the flimsy accusation of being cruel to animals, and based on the lying testimony of one person!! Notice, there is no assumption of innocence until proven guilty, or of the prosecution having to prove their case. No, on the accusation of one person, the accused

may be legally decapitated.

Now that I have your attention, let us examine further **Public Law 102-14**, which set the Noachide Laws as the basis for International Law, (read United Nations) to which all American law must conform. This public law singles out one Jewish group for special honor, saying that they embody the principles of these Noachide Laws. This group is the ultra-orthodox Chabad Lubavitch Movement, known for its strict adherence to the smallest detail of the Talmud.

This group believes their head Rabbi, Menachem Shearson, is the prophesied Messiah, and are anxiously waiting his resurrection and for him to publicly proclaim his office. This is such a small ultra-right-wing splinter religious group that very few Americans have ever heard of it; until it became public knowledge that President Trump's son-in-law, Jared Kushner is a devout Chabad Jew and the President's daughter converted to Chabad Judaism. That fact notwithstanding, the Congress and the President of the United States have declared in this law that this rabbi is "**universally respected and revered**" and that his Chabad Lubavitch movement has "*fostered and promoted these seven Noachide Laws*". That President Trump converted to Zionist Chabad Lubavitch Judaism, is a serious matter of concern for the U.S. which is a Sovereign State ruled by a Constitution as a Republic.

Don Bell again sheds much light upon this Chabad Lubavitch movement, when he quotes Rabbi Louis Finkelstein, the head of the Jewish Theological Seminary of America in 1943, writing in the Universal Jewish Encyclopedia, "*Pharisaism became Talmudism...the spirit of the ancient Pharisee survives unaltered. When the Jew studies the Talmud, he is actually repeating arguments used in the Palestinian academies.*" (Remember, Jesus railed against the Pharisees stating they were not of God, but rather the Synagogue of Satan, which is what this author says, it's the satanic inspired Babylonian Talmud that was developed during the Israeli's capture in Babylon, the great pagan society.)

The Talmudic Chabad Lubavitchers are essentially **reborn Pharisees**. In the **beliefs of the Pharisees you discover that they were occultic**. Many Pharisees belonged to the Jewish occult group, **the Cabal**, Satanic through and through. The three Satanic documents include: The **Talmud, Kabbalah**, and the **Zohar**. The New Testament confirms that the Pharisees opposed Jesus in every way possible during His earthly ministry.

The Jewish Cabal forms a most important foundational building block upon which the **entire New World Order movement is based**. Finally, we showed how these Pharisees could hate Jesus Christ so vehemently, even in the face of His tremendous miracles. We understood how Jesus possessed such hatred of the teachings and the hypocrisy of the Pharisees. Once we understand that the Pharisee of Jesus' day was involved in a Satanic secret society, we can understand how they could hate him so much. He references them as not being Jews in Revelation 2:9 and 3:9. The British author Andrew Carrington Hitchcock has written three volumes on '*The Synagogue of Satan*'. The third volume was published in 2019, and is a chronological history of who these evil people are. They are closing in on a globalist New World Order, in which consists of a one world economy, one world political system, and a one world

religious system.

The **Pharisees originated the Unpardonable Sin**. They viewed the many supernatural miracles of Jesus and believed that He was able to accomplish these miracles because He was an Adept in the Egyptian Mysteries. He could, therefore, access the power of the occult.

Jesus warned them not to ascribe His power to Satan, but they continued to do so, thus committing the Unpardonable Sin. To this day, secret societies continue to teach their members that Jesus could do His many miracles because He was an Adept in the occult.

**The Pharisees also succeeded in killing Jesus Christ on the basis that He blasphemed God, which is Noachide Law #2. Remember Jesus' words, in Matthew 10:24-25, that the disciples of the Master will be treated in just the same way as the Master has been treated.** Do you suppose if this Scripture has any bearing upon this current situation? **Public Law 102-14** sets the foundation for American and United Nations Law to be established in such a way as to uphold these Seven Noachide Laws. **(The Queen of England had control of the UN, and used that power to advance Great Britain's return to a global empire. This would give her, a Khazar, the authority to do just that.) The UK Royal Family are not English, they are descendants of the Cobourg-Sax-Goethe bloodline. –(German Khazarian Jews).**

These seven laws are a counterfeit of the Ten Commandments, and are promoted by the **Neo-Pharisee occult group**, the Chabad Lubavitchers. Don Bell further states that the Lubavitchers are a **"Mystic" group**, thus signifying that they teach the Cabal as well as the Talmud. This revelation ties them **directly into the secret societies of today** which are powering the drive into the New World Order, i.e., the Illuminati, the Freemasons, and the Bilderberger Group, just to name a few. Thus, it would seem natural that these secret societies would look favorably upon a Mystic Jewish group, which has its active roots in the ancient Cabal, a group which is a soul-mate to today's secret societies.

Satan is setting the stage where Christians could be legally charged with violation of Noachide Law, Number 2, of blaspheming God? Certainly, our doctrine that Jesus Christ is God in the flesh would constitute *"blasphemy against God"*, just as it did against Jesus. But, our punishment would be decapitation, a much more humane way to die than crucifixion.

What does Scripture foretell as to the way in which true Christians will die in the Tribulation Period? Jesus reveals, in Revelation 20:4, that Christians in the Great Tribulation will be beheaded, i.e., decapitated, precisely the method proscribed by the Talmud. This is just one more instance in which the stage is apparently being set for the precise fulfillment of Biblical prophecy. **(Also remember, it was the Zionists that overthrew the Russian government and then proceeded to kill millions of Russian Christians, and same after WW II when Zionist occupied Russia took over eastern Germany and murdered millions of Christian Germans.)**

All of this information about the Noachide Laws is disturbing; and when you take into this picture the facts relative to President Trump's acts and declarations regarding the State of

Israel today becomes a volatile issue. President Trump is not his own man as many seem to want to believe. He has been manipulated by the Netanyahu government, and is personally beholden to the House of Rothschild. They own the Trump real estate debt owed to Rothschild's banks here and in Germany. President Trump stands to financially benefit in the end so long as he fulfills his task of taking care of "unfinished business", namely regime overthrow in Iran and Syria.

#### **WHAT ALL CHRISTIANS NEED TO KNOW ABOUT THE 7 NOACHIDE LAWS, THE NEW WORLD ORDER AND THE COMING SHORT-LIVED KINGDOM OF THE ANTICHRIST**

Recently many of us have been reading about something called the Noachide laws. I had never heard of such a thing. What Are the 7 Noachide Laws? The 7 Noachide Laws are rules that all of us must keep, regardless of who we are or from where we come. Without these seven things, it would be impossible for humanity to live together in harmony.

by [Geri Ungurean](#) June 25, 2019

**Even though we will not be here for the time of Jacob’s trouble, every Christian needs to know about the origin of the 7 Noachide Laws, who’s behind them and how they’re connected with the coming kingdom of the Antichrist and the New World Order**

**The vast majority** of Christians know little or next to nothing about something called **the 7 Noachide Laws**. And upon inspection of these 7 laws, on the surface, they look like they line up with the Bible. For the most part they do. But the 7 Noachide Laws use the Bible when in reality they are being promulgated by a dark and shadowy group of Jewish mystics and kabbalists. Remember, in the days after the **Pretribulation Rapture of the Church**, it will be the Jews who will be deceived into following Antichrist, and **the rebuilt Temple in Israel** will ***NOT*** be for the God of Abraham, but for Antichrist. Jesus, Daniel, Paul and John all tell us that this will be so. ***“When ye therefore shall see the abomination of desolation, spoken of by Daniel the prophet, stand in the holy place, (whoso readeth, let him understand:)”*** -([Matthew 24:14](#)).

**The 7 Noachide Laws** are said to be something that “will redeem the world”, and that is where the proverbial cat gets let out of its proverbial bag. The ***only*** thing that could ever or will ever “redeem the world” is **the Jewish Saviour Jesus Christ**. And remember, since the 7 Noachide Laws are all based in the Old Testament, the people who are pushing them will want to enforce them Old Testament style as well. Think for a moment what ***that*** might mean. Eye for an eye, death by stoning, all the good stuff. Now do you see why we believe this is all connected to the **coming kingdom of Antichrist**? Pray for Israel and for the Jewish people that some might be saved as this spiritual darkness gathers strength and speed.

**As you read** the following article from NTEB author **Geri Ungurean**, keep in mind that the topic of the 7 Noachide Laws is vast, far-reaching and complex. There are a lot of moving parts, subterfuge and deception taking place on many levels. We will be writing extensively on this subject as the Lord permits in the coming days. But I think that when you read about how the Sanhedrin got President George H.W. Bush to sign a declaration promoting the 7 Noachide Laws back in the very same year, 1991, he proclaimed the **coming New World Order**, that the

connections will begin to fall into place rather quickly for you. You may consider today's article to be Part 1 in a series. – *from the editor*

### **A Little History Of The 7 Noachide Laws**

**Recently many of us** have been reading about something called the Noachide laws. I had never heard of such a thing. I watched an excellent broadcast from “a minute to midnight” with Tony Koretz and Joanie Stahl. Brethren – I was SHOCKED. Many of my readers have asked if I would write on the Noachide Laws.

I will embed that broadcast at the end of this article, so that the reader can hear this excellent discussion on the Noachide laws and its startling implications for Christians. First of all, let's go to one of my favorite sources, gotquestions.org. I will be bolding certain parts of this and also adding commentary.

From **gotquestions.org**

- **Question: “What are the Noachide Laws, and are they biblical?”**
- **Answer:** The Noachide Laws are seven ancient laws that many people view as the basis of civilized society. They govern morality and represent the “bare minimum” of what God expects of humanity. They are called the “Noachide” laws because they are **thought** to have been given in their fullness to Noah after the flood. They are also called the Noachian laws, the Seven Laws of Noah, or the Seven Commands for Noah's Sons (in Hebrew, *Sheva Mitzvot B'nei Noach*).

**The idea of** a formal set of laws given to all humanity (all the sons of Noah) comes from the **Talmud and is therefore extra-biblical**. Some scholars believe the **Book of Jubilees** contains a possible mention of the Noachide Laws. But, again, the Book of Jubilees is **not inspired Scripture**. However, the basic seven Noachide Laws are based in biblical principles. Brethren, remember that the Talmud is a collection of ideas and thoughts penned by Scribes and Rabbis through the centuries. These words are NOT inspired by the Holy Spirit as is the Canon of Scripture – The Holy Bible.

**The Noachide Laws. This is straight from the Chabad.org website:**

### **The 7 Noachide Laws: Universal Morality**

#### **What Are the Seven Noachide Laws?**

The 7 Noachide Laws are rules that all of us must keep, regardless of who we are or from where we come. Without these seven things, it would be impossible for humanity to live together in harmony.

1. **Do not profane G-d's Oneness in any way.**  
Acknowledge that there is a single G-d who cares about what we are doing and desires that we take care of His world.
2. **Do not curse your Creator.**  
No matter how angry you may be, do not take it out verbally against your Creator.

3. **Do not murder.**

The value of human life cannot be measured. To destroy a single human life is to destroy the entire world—because, for that person, the world has ceased to exist. It follows that by sustaining a single human life, you are sustaining an entire universe.

4. **Do not eat a limb of a living animal.**

Respect the life of all G-d's creatures. As intelligent beings, we have a duty not to cause undue pain to other creatures.

5. **Do not steal.**

Whatever benefits you receive in this world, make sure that none of them are at the unfair expense of someone else.

6. **Harness and channel the human libido.**

Incest, adultery, rape and homosexual relations are forbidden.

The family unit is the foundation of human society. Sexuality is the fountain of life and so nothing is more holy than the sexual act. So, too, when abused, nothing can be more debasing and destructive to the human being.

7. **Establish courts of law and ensure justice in our world.**

With every small act of justice, we are restoring harmony to our world, synchronizing it with a supernal order. That is why we must keep the laws established by our government for the country's stability and harmony.

**These laws were** communicated by G-d to Adam and Noah, ancestors of all human beings. That is what makes these rules universal, for all times, places and people: Laws made by humans may change according to circumstance. But laws made by the Creator of all souls over all of time remain the same for all people at all times..

If we would fulfill these laws just because they make sense to us, then we would change them, according to our convenience. We would be our own god. But when we understand that they are the laws of a supreme G-d, we understand that they cannot be changed, just as He does not change.

### **The 7 Noachide Laws Are Part Of Jewish Mysticism**

**According to Jewish tradition**, the first six of these seven laws were given to Adam in the Garden of Eden (the sixth law, to not eat live animals, was extraneous, since Adam did not eat *any* animals). When God established His covenant with Noah, He added the seventh (and the sixth became applicable). Each of the seven Noachide Laws is seen as a summary of more detailed laws, about 211 in total.

According to Judaism, a Gentile does not have to follow the Mosaic Law; **however, all Gentiles are obliged to follow the Noachide Laws. The laws given to Noah's children are universally binding. A non-Jew who abides by the Noachide Laws is considered a "righteous Gentile," according to Judaism, and will earn a reward in the afterlife, if his obedience is coupled with a knowledge that the laws come from God. A "righteous Gentile" might also be called a "Hasidic Gentile" or simply a "Noachide."**

**Did you see the term “Hasidic Gentile?”** This goes back to why I write on Kabbalism so frequently – Hasidic Jews = Kabbalist Jews. And Kabbalism is Mystical, and we know that God in His Word warns against mysticism and witchcraft and the like.

***“And he caused his children to pass through the fire in the valley of the son of Hinnom: also he observed times, and used enchantments, and used witchcraft, and dealt with a familiar spirit, and with wizards: he wrought much evil in the sight of the LORD, to provoke him to anger.”*** – (2 Chronicles 33:6).

***“There shall not be found among you any one that maketh his son or his daughter to pass through the fire, or that useth divination, or an observer of times, or an enchanter, or a witch, Or a charmer, or a consulter with familiar spirits, or a wizard, or a necromancer. For all that do these things are an abomination unto the LORD: and because of these abominations the LORD thy God doth drive them out from before thee.”*** –(Deuteronomy 18:10-12).

**Nowhere does the Bible record** what laws God may have given Adam, other than the command to fill and subdue the earth and the prohibition against eating of the tree of knowledge of good and evil -(**Genesis 1:28; 2:17**). After Noah and his family exited the ark, God gave the following three commands to him: ***“Be fruitful and increase in number and fill the earth”*** -(**Genesis 9:1**); ***“You must not eat meat that has its lifeblood still in it”*** (verse 4); and ***“Whoever sheds human blood, / by humans shall their blood be shed; / for in the image of God / has God made mankind”*** (verse 6). After that, God repeats His command to ***“be fruitful and increase in number; multiply on the earth and increase upon it”*** (verse 7). Other than Noah being told not to eat raw meat, there is no hint of the traditional Noachide Laws in these passages.

**The only other place** in Scripture where a Noachide law might be mentioned is Acts 15:29. The context of this passage is the **Jerusalem Council**, which met to address the issue of the Gentiles’ place in the early church. Specifically, a question before the council was, ***“Must Gentiles be circumcised according to Mosaic Law in order to be saved?”*** -(see Acts 15:1). The apostles in Jerusalem answered with a resounding “NO.” We are not saved by keeping the Law - (see Galatians 2:16). However, to promote peace within the early church, the council advised Gentile believers to avoid four things, including the eating of “blood” -(Acts 15:29). None of the other three instructions correspond to any of the Noachide Laws.

#### **The 7 Noachide Laws Signed Into Law By An Act Of The United States Congress Under President George H.W. Bush**

**As an ancient moral code, the Noachide Laws have been a major influence in many cultures. In fact, in 1991, both houses of Congress passed a bill, signed into law by President George H. W. Bush, that declared the Noachide Laws to be “the bedrock of society from the dawn of civilization” and the “ethical values and principles . . . upon which our great Nation was founded” (H.J.RES.104.ENR).**

*This threw me for a loop. Our government signed this into law? Can you discern that there is much more to this than meets the eye?*

**PRESIDENT BUSH SIGNED THIS JUST MERE MONTHS BEFORE PROCLAIMING THE COMING NEW WORLD ORDER**

#### **George Bush Sr. New World Order Speech On September 11, 1991**

*President George H.W. Bush signed the declaration regarding the 7 Noachide Laws in March of 1991, and by September of that same year, he was proclaiming the coming New World Order. You will note it was on September 11th he said that. Hmm, **what else happened on September 11th** that we should know about? Read more about the **Bush Crime Family** here.*

#### **Are the Noachide Laws found in the Bible?**

**No, not as a definitive list**, and they are certainly not associated with either Noah or Adam. Are the Noachide Laws congruent with biblical teaching? The basic seven laws are congruent with Old Testament revelation. The Talmud calls for capital punishment for Gentiles who violate the Noachide Laws, and this has led to some debate as to whether or not Christians (who worship Jesus Christ) are guilty of violating the first Noachide law and therefore deserving of the death penalty. The modern consensus is that Trinitarianism is acceptable among Gentiles. In any case, it is important to note that we are not saved by rule-keeping; God requires faith in His Son (John 3:18).

Joint Resolution

**Mar. 20. 1991**

**[H.J Res 104] To designate March 26. 1991, as “Education Day. U. S. A.”**

- Whereas Congress recognizes the historical tradition of ethical values and principles which are the basis of civilized society and upon which our, great Nation was founded;
- Whereas these ethical values and principles have been the bedrock of society from the dawn of civilization, when they were known as the Seven Noachide Laws;
- Whereas without these ethical values and principles the edifice of civilization stands in serious peril of returning to chaos; Whereas society is profoundly concerned with the recent weakening of these principles that has resulted in crises that beleaguer and threaten the fabric of civilized society; Whereas the justified preoccupation with these crises must not let the citizens of this Nation lose sight of their responsibility to transmit these historical ethical values from our distinguished past to the generations of the future;
- Whereas the Lubavitch movement has fostered and promoted these ethical values and principles throughout the world; Whereas Rabbi Menachem Mendel Schneerson, leader of the Lubavitch movement, is universally respected and revered and his eighty-ninth birthday falls on March 26, 1991: Whereas in tribute to this great spiritual leader, “the rebbe”, this, his ninetieth year will be seen as one of “education and giving”, the year in which we turn to education and charity to return the world to the moral and ethical values contained in the Seven Noachide Laws: and Whereas this will be reflected in an international scroll of honor signed by the President of the United States and other heads of state: Now, therefore, be it Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That March 26, 1991, the start of the ninetieth year of Rabbi Menachem Schneerson, leader of the worldwide Lubavitch movement. is designated as “Education Day. **Remember the name Rebbe Menachem Mendel Schneerson – I will be writing about this man in the near future.**

Brethren, I am not going to post any text from this EVIL website. But what I WILL tell you is that the person whose name appears most on this website (he may even be the person who created this site) is none other than **Rabbi Tovi Singer** of Israel

Many months ago, I wrote an article about this man. When two journalists from Israel met me on Facebook, one of them told me that she wanted a friend of her's to speak with me. His name was Tovi Singer.

I immediately researched this man and found that his life's work was to find people like me (Ethnic Jews who believe in Yeshua) to come back to Judaism. I heard that he could be ruthless. I thanked my friend but told her that I did not want to speak with Rabbi Singer. It does not surprise me in the least that Tovi Singer is a part of this Noachide EVIL . Pray for him. Just like Paul, when he was persecuting and killing Christians, he really thought that he was doing the will of God. It wasn't until he met Jesus on the road to Damascus that he realized that Jesus was indeed the long awaited Messiah. Pray Tovi Singer will have a Damascus Road experience, and come to know our Savior Jesus Christ. From [Noahidenations.com](http://Noahidenations.com).

**President George H.W. Bush**

I hope that most of my readers understand that Bush Sr. was passionately involved with the “**New World Order**” and hoped for it to come to fruition in his lifetime. I am going to place a couple of website links and a short video for the reader to visit to understand how deeply Bush Sr. was involved with the NWO; also there is more information on the Noachide Laws.

President Donald J. Trump followed the previous six presidents—from Carter to Barack Obama—when he issued the proclamation marking Education and Sharing Day, the second day of his presidency. A delegation of Chabad-Lubavitch leaders met with the president in the Oval Office for the signing. Since the day's inception, states, cities and localities have likewise designated the Rebbe's birthday as Education Day. This year, for the first time, proclamations or the equivalent have been issued by the governors of all 50 states and the mayor of Washington,

D.C., recognizing the day and what it stands for. Some 100 more city and local proclamations have been issued—from Alameda, Calif., to Tumwater, Wash., to El Paso, Texas.

1. Not to worship idols.
2. Not to curse God.
3. To establish courts of justice.
4. Not to commit murder.
5. Not to commit adultery, bestiality, or sexual immorality.
6. Not to steal.
7. Not to eat flesh torn from a living animal.

These all sound fairly harmless on the surface. The problem is that this isn't the entire picture. Being written by the rabbis, they are also added to (some say there are 30 laws, others that they are seven categories containing hundreds of laws) and interpreted by the rabbis, and the interpretation is highly problematic. And the penalty for disobeying these laws is death by beheading. Beware of the implications of Noachide Law #1

**Very critically, the idea that Jesus / Yeshua is God is considered idolatry. So, according to Talmud, Christianity is forbidden under the first Noachide law. And idolatry is punishable by death, so Christianity is punishable by death. This is serious. This is the deeper truth. [Lots of Talmud references here.](#)**

The deeper implications are also very concerning for the Hebrew Roots community. Note that the Noachide laws do not include the Sabbath. The Talmud prohibits the teaching of Torah to gentiles. Also, it prohibits gentiles from observing Sabbath. Torah and Sabbath are considered to be given to Israel alone (and obviously only the Jews are recognized by them as Israel). This means the entire Hebrew Roots movement is forbidden under the Talmud, and the Noachide laws.

There are strong similarities between the implications of Noachide laws and the implications of Sharia - but the major difference is that Sharia is openly opposed by most Christians, while Noachide laws are sneaking in to the secular law of Western countries through the back door. So in the long run they may pose a greater danger.

There is a serious difference between true Judaism, those Jews who follow Torah and simply have not yet accepted Messiah, and Talmudic Judaism, that accepts all these additional writings including the Noachide laws. What I am saying here is not anti-Jewish or anti-Messianic. It is a warning against a very serious deception instigated by a part of the Jewish community - just as there are some groups of Christians that have problematic views also.

If you have been drawn into this issue, you should take 2 hours to watch this comprehensive discussion to see what's really going on.

Follow "Israeli News Live" on Youtube for continued discussion on this issue. Steven Ben-Nun and his wife are well worth listening to on matters relating to Israel and Judaism - Steven is a

Jewish believer in Yeshua who has been growing in his understanding over the years and has a unique perspective. But note that this particular video is not on their channel - they have been receiving so much persecution for revealing this that they've had to pull many Noachide videos off YouTube, this one has been shared by a different ministry. This information is being heavily suppressed.

Also, for a more general exposition of what the Talmud actually says about Christians and even non-Talmudic Jews, [watch this eye-opening episode of TruNews](#) (cannot embed this one, click the link). Discussion starts 32 minutes in, after the news headlines. The discussion was prompted by a very prominent Jewish Rabbi suggesting that God could have burnt down Notre Dame as divine retribution for a burning of Talmudic literature that occurred there 800 years ago - and stated that Christianity was the number 1 enemy of Jews throughout history. TruNews goes into what actually went on in Paris back then (the 1240 disputation of Paris) - a deep investigation into the true teachings of the Talmud, resulting in a trial, and the formal decision to ban the Talmud for blasphemy and inciting violence against Christians. Very interesting details of Talmudic teachings and the beliefs of prominent, present-day Talmudic Jews are revealed that are important for any Christian to know.

Blessings,
