

# The Primary Vector of Graphene Oxide Dissemination Worldwide is Chemtrail Aerosols

People, they're spraying massive volumes of GRAPHENE OXIDE into the atmosphere...(MUST VIEW Video!) Link on page 2 below.

...via the swiftly intensifying chemical geoengineering operations being conducted across the USA.

The following video presents irrefutable proof that immense volumes of graphene oxide are being dumped into the global environment. The only way that so much graphene is showing up on beaches all over the world is by means of chemical geoengineering.

In point of fact, the chemtrail spraying across America has seen a dramatic uptick since the very day POTUS Imposter Joe Biden took office. Therefore, it's clear that the *New World Order* globalist cabal is determined to overwhelm the environment with graphene oxide...in order to expeditiously get the extremely dangerous poison incorporated into the human body.

Graphene has proven to be the key chemical compound by which *The Powers That Be* are implementing their agenda of Transhumanism. This is also why graphene oxide has been found in the various Covid vaccines. The end goal is to connect every human being on the planet to the rapidly expanding constellation of **5G** satellites surrounding Earth.

Be sure to watch the entire video below in order to understand the relevance of this global BLACK Operation to the Covid *Super Vaccination Agenda*.

What the entire planetary civilization has been experiencing is the slow-motion fabrication of the long-planned Global Control Matrix (GCM). However, it is now the physical transformation of the human race into homo graphenis that represents the capstone of this nefarious NWO project to exert complete command and control over humanity via a One World Government.

The technological superstructure of the GCM has been stealthily put into place since the advent of the Information Age. Each successive generation of computers, tablets and smartphones have been specifically engineered to fulfill a carefully hidden agenda. The buildout of the IT infrastructure worldwide is the integral piece of the emerging tyrannical technocracy witnessed by every digitally-connected individual today.

The final piece of the GCM puzzle is to so transform the human body via graphene and/or graphene oxide, depending on the application, that every person will be forever and irreversibly connected to the Global Control Matrix.

**This short video, less than 3-minutes filmed on the beaches of Australia is a rare find to prove the existence of humanity being sprayed by Chemtrails. This has been ongoing since the fall of 1996. What confirms the spraying with Graphene Oxide in this video is the fact it was filmed on the beaches of Melbourne, Australia.**

**Chemtrail spraying has been among the heaviest this year, particularly so since early October. Today, the day before Thanksgiving, it was saturation sky!**

**Blessings,**
