

The People Who Will Require You to Take The Vaccine: Will Profit on Your Death!

The credit for this report goes to Robert F. Kennedy Jr., and Chairman of the Children's Health Defense. The report was released on July 7th, 2020. I was aware of the content of the report weeks ago and was working on a more in depth expose, so this should become known as quickly as possible, since the TPTB are in "warp speed" to get a vaccine to market by late September, 2020.

As I reported, Dr. Anthony (Jaws) Fauci is a Jesuit and along with the Bill & Melinda Gates are committed to Eugenics, depopulation of 7-billion people.

New documents obtained by Axios and Public Citizen suggest that the National Institute of Health (NIH) owns half the key patent for Moderna's controversial COVID vaccine and could collect half the royalties. In addition, four NIH scientists have filed their own provisional patent application as co-inventors. Little known NIH regulations let agency scientists collect up to \$150,000.00 annually in royalties from vaccines upon which they worked. These rules are recipes for regulatory corruption.

NIH's stake in the jab may explain why Anthony Fauci moved Moderna's vaccine to the front of the line and to let Moderna skip animal trials despite the experimental technology and the inherent dangers of Coronavirus vaccines. Every prior coronavirus vaccine has proven problematic and can be lethal to animals due to COVID's unique penchant for "pathogenic priming." Death occurs only after a vaccinated animal encounters the wild virus.

Public health advocates and scientists criticized Fauci's decision to skip animal trials as reckless. It may also explain why Anthony Fauci arranged a \$483 million grant to Moderna from a sister NIH agency, BARDA, despite the fact that Moderna has never brought a product to market or gotten approval.

... Fauci publicly announced he was 'encouraged' by Moderna's catastrophic Phase 1 clinical trials despite the fact that groups of super healthy volunteers had Grade 3 'severe or medically significant' reactions following vaccination.

Fauci's infusion made Moderna CEO Steve Bancel a billionaire and further enriched Fauci's mentor and co-investor Bill Gates. It may also explain why Fauci publicly announced he was "encouraged" by Moderna's catastrophic Phase 1 clinical trials despite the fact that 20% of the high dose and 6% of the low dose groups of super healthy volunteers had Grade 3 "severe or medically significant" reactions following

vaccination. Those results would have spelled DOA for any other medical product. After getting the abysmal news, Bancel and four other Moderna executives immediately dumped more than \$89 million in stock and Fauci was forced to make his optimistic public assessment to save Moderna's plummeting shares from death spiral.

Fauci knows from experience that no matter how dangerous a vaccine, the easy part is convincing people to take it. Pharma, after all, controls the media.

Fauci painted lipstick on that lame donkey and now he's trying to convince everyone it's a thoroughbred. Moderna and NIH began manufacturing the first of 1 billion doses of the deadly vaccine this month. Fauci knows from experience that no matter how dangerous a vaccine, the easy part is convincing people to take it. Pharma, after all, controls the media.

CDC admits COVID-19 'positive result' just means you've previously contracted the "common cold"

In what can only be considered a pre-orchestrated top-down worldwide pyramid scheme also involving *The Executive Office of the President of the United States*, President Donald Trump, Dr. Anthony Fauci, Bill Gates, and others who've defrauded the American people yet once again after it has been revealed by the *Center for Disease Control and Prevention* that a positive COVID-19 test result merely shows that the testee was once infected with the common cold and nothing more.

Intellihub founder and editor-in-chief Shepard Ambellas Tweeted out [the details](#) on Tuesday which ultimately unveils the sinister plan that's currently afoot in regards to unconstitutional closures, shutdowns, lockdowns, forced testing, contact tracing, and the complete dismantlement of society as we know it. (i.e. the invisible enemy a.k.a. COVID-19).

"A positive test result shows you may have antibodies from an infection with the virus that causes COVID-19. However, there is a chance a positive result means that you have antibodies from an infection with a virus from the same family of viruses (called coronaviruses), such as the one that causes the common cold."

CDC.gov

"You may test positive for antibodies even if you have never had symptoms of COVID-19. This can happen if you had an infection without symptoms, which is called an asymptomatic infection."

Keep in mind, [President Donald Trump signed an \\$8.3 billion coronavirus bill](#) on Mar 4, 2020, and a lot of large businesses benefited. Not to mention, members of Congress and the Senate got a raise that has been shamelessly written into the bill by the proverbial vultures in Washington.

Shockingly, according to Forbes, “\$2.2 billion” went “to the Centers for Disease Control, which has been at the forefront of the U.S. response to the virus, but has come under criticism for errors that limited how many people can get tested for Covid-19.”

Additionally, \$7 billion in business loans were dived out along with millions of dollars in vaccine development and research aid.

Send this to all of your local state and national representative immediately as the cat has now been let out of the bag per sey.

The information from Robert F. Kennedy Jr., and Shepard Ambellas reveal the fraudulent nature of this plan to “Inject” (it’s not vaccination), a concoction of chemicals, fetal tissue, and who knows what else will be in the toxins. All of this a fraud based upon fear-mongering. If people wake up and get this out to the general public, it may still be possible to stop it. Keep aware of the \$billions being spent to “inject” you and your children with something that the FDC hope would have a 50% efficacy level, which is not something any so-called vaccine should offer. This is shear lunacy and stupidity, but it reveals what our leaders are proceeding with.
