

U.S. Government Bill That will Legalize Tyranny & The Mark of the Beast

Senators introduce bill to create digital identity for all Americans

U.S. Senators Kyrsten Sinema, an avowed bisexual independent of Arizona, and Cynthia Lummis, Republican of Wyoming, have introduced Senate Bill 884, also known as ["the Improving Digital Identity Act of 2023."](#) Politico said, *"Nobody gets to the U.S. Senate without a healthy dose of ambition and hubris. But her detractors say in that regard, too, she's off the charts: That she's only ever cared about herself, that she craves the limelight, that she's abandoned all principles she once held dear in exchange for power."*

The bill was introduced March 21 and ordered to proceed out of committee on March 29 without amendments and with a favorable recommendation. This is a threat to your freedoms through the so-called protecting personal identity scheme.

The bill's text states:

“The lack of an easy, affordable, reliable, and secure way for organizations, businesses, and government agencies to identify whether an individual is who they claim to be online creates an attack vector that is widely exploited by adversaries in cyberspace and precludes many high-value transactions from being available online. Incidents of identity theft and identity fraud continue to rise in the United States, where more than 293,000,000 people were impacted by data breaches in 2021.”

The bill calls for the formation of a public-private partnership to bring this digital ID system into being. The PPP is a signature term phrase of the Antichrist, Prince Charles of Wales and his Agenda-30 plan that goes back to 1992. Prince Charles is the creator of this term “public-private partnership”, a nice sounding term for global government dictatorship. If we look deep into the background of Senators Kyrsten Sinema, an independent of Arizona, and Cynthia Lummis, Republican of Wyoming, we will undoubtedly find a link with Klaus Schwab’s “global leaders of tomorrow”.

When one encounters such terms as “public-private partnership” or “build back better” or “ESG” or “Zero-growth”, these are hallmark phrases with benign or wholesome sounding concepts which masks the lethality of their reality. The World Economic Forum came into existence some fifty years ago at the encouragement and behest of Prince Charles Wales. In 1971 Professor Klaus Schwab founded what was originally called the European Management Forum, as a non-profit foundation based in Geneva, Switzerland. It drew business leaders from Europe, and beyond, to Davos for an Annual Meeting each January.

While many global institutions are notable for the breadth of nations or the powerful political leaders attending their gatherings, the World Economic Forum Annual Meeting and indeed all the activities and initiatives of the Forum around the world are distinguished by the active participation of government, business and civil society figures. The Forum engages the most experienced and the most promising, all working together in the collaborative and collegial ‘Spirit of Davos’.

This past January, there were many of the major CEO’s of Big Pharma in attendance at Davos. Initially, Professor Schwab focused the meetings on how European firms could catch up with U.S. management practices. He also developed and promoted the ‘stakeholder’ management approach, which based corporate success on managers taking account of all interests: not merely shareholders, clients and customers, but employees and the communities within which they operate, including government.

In 2015, the Forum was formally recognized as an international organization. The WEF states that it is now on the next phase of its journey as the global platform for public-private cooperation. Beneath the WEF sweet talk is a well-developed plan to do an “end run” around sovereign nations through the UN, and its commission groups like the Club of Rome, the World Health Organization, and most recently The Paris Agreement (French: Accord de Paris), often referred to as the Paris Accords or the Paris Climate Accords, is an international treaty on climate change. Adopted in 2015, the agreement covers climate change mitigation, adaptation, and finance. The Paris Agreement was

negotiated by 196 parties at the 2015 United Nations Climate Change Conference near Paris, France.

The above photo of Klaus Schwab in his “Star Wars” suit sport symbols of his religious “Gnosticism” and “Fascism”. This man is a co-founder with Prince Charles of Wales of the World Economic Forum. This is just a platform of control in implementing the public-private partnership global government.

According to the legal experts at the United Nations and WEF, laws against pedophilia constitute an attack on the human rights of children. That’s right, according to the globalist elite; the age of consent is a discriminatory concept that discriminates against children who want to have sex with adults. These were the headlines at The People’s Choice web site on Wednesday, April 19th, 2023: [WEF and UN Order Govt's To](#)

[Decriminalize Sex With 'Willing Children'](#) . But getting back to the Draconian effort to institute a digital identity for Americans as a pretense that will require people to have the infamous “Mark” of the Beast!

“The public and private sectors should collaborate to deliver solutions that promote confidence, privacy, choice, equity, accessibility, and innovation. The private sector drives much of the innovation around digital identity in the United States and has an important role to play in delivering digital identity solutions.”

The bill references the bipartisan *Commission on Enhancing National Cybersecurity*, which has called for the federal government to “create an interagency task force directed to find secure, user-friendly, privacy-centric ways in which agencies can serve as an authoritative source to validate identity attributes in the broader identity market. This action would enable Government agencies and the private sector to drive significant risk out of new account openings and other high-risk, high-value online services, and it would help all citizens more easily and securely engage in transactions online.”

The above section of the bill is extremely vague and left wide open for bureaucrats and technocrats to require a digital ID to perform any function considered “high-risk, high-value online services,” up to and including logging onto the internet.

Globalists with ties to the United Nations and World Economic Forum have for several years advocated a digital ID requirement as a way of removing so-called “disinformation” from the internet. Once everyone has a digital ID, it becomes easy to restrict everyday human movement and activity based on one’s social credit score, like in China, which Klaus Schwab has stated is the model for many other nations. If your score dips below a certain point, you are now a “high risk” individual and your digital ID would simply be flagged. The government, working in collusion with Big Tech in their ongoing public-private partnership, simply blocks you from logging onto the internet. You can no longer have a bank account, get a driver’s license, receive healthcare, obtain a passport, or any of those other “high risk” privileges.

We have already seen how the government worked hand in glove with Big Tech and corporate America to silence dissidents on vaccines, vaccine passports, masking and lockdowns during the pandemic. In Canada, the government worked with banks to freeze the bank accounts of protesting truckers. The whole Covid experience was a dry run for the coming mark of the beast system where you won’t be able to buy or sell without proof of submission to the beast system. Digital IDs, in tandem with the coming digital money, will be weaponized into a global enforcement system the likes of which the world has never seen.

These intrusive, invasive attempts to digitize humanity and reduce us to a QR code always come with the same sweet-sounding selling points. It will make our lives easier, more convenient, more safe and secure. We will even have more “privacy” Senator Sinema assures us!

The head of the proposed new interagency task force, according to [Senate Bill 884](#), would be appointed by the president.

The Senate bill states that the task force will ***“establish and coordinate a government-wide effort to develop secure methods [...] to improve access and enhance security between physical and digital identity credentials, particularly by promoting the development of digital versions of existing physical identity credentials, including driver’s licenses, e-Passports, social security credentials, and birth certificates.”***

This is right in line with globalist World Economic Forum kingpin Klaus Schwab’s pronouncement in his book, ‘COVID-19: The Great Reset’, that the human existence is evolving to the point where there will be *“a fusion of our physical, digital and biological identities.”*

And our politicians, both liberal and conservative, will be on board with this. It’s the “innovative” thing to do, and after all, and they’re just trying to protect us, right?

When first introduced in 2022, Arizona Senator Sinema said, *“We’re supporting innovation and enhancing privacy by improving digital verification to combat identity theft, fraud, and cybercrime.”*

It sounds so good!

Senator Lummis added:

*“Technology has the potential to dramatically improve the security and privacy of identity credentials, and enable easier access to the financial system. It doesn’t make sense that Americans have to constantly overshare sensitive identity information with government agencies and businesses, which are honeypots all too often targeted by hackers and identity thieves. I’m proud to work with my friend and colleague Sen. Sinema to introduce the Improving Digital Identity Act of 2022 to work toward digital identity standards that protect our privacy and **give Americans more control** over their identity.”* In fact, the government will have more control over the American public!

Other senators have also called for the creation of a national digital ID system. Our Congress and Senate have been infiltrated by candidates funded through George Soros, another one of Prince Charles lieutenants carrying out the larger agenda of **Mr. “666”**. Most of you have no idea how deep old “sausage fingers” has burrowed deep into our government down to the local and county level in much of the country!

Winepress News reported that Congressman Barry Loudermilk, a conservative Georgia Republican, said in 2021 while pushing for similar legislation:

“COVID-19 changed a lot of the way Americans live, work, and provide for our families, and we have become even more reliant on digital commerce platforms. But with more Americans adapting to a ‘new normal’ in the way we go about purchasing life

necessities, this also means more Americans' personally identifiable information [PII] is at risk of being stolen."

If this bill passes, you can bet Biden will sign it. Such a bill would require, no matter how gradually, the system's obedient subjects to show their digital papers in order to perform ever more functions in society until they end up as digitally marked slaves to their elitist masters. They will have handed over ownership of their very identity to the beast system. The noose is slowly being tightened upon the necks of humanity! This is but the beginning of a Satanic plan to enslave the world! The Covid scam was a "Beta" test of what is just ahead, to see how far they could go to achieve submission of the masses.

Never comply. Never submit. Stay awake. Stay free.

Unknown to most Jews and Gentiles, Judaism is not the Old Testament religion people think it is. Every satanic cult has a cover. Like its manifestations -- Communism, Zionism and Freemasonry-- it is based on the Talmud and Cabala, which seek to supplant God and redefine reality. The Cabala reinterprets and contradicts the Old Testament. Only the "*initiates*" are privy to this secret.

Jews were the first victims of Judaism. Now, through Freemasonry, humanity is.

"*Live and let live*" is my (says Dr. Henry Makow) credo. So I wonder what compels some people to want to enslave and despoil others.

The answer in this case is Cabalist Judaism which is based on robbing and enslaving the goyim and any Jew who fails to comply. The Jewish Talmud consists of hundreds of laws governing the minute details of daily living.

Think of the COVID protocols in this light. We were told where we can go, where to stand, what we can do, and who we can see. The mask signified obedience. The past three years was just the beginning phase of what will slam shut your freedoms.

People who fail to comply are seen as *infidels* who must be quarantined and ostracized. Australia and New Zealand were the initial countries to be picked off by the WEF plan because of their distance and isolation from the world at large.

Get it? We have been inducted into Judaism, except in another form. Judaism is a Satanic cult -- Communism.

A satanic cult is about control. It exploits its members by corrupting and making them sick.

They want to take this to the next level with CBDC's. Total control! We will see the CBDC as early as July of 2023. The CBDC was authorized by a Joe Biden Executive Order. It stands for a Central Bank Digital Currency, i.e. a digital dollar!

In his book, *Jewish History, Jewish Religion: The Weight of 3000 Years* Israel Shahak explained that Judaism fostered a "closed society... one of the most totalitarian societies in the whole history of mankind."

The coercion anti-vaxers experienced is comparable to what Jews have felt for centuries from their own rabbis and communities.

"Jewish women who cohabited with Gentiles had their noses cut off by rabbis...In religious disputes, those considered heretics had their tongues cut out."

Communists are not interested in winning adherents based on its merits. Their god is Satan. Communists are concerned only with obedience/observance. That's why they control information and discourse.

"Some may call it Communism, but I call it what it is: Judaism." -Rabbi Stephen Weiss.
"Anti-Communism is Antisemitism." 'Jewish Voice', July - August 1941.

CLOSED SOCIETY

According to Shahak, classical Judaism is inspired by the image of Sparta as it appears in Plato's Laws 942. Judaism adopted the objectives Plato described in the following passage. (Shahak, p.13) The principal thing is that no one, man or woman, should ever be without an officer set over him, and that no one should get the mental habit of taking any step, whether in earnest or in jest, on his individual responsibility. In peace as in war, he must always live with his eyes on his superior officer...In a word, we must train the mind to not even consider acting as an individual or know how to do it.

Shahak says the words "rabbi" and "officer" are interchangeable. In Communism, the sons of rabbis built a new worldly religion that mirrored the fanaticism and oppression of classical Judaism.

After visiting Bolshevik Russia in 1920, Bertrand Russell wrote to Lady Ottoline Morrell: "Bolshevism is a closed tyrannical bureaucracy, with a spy system more elaborate and terrible than the Tsar's, and an aristocracy as insolent and unfeeling, composed of Americanized Jews. No vestige of liberty remains, in thought or speech or action." (The Autobiography of Bertrand Russell, paperback ed. 354)

Shahak says Israel too is a "closed society" frankly dedicated to Jewish supremacy and hatred of non-Jews. Jewish culture evinces little honest self-examination lest Judaism's true malevolent character be exposed. Shahak writes:

"Classical Judaism had little interest in describing or explaining itself to its own members ... The first book on Jewish history proper (dealing with ancient history) was promptly banned and repressed by the highest rabbinical authorities... As a consequence, 200 years ago, the vast majority of Jews were totally in the dark about ...

Jewish history and Jewry's contemporary state; and they were quite content to remain so....Jewish studies are polemics against an external enemy rather than an internal debate...When a whole society tries to return to totalitarianism, a totalitarian history is written." (p. 20-22)

Similarly, the West is returning to this Jewish model of totalitarianism. Mainstream discourse is tightly controlled. Pundits who stray from the party line are fired or forced to atone. We have become Jews under the yoke of Judaism (i.e. [Communism](#).)

[Illuminati insider Christian Rakowski](#) said the illuminati bankers created the Communist state as a "machine of total power" unprecedented in history.

In the past, due to many factors, "there was always room for individual freedom. Do you understand that those who already partially rule over nations and worldly governments have pretensions to absolute domination? Understand that this is the only thing which they have not yet reached."

Judaism is concerned with meaningless observances and legalities rather than morality or faith. The Talmud regulates "every aspect of Jewish life, both individual and social...with sanctions and punishments provided for every conceivable ...infringement of the rules." (Shahak, p. 40)

The New World Order is about inducting humanity into Cabala Judaism, which is Satanism disguised as "secularism." [Here are ten examples of this satanic possession](#). A satanic cult is the template governing change. It is the explanation for the invasion of privacy by the NSA, and the creation of a false reality which includes staged "massacres" aimed at disarming the people. The 2nd Amendment stands in their way at the present time from a Christian holocaust!

Organized Jewry is a Trojan Horse for this agenda, but thanks to Freemasonry, most other governments, religions and organizations have also been subverted. Anti-Semitism is a red herring designed to deflect blame from the Illuminati bankers and high ranking Freemason onto innocent Jews. Most everyone today is duped, manipulated and compromised.

For most of their history, Jews were held in mental and physical bondage by Judaism. The NWO is a recrudescence of this satanic feudal tyranny not only for Jews but for humanity as a whole.

In Shahak's words: *"Israel and Zionism are a throw-back to the role of classical Judaism, writ large on a global scale...The road to genuine revolution in Judaism--to making it humane, allowing Jews to understand their own past, thereby re-educating themselves out of its tyranny-- lies through an unrelenting critique of the Jewish religion."* p. 74

NOTE:

[Otto Kahn's sentiment that rich Jews](#) "have become their own Messiah" is echoed in a famous letter from Baruch Levy to Karl Marx quoted in "Review de Paris," June 1, 1928. It also shows how Socialism and especially Communism were just devices to usurp power and property. *"The Jewish people taken collectively will be its own Messiah. His reign over the Universe will be obtained by the unification of the human races and through the elimination of frontiers. A Universal Republic will come into being in which the Sons of Israel will become the directing element. We know how to dominate the Masses. The governments of all nations will gradually fall, through victory of the proletariat, into the hands of Judah. All private property will become the possession of the princes of Israel-they will own the wealth of all lands. Thus will be realized the promise of the Talmud that when the time of the Messiah comes the Jews will hold under their keys the property of all the peoples of the world."*

Dr. Henry Makow, himself born a Jew writes that Rabbi Trachtenberg's 1983 book on the Medieval conception of Jews reveals the scale and continuity of the Cabalist (Masonic) Jewish Conspiracy. Rabbi Trachtenberg writes that since the 1200's AD, Christians have feared:

"A terrible mysterious Jewish horde hidden somewhere in the East awaited the signal to pour out upon Christendom and annihilate it. The rumours of the birth of the Antichrist ...after the thirteenth century, kept Europe on edge awaiting the bloody outbreak of the 'red Jews'" (40)

Do you feel like the government has turned against the people? That's because everyone is controlled by money. Our corrupt ancestors turned control over money to Cabalist Jews (the Rothschild world central banking cartel) who now want to expand that control to every aspect of life.

Judaism is not defined by the Torah but rather by the Talmud and Cabala. The Cabala posits that the Cabalists represent God and redefine reality by inverting it ("revolution.") Sick is healthy; ugly is beautiful; unnatural is natural; lies are truth and injustice is justice. Biblical Judaism ceased to be defined by the Torah when they disobeyed God! For their disobedience, they lost the three things most revered: 1. The Temple, 2. The Torah, and 3. The Land!

Anything that seeks to supplant God is Satanism. This is the origin of "secularism" and "humanism," the worship of man, place-holders for Cabalism. It is also the essence of the New World Order, where Satanism replaces Christianity and true religion.

Cabalist bankers and their Masonic flunkies (our leaders) promote war, depression and scamdemics to advance the NWO. Cabalist (Communist) success hinges on Christian failure.

Cabalists believe that they were ordained by God to destroy or enslave the goyim. They think they're fulfilling God's Will. Ordinary Jews and Masons are oblivious to the moral and physical jeopardy their Cabalist leaders are putting them in.

Henry Makow PhD says that until recently there was no Wikipedia entry for [*The Devil and the Jews*](#) (Yale University Press, 1943) or its author Rabbi Joshua Trachtenberg (1904-1959.) Still no online images of the good Rabbi.

Our Illuminati Jewish masters have consigned this knowledge to the memory hole. Why?

When Europe was a Christian theocracy, say from 1050-1650, Judaism was regarded as a satanic cult, and Jews were considered agents of the devil.

We're familiar with the Jewish persecution complex. During this period, Christians had a parallel fear. They believed that Jews both hated them and conspired to destroy Christendom. They believed the long-awaited Jewish "Messiah" was, in fact, the Antichrist.

"Their association with this awful figure...assumed really frightening proportions toward the end of the Middle Ages when Antichrist's Jewish parentage became definitely established and the Jews were expected to form the spearhead of his legions. They were not quite so weak...judging from their numbers and social position. For a terrible mysterious Jewish horde hidden somewhere in the East awaited the signal to pour out upon Christendom and annihilate it. The rumors of the birth of the Antichrist ...after the thirteenth century, kept Europe on edge awaiting the bloody outbreak of the "red Jews" (40)

Jews were accused of colluding with Mongol invaders on the Eastern frontiers. They were just as likely to desecrate a church, murder Christian infants in secret, spread poisons with the wind, or practice infamous sexual perversities.

(a 16th-century painting of Jews desecrating the Host)

"The catalogue of alleged Jewish crimes is long and varied indeed, and wholly unreasonable." writes Trachtenberg, "unless we accept the self-evident fact that, in medieval eyes, that as Satan's agents, nothing was beyond the depraved and evil nature of the Jews." (43)

For many, this Illuminati Jewish threat seems more urgent today, with the demoralization of mankind and the creation of the police state.

THE SALIENT FACT

Illuminati (Cabala) Jews and their Masonic go-fers don't want Jews or others to understand the hidden subversive and occult character of the collective Jewish enterprise.

They don't want Jews to understand that anti-Semitism throughout the ages was *not* irrational. This realization would empower Gentiles, and allow "the lesser brethren" to escape their role as dupes, scapegoats, human shields and sacrifices for their demented leadership.

Cabala Jews believe that *they* define God's Will. In other words, God comes into the world *through them*. Otherwise, He is "*formless and unknowable*." (This is satanic because God is our GPS. Man is connected to God through our soul and spiritual ideals - love, peace, truth, beauty, and justice.)

The Cabalists believe they can redefine reality according to Satan: Evil is good, falsehood is truth and sick is healthy, (and vice versa.) They undermine every other collective identity: nation, religion, race, and family. They must **destroy the Christian order** to build their NWO. ***"Woe unto them that call evil good, and good evil; that put darkness for light, and light for darkness; that put bitter for sweet, and sweet for bitter!"*** -(Isaiah 5:20)

Isaiah 5:20 speaks directly to reprobate perversion of moral distinctions brings the fourth woe. The people have become so depraved that sin seems normal to them, and those who are good are considered evil. They have turned things around so that their whole attitude is like confusing bitter and sweet or light and darkness. Bitter and sweet may be compared to personal morality; light and darkness to public morality. Theirs is like the attitude of the world today with respect to alcohol, abortion and sexual perversion. Judaism owns the pornographic industry of the world out of Amsterdam and Hollywood! This inversion is atypical of what we see in our world.

The "diversity" and "multicultural" movements represent Communism's attempt to empower and use other minorities, gays and "people of color," to further undermine the majority (European, Christian) culture. Thus, the original CPUSA trio of "race, gender and class" is very much intact but class conflict was never a big seller.

The term "politically correct" originated in the Russian Communist Party in the 1920's. Its usage in America today illustrates the extent society has been subverted. Feminist activists are mostly Communist dupes. The Communist goal is to destroy Western Civilization and establish a veiled dictatorship called "world government" run by the toadies of the central bankers.

This is a topic that most Christian theologians do not want to address or are afraid to touch on since it evokes hostilities on both sides of the spectrum. There are those who will give the Jews a "Free" pass on whatever they do to the people who lived in the land before Israeli statehood in 1948; and on the opposite side of the divide we have a segment equally as vocal advocating Israeli brutality against its neighbors. Over the past five years I have done a series, the most recent at the below link.

[The Satanic Talmud & The Synagogue of Satan--Part 17](#)

10/29/22

The Lord Jesus Christ gave emphasis to this demonic deception, not once, but twice, in His words recorded by the Apostle John in Revelation 2:9 and 3:9. Those who dismiss the idea that the Lord is going to call home, His faithful followers in the Rapture are blinded by their hatred for Christian Bible-believers. In basic terms, God has a score to settle with those who were selected [chosen] to represent the Creator and yet chose to rebel. That message is amply expressed in the book of Ezekiel where God says I am going to restore my name which you have defamed. —(Ref. Ezekiel 20:39; 36:20; 36:23; 39:7; 39:25; 43:7; and 43:8. These "seven" verses can be summed up in Ezekiel 39:7 where God says, ***"So will I make my holy name known in the midst of my people Israel; and I will not let them pollute my holy name any more: and the heathen shall know that I am the LORD, the Holy One in Israel."***

The two passages from Revelation 2:9 and 3:9 are a clue to the Bible student that God is going to bring about His own "Great Reset", and not the one that proposes to undo all of what the Creator heretofore was intended for good, but demonic Satanists have in their madness set about to undo and "6uild 6ack 6etter". **Part 6 of my series is all about**

"As long as there remains among the Gentiles any moral conception of the social order, and until all faith, patriotism, and dignity are uprooted, our reign over the world shall not come," [Illuminati Jewish leaders said in 1936](#). This goal is a partial explanation of war.

Cabala Jews have been outsiders by choice because they cannot accept a world they do not dominate. The alienated modern anti-hero is based on the Cabalist's Luciferian rebellion. The essence of the NWO is that Cabala Jews and their Masonic lackeys will overturn the natural and spiritual order and enslave mankind, mentally if not physically.

JEWISH ACTIVITIES

Trachtenburg provides a litany of Jewish activities in the Middle Ages which suggests many age-old "stereotypes" have deep roots.

"The Jews sell at cut prices as many dreams as you wish," he quotes the Roman poet Juvenal. Throughout the ages, Jews specialized in usury, magic, sorcery, fortune telling,

astrology, potions and drugs, poisons, alchemy, amulets, incantations and curses, aphrodisiacs and cosmetics.

Pope Pius V explained his expulsion of the Jews from the Papal States in 1569 thus:

"They seduce a great many imprudent and weak persons with their satanic illusions, their fortune-telling, their charms and magic tricks and witcheries, and make them believe that the future can be foretold, that stolen goods and hidden treasures can be recovered, and much else can be revealed." (77)

And of course, they were always the *"doctors of unbelief"* inciting heresies. *"Everywhere, the church and the people discerned the diabolical hand of the Jews turning simple Christians aside from the true faith."* (176)

CHRISTENDOM DESTROYED

The Cabalist Conspiracy is on the cusp of success. God has been banished from public life. Illuminati Jews control the mass media and can deceive and degrade the masses. Entertainment is an orgy of pornography, apocalyptic chaos, obscenity, propaganda, social engineering, predictive programming, violence, and Satanism.

Illuminati Jews and Masons behind feminism are responsible for the debauchery of Western women. They are behind the promotion of homosexuality and transgenderism designed to destroy marriage and family.

They were at the forefront of sexual liberation, pornography and abortion. The mass media is obsessed with sex. It has a fawning fetish for fertile females, and even children aren't safe. The stock market is a giant casino with millions day-trading.

Christianity has been Judaized, concerned with *"social change"* (the Satanist agenda) rather than spiritual development and salvation. Christian Zionists are pledged to the Zionist rogue state.

The Illuminati are destabilizing the Third World using charities to *"empower"* females to reject marriage. Donors are invited to **become an "agent of change"** which is code for NWO.

They want girls to be "educated" i.e. *indoctrinated*, as in the West. In general, they are feminizing the world, making women and their concerns central.

The people are lost and increasingly desperate. What's left? Depression? War? The Antichrist?

THE BANKSTER AGENDA

All money is created in the form of debt to the privately owned banking cartel. Imagine if you could create money out of thin air. Imagine you have the credit cards of all the nations in your pocket.

Your first impulse is to lend money to your nominees so they can buy most of the world's real wealth for you.

Your second impulse is to establish a totalitarian system ("world government" "globalization") to prevent any nation from challenging this system or defaulting on their "debt" to you.

To make nations accept "world government," you need to weaken them by having them fight among themselves, run up huge debts for armaments (which you will sell them), kill off the cream of their manhood, and become demoralized and decadent.

You accomplish this through your ownership of politicians and the press and your control of MI-6, CIA, Mossad who carry out terror and assassinations for you. This is the real history of the last 300 years.

"World government" is really about using debt to enslave us; it is an international loan collection agency. Naturally they shroud this with talk about tolerance, human rights, fighting poverty and preventing war.

CONCLUSION

Illuminati Jews have waged a covert war against man and God for millennia. This conspiracy is the real history of the world, the real cause of war and depression. Society has been subverted and lies constantly.

Even Jews like Trachtenberg, writing in 1943, could not believe it.

"People will believe whatever they want," he says referring to "anti-Semites" but this also applies to *him*.

Ordinary Jews can't believe it because *they are not Satanists*. But many Cabalist Jews are. They have the money, comprise the secret leadership, and manipulate the rest.

Trachtenberg was a Reform Rabbi for 30 years. His portrait gazes down on [his personal library](#) housed at Temple Emeth in Teaneck NJ.

He is one of many decent Jews like my (Henry Makow) former self who have been [used as dupes and shills](#) for the Illuminati under the aegis of communism, socialism, liberalism, feminism, Zionism, neo-conservatism and "gay rights."

We are all Jews now, Godless, deceived, degraded and used. But at least we know where we stand and can act accordingly.

Note: **A Description of Trachtenberg's First Book, "Jewish Magic & Superstition" (1939)**

'Jewish Magic and Superstition' is a masterful and utterly fascinating exploration of religious forms that have all but disappeared yet persist in the imagination. **The volume begins with legends of Jewish sorcery and proceeds to discuss beliefs about the evil eye, spirits of the dead, powers of good, the famous legend of the golem, procedures for casting spells, the use of gems and amulets, how to battle spirits, the ritual of circumcision, herbal folk remedies, fortune telling, astrology, and the interpretation of dreams.** First published more than eighty years ago, Trachtenberg's study remains the foundational scholarship on magical practices in the Jewish world and offers an understanding of folk beliefs and practices that expressed most eloquently the everyday religion of the Jewish people.

For the Zionists, this is obviously the preparing of the stage for their long-awaited satanic Messiah. What their ultimate goal is one can see by looking at a picture of the Free Mason monument outside Eilat, Israel. This monument clearly shows by its positioning of the two globes on the pillars of Solomon, of which one represents the earth and the other the universe, that the cabalist is not satisfied with only conquering life on earth.

THIS MASONIC LINK SHOULD HELP THE UNBELIEVER UNDERSTAND WHY PRINCE CHARLES OF WALES AS SENIOR FREEMASON AND HEAD OF THE "ORDER OF THE GARTER" IS SATAN'S NATURAL FOR THE FIRST BEAST FROM THE SEA, THE FALSE MESSIAH OF REVELATION 13!

THE JEWISH CHRONICLE

FREEMASONRY.

TO THE EDITOR OF THE JEWISH CHRONICLE.

SIR,—In reference to the above subject, there is not, nor can there be, any objection to Jewish Brethren rising to the highest offices, either in Craft or Royal Arch Masonry; it has been ever universally admitted by the order, that to part Masonry and Judaism is impossible; in fact, to use a well known axiom amongst us, "Judaism is Masonry, and Masonry is Judaism." How can it be otherwise, when the very foundation of the Order is of the Bible, biblical, so as to render it impossible to bring anything of a sectarian tendency into the question, by alluding to the juxtaposition of the Old and New Testament. Granted your correspondent is all he says, surely as a Past Master he ought to know that in our order we recognize no creed; that Jew, Christian, Turk, or Hindoo, alike meet on equality, and that this law is the greatest safeguard that we of the order possess. Your correspondent is evidently a young Mason, although, as he says, a decorated Past Master, and is painfully vague when he says it is known that all its traditions are strictly Jewish, and its highest

THE TALMUD AND THE GOSPELS.

(Continued from our last.)

MATTHEW, CHAPTER VI.

Verse 5.—"And when thou prayest, thou shalt not be as the hypocrites are, for they love to pray standing in the synagogues." True, the Talmud prefers and recommends congregational prayers in the Temple, because it gives more solemnity to Divine service, and stimulates the souls of the congregants to devotion, while private prayers within the retirement of our four walls, where we are surrounded by the busy life of family concerns, must necessarily lack that elevation of soul, without which prayers are only lip devotion. "I address my prayer to Thee, O Lord; in an acceptable time" (Psalms lxi. 13). Which time can then be considered as such?—"The time when a whole congregation prays to God" (Berachot ch. 8). But with whom the right is, practice has decided long ago; and Christianity, in erecting churches for public worship, has swerved from the injunctions of its Master.

Verse 6.—"But when thou prayest, enter into thy

The December 20, 1867 issue of 'The Jewish Chronicle' explicitly states that Freemasonry is Judaism/Zionism: and to "Part Masonry & Judaism is Impossible!"

The southern tip of modern Israel, ancient Elath (today Eilat) was outside the prescribed boundaries of the Promised Land for the children of Israel. It was one of the stops on the wilderness travels -(Deuteronomy 2:8). The relationship of Elath to Ezion Geber is unclear; the Bible says that these two places were near each other by the Red Sea but the exact location of these ancient sites is still uncertain.

Though beyond “Dan to Beersheba,” this southern port on the Red Sea was the envy of several kings of Judah. Solomon built a fleet of ships here which departed and returned every three years -(1st Kings 9–10). Later Jehoshaphat built a fleet here that was

wrecked before it ever set sail -(1st Kings 22). Uzziah was noted for being the one who rebuilt Elath and restored it to Judah -(2nd Kings 14:22).

All of this confirms the closeness of the Lord's call to ***"Come up hither!"*** -(Revelation 4:1).
