Part 3 – Puzzle Piece 3

We heard reports that President Trump has cut funding to the World Health Organization (WHO), but we need to be cautious on such a claim. As an update, during times of a deadly global pandemic, The World Health can invoke special powers that can even override national sovereignty. In the interest of maintaining general safety and minimizing fatalities worldwide, the WHO can pull the triggers of various enforcement mechanisms which can effectively lock down the entire planet. National governments can be compelled to take specific actions that which are dictated by the bureaucrats at the United Nations' specialized agency concerned with world public health. See: WHO pandemic criteria for oppressive governmental actions to be implemented.

This matter becomes a factor in what Part 2 noted about the fact the President has essentially been removed from the decision making process and all authority is in the hands of FEMA. In the last couple press room briefings, you will notice the presence of a new face, a 4-star Navy admiral. He likely represents the military side of FEMA and the DHS at this point.

Yesterday, April 12, 2020, the state of Wyoming became the 50th, and final, state to declare a state of emergency. This is the first time in US history that all 50 states have declared a state of emergency.

This invokes the full powers of Executive order 12148, signed by Jimmy Carter in 1979. This Executive Order revokes Presidential power in a time when all 50 states are in a state of emergency, and transfers power from the President of the United States to FEMA Director Pete Gaynor. President Donald J. Trump is not in control or power. I cannot say it any more simple than that! Here is the Executive Order that controls the USA.

Executive Order 12148—Federal Emergency Management

Update 2

Here's more [PROOF of British Complicity: The Pirbright Institute is the patent holder of the Coronavirus.](#)

Update 3

Nothing demonstrates more poignantly the purposeful staging of this Wuhan pandemic coronavirus drama than the increasing number cruise ship melodramas. Are they all real quarantines, or are they elaborately staged hoaxes? Or, are these horror flicks a mixture of both to lend reality. Unfortunately, it's impossible to know the answers to these important questions. The directors of this worldwide reality show are proven masters of deception; however, that does not mean the perps are not deliberately introducing the coronavirus infection agents into the cruise ship environments. Anything is possible with these criminally insane psychopaths—ABSOLUTELY ANYTHING! Moral of the story (read: drama), don't go on a cruise ... as every single cruise-goer is nothing but a sitting duck ... on the wide open sea! See: [No other MSM propaganda outlet hypes like the BBC—Are these coronavirus cruise ship dramas real or reality shows?!](#)

Update 4

Nothing fractures society so deeply as a full-blown pandemic, particularly one that is extremely fatal. The many mainstream media articles, which appeared at the onset of the Wuhan epidemic featuring so many photos of Wuhanese with their masks on, were transparently run that way with purposeful design. No one does deliberate distraction, diversion and

misdirection like the CIA's [Mockingbird Media](#). However, in this case *The Company*, as the C.I.A. is known within intel circles, is using all the major MSM platforms to further divide *We the People*, the body politic, the electorate, families, neighborhoods, communities, towns, villages, cities, states, nations and continents across the planet. Without question, this is one of the major aims of this psyop / black op. A disunited world population cannot hold the power elite responsible so much that ails societies everywhere. Just wait ... and watch ... and see what happens here in the good ole USA during the remainder of 2020. Truly, this country will fracture even more, only this time it will be an "every man for himself" scenario if we let the perps have their nefarious way. If ever there was a time to come together, that time is now. We can all start by praying for the Chinese like there's no tomorrow.
