5G Wireless Coronavirus Connection Exposed

Stories about the Wuhan outbreak of Corona virus are now getting so crazy that it's rather difficult to see the real truth about what's been going on there.

Is there a connection between the reported outbreak of COVID-19 Coronavirus in Wuhan and the fact that Wuhan was a model city for demonstrating 5G wireless technology in China?

Is it just a coincidence that the crippling health effects known about 5G wireless technology were in effect in a full scale deployment in Wuhan starting October 31, 2019?

These are some of the questions we will attempt to address here in this expose:

5G Wireless Coronavirus Connection Exposed

There has been a whirlwind of speculation about the Coronavirus COVID-19 (2019-nCoV) being a bio-weapon. While there is quite a bit of evidence that this coronavirus has features that point toward a man-made virus this doesn't mean that there's not also a connection between this "outbreak" and the 5G Wuhan test city.

In fact, this is the main reason making it hard for the truth to be revealed and validated as such.

It would be a safe conclusion that this was part of the original efforts to confuse the medical and scientific community. The virus is as common as the everyday cold; however, the devils chose to insert various elements of SARS, HIV, EBOLA, and a few other gene particles. As of this time, reports are surfacing that there may be as many as 30 different strains introduced into the COVID-19 virus.

In getting to the meat of this hypothesis it's important to start with what we know that 5G wireless can do to your immune system.

5G as well as plenty of other non-ionizing radiation sources affect the voltage gated ion channels in your cellular and mitochondrial membranes. What this means is that the non-ionizing radiation puts extra forces on the voltage gate that is designed to protect your cells and keep them in balance.

This additional force or pressure that's put on the voltage gate opens the “gate” and throws off the balance of the cell.

Keep in mind that the cellular membrane is actually considered by many biologists to be the “brain” of the cell. It's thought of this way because this “brain” is the regulator of the cell as it knows what ions to let in and when, as well as what to let out of the cell and when.

Putting more voltage pressure on this gate actually has catastrophic effects. These effects are in some cases irreversible. To dig deeper into this subject you can check out the [Dr. Martin Pall presentation](#). He's researched this subject for many years and published extensive journal articles on it which you can also find on PubMed if you are into that sort of research.

Now let's discuss what 5G really is...

5G deployment (a military term which is used in all discussion of 5G!) involves installation of thousands of small cell transmitter antennas along with specially designed LED streetlights in cities where full scale 5G network access is being sold. These transmitters and LED streetlights work in conjunction with each other to provide the network access utilizing an array of different frequency bands for different purposes.

Some of the frequencies used in 5G networks are sub-Gigahertz which corresponds with much of the 4G LTE networks while other much higher frequencies at 28 Gigahertz and higher are used for massive data compression short distance communication. Because these higher frequencies are limited to shorter distance transmission capability and are easily blocked by any physical object whether it's a tree or the wall on a building, many more small cells are needed in a city in order to deploy full scale, high bandwidth 5G.

More small cells means a denser background of non-ionizing radiation everywhere which is why you hear 5G being discussed as the “densification” of wireless technology. In order for it to work the background radiation in any city must be much higher than it's ever been with previous technologies.

As you can see higher intensity background radiation in a city means that 5G affects everyone whether you use it or not.

And for this reason it also affects your sensitive voltage gates on your cellular and mitochondrial membranes.

Other reports explain this as opening up your skin, and while this is part of the issue it's not JUST your skin that's affected.

We can think of our skin as the membrane that is protecting our internal structure but these forces will penetrate throughout your body as even if we think higher frequencies may have a stronger effect on the first few millimeters of our skin, the associate EMF will penetrate throughout your body and essentially ring your internal organs with the same frequency of the radiation.

Here's the bottom line, it's not a surprise to the scientists that study the effects of EMF that 5G deployment has already been shown to cause flu-like symptoms in the populations that's exposed to it. The telecoms are modulating the gigahertz in order that they do not turn it up to life-threatening levels. As long as they stay in the 40-gigahertz range, EMF toxic electric-pollution is less detectable. When modulated up above, especially 50-60-gigahertz range, it renders people physically impaired if not dead. Keep in mind at the 60-gigahertz level, 98% of all oxygen in the lungs is consumed by the toxic EMF.

After all the frequencies used in **5G** networks are much the same as those used in the [Active Denial System](#) used for crowd control which I reported on in a couple articles. Considering those systems made people feel like their "skin was on fire" forcing an immediate response to run away it's not too surprising the type of effects that it may have caused in Wuhan.

Harmful effects of RF-EMF exposure are already a proven fact, and cannot be refuted. Over 230 scientists from more than 40 countries have expressed their "serious concerns" regarding the ubiquitous and increasing exposure to EMF generated by electric and wireless devices already before the additional **5G** roll-out. They refer to the fact that "numerous recent scientific publications have shown that EMF affects living organisms at levels well below most international and national guidelines". Effects include increased cancer risk, cellular stress, increase in harmful free radicals, genetic damages, structural and functional changes of the reproductive system, learning and memory deficits, neurological disorders, and negative impacts on general well-being in humans. Damage goes well beyond the human race, as there is growing evidence of harmful effects to both plants and animals. Bees are one of the best measurements for cell-tower radiation. Bee colony collapse began across the world when the first cell phones were offered for sale by Radio Shack, AT&T, Verizon, etc. I began studying the sudden demise of bees in the fall of 1996. My wife's son had purchased his first cell phone that summer. He worked that summer for a satellite installer erecting those large 8-ft dish antennas used for home television reception.

Wuhan National Biosafety Laboratory

This is being reported as the only laboratory in China equipped to study dangerous pathogens. This is something that was done in the research laboratory at Plum Island off the coast of Long Island, New York historically. That location was chosen specifically because it was disconnected from the US by the Long Island sound. The idea behind that location was that it could avoid the accidental release of (possibly engineered) pathogens onto mainland US.

It's been reported that there were risks with this laboratory in Wuhan: Scientists warned in 2017 that a SARS-like virus could escape a lab set up that year in Wuhan, [China](#), to study some of the most dangerous pathogens in the world.

Now, a SARS-like [coronavirus](#) has infected more than 800 there, spread to at least 10 other countries and killed 25 in Wuhan and nearby provinces.

China installed the first of a planned five to seven biolabs designed for maximum safety in Wuhan in 2017, for the purpose of studying the most high-risk pathogens, including the [Ebola](#) and the SARS viruses.

Tim Trevan, a Maryland biosafety consultant, told [Nature](#) that year, when the lab was on the cusp of opening, that he worried that China's culture could make the institute unsafe because 'structures where everyone feels free to speak up and openness of information are important.

Event 201 “A Global Pandemic Exercise” and the Wuhan Military World Games

In October 2019 in both New York and Wuhan some very suspicious activity was going on...

The Games will also write another record with defense ministers, military generals and military officers from 42 nations to attend the opening ceremony on Friday. The 5G powered 8K TV and VR system will also be used for the first time.

From October 18-27th 2019, Wuhan hosted the Military World Games and specifically used 5G (for the first time ever) for the event. Also on October 18th, 2019 in New York, the Johns Hopkins Center in partnership with World Economic Forum (WEF) and the Bill and Melinda Gates Foundation hosted **Event 201** – “A Global Pandemic Exercise” which is a simulation of a pandemic. Guess what virus they happen to choose for their ‘simulation’? A coronavirus! Guess what animal cells they use? Pig cells! (COVID-19 was initially reported to be derived from a seafood market, and the fish there are known to be fed on pig waste). Event 201 includes the UN (since the [WEF now has a partnership agreement with UN](#)), Big Pharma (Johnson and Johnson), Bill Gates (key figure in pushing vaccines, human microchipping and Agenda 2030) and both China and America’s CDC. Participants in Event 201 recommended that governments force social media companies to stop the spread of ‘fake news’ and that ultimately the only way to control the information would be for the WHO (World Health Organization, part of the UN) to be the sole central purveyor of information during a pandemic.

Connection to DNA Vaccines & Forced Vaccination Agenda

An interesting side note to this story relating to vaccines and vaccination profiteering is the InOvio corporation. This was astutely pointed out by [Annie Logical](#) this her expose on this subject. The crux of the story is this...

Dry David Weiner and Dry Joseph Kim are the principles of InOvio and have been pioneering a new type of DNA infused vaccine which involves the use of electroporation from an electrical pulse to infuse DNA by opening pores in cellular membranes using the voltage gate described above.

This pair has previously been involved in engineering vaccines for Ebola and Zika virus but Dr. Weiner's pioneering DNA transfer method using electroporation is a method of actually infusing foreign DNA into the subject being injected with the vaccine.

Dr. Kim was funded by Merck for his education, he produced something called PCV2 which is Porcine Circovirus, and they were working on a veterinary drug that would help pigs escape a wasting disease.

So this was evaluated by the Dept. of Homeland Security and Plum Island animal research, this DNA plasma for pigs had approval in 2005, in 2009, the swine flu vaccines were filing for a patent.

In 2009 Dr. Kim's company was filing with FDA to start trials on humans for the swine flu. Dr. Kim has many Merck Insiders on his board. They created PCV1 and 2, which is Pig DNA.

Later on PVC1 and PCV2 were discovered in vaccines such as Gardasil, Rotatec and Rotarix. A couple of years after they were given the patent for this pig DNA vaccine using PCV2 that same ingredient was found to be in Merck's Rotarix vaccine for diarrhea and GSK vaccine Rotateq for diarrhea.

Now how does pig virus magically turn up in a vaccine for diarrhea? It doesn't! It gets put there. And what is unbelievable is that even though both vaccines were suspended and it transpired that all the vaccines for 2 years had been contaminated, the FDA suspended them for a few months then let them carry on. (The Information about the two drugs being suspended was found on the Medworm website and the article was written by Dr. Kim)....

Prof Weiner is not only the worlds DNA technology expert but he is also a special employee and adviser to the FDA.

This shows the depths to the corruption of this industry when an advisory to the supposed regulatory body is also a producer of vaccines that he advises on!

He has perfected a new method of giving these DNA vaccines via Electroporation which is an electromagnetic pulse that opens up the cells, injects foreign DNA and then it closes. The system has been stated by Molecular Biologists to be unsafe as it could lead to death or cancer. They stated that only human antibody in genes is safe.

This is the same action that 5G technology uses in pulsed waves and the corona virus was reported to have started in an area in China that had rolled out 5G technology!

So we can see how geneticists using scientists are tampering with the building blocks of our existence and what is disturbing is that Prof Wiener is a HIV pioneer and we know that soon after the Polio vaccines were given to millions in Africa that HIV emerged.

They have perfected the art of injecting animal or bird DNA into human chromosomes which alters our DNA and causes things like hemorrhaging, fever, cancers and even death.

If you dig into this sort of information you've probably already heard about the Bill & Melinda Gate Foundation connection to the Pirbright Institute who owns a patent on a Coronavirus which is stated can be used for a vaccine for treating and/or preventing a disease such as infectious bronchitis.

So what's the agenda here? This pretty much sums it up:

Here's how this con job goes and although it repeats itself under different names, year after year (Corona, HIV, AIDS, SARS, Ebola, Zika, Mad cow etc., etc.) most of the uninformed public react as programmed, simply because fear is PROVEN to trigger a narrowing of the mind, a lowering of IQ, a stimulation of the child ego (that looks for an adult to save it) and a reflexive obedience toward perceived authority.

The con job goes like this.

Step 1) poison the population purposely to create disease that does not and would never occur naturally

Step 2) parlay the purposely created disease as being caused by something invisible, outside the realm of control or knowledge of the average person

Step 3) create a toxic vaccine or medication that was always intended to further poison the population into an early grave

Step 4) parlay the vaccine or medication poisoning as PROOF the disease, which never existed, is much worse than anticipated

Step 5) increase the initial poisoning, which is marketed as a fake disease, and also increase the vaccine and medication poisoning, to start piling the bodies into the stratosphere

Step 6) repeat as many times as possible upon an uninformed population because killing a population this way (the art of having people line up to kill themselves with poison.....known as a "soft kill" method) is the only legal way to make sure such eugenic operations can be executed on mass and in plain sight. But there is much more in this diabolical plan.

Corona is the field around high voltage electricity. It is the breach of the Corona Field that is the basis of Lightning.

Corona (radiation) kills most high voltage electricians by the time they are 55 years old.

Corona severely damages the reproductive cells in the liver.

Corona causes sterility, miscarriages and infertility.

Corona is an EMF field that is generated close to high voltage power transmission.

Now, they have labeled those symptoms, to be caused by a "viral" attack called "Corona Virus".

Coincidence that "5G" will cause all those symptoms of Corona Field Exposure ?

BUT WAIT !

They have a "chemical injection" to cure you from the harmful reactions to radiation upon your reproductive cells, take note: death is a common "side effect" of their "cure".

CORONAVIRUS BIOWEAPON MYSTERY SOLVED: It's all in the name!

Here's why they really named it "Corona-Virus"

[State of the Nation](#)

Coronavirus: An *Alt Media* definition

Coronavirus: A highly contagious and deadly virus that is put on super-steroids whenever and wherever they flip the switch on 5G ... while amping up the flu vaccination programs ... and chemtrailing overhead with toxin-laden aerosols that further trigger influenza symptoms. The "corona aspect" of this virus is directly related to one of the greatest silent killers of the modern age—the generation and conveyance of electricity used to power the entire planet.*

*There are multiple instances where the production and conveyance of electrical energy create a **corona** in high-voltage systems. The "corona discharge" can be seen as a bluish glow which is explained as follows:

A **corona discharge** is an [electrical discharge](#) brought on by the [ionization](#) of a [fluid](#) such as air surrounding a [conductor](#) that is [electrically charged](#).^[1]

Much more significantly, there are also unseen (but detectable) **coronas** that are produced in lower voltage systems. Some of the more common examples that follow, when viewed in the aggregate, represent the invisible sea of electropollution that every human being is immersed in from cradle to grave:

- (i) widespread ambient electro-pollution indoors,
- (ii) signal ranges of electromagnetic frequencies necessary for 3G and 4G networks (e.g. cell towers),
- (iii) high-level radio-frequencies and microwave radiation emitted by 5G power grids (e.g. microwave towers),
- (iv) stray voltage from both transmission lines and overhead power lines,
- (v) generation and conveyance of energy from nuclear, coal-fired and hydroelectric power plants,
- (vi) electrical substation and transformers.

Because every resident of Earth is exposed to all of these types of EMFs and EMR to varying degrees, each individual will develop some level of electro-sensitivity over the course of their lifetime. Some unfortunate folks will even experience full-blown *Electromagnetic hypersensitivity syndrome*.

Once the city of Wuhan, China was established as an official 5G Demonstration Zone, all of the residents became exposed to the highest levels of radio-frequencies and microwaves necessary to activate a fully operational 5G network. Not only that, Wuhan was also being set up to be a model *Smart City* as it was undergoing an accelerated urban build-out of the *Internet of Things*. In point of fact, their exposure to all sorts of electrical **coronas** were reaching unprecedented levels, but it was the 5G activation that really set them 'aglow'.

Corona = Radiation

Exactly what is a **corona** according to the Merriam-Webster Dictionary?

Answer: See the dictionary entry in blue highlight below located at 2.(d).

corona noun

 Save Word

co·ro·na | \ kə-ˈrō-nə  \

plural coronas

Definition of *corona* (Entry 1 of 2)

- 1 : the projecting part of a classic cornice
- 2 : something suggesting a crown: such as
 - a *plural coronae* \ kə-ˈrō-(,)nē  \ also **coronas**
 - (1) : a usually colored circle often seen around and close to a luminous body (such as the sun or moon) caused by diffraction produced by suspended droplets or occasionally particles of dust
 - (2) : the tenuous outermost part of the atmosphere of a star (such as the sun)
 - (3) : a circle of light made by the apparent convergence of the streamers of the aurora borealis
 - b : the upper portion of a bodily part (such as a tooth or the skull)
 - c : an appendage or series of united appendages on the inner side of the corolla in some flowers (such as the daffodil, jonquil, or milkweed)
 - d : a faint glow adjacent to the surface of an electrical conductor at high voltage

FACT: The glow of an electrically induced **corona** is a manifestation of radiation being discharged into the environment. The degree and distance of the discharge beyond the visible **corona** is much less understood by scientists, physicists, electrical engineers and electricians. However, one thing is certain, and that is that this type of radiation is harmful to the human bio-organism the longer it is exposed to it.

What follows is a list of documented “problems” that are caused by electrical **coronas**, especially anywhere near power transmission lines. If **coronas** can cause “equipment failure”, O-ring degradation and compromise capacitors, imagine the damage that can be inflicted on the human body.

Problems [\[edit \]](#)

Coronas can generate audible and radio-frequency noise, particularly near [electric power transmission](#) lines. Therefore, power transmission equipment is designed to minimize the formation of corona discharge.

Corona discharge is generally undesirable in:

- [Electric power transmission](#), where it causes:
 - Power loss
 - Audible noise
 - Electromagnetic interference
 - Purple Glow
 - [Ozone](#) production
 - Insulation damage
 - Possible distress in animals that are sensitive to ultraviolet light^[5]
- Electrical components such as [transformers](#), [capacitors](#), [electric motors](#), and [generators](#):
 - Corona can progressively damage the insulation inside these devices, leading to equipment failure.
 - [Elastomer](#) items such as [O-rings](#) can suffer [ozone cracking](#)
 - [Plastic film capacitors](#) operating at mains voltage can suffer progressive loss of capacitance as corona discharges cause local vaporization of the metallization^[6]

Screenshot from: [Corona discharge](#)

Of all the preceding examples of electrical assaults, electropollution and EMR toxicities, the ongoing military deployment of **5G** clearly represents the single greatest EMF threat to human life and the biosphere. See: [Hard evidence proves US gov't lied about 5G. Navy research report confirms numerous health dangers.](#)

The US government has long been aware that **5G** is exceedingly dangerous and unsafe. In fact, countless scientific research studies have been conducted which have proven the harm to human health that much less powerful radio-frequencies and microwave radiation have caused. As follows:

[**MILITARY INTEL REPORT Proves Government Has Known 5G Radio-frequency Ranges & Microwave Radiation Are Harmful to Human Health**](#)

Whenever intensive **5G** roll-outs occur in major metro areas where the coronavirus has also been unleashed such as in Wuhan, China, the world will witness an epidemic superstorm of truly epic proportions. There are specific reasons for this quite predictable and devastating outcome in Wuhan since it was designed that way by the perpetrators. See: [There's a \[DIRECT\] Connection between Coronavirus and 5G](#)

Wuhan is where **5G** was deliberately deployed as a weapon system just prior to a planned release of the bioengineered coronavirus. Everything points to the activation of 5G transforming the coronavirus into a super-bio-weapon that was so fatal and incapacitating it required an immediate lockdown of the entire megalopolis in order to contain the massive outbreak.

[**Wuhan City Was expected to have 10,000 5G base stations operating by the end of 2019**](#)

It has already been scientifically proven that electrical fields, which are only 50 Hz in strength, can induce the activation of various viruses. See: [Exposure to a 50 Hz Electromagnetic Field Induces Activation of the Epstein-Barr Virus Genome](#)

50 Hertz is miniscule to 50 or 60 Gigahertz.

Why, then, did China flip the switch on 5G in Wuhan during the months leading up to what already promised to be one of the worst flu seasons on record in China and throughout the world?! Health authorities worldwide had already seen a dramatic uptick in flu-related deaths and illness during the early fall of 2019 which only worsened throughout the Winter of 2020.

Complex Criminal Conspiracy

Given those highly misguided initiatives carried out in Wuhan, other ill-advised developments discussed in the exposés posted below, as well as several suspicious circumstances surrounding

this so-called spontaneous outbreak, it's now clear that the intentional release of the coronavirus and deliberate 5G activation in Wuhan in 2019 were purposefully timed events. See: [The Coronavirus 5G Connection and Cover-up](#).

The only remaining question is **“Who are the real perpetrators?”**. For only by way of a highly organized and extremely complex conspiracy could such a convoluted criminal plot have been executed so efficiently.

As for **“Why they did it?”**, that’s fairly easy to answer as explained in great detail in this exposé: [OPERATION CORONAVIRUS PANDEMIC: 16 Reasons for the Deployment of this Devastating Bioweapon in 2020](#).

There’s now no question that there was a highly coordinated conspiracy between the Chinese *Deep State*, American *Deep State* and British *Deep State* in carrying out the various 5G and coronavirus implementation plans which were each required to pull off the genocide in Wuhan. However, there was also another state actor that was deeply involved in this immense black operation and global psyop. See: [Wuhan Coronavirus Bioterrorist Attack Is China’s 9/11, Same Perps](#)

There is ample proof that both United States and the United Kingdom played pivotal roles in this nefarious scheme to blow up China’s economy in the interest of preserving the U.S. petrodollar as the world’s reserve currency, among achieving several other furtive objectives. The hard evidence presented in the following post reflects the sheer depth and breadth of this “patently” Anglo-American conspiracy to wage bio-warfare against China.

[CORONAVIRUS: A Globalist Bioweapon Created by DARPA, Big Pharma and Its British Overlords](#)

As for the actual strategy for getting the coronavirus to China so that it could be released via multiple vectors of dissemination, the following video offers just one possible scenario bearing in mind that there were quite likely several stratagems utilized.

*In this interview, the Author of the U.S. Biowarfare Act, **Professor Francis Boyle** uncovers four separate studies which he claims confirm as 'smoking gun' evidence the Wuhan Coronavirus known as COVID-19 was in fact weaponized.*

Professor Boyle also discloses where he believes the virus originated and the extent to which the US government and lab at University of North Carolina was involved in selling the weapon to China.

(Source: [Top Scientist Claims China Purchased Covid-19 From University of North Carolina Lab – Video](#))

Conclusion

Because of their determination to complete the military deployment of **5G** in China, the bioengineered coronavirus pandemic is being covertly spread to provide cover for the diverse symptoms, medical ailments and health conditions directly caused by the rapidly expanding **5G** power grid worldwide.

Therefore, it's crucial to comprehend that what we are all either experiencing or witnessing is an ongoing series of bio-terrorists attacks in countries large and small. As follows:

SPECIAL NOTE: The Wuhan bio-attack appears to be just one in a series of ongoing biological attacks being conducted throughout mainland China. This Zio-Anglo-American bio-terrorist operation is being stealthily perpetrated to give the appearance that the national epidemic started with a single case in Wuhan City, when it's still being surreptitiously spread in other Chinese cities via similar modes of propagation. Because the vectors of dissemination of this weaponized coronavirus are mapping worldwide at rapidly expanding rates, there are quite likely multiple methods of proliferation which are being cunningly implemented to confuse the medical investigators as well as to avoid detection.

Lastly, it's important to note that there is yet another significant reason why they named it the "Coronavirus"! See: [How the coronavirus was traced back to the British Crown](#)

Author's Note: People, the key takeaway from this exposé is this: that the coronavirus was bio-engineered as a complex bio-weapon that not only morphs and mutates in a highly unique fashion in vivo, it can also be triggered to significantly exacerbate the virus symptoms via (i) specific electromagnetic frequencies and microwave radiation disseminated by the **5G** power grid, (ii) the spraying of specific chemtrail aerosol formulations, as well as (iii) specific vaccine ingredients after receiving a flu vaccination. In the unique case of Wuhan, there was also the additional triggering technique of releasing specific types of toxic industrial pollution which that greater metro area is notorious for. In short, the coronavirus is the "**King of Bioengineered Viruses**" — a super-bioweapon the likes of which humanity has never experienced before.

SOTN is fully aware that the Wuhan coronavirus (COVID-19) is just one of many coronaviruses in a growing family that have been identified since the 1960s. CORONA-VIRUS SYNDROME

The Ultimate Genocidal Bioweapon System

HOW YOU CAN BEST AVOID the VIRUS

What “YOU” MUST know in order to survive as long as possible!

The disease process caused by COVID-19 is best described by the following new disease name:

COVID-5G-Chemtrail Syndrome

Editor’s Note: Wherever the term *Coronavirus Syndrome* appears in the Executive Summary below, it is being used as a shortened version of COVID-5G-Hypertoxicity Syndrome.

EXECUTIVE SUMMARY

The *Coronavirus Syndrome* is not just a simple coronavirus named COVID-19 by the World Health Organization. It’s actually a far more complex pathogenic micro-organism and disease process than the medical authorities are aware of. More significantly, it is the biological etiology and environmental causation that must be correctly understood if *Coronavirus Syndrome* is to be successfully treated.

There are 3 primary elements of COVID-5G-Hypertoxicity Syndrome as stated in the new disease name.

First, there is the pathogenic micro-organism, that was intentionally weaponized in a U.S. military laboratory as a specific gene pool-targeted bioweapon called COVID-19, which was bioengineered to mutate to elude proper diagnosis as well as morph symptomatically to evade effective treatment.

Secondly, there is the overwhelming impact of 5G, 4G, 3G and other electromagnetic frequency signal ranges and microwave transmissions on vulnerable individuals with respect to triggering COVID-19, as well as sustaining and/or intensifying the disease process.

Thirdly, there is a global chemical geoengineering regime that sprays Chemtrails, as well as a *Super-Vaccination Agenda*, which contribute considerably to the state of Hypertoxicity of each individual who contracts COVID-19, the severity of which is determined by their toxic load or total body burden.

There are several other risk factors such as medical history, overall health status, medical ailments, health conditions, age, diet, etc. involved in the development of *Coronavirus Syndrome*. However, each of those potentially weighty risk factors is patient-specific and will not be addressed in this summary with the exception of the underlying health conditions and prevailing medical ailments.

[Italian Authorities: 99% of Coronavirus Fatalities Had Other Illnesses and Underlying Conditions](#)

After the top 3 causes, the most significant risk factors concern the prevailing medical ailments and complicating health conditions of a COVID-19 patient. All the evidence has borne out that those coronavirus patients with certain illnesses and conditions, prior to contracting COVID-19, had a much higher infection rate and mortality rate.

5G & IoT

The three greatest clusters of *Coronavirus Syndrome* on each continent were located in 3 major cities which had already experienced what was essentially a military deployment of a 5G power grid. As follows:

“This is also why three of the most serious coronavirus outbreaks on 3 continents — Asia, Europe and North America — took place in major metro areas that had undergone advanced 5G roll-outs— Wuhan, China; Milan, Italy; and Seattle Washington, respectively. Each of these three “5G demonstration zones” have produced the highest COVID-19 infection rates and mortality rates in the world today.”

(Source: [The Most Fatal Coronavirus Outbreaks and Intensive 5G Roll-outs Conclusively Correlate](#))

There is undoubtedly a direct correlation between the intensive deployment of 5G and the incidence of *Coronavirus Syndrome*. All the science has proven that the exceedingly powerful and harmful energies associated with a fully operational 5G system significantly weaken the human immune system. Therefore, people living in “5G Demonstration Zones” will inevitably be much more vulnerable to all the seasonal influenzas, and especially to the highly opportunistic and virulent COVID-19.

[U.S. Government Has Known About the Serious Adverse Health Effects Associated with 5G for Decades, Hid the Scientific Research Reports from the Public](#)

Some medical researchers have declared that 5G actually triggers COVID-19, which then sets into motion a unique disease process that manifests differently in each patient. Because there appears to be a bioengineered capacity for COVID-19 to mutate in vivo, the symptom set can change quickly or

slowly thereby eluding proper diagnosis and effective treatment. The longer any patient is exposed to a 5G environment, the more severe the symptoms will be. Similarly, additional symptoms, some of which are quite unusual and life-threatening, will also emerge as the disease process evolves.

Not only does 5G seem to trigger the onset of the *Coronavirus Syndrome*, it also appears to cause an extraordinary mutation and morphing of COVID-19 into an altogether different coronavirus pathogen, which then lies latent in the body well after the patient has been cured. This is quite similar to Epstein-Barr virus which eventually evolves into EBV-Stage 4 after passing through Stages 1, 2 and 3 over decades of latency.

The extent to which a patient is exposed to the *Internet of Things (IoT)* poses an even greater challenge to their immune system. This is why so many cruise ships became floating hospitals so soon after the Wuhan outbreak (there was simply not enough time for Wuhan patients or carriers to board the affected ships). Not only was 5G fully operational on those quarantined ships, the cruise lines promoted their seaborne IoTs to all the younger passengers while the many of the older passengers suffered from immunosuppression or compromised health. As expected, the older folks suffered a much higher COVID-19 infection rate. Then, when the first COVID-19 case was reported, the protracted period of quarantine on the cruise ships served to spread the coronavirus even more in the close quarters.

Undoubtedly, it's the high re-infection rates of COVID-19 which illustrate the dramatic effects that a 5G environment has on either a carrier or patient. Those who leave the hospital as a cured COVID-19 patient and re-enter their same wireless IT space will invariably suffer a higher rate of re-infection. Some will eventually suffer double or triple re-infections in the same flu season.

KEY POINT: Every SOTN visitor, especially those suffering from a seasonal flu or the coronavirus, is strongly encouraged to read this short coronavirus coaching session about COVID-19 re-infections: [FLASHBACK: COVID-19 Re-Infections Triggered by 5G, Wireless Devices and WiFi Environments — The Coronavirus Coach](#). Then, be sure to send it to everyone you know.

Incidentally, the *Coronavirus Syndrome* is emphatically not caused by a typical flu bug. COVID-19 is a highly sophisticated bio-weapon that was deliberately bio-engineered to be extremely opportunistic, predatory and pernicious. Hence, the best defense is to avoid infection, especially by keeping the smartphone off and hard wiring all IT devices at home and the workplace. But the most important move anyone can make is to strictly avoid all [5G super-hotspots](#) and [IoT spaces](#) such. Despite the apparent contagion, the right lifestyle and diet will keep COVID-19 at bay for most people. This type of coronavirus preys on a weak and/or sick individual whose internal environment is conducive to viral propagation and symptom proliferation. In any event, preventative measures ought to be taken immediately by those at greatest risk. And, it's absolutely necessary to aggressively treat all symptoms, especially those that are overly incapacitating or vitiate normal bodily functions.

Despite the apparent contagion, the right lifestyle and diet will keep COVID-19 at bay for most people. In any event, preventative measures ought to be taken immediately by those at greatest risk. And, it's absolutely necessary to aggressively treat all symptoms, especially those that are overly incapacitating or vitiate normal bodily functions.

KEY POINT: Every resident on the planet should be taking all the precautionary measures they can reasonably take at this moment to avoid infection. See: [Here's How Everyone Can Avoid Getting The Coronavirus](#)

Chemtrails

There are other major pieces to this *Coronavirus Syndrome* puzzle that remain outside of any individual's ability to control. For example, there are toxic chemtrail aerosols that are being sprayed incessantly in our skies. The immense volume of chemically-mobile aluminum alone is slowly poisoning all of humanity. So is the barium, strontium, lithium and other chemical contaminants that are released into the troposphere via the chemical geoengineering programs being conducted worldwide. See: [CHEMTRAILS: A Planetary Catastrophe Created by Chemical Geoengineering](#)

There has been a substantial intensification of chemtrail spraying operations over the past decade. The incidence of both *Chemtrail syndrome* and *Chemtrail flu* have seen an appreciable and alarming increase. The radical uptick in neurological diseases such as Autism spectrum disorder,

Attention deficit hyperactivity disorder, Dementia, Alzheimer's disease, Parkinson's disease, Myotrophic lateral sclerosis, Multiple sclerosis, Cerebral palsy, Muscular dystrophy, Epilepsy, Guillain-Barré syndrome and Bell's palsy is proof that there are major environmental factors such as the unprecedented profusion of airborne aluminum which is a proven neurotoxin.

[CHEMTRAIL SYNDROME: A Global Pandemic Of Epic Proportions](#)

There's only one way that the atmosphere could have become so permeated with so much chemically-mobile aluminum so rapidly: the nonstop chemtrail spraying of toxic aerosols worldwide. The real problem here is that the blood-brain barrier surrounding the olfactory nerve is not 8 cells thick; it's only 4 to 6 cells wide which means that a LOT of aluminum is now going into the brain. Of course, bio-accumulation of aluminum is also taking place elsewhere in the human body where it will cause other serious diseases as well.

Before the Industrial Revolution, there was very little atmospheric aluminum. This toxic heavy metal had been safely locked up in the Earth's surface (in bauxite) where it could do very little harm to the human bio-organism. With the advent of the coal-fired power plant industry, massive volumes of coal fly ash — a highly regulated waste product — was produced which contains a large percentage of aluminum oxide. So, what the chemical geoengineers decided to do was to put this hazardous waste product — COAL FLY ASH — into the chemtrail formulations because of its hygroscopic nature.

See: [U.S. Government Spraying Tons Of Toxic Coal Fly Ash Into Atmosphere Via Chemtrails](#)

KEY POINT: Some atmospheric heavy metals such as chemically mobile aluminum are highly hygroscopic causing the chemtrails to widen quickly after spraying, which will then develop into chemclouds before forming a sun-obscuring chemcloud cover. In this furtive manner, humanity is being regularly deprived of the natural vitamin D production that takes place when sunlight shines on the skin. Also, pathogenic micro-organisms such as the coronavirus will more swiftly proliferate in the absence of sunlight. After all, *"sunlight is said to be the best of disinfectants."*

The essential point here is that everyone now lives under heavily chemtrailed skies and, therefore, is exposed daily to high doses of unwanted aluminum. The steady incorporation of aluminum into our tissues and organs has created a public health disaster of epic proportions. However, it's the pivotal part that aluminum and other chemtrail contaminants play in the development of *Coronavirus Syndrome* that is of greatest concern today. Because of the neurological impairment that occurs at the cellular level with the onset of *Coronavirus Syndrome*, it can be stated that the ongoing chemtrail operations purposefully set the stage for this stealthily manufactured pandemic*.

[*Really, we want to know why the CDC posted job notices across the USA for a Quarantine Program Public Health Advisor on 11/15/2019—2 months before the Wuhan outbreak?!](#)

It has also been suspected that Chemtrail-disseminated ingredients are an integral part of the geoengineering scheme to fabricate tropospheric conditions that are much more favorable to running an efficient 5G paradigm. Those heavy metals and other chemical compounds were specifically chosen because they are good conductors for the necessary frequencies and energies that constitute a fully functional 5G power grid. Each of the major COVID-19 clusters to date have occurred in heavily chemtrailed cities, including the most recent clusters in the greater New York City area.

It should also be noted that there are certain components in chemtrail aerosols that were selected because of their capacity to either trigger or encourage the development of the various influenzas. Every flu season sees a considerable escalation of chemtrailing, particularly in urban areas, in order to stampede the residents into the pen of vaccine compliance. A bad flu will compel an unaware sufferer to receive a vaccination thereby increasing their toxic load.

COVID-19

While COVID-19 is the primary pathogenic micro-organism of *Coronavirus Syndrome*, it's imperative to understand that it's only one component of COVID-5G-Hypertoxicity Syndrome. It's also quite important to comprehend that COVID-19 is just one of the many coronaviruses some of which are the cause of the common cold and other influenzas (See addendum below). But the real secret behind this weaponized virus can be found in its name. [CORONAVIRUS BIOWEAPON MYSTERY SOLVED: It's all in the name!](#)

As the "CORONA virus" name implies, once the crucial link is made between the coronavirus and 5G, it becomes clear that the whole human race is about to suffer a biblical scourge because of the countless 5G roll-out taking place around the globe.

Not only that, many folks have been suffering terribly from various types of EMF illness and EMR disease and Microwave poisoning and Non-ionizing Radiation sickness and Electrohypersensitivity syndrome for many decades...totally oblivious to the real causes. Therefore, it could even be stated that, were there no electrical paradigm on planet Earth today, there would be no *Coronavirus Syndrome* in 2020.

Nevertheless, to properly understand the "who, what, where, why and how" narrative regarding the now notorious coronavirus, every reader is encouraged to consider the links in this extensive compilation of detailed exposés about COVID-19: [BIOENGINEERED and 5Ged CORONAVIRUS PANDEMIC: What Everyone Needs to Know](#)

KEY POINTS: It must be made clear that, to date, there has been no conclusive scientific evidence that proves the existence of COVID-19. Similarly, there has been no assurance whatsoever given by medical authorities or government officials, that a reliable diagnostic test is being administered to patients that have somehow tested positive for COVID-19. As always, governments everywhere have withheld the most basic information and essential data regarding this supposedly burgeoning pandemic. That does not mean there's not a very real bioweapon at the root of this ongoing bioterrorism and global psyop; however, they clearly do not want the people to know what it really is. But the "real bioweapon" may just be the 5G weapon system. See: [5G WEAPONRY: Microwave Radiation Technology Being Deployed as Depopulation Warfare, Full Spectrum Dominance & Total Human Control \(Video\)](#)

Special Note: Many folks are having a problem reconciling how the COVID-19 panic is a HUGE hoax, yet at the very same time a very real pandemic. Even though there is no scientific proof of COVID-19 or high-integrity lab tests to confirm infection, there is a new and deadly and virulent pathogenic micro-organism that was meticulously bio-engineered to cause COVID-5G-Hypertoxicity Syndrome. In other words, this is not just a single viral bioweapon, it a complex bioweapon system that has been surreptitiously put into place over several decades. So, while the various GLADIO black ops and *New World Order* psyops may appear to working at cross purposes, or even mutually exclusive, they are not. This particular false flag operation and mass casualty event was concocted to be exceptionally confusing, just as the accompanying psychological operation was contrived to be awfully confounding. And so it is!

Hypertoxicity

There is a modern-day malady that is not well known called [Hypertoxicity Syndrome](#). It's caused by the extraordinary and continuous bio-accumulation of every kind of toxin that humanity is now exposed to. It is also the gateway disease for many other types of much more debilitating and deadly diseases such as Morgellons disease.

Clearly, those who suffer from *Hypertoxicity Syndrome* will be much more susceptible to the *Coronavirus Syndrome* than those with a clean, non-toxic health profile. There are many and diverse contributing factors to that extraordinary state of hypertoxicity that very few are aware of. For obvious reasons, the elderly will always suffer from this condition much more than children, which is exactly why older patients are dying so quickly from COVID-19, and in much greater numbers.

Young people are simply far less toxic because they have had fewer years of environmental exposures. The extremely high toxic load of the elderly is due to the fact that they have experienced several more decades of bio-accumulation of countless chemicals, heavy metals, insecticides, toxicants, poisons, contaminants, pollutants, etc. Hence, there is a direct relationship between the total body burden and the susceptibility to COVID-19, just as there is to any other acute illness or

chronic disease. Except that a hypertoxic internal disorder will encourage *Coronavirus Syndrome* to run rampant just as we have seen because of how opportunistic it was bioengineered to be.

Industrial pollution also provides many vectors of toxin dissemination, which has always contributed majorly to the ongoing worldwide epidemic of *Hypertoxicity Syndrome*. Just like Beijing, Wuhan is also infamous for its oppressive and unceasing pollution. Likewise, Milan is the economic powerhouse of Italy and hub of various industries to include “*textile and garment manufacturing, automobile, chemicals, industrial, machinery, and publishing*”. [1]

Super-Vaccination Agenda

Perhaps the single greatest and most dangerous threat where it concerns hypertoxicity are the ever-expanding childhood vaccination schedules and annual flu vaccine programs. Particularly for the elderly, the yearly flu shot injects a panoply of biological and chemical toxins that are exceedingly harmful to their fragile and compromised bodies. This is exactly why so many older folks have disproportionately died from COVID-19. Their total body burden, after years of highly toxic flu vaccinations, is so high that the coronavirus disease simply overwhelms the entire bio-organism.

Most significantly, there are now strong indications that each successive flu vaccination will make any individual, no matter what their unique set of risk factors, MUCH more vulnerable to a COVID-19 infection. Some have even speculated that a variant of COVID-19 has been inserted into every flu vaccine. This is why 2019 saw so many state legislatures approve or attempt to pass so many draconian measures toward making all prescribed childhood vaccinations mandatory and without exemptions. These repugnant and treacherous legislative initiatives were obviously taken in preparation for the bioengineered coronavirus outbreaks in the United States especially.

The *Super-Vaccination Agenda* is a major piece of the overall plan to, first, toxify and sicken, then, control and enslave humanity. The highly detrimental vaccine programs being administered worldwide are quite possibly the main driver of *Coronavirus Syndrome*. Given the many adverse effects of vaccines, to include weakening of the immune system and triggering of various influenzas due to injection of viruses, the *Super-Vaccination Agenda* is certainly one of the main pillars of the scheme to bioengineer a full-blown coronavirus pandemic. A scientific research study, not funded by *Big Pharma*, on the direct correlation between COVID-19 outbreaks and local flu vaccination compliance will certainly reveal the truth of the matter.

[SUPER-VACCINATION AGENDA: U.S. Government Colludes with *Big Pharma* to Poison the American People](#)

Psychogenic Disease

It's entirely true that there are many diseases and illnesses that plague humanity which are psychogenic to varying degrees.

Psychogenic disease (or psychogenic illness) is a name given to physical illnesses that are believed to arise from emotional or mental stressors, or from psychological or psychiatric disorders.[2]

There is no better representative of a psychogenic disease than *Coronavirus Syndrome*. This Third Millennium plague is surely the ultimate example of how mainstream media-generated hype can literally create a fake pandemic followed by more network hyperventilation necessary to manufacture a panic.

There are many prongs to the multi-pronged pandemic/panic strategy that were implemented by the hidden directors, producers and screenwriters of [Operation COVID Pandemic & Panic](#). Most of them are well beyond the scope of this exposé. However, there is one prong of this global psychological operation that cannot be ignored.

Fear of death and fear of terminal disease are probably two of the greatest fears experienced by most people. The [perpetrators](#) of Operation COVID Pandemic & Panic know this full well and have intentionally played on those primordial fears like never before. The ensuing collective stress — emotional, mental, psychological and spiritual — that has been artificially induced is unparalleled in post-modern history.

KEY POINT: Every staged panic has a Fearmonger-in-Chief. Today, that carefully chosen individual is the Director of the National Institute of Allergy and Infectious Diseases—Anthony Stephen Fauci. (See: [FAUCI the FEARMONGER Goes to Work for the Globalists](#)). The MO of every Fearmonger-in-Chief is to use utterly fake science, misleading data and false narratives to scare their audience as follows: [Dr. Fauci is promoting totally fake science \(Video\)](#).

Any psyop of this breadth and depth will only serve to amplify the negative vibrations that are being engendered worldwide both individually and collectively. Whole nations have been plunged into despair. Cities have been devastated. Large companies have been shut down as major corporations

have suspended all operations. Small businesses have already been bankrupted as families have been paralyzed with fear and anxiety about the future.

THIS HAS NEVER HAPPENED BEFORE

Therefore, it's now apparent that there is a HUGE experiment being undertaken to propagate the *Coronavirus Syndrome* as a fundamentally psychogenic disease in advance of it actually showing up wherever the perps have planned acts of bioterrorism. There are several reasons for this *New World Order* ploy to effectively imprison humanity, most of which are explained in this exposé: [MEDICAL MARTIAL LAW: Is this how they plan to lock down planet Earth?](#)

Because every psychogenic disease relies on a critical mass of people buying into the CON, the best way to terminate this utterly staged panic is to share the truth. The most radioactive truths and incriminating facts always concern the WHO and WHY. As follows:

[Nothing changes until those who secretly rule US are prosecuted for 9/11, JFK, OK City, 5G, Chemtrails, Vaccines, COVID-19](#)

Perhaps the most powerful piece of this fastidiously choreographed and orchestrated psyop is the inexorable push toward social distancing. Not only does this ploy separate each and every human being from the rest of the human race, it is a subtle form of “divide and conquer”. Everyone is now looked at as coronavirus-carrier and therefore to be avoided. Moreover, this type of abiding fear of both coronavirus and humanity breeds more fear and anxiety which will only further weaken the immune system.

Bioterrorism

What we are all witnessing is an ongoing series of bioterrorist attacks against nations large and small. The reasons for this crime wave of bioterrorism currently washing over the planet ought to be quite obvious, even to the uninitiated. See: [OPERATION CORONAVIRUS PANDEMIC: 16 Reasons for the Deployment of this Devastating Bioweapon in 2020](#)

As for who's conducting this international crime spree operationally, it's now clear that [COVID-19 originated at the US Military's bio-weapons lab at Fort Detrick \(which was shut down by the CDC in July, because of outbreaks\)](#). However, just because COVID-19 was bioengineered by the U.S. Military doesn't mean this was an American-only black operation and C.I.A. psyop. In point of fact, China's 9/11 in Wuhan was actually carried out by [OPERATION GLADIO](#) under the rubric of NATO (sometimes known as the “North Atlantic Terrorist Organization”).

[GLADIO BIOTERROR: 'Biological Attack' Against China Planned by NATO Decades Ago — UK Military Officer & Whistleblower](#)

What's the salient point?

When anyone or nation is under withering attack, it's imperative to react accordingly. However, very few are cognizant of the bio-warfare that has been waged against humanity since the Spanish Flu of 1918.

“As a matter of historical fact, there have been numerous bioweapons released against certain nations and populations over the past century such as Asian Flu of 1957, Hong Kong Flu of 1968, Epstein-Barr virus, Human papillomavirus, Herpes simplex virus, Lyme disease, AIDS/HIV, Swine flu, Bird flu, Ebola virus disease, West Nile virus, as well as many of the Measles and Smallpox outbreaks. (Remember the Native American tribes that were deliberately wiped out via the Smallpox bioweapon during the 19th century.)”

(Source: [PLANDEMIC! A Painstakingly Planned Pandemic and Staged Panic—Who & Why?](#))

Hence, the time has finally come for people everywhere to come together to terminate -FOREVER – this [never-ending Biowar](#), the [perilous 5G roll-out](#) and the [climate-changing Chemtrails](#).

Conclusion

COVID-5G-Hypertoxicity Syndrome is precisely what the name says it is.

The intensity of its manifestation is also a function of several other risk factors, each of which can be nailed down in any particular case by an experienced clinician and/or skilled diagnostician.

And, “YES!”, *Coronavirus Syndrome* is most definitely an ever-changing syndrome that can defy diagnosis and treatment alike. This's why so many were dropping like flies before they dropped dead in Wuhan and Milan. The symptoms either intensify so fast, or unusual symptoms emerge so quickly, that the attending physicians are caught flat-footed. The patients, themselves, are then overwhelmed by the severity and intractability of the symptoms. In many cases, the combination of debilitating and often unfamiliar symptoms simply demoralizes them.

In light of these stark realities, the more aware that each person is about the key takeaways in this critical *Coronavirus Syndrome* analysis, the more effective their response can be. The health and well-being of our families and friends, co-workers and other acquaintances greatly depend on this vital knowledge. Truly, we are at defining moment of human history, and everyone is called upon to play their vital role. Those who have been blessed with the truth need to share it more than ever.

There is another enlightening and edifying perspective on this transparently staged pandemic/panic that's well worth considering. See: [Pulmonologist Wolfgang Wodarg, M.D. explains the how, who and why the coronavirus panic was created \(Video\)](#)
