

Wuhan Was a Test Run for Weaponized 5G

5G + Coronavirus + Vaccinations + Chemtrails = Depopulation Event

Part 8 – Puzzle Piece 8

Very few Americans are able to grasp the profound implications of what this series is about. Each of the four elements noted in the sub-head above are intrinsically linked together for one single purpose, and that is to depopulate the earth. I am well aware that most people cannot see or make the “connections” that often play critical roles in life. A few of you may be old enough to remember the PBS series “Connections” with James Burke.

“Connections” was a fascinating 10-episode documentary television series and 1978 book (Connections, based on the series) created, written, and presented by science historian James Burke. The series was produced and directed by Mick Jackson of the BBC Science and Features Department and first aired 1979 (USA). It took an interdisciplinary approach to the history of science and invention, and demonstrated how various discoveries, scientific achievements, and historical world events were built from one another successively in an interconnected way to bring about particular aspects of modern technology. The series was noted for Burke's crisp and enthusiastic presentation (and dry humor), unfortunately, these “connections” = Depopulations!

COVID-1984: 'A Global 9/11' to Inaugurate a Global Security Superstate

COVID-1984

A Scamdemic and Staged Panic

Contrived to Lock Down Planet Earth,
Divide and Conquer Nations,
and Enslave Humanity

“Just like the state-sponsored 9/11 false flag operation was used to create the American National Security State, COVID-1984 is being carried out to foist a Global Security Superstate on the entire planetary civilization as a precursor to a One World Government. Every single move made by the *New World Order* globalist cabal during the execution of this staged pandemic and global psyop has been planned well in advance. That’s because COVID-1984 represents the culmination of 100 years of bio-warfare waged against the human race. It’s not just a depopulation bioweapon as the 1918 Spanish flu was. Watch every twist and turn of this classic **Problem~Reaction~Solution** operation, especially as it’s falsely reported by the CIA’s *Mockingbird Media*. Clock every NWO outcome, both big and small, as each piece fits perfectly into the pre-planned COVID-1984 puzzle. That’s why it’s been memed the “Plandemic” ... as well as a “Scamdemic”.

— Intelligence Analyst and Former U.S. Army Officer

State of the Nation

It’s of paramount importance for people not to get caught up in the myriad details of the actual COVID-19 blackops since the ensuing debates always serve to divide the Truth Movement just like they did with 9/11.

Yes, it’s absolutely essential to understand who the bio-terrorists are and how they are executing each COVID-19 bio-terror attack in order to save lives; for only then can their MO and overall strategy can be exposed. However, it’s the “Who, What, Where, When, Why and How?” regarding the much larger and horrific reality of COVID-1984 that must be revealed before it’s too late.

All that really matters at this critical point of the stealthy COVID-1984 implementation plan are the immediate threats to national sovereignty, as well as the long-term consequences to personal liberties and citizen rights. The right to live and freedom to thrive are the most important which must be preserved!

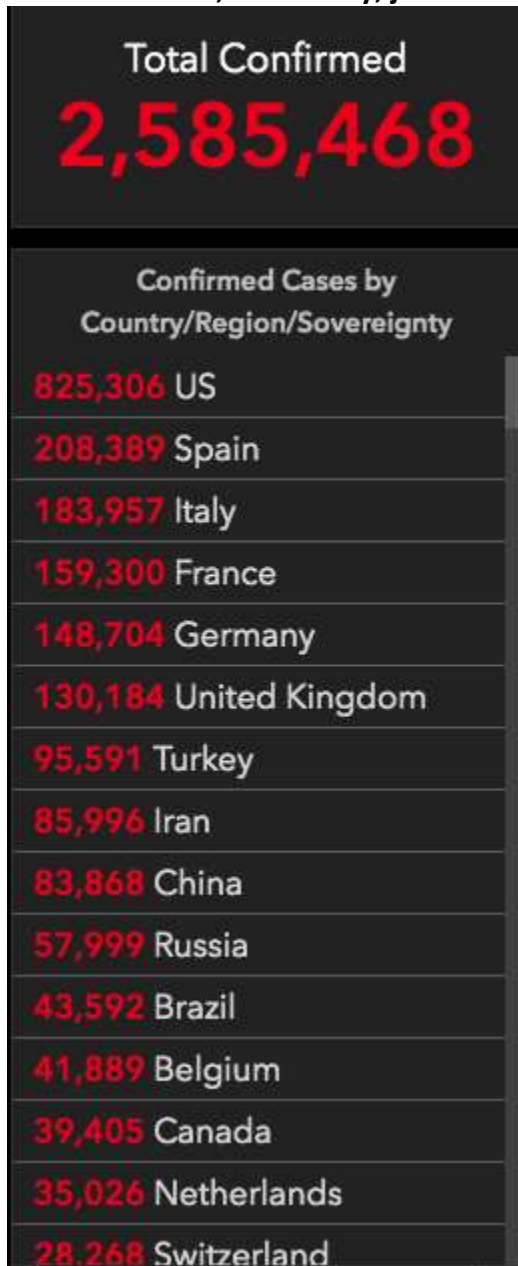

At this late date, determining exactly who is operationally responsible for the series of bio-terrorist attacks carried out in China, Italy, Iran, Spain, South Korea, United States, France, Germany, United Kingdom, etc. is exceedingly difficult. Both domestic proxies and foreign agents in the employ of the MOSSAD, MI6 and the C.I.A. are surely being used to carry out each attack. Furthermore, the true Zio-Anglo-American perpetrators have already floated so many fake conspiracy theories, in both the mainstream and alternative media, that it will be virtually impossible to trace this highly organized crime spree back to its source.

In point of fact, each bio-attacked nation has a well-established and powerful *Deep State* capable of coordinating and covering up any act of terrorism, or wave of bioterrorism, just as “Operation COVID-19” has been continuously perpetrated around the world since the

beginning of 2019. Clearly, such an ongoing series of coordinated biological attacks, worldwide, could only be carried out under the rubric of Operation Gladio just as the state-sponsored 9/11 false flag terrorist attacks were. See: [GLADIO BIOTERROR: 'Biological Attack' Against China Planned by NATO Decades Ago — UK Military Officer & Whistleblower](#)

*Operation Gladio is the primary terrorist arm of NATO (aka the North Atlantic Terrorist Organization)

As for the true targets of this massive and complex conspiracy to bio-terrorize whole nations into submission, that's easy; just look at the countries that are at the top of the list below.

COVID-19 Statistics as of Wednesday, April 22, 2020

The American people were always the primary target of this false flag bio-terrorist operation and overwhelming psyop. The *New World Order* globalist cabal knows that the American Republic must be destroyed if they are to successfully form a One World Government. The ruling cabal also knows that the *Global Control Matrix* (5G + IoT = Smart Cities) must first be fully functioning if the Global Security Superstate is to be established.

This is why the COVID-1984 conspirators have so recklessly concocted this transparent scamdemic and staged panic. They are so resolved to roll out 5G in order to start the planned build-out of the AI-run *Internet of Things*, which will then permit them to flip the switch on the *Global Control Matrix*. Only then can the One World Government come out of the shadows since the emerging Global Security Superstate will provide their direly needed police protections and enforcement actions for the power elite and their tyrannical technocracy. See: [OPERATION COVID-19: Desperate Attempt to Deploy 5G Under Cover of Bioterrorism to Activate Global Control Matrix](#)

As it stands, international career criminals such as Bill Gates, George Soros, Henry Kissinger, Anthony Fauci, Deborah Birx, Robert Redfield, Tedros Adhanom Ghebreyesus, Hillary Clinton, Joe Biden, Barack Obama, Nancy Pelosi, Adam Schiff and many others are no longer safe. So many of their multi-decade crime sprees have been exposed on the Internet which puts them all in grave danger. In light of their desperate efforts to avoid prosecution, there is now no limit to their treachery and betrayals as the exceedingly brazen COVID-1984 scamdemic clearly reflects.

COVID-19 & *Coronavirus syndrome*

Before we address COVID-1984, let's first take a close look at COVID-19.

What in the world is it—REALLY?!

COVID-19, also known as *Coronavirus syndrome*, is a bioweapon that was meticulously bio-engineered in a U.S. military laboratory (U.S. Army Medical Research Institute of Infectious Diseases lab at Fort Detrick) in collaboration with the American university system (e.g. [Harvard](#) and [University of North Carolina](#)) as well as advanced bio-weaponry research institutions throughout the USA and others unlawfully operated abroad.

[HARD EVIDENCE CONFIRMS: COVID-19 Bioengineered at Univ. of North Carolina](#)

Coronavirus syndrome is the disease process that results when the complex COVID-19 bioweapon is both triggered and intensified by different components of a quaternary weapon system. See: [QUATERNARY WEAPON SYSTEM Activated Before Each Coronavirus Cluster Explosion](#)

What's crucial to correctly understand by every person on Earth is that COVID-19 is the "latest and greatest" of numerous bio-weapons that have been unleashed on humanity for well over 100 years.

Just before the Spanish Flu pandemic of 1918 was similarly bioengineered, the Federal Reserve Act of 1913 set the stage for 100 plus years of unabated bioterrorism that has been carried out around the globe.

For example, every single major influenza outbreak that has occurred over the past century, to include the Asian flu, Hong Kong flu, Bird flu, Swine flu, SARS and MERS, was bioengineered by the Anglo-American Military-Big Pharma Complex. Likewise, all the other major epidemics and pandemics such as Polio, Smallpox, Measles, AIDS, Ebola, West Nile virus, Chikungunya, Zika virus were purposefully bio-engineered to produce specific NWO outcomes.

KEY POINTS: The United States Military and Intelligence Community have always been used by the Zio-Anglo-American Axis (ZAAA) to do most of the dirty work. (*Who today does not loathe the C.I.A.? Is there even a single country that is not disgusted by American warmongering?*) The patently illegal bioweapon research conducted in U.S. military bio-labs, which were strategically sited around the world to carry out illicit and hazardous research and development, has been well-known over many decades. In this fashion, both the [United Kingdom](#) and Israel have cunningly avoided much of the responsibility for so many waves of bioterrorism that have washed over the planet since the Spanish Flu. This is why the USA was set up to be the global policeman enforcing *Pax Americana* with gunboat diplomacy the world over. What American exceptionalism really means is that only the U.S. Federal Government can get away with bio-engineering extremely dangerous bio-weapons, launching them anywhere at will, and then blaming the bio-attacked nation or another targeted country with a false flag operation. See: [The Nasty Truth About Covid-19](#)

Each of these successive generation of bio-weaponry, as well as the resulting pandemic and epidemics they bring about, has served to expose virtually every person on Earth to the various cocktails of pathogenic micro-organisms that are purposefully put into each bioweapon. As a result, every human being has become a repository for so many harmful, and sometimes latent, pathogens of every sort and kind.

Just because the ensuing acute disease or chronic illness caused by any of those various influenzas and other infectious diseases is treated successfully does not mean it has been eradicated from the human bio-organism. In fact, many of these stealth pathogens have been specifically bio-engineered to retreat deep into the tissues only to manifest as a full-blown disease process later on in life. In this way, the human race has been invaded by one wave of microscopic *Trojan horses* after another.

Where it concerns the advanced COVID-19 bioweapon, once it explodes inside of the human body, it has the built-in capability of retriggering the various latent infection agents lying dormant deep in the tissues. Of course, COVID-19 is also programmed (Yes, it's part nano-chip that can send out nano-bots to attack certain organs and/or tissues) to cause entirely new disease processes, some of which are dictated by the individual's bloodline, genetic blueprint and/or predispositions.

KEY POINTS: There is both good news and bad news because of this unrelenting bio-war against the human race. The good news is that people everywhere have developed strong immunity to an array of sophisticated pathogens and newfangled diseases. The bad news is that there has been so much exposure to these bioweapons that there are inevitable consequences to the physical integrity of the human body which inevitably take their toll in a cumulative manner. For instance, both the microbiome and bio-terrain will gradually change and morph in ways that are not in the best interest of the human bio-organism. (The dark side deliberately created these adverse internal conditions humanity-wide for this precise moment in time.)

Because so many influenzas were launched as bioweapons against China by the West (read: Zio-Anglo-American Axis) over the past 100 years, the Chinese people were eventually compelled to comply with the notorious *Super-Vaccination Agenda* like no other populace on Earth. As a result, China is the most vaccinated country on the planet; therefore, the citizenry is much more susceptible to being triggered by the COVID-19 bio-weapon, especially the coronavirus variant that was bio-engineered to target certain Asian bloodlines and gene pools.

KEY POINT: It has been proven that there are several strains of [as many as 30+] COVID-19, where each bioweapon is the result of separate bioterrorist attacks launched at different cities and countries, organizations and corporations, families and individuals. This wily strategy has provided the circumstances for the real perps to take out any target they so desire under cover of COVID-19.

This is why Wuhan was chosen to be the world's epicenter for the novel coronavirus outbreak in December of 2019, which has spread all over China much more than the citizens are being told. Not only are they being repeatedly chipped with each vaccination containing progressively more advanced generations of microchips, they were also set up for a major **5G** experiment centered in Wuhan City.

Wuhan was quite suspiciously designated as an official **5G** Demonstration Zone in 2019 and saw over 10,000 **5G** base stations constructed throughout the greater metropolitan area. Clearly, this intensive **5G** roll-out in advance of the planned IoT build-out just prior to the coronavirus outbreak was no quirk of fate; rather, it was intentionally planned to produce maximum effect. In retrospect, the devastating Wuhan outbreak was a carefully executed experiment by the very same tribe that has been using human beings as guinea pigs for many centuries. See: [The Hidden Powers Behind the Destruction of America](#)

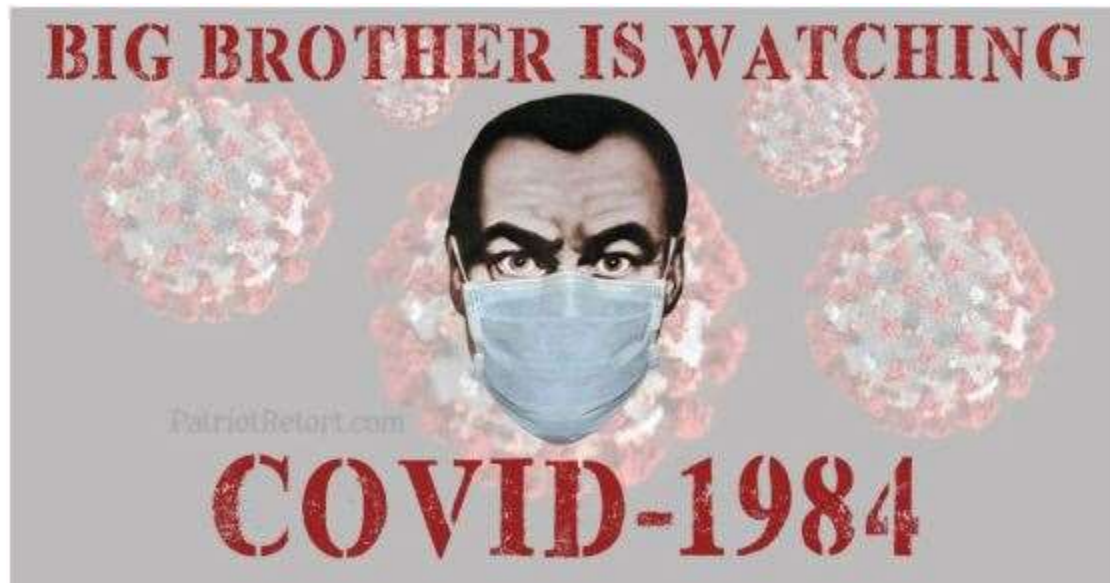

Then there is the fourth component of the "quaternary weapon system" uncommonly known as chemical geoengineering. Popularly known as chemtrails, these highly toxic aerosols are sprayed by specially equipped military aircraft into the troposphere for a variety of purposes. One of the objectives is to permeate the ambient atmosphere with specific metals (aluminum), chemical compounds (barium salt), elements (strontium), microbials (pathogenic

bacteria and mycoplasma), as well as a number of other toxic ingredients, so as to expose humanity to them over decades.

These ongoing chemtrail operations, occurring in plain sight around the globe, have contributed considerably to the poisoning of humanity and animals alike. The entire plant kingdom is also being toxified by chemtrail aerosols, which end up further degrading the human body as much food and beverage has been rendered toxic to varying degrees. (Notice how hard and difficult to chew many fruit skins and vegetables are now given the incorporation of so much aluminum into the plant bio-structures.)

The crucial point here is that the global population has not only been exposed to a tremendous amount of industrial pollution, people everywhere have been the unaware victims of relentless chemical and biological assaults from cradle to grave. All of these daily assaults and yearly bio-attacks over the past one hundred years were launched with highly purposeful design—COVID-19, first, followed by COVID-1984.

KEY POINTS: Based on a plethora of scientific and clinical evidence, COVID-19 is a highly complex, painstakingly bio-engineered, military-grade bio-weapon. The contagious and deadly disease that it causes known as *Coronavirus syndrome* is actually a quickly debilitating multi-infection syndrome. However, *Coronavirus syndrome* not only has similar qualities to the HIV superinfection and AIDS multi-infection syndrome, it also mimics the well-known bio-weapon created at the Plum Island Animal Disease Center—*Lyme disease*. *Coronavirus syndrome* has so many similarities to *Lyme disease* that it could be classified as a [Multiple Systemic Infectious Disease Syndrome](#).

Welcome to COVID-1984

It doesn't get more cold and calculating, conniving and contriving, crafty and cunning, cagey and canny than COVID-1984.

The perpetrators of this continuing series of bio-terrorist attacks, against nations large and small, quite deliberately chose 2020 to launch COVID-1984.

But why 2020?

KEY POINT: There are actually several reasons for “2020” that are well beyond the scope of this exposé. However, there is one extremely significant yet much overlooked reason that goes like this: [2020 VISION QUEST: A Global Movement Destined to Reshape the Planetary Civilization.](#)

But why 2020 as far as the COVID-1984 perps are concerned?

Because the numerous secret societies set up to subvert nations and societies everywhere, and especially their front-men, have been outed like never before. The power elite can no longer survive in a global environment whereby everyone knows the true depth and breadth of their multi-century crime sprees against humanity. Hence, TPTB felt they had no choice but to attempt to lock down the whole planet until all of humanity is effectively incarcerated.

Very few medical investigators are yet aware, but COVID-19 was secretly disseminated around the world throughout the entire year of 2019. This bio-weapon was not just relaunched in December ... after it was launched at the World Military Games in October in Wuhan; COVID-19 was actually unleashed in several nations all year long during 2019. This is just one reason why the outbreaks literally mushroomed overnight in nations such as China, South Korea, Spain, Iran, France, Germany, and especially throughout the United States. The multiple coronavirus clusters that exploded in Wuhan, Tehran, Milan, Madrid, Daegu, Seattle, New York City and other major cities stand as a testament to this reality.

What’s the vital point?

The perps knew they had to unleash the weaponized *Coronavirus syndrome* well before Election Day—November 3, 2020. Now that nationalist movements are gaining steam worldwide, the *Deep State* was ordered to sabotage the U.S. election cycle in a BIG way to prevent the re-election of Donald Trump. Trump’s successful meming of MSM fake news has already destroyed — IRREPARABLY — the premier corporate new platforms worldwide. However, it was Trump’s tweet storms against the primary seditious organs of *Deep State* — the Democrat Party, MSM, FBI, CIA, DoJ, NATO, CFR, etc. that also dictated the precise timing of this scandemic.

The same can be said about the prospective re-election of Italy’s arch-nationalist and former Deputy Prime Minister Matteo Salvini. Italy was targeted with total societal destruction beginning with banking capital Milan in an effort to keep the current Prime Minister of Italy — hardcore globalist Giuseppe Conte — firmly in power. After all, Salvini shut down one of the main pipelines of unwanted immigrants into Europe via the Italian Peninsula. By the way, the pre-pandemic polls were quite clear that Salvini was building momentum so quickly before COVID-19 hit that he was on the way to a landslide victory.

Then there is pro-Brexit, ultra-nationalist Prime Minister Boris Johnson. Not only did the British globalist traitors make sure Johnson came down with a full-blown case of *Coronavirus syndrome*, they put him in an ICU where ANYTHING goes, especially the type of blackmail and bribery that ensures your total yet temporary recovery. What better way to take the wind out of the sails of Great Britain's powerful patriot movement than to totally incapacitate its fearless leader?! Now that Boris is back home at 10 Downing Street, expect him to play the part of carefully controlled opposition.

Of course, Spain has also been unusually ravaged by COVID-19. The Prime Minister of Spain – Pedro Sánchez – *“has warned Catalonia’s government that he could deploy national police to the region, as tension flares up again between Madrid and Catalan separatists a year after a failed secession attempt”*.^[1] Given the hugely disproportionate contribution to Spain's GDP by the economic and financial powerhouse of Catalonia — the city of Barcelona — a successful secession from Madrid under the current PM would spell utter disaster for Spain during the rapidly unfolding global depression. Also, look at what COVID-19 has ‘permitted’ the Spanish government to perpetrate against its citizenry: [Spain “Authorizes” Military Planes To Spray Disinfectants Over Cities](#)

Bear in mind that the preceding discussion only represents a fraction of the NWO goals being achieved by this scamdemic, particularly on the national level. What follows is a partial list of many of the other desired achievements of TPTB via COVID-1984.

- (1) Foist a One World Government upon the World Community of Nations
- (2) Accelerate the Inauguration of Israel as the World Capital of a Global Government Run from Jerusalem
- (3) Ensure the Rapid and Widespread Military Deployment of 5G Globally
- (4) Institute Forced Vaccination Programs Worldwide Mandating Coronavirus Vaccines
- (5) Distract Humanity from Rampant Globalist Corruption and Criminality
- (6) Foster a Conducive Environment for the Hot Phase of World War III and Trigger Event for Armed Conflict
- (7) Fabricate a Pretext for the Controlled Demolition of the Global Economic & Financial System
- (8) Effectuate a Genocide in China as well as Global Depopulation Event Threatening to Become an Extinction Level Event
- (9) Fear-monger throughout the Planetary Civilization in order to Exert Draconian Controls Over the Mind-Controlled Masses

**(10) Expand and Strengthen the UN Powers Granted to the World Health Organization
Toward a Global Medical Tyranny**

(11) Coerce China to Comply with American Economic Demands and Trade Policies

**(12) Advance the Greater Israel Project by Disabling Chinese, Russian and Indian Support for
Iran**

**(13) Establish an International Cashless Society with a One World Currency via a Single Digital
Cryptocurrency**

**(14) Infect the Entire Global Population with the Coronavirus so That Future Outbreaks Can
Be Triggered via Vaccines, 5G, Chemtrails, etc.**

**(15) Pose a Serious Threat to Trump's Re-election with a Black Swan Event that Crashes the
Stock Market and Collapses the U.S. Economy**

(16) Promote the Build-out of the Internet of Things as a Solution to Future Pandemics

**(Source: [OPERATION CORONAVIRUS PANDEMIC: 16 Reasons for the Deployment of this
Devastating Bioweapon in 2020](#))**

There are several other items on the NWO agenda which are still revealing themselves as we get deeper into the convoluted COVID-1984 conspiratorial plot. Each passing week has been full of shocking revelations that alternately startle and stun because of the brazen criminality and sheer recklessness of the globalist perps. Clearly, TPTB are both desperate and frantic as never before. And, that's a good thing!

However, one of those COVID-1984 agenda items is way too consequential to ignore. That concerns the masterful NWO application of *Ordo ab Chao* throughout this scam-demic with the explicit purpose of dividing and conquering the world community of nations. This highly cynical ploy has several goals, but one reigns supreme—triggering the hot phase of World War III. See: [THEIR FINAL SOLUTION: Market Crash, Dollar Collapse & World War 3](#)

Where it concerns the American body politic, both the Obama administration and Clinton faction colluded to willfully restart the Cold War with Russia where relations are now worse than ever with the Kremlin. Similarly, the Trump administration has worked overtime to alienate China with one provocative move and offensive maneuver after another. What better way to kill the Sino-American relationship forever than to wage a full-scale bio-war against China, which is exactly what the Neocon Zionists have done with COVID-19.

Not only that, but Neocon Zionists inside and outside of the Trump administration are now running a shrill propaganda campaign against China as they try to convince the rest of the world that China is solely responsible for COVID-19. Isn't this exactly what the perfidious

Neocons did (first, warmongering propaganda; then, “shock and awe” terrorism; followed by armed conflict and finally war) in Chechnya, Sudan, Afghanistan, Iraq, Nigeria, Ukraine, Libya, Syria, Yemen, Somalia, Venezuela and other countries that were and/or are victims of ZAAA proxy wars.?

The Neocon Zionist warmongers will do everything in their power to foment an armed conflict between China and the United States, just like they tried to do with Russia and the U.S. They know that a world war has the potential to create so much conflict and chaos that they can then impose their *New World Order* in the wake of war’s predictable aftermath of disorder and anarchy. They don’t even care that all the evidence points directly to a Zio-Anglo-American conspiracy to use bioterrorism against China using the U.S. Army.

[U.S. Military Planted COVID-19 in Wuhan, China via their Transparently Fake Military Games Team](#)

Why, then, is the U.S. currently undergoing the biggest and most sustained series of bioterrorist attacks in the world today?

Short answer: the USA was always the primary target of COVID-19 so the globalists could much more aggressively continue the implementation COVID-1984 that began in earnest on September 11, 2001 (but really started with the Federal Reserve Act signed on December 23, 1913).

Everyone ought to understand by now that the *Deep State* of each of these powerful nations — United States, United Kingdom, China and Israel — are all controlled by the same clandestine powers. Each of them is run by the highly controlled Central Bank such as the U.S. Federal Reserve System. All of the world’s Central Banks belong to the *International Banking Cartel & Crime Syndicate* (IBC&CS) which have no loyalty to any country or any thing except the acquisition of money and power. For the banksters and their overlords can only carry out their manipulative end-game stratagems with ample financial resources. (The IBC&CS fabricates fiat money out of thin air via fractional reserve banking which is then utilized to systematically buy and manipulate each nation’s *Deep State* to implement the overarching NWO globalist agenda.)

That extremely malevolent agenda is now being carried out at warp speed via COVID-1984. As a matter of historical fact, the globalist cabal has realized more ambitions since January of 2020 than they did during any other year since the turn of the millennium. Truly, *Big Brother* is right now standing at everyone’s front door issuing orders and mandating changes that were once as unthinkable as they are outrageous.

KEY POINTS: The globalists conjured up the perfect bioweapon by which to hold humankind hostage. There have been numerous news reports that say COVID-19 re-infections are the new normal; others state future vaccines may never be effective (they’re terribly toxic and don’t work anyway); and still other reports insinuate that social distancing is here to stay. See

how easily the global population can be corralled into the NWO pen of compliance after multiple COVID-19 re-infections have become a fact of life. The fear associated with this new reality alone will enable the globalists to manufacture the consent necessary to pass all sorts of draconian legislation that effectively imprisons humanity. Toward that end, the British medical establishment is now advancing the absurdity “*that a vaccine-induced immunity could last longer than the infected-induced immunity*”. See: [Why are the Bloody Brits always the first to disseminate such ludicrous falsehoods about COVID-19?](#)

Those “KEY POINTS” above say it all, folks!

TPTB intend on using COVID-1984 to shut down life on Earth as we once knew it, any and every way they can.

They will milk this manufactured global scamdemic until they have achieved every goal on their long list of nefarious NWO intentions.

And, they really don’t care how they’re perceived anymore. All their dirty laundry has been flung out of the closet never to be concealed again. They believe they have nothing left to lose, so why not make life miserable for everyone else. At the very least, they will attempt to forever shut down free speech on the Internet which they have been aggressively doing since the 2016 election cycle.

KEY POINT: Since any digitally connected person can read their lengthy and shocking rap sheets with just a few keystrokes on their IT device, the power elite really believe they no longer have anything to lose EXCEPT THEIR LIVES.

Indeed, every Illuminati family, Bilderberger and Neocon Zionist is now moments away from a “torches and pitchforks” moment. So, too, is every Democrat U.S. congressman and congresswoman, Technocracy tyrant and *Deep State* operative just a minute away from citizens showing up with “axes and hammers”. Every globalist VIP, Rothschild bankster and Tavistock agent is facing existential threats like never before. Some patriots and nationalists are even calling for group gallows to be shown live on the Internet as a deterrent to future war criminals and menaces to society.

5G & 4G

Clearly, the military deployment of **5G** was a necessary prerequisite to trigger the outbreaks in places like Wuhan, Milan, Daegu, New York City and the Seattle area.

*The four cities listed above are not only **5G** hotspots, they also harbor extremely perilous venues which are considered 5G super-hotspots. Wherever intensive **5G** power grids have been activated, that sufficiently support the build-out of a fully operational Internet of Things, it inevitably becomes a **5G** super-hotspot. See: [5G Super-Hotspots: You better know where the “kill zones” are located!](#)*

(Source: [OPERATION COVID-19: How 4G is also being used to trigger Coronavirus Syndrome](#))

As the source article above indicates, it's now critical to comprehend at this pivotal point of the wholly manufactured pandemic that 4G also plays a central role in triggering the COVID-19 disease process. The rapid spread of COVID-19 across the USA, particularly in rural areas with no 5G but which have had 4G networks in place for years, graphically illustrates this stark reality. This particular data point reflects that an ongoing test is being conducted by the ruling technocracy to swiftly determine the extent to which the supporting 4G weapon subsystem is effective in creating a conducive environment for bio-weapons like COVID-19 to inflict damage to the wireless IT-bound populace, especially smartphone users.

Novus ordo seclorum = “New Order of the Ages”

Most importantly, what every resident of the planet needs to understand is that the various national and state lockdowns are being surreptitiously used to expedite the **5G** military deployments wherever and whenever they can get away with it. Schools, government buildings, corporate offices, malls, convention centers, stadiums, etc. are all being equipped with the latest and most powerful **5G** technology. Likewise, the build-out of **5G** network infrastructure has been greatly accelerated across the USA to include the macro- and small-cell base stations with advanced edge-computing capabilities. These base stations, along with the thousands of **5G** satellites being launched this year, represent the covert weapon system described in this detailed exposé: [5G WEAPONRY: Microwave Technology Deployed as Depopulation Warfare, Full Spectrum Dominance & Total Human Control \(Video\)](#)

Conclusion

People, it does not get any bigger than COVID-1984!

They fastidiously planned this bio-engineered pandemic for well over a century, if not longer. COVID-1984 is the final fear-mongering terror operation that will allow TPTB to position the capstone on their notorious pyramid of worldly power and control (see preceding visual).

However, their implausible scheme requires a critical mass of consent from *We the People* if it is to be successful to any degree. For when there's not a sufficient level of consent, there can be no *New World Order*. Such an implausible global black operation and psyop both require a large majority of people to buy into this naked scam-demic. Without that vital support, it's impossible for TPTB to manifest their envisioned *New World Order*, just like it's now impossible for them to artificially prop up the "global gambling casino" known as the stock market. For there is now mathematical certainty that the Global Economic & Financial System will suffer free-fall collapse ... even if it is conducted as a perfectly controlled demolition by the wealthy elites who only want to protect their commercial and financial interests.

Really, how do TPTB expect to lock down nearly 7.8 billion people?!

That's right—they can't! Unless we let them.

Who has not already seen or felt the quickly evolving totalitarian order administered by the tyrannical technocracy? We all know who they are — Bill Gates, Anthony Fauci, Tedros Adhanom Ghebreyesus, Deborah Birx, Mark Zuckerberg, Jeff Bezos, Elon Musk, Tim Cook, Jack Dorsey, Susan Wojcicki, Larry Page, Sergey Brin, Eric Schmidt, Satya Nadella, Sundar Pichai, Ajit Pai and many other super-glorified and insane technocrats who exert dictatorial command and control over cyber-space. Each of these bad actors needs to be apprehended and prosecuted to the fullest extent of the law.

CAVEAT: There now exists a window of opportunity to resist and overcome the tyrannical technocracy that globalism requires if it is to predominate across the land. However, that window is closing very fast. Therefore, it's imperative for people across the planet to rise up — EN MASSE — against what is really a veiled communist dictatorship before they transform the whole world into a Soviet Union-style "Gulag Archipelago".

State of the Nation

April 19, 2020

Editor's Note

In order to fully grasp the true magnitude and scope of COVID-1984, the reader is encouraged to consider the many detailed exposés posted here: [OPERATION COVID-19 & COVID-1984: A Comprehensive Series of Exclusive Exposés, Big-Picture Analyses and Health Warnings](#)

[1] [Pedro Sánchez](#)

Dr. Shi From Wuhan Institute Of Virology Reveals It All – China Officials Are Mad As Hell

(Gateway Pundit) – We first mentioned China's Dr. Shi Zhengli weeks ago on April 9th, long before other news publications. About a week after our first post, Dr. Shi's name was finally breaking into the mainstream media reports. Professor Shi Zhengli was even discussed on Tucker Carlson's show as well.

SHI ZHENGLI

Shi was born in May 1964 in Xixia County, Henan, China. She graduated from Wuhan University in 1987. She received her master's degree from the Wuhan Institute of Virology, Chinese Academy of Sciences (CAS) in 1990 and her Ph.D. from Montpellier University in France in 2000. In 2014, Shi was a lead in a research project of bat coronaviruses. Specifically, experiments involving both the SARS and bat coronaviruses. This project started as a joint research of University of North Carolina and Wuhan Institute of Virology, with Ralph S. Baric being the principal investigator. In 2014, the US funding for the project was stopped due to the US government moratorium on risky virology studies involving influenza, MERS & SARS viruses. The project was then taken over by the Chinese government and moved to Wuhan, China. Active work on the project continued through late 2019.

Chinese Doctor Shi Zhengli was part of a team that worked on a coronavirus project jointly with U.S. doctors in 2014 before it was shut down by the DHS for being too risky.

After the U.S. research project was shut down, Dr. Shi continued her coronavirus research in Wuhan, China.

Doctor Shi Zhengli from China was part of a team, including Doctor Ralph S. Baric, that published an article in a 2015 edition of 'Nature Medicine.'

In the article they discussed bat coronaviruses that showed potential for human emergence. The article was published in 2015.

This report was published shortly after their project was defunded by the US Department of Health and Human Services (HHS).

The HHS in 2014 sent a letter to the University of North Carolina at Chapel Hill where they announced they were going to defund the program.

Dr. Ralph S. Baric was identified in the letter.

Dr. Anthony Fauci illegally gave China a \$3.7 million contract. President Donald Trump's personal legal counsel, Rudy Giuliani, accused the Obama administration of funding China's Wuhan laboratory in 2014, the location where the deadly coronavirus outbreak allegedly originated. Speaking on New York AM 970 radio's "The Cats Roundtable," Giuliani said if he was a U.S. Attorney, he would investigate the Obama administration and Dr. Anthony Fauci. Giuliani suggested Fauci, the director of the National Institute of Allergy and Infectious Diseases, would have known about the practices in the Wuhan lab, where they sent \$3.7 million. *"You could say [China's experimenting] ... was for the purpose of weaponizing it,"* Giuliani told host John Catsimatidis. *"Back in 2014, the Obama administration prohibited the U.S. from giving money to any laboratory, including in the U.S., that was fooling around with these viruses,"* he added. *"Prohibited! Despite that, Dr. Fauci gave \$3.7 million to the Wuhan laboratory. And then even after the State Department issued reports about how unsafe that laboratory was, and how suspicious they were in the way they were developing a virus that could be transmitted to humans, we never pulled that money,"* he argued.

In all of this plan-demic the fact that there has been no public statement that the world has been subjected to a bio-weapon is astonishing! The Trump administration, the CDC, WHO, NIH, and NIAID, and official voices have been deafly silent to what we have known from other global sources, that this COVID-19 virus has been weaponized in an attempt to hide the real source of the Corona virus, and that being the EMF radiation sickness that mimics the Corona virus. Three months have gone by and no one at the official end of this scam-demic speaks to the complicity of our leaders to deceive the public at large. The Millennium Report and the State of the Nation web sites have exposed the truth. People are being allowed to die under the pretense of an out-of-control virus being the cause of their deaths.

A SARS-like cluster of circulating bat coronaviruses shows potential for human emergence

Vineet D Menachery¹, Boyd L Yount Jr¹, Kari Debbink^{1,2}, Sudhakar Agnihotram³, Lisa E Gralinski¹, Jessica A Plante¹, Rachel L Graham¹, Trevor Scobey¹, Xing-Yi Ge⁴, Eric F Donaldson¹, Scott H Randell^{5,6}, Antonio Lanzavecchia⁷, Wayne A Marasco^{8,9}, Zhengli-Li Shi⁴ & Ralph S Baric^{1,2}

The emergence of severe acute respiratory syndrome coronavirus (SARS-CoV) and Middle East respiratory syndrome (MERS)-CoV underscores the threat of cross-species transmission events leading to outbreaks in humans. Here we examine the disease potential of a SARS-like virus, SHC014-CoV, which is currently circulating in Chinese horseshoe bat populations¹. Using the SARS-CoV reverse genetics system², we generated and characterized a chimeric virus expressing the spike of bat coronavirus SHC014 in a mouse-adapted SARS-CoV backbone. The results indicate that group 2b viruses encoding the SHC014 spike in a wild-type backbone can efficiently use multiple orthologs of the SARS receptor human angiotensin converting enzyme II (ACE2), replicate efficiently in primary human airway cells and achieve *in vitro* titers equivalent to epidemic strains of SARS-CoV. Additionally, *in vivo* experiments demonstrate replication of the chimeric virus in mouse lung with notable pathogenesis. Evaluation of available SARS-based immune-therapeutic and prophylactic modalities revealed poor efficacy; both monoclonal antibody and vaccine approaches failed to neutralize and protect from infection with CoVs using the novel spike protein. On the basis of these findings, we synthetically re-derived an infectious full-length SHC014 recombinant virus and demonstrate robust viral replication both *in vitro* and *in vivo*. Our work suggests a potential risk of SARS-CoV re-emergence from viruses currently circulating in bat populations.

The emergence of SARS-CoV heralded a new era in the cross-species transmission of severe respiratory illness with globalization leading to rapid spread around the world and massive economic impact^{3,4}. Since then, several strains—including influenza A strains H5N1, H1N1 and H7N9 and MERS-CoV—have emerged from animal populations, causing considerable disease, mortality and economic hardship for

the afflicted regions⁵. Although public health measures were able to stop the SARS-CoV outbreak⁴, recent metagenomics studies have identified sequences of closely related SARS-like viruses circulating in Chinese bat populations that may pose a future threat^{1,6}. However, sequence data alone provides minimal insights to identify and prepare for future prepandemic viruses. Therefore, to examine the emergence potential (that is, the potential to infect humans) of circulating bat CoVs, we built a chimeric virus encoding a novel, zoonotic CoV spike protein—from the RsSHC014-CoV sequence that was isolated from Chinese horseshoe bats¹—in the context of the SARS-CoV mouse-adapted backbone. The hybrid virus allowed us to evaluate the ability of the novel spike protein to cause disease independently of other necessary adaptive mutations in its natural backbone. Using this approach, we characterized CoV infection mediated by the SHC014 spike protein in primary human airway cells and *in vivo*, and tested the efficacy of available immune therapeutics against SHC014-CoV. Together, the strategy translates metagenomics data to help predict and prepare for future emergent viruses.

The sequences of SHC014 and the related RsWIV1-CoV show that these CoVs are the closest relatives to the epidemic SARS-CoV strains (Fig. 1a,b); however, there are important differences in the 14 residues that bind human ACE2, the receptor for SARS-CoV, including the five that are critical for host range: Y442, L472, N479, T487 and Y491 (ref. 7). In WIV1, three of these residues vary from the epidemic SARS-CoV Urbani strain, but they were not expected to alter binding to ACE2 (Supplementary Fig. 1a,b and Supplementary Table 1). This fact is confirmed by both pseudotyping experiments that measured the ability of lentiviruses encoding WIV1 spike proteins to enter cells expressing human ACE2 (Supplementary Fig. 1) and by *in vitro* replication assays of WIV1-CoV (ref. 1). In contrast, 7 of 14 ACE2-interaction residues in SHC014 are different from those in SARS-CoV, including all five residues critical for host range (Supplementary Fig. 1c and Supplementary Table 1). These changes, coupled with

Chapel Hill, NC 27599-1350

RE: 5U19 AI107810-02

Dear Ms. Settle:

NIAID has determined that the above referenced grant may include Gain of Function (GoF) research that is subject to the recently-announced U.S. Government funding pause (<http://www.phe.gov/s3/dualuse/Documents/gain-of-function.pdf>), issued on October 17, 2014. The following specific aims appear to involve research covered under the pause:

Project 1: Role of Uncharacterized Genes in High Pathogenic Human Coronavirus Infection - Ralph S. Baric, PhD- Project Leader

- Specific Aim 2. Novel functions in virus replication in vitro.
- Specific Aim 3. Novel functions in virus pathogenesis in vivo.

Project 2: Determining the functions of novel genes for Influenza A and Ebola viruses (EBOV) - Yoshihiro Kawaoka, PhD- Project Leader

- Specific Aim 2. To determine the significance of uncharacterized IAV and EBOV genes in viral replication.
- Specific Aim 3. To determine the significance of uncharacterized IAV and EBOV genes in virus pathogenicity.

As your grant is currently funded, this pause is voluntary. Organizations conducting GoF research supported by the NIH have an opportunity to transition the applicable research to research that is not covered by the funding pause; halt the applicable GoF research until the outcome of the deliberative process is known; or continue to conduct the applicable GoF research until the end of the currently active budget period.

After the work stopped in the US, the Chinese moved forward with the project and ran research and development in Wuhan at the Wuhan Virology Center. From Shi Zhengli's papers and resume, it is clear that they successfully isolated the virus in the lab and were actively experimenting with species species transmission.

It's also important to note that back in 2017 we had solid intelligence about a viral leak in a high security Chinese virology R&D center that resulted in the SARS virus getting out and killing people.

This information provides a basis that contradicts the theory that COVID-19 is a variant that just magically mutated in a bat in the wild and then jumped to a human when they ate bat soup.

Today we have obtained an article from the past where Dr. Shi was interviewed on her work related to the coronavirus that was obtained from bats.

The article was in Chinese but has been translated. In the article from December 2017, Dr Shi was interviewed and shared the following:

1. Shi Zhengli and others are called “virus hunters”. They search the world for viruses that have not yet infected humans. Before they wreak havoc, they study them clearly to prevent new infectious diseases.
2. The bat is the source for SARS.
3. Viruses from bats generally require an intermediate host, such as the SARS virus.
4. The SARS virus in 2002-2003 was detected in civets (wild cats) sold to the Guangdong market.
5. From 2011 to 2015, Shi Zhengli’s research team took continuous samples from a small cave in Kunming, Yunnan.
6. All the genetic components of the SARS virus strain that caused human outbreaks were found in the bats in this cave.
7. Over the past five years [through 2017], the viruses they received were collected into a large “reservoir”.
8. The prevention and treatment of SARS epidemic is mainly through the direct report system of infectious diseases in hospitals: once the patients suspected of SARS are

reported, they will report it. There are already diagnostic techniques and vaccine reserves. If the diagnosis is a case of SARS virus infection, isolate it immediately.

9. For these viruses that are easy to infect humans, we developed diagnostic techniques and even developed some vaccines for storage.

Based on Dr. Shi from the Wuhan Institute of Virology, she and her team had collected a large reservoir of viruses and even developed some vaccines for storage.

thegatewaypundit.com/2020/04/breaking-exclusive-2017-dr-shi-wuhan-institute-virology-claimed-kept-large-reservoir-bat-viruses-related-vaccines/

There's now no question that there was a highly coordinated conspiracy between the Chinese *Deep State*, American *Deep State* and British *Deep State* in carrying out the various 5G and coronavirus implementation plans which were each required to pull off the genocide in Wuhan. However, there was also another state actor that was deeply involved in this immense black operation and global psyop. See: [Wuhan Coronavirus Bioterrorist Attack Is China's 9/11, Same Perps](#)

There is ample proof that both United States and the United Kingdom played pivotal roles in this nefarious scheme to blow up China's economy in the interest of preserving the U.S. petrodollar as the world's reserve currency, among achieving several other furtive objectives.

The hard evidence presented in the following post reflects the sheer depth and breadth of this “patently” Anglo-American conspiracy to wage bio-warfare against China.

[CORONAVIRUS: A Globalist Bioweapon Created by DARPA, Big Pharma and Its British Overlords](#)

All of what is coming to light is increasingly disturbing. Just when you thought the coronavirus was solved, it keeps coming back. China has just locked down a city of 11 million after an outbreak from one asymptomatic carrier spread to two hospitals. And she had already undergone a 14-day quarantine, showing no symptoms whatsoever.

Similarly, Sweden is now seeing an explosion in deaths, surpassing USA deaths on a per capita basis, as a result of Sweden trying to see what happens when you have no lockdowns. It turns out the experiment failed.

As it is, we know with absolute certainty that 3 strains were allowed to enter the country by the dishonesty of bureaucrats at public health agencies. Their very words stating that the public must “lock down” for upwards of two years is in itself, at the least dishonest and at worst fraudulent, when they knew most people who are asymptomatic and healthy get over the virus in a matter of a few days. Their own words expose their awareness of the real issues and their effort to obfuscate and lie about the nature of this virus.

What I am going to share next is ominous relative to the Gates Foundation plan to “microchip” everyone in the world. Pay close attention to this, another example President Trump’s disregard for the public.

Say What? The White House Wants Healthcare PATRIOT Act?

According to a story in Politico, the White House Coronavirus Task Force is considering creating a national surveillance system to track Americans' health information. Supporters of this initiative claim it would enable the federal government to quickly identify areas in need of additional medical supplies and other assistance because the areas are coronavirus "hot spots." Of course, it is unlikely that this system would be limited to only tracking coronavirus patients. The government may eventually keep track of every hospital admission — or even all visits to doctors' offices — in the United States. This system could, and likely would, be used to violate privacy and harass and intimidate those challenging existing government policies. Anyone who doubts this should ask themselves what J. Edgar Hoover or Lois Lerner would have done with access to every American's medical history. No wonder some have described this as a healthcare PATRIOT Act.

Despite official denial that the White House is considering a new tracking program, the coronavirus panic may be used to justify giving the federal government access to our medical records.

Politicians, bureaucrats, and special interests have for years been trying to create a database of all Americans' medical records that could be accessed by federal bureaucrats and government-favored special interests. The 2008 "stimulus" bill included federal funding to develop a system to store healthcare records electronically. This was a step toward creating a federally controlled database of all Americans' healthcare records.

[RELATED: Steven Brill's "NewsGuard" & The "Fact-Checking" Scam](#)

A major part of the plan to give government access to and control of our medical records is assigning every American a "unique patient identifier." Fortunately, in 1998 an appropriations "rider" I drafted forbidding the use of federal funds to develop a unique patient identifier passed Congress and has been renewed ever since. However, last year the House of Representatives voted to lift the prohibition. After my Campaign for Liberty and other health freedom advocates pressured Congress, the funding ban was restored. Those favoring this Orwellian scheme will no doubt use the coronavirus panic as an excuse to seek to repeal the funding ban. —Dr. Ron Paul

The same law that sought to create the uniform patient identifier also authorized creation of misnamed federal medical privacy regulations that allow government officials and certain private interests to access medical records without patients' consent.

Federally mandated healthcare IDs and databases will weaken healthcare. Patients must provide details regarding their personal lives and habits so their physicians can make diagnoses.

How comfortable would people be sharing this information if they knew it would be stored in a federal “health tracking” database?

Bill Gates has suggested that when a coronavirus vaccine is developed individuals should be issued digital certificates proving they received the vaccine. Similarly, coronavirus fear-monger-in-chief Dr. Anthony Fauci has floated the idea that Americans who have been vaccinated for coronavirus or have in the past contracted the virus be issued “coronavirus immunity cards.”

Implementing Gates’ or Fauci’s suggestions could lead to people being forced to receive a coronavirus vaccine or suffer legal penalties. The power to force individuals to receive medical treatment would likely be expanded to apply to other communicable diseases as well as behaviors and conditions such as smoking or obesity. Those who value liberty must do all they can to ensure authoritarians like Gates and Fauci do not make respect for our right to control our healthcare a casualty of the coronavirus panic.

The President Trump administration can deny all they want about such ideas, but the fact is that **President Trump signed an Executive Order on September 19, 2019** which does that and much more. The Executive Order is titled: **“Executive Order on Modernizing Influenza Vaccines in the United States to Promote National Security and Public Health”**. President Trump has again shown his loyalty to his Zionist Chabad handlers by endorsing what will be the Gates Foundation ID2020. In the next segment, I will share the wording of this Executive Order and what it is suggesting.

Blessings,

Pastor Bob, EvanTeachr@aol.com
